"Aish! Let's just eat okay. My treat." he said. "Woah! It's hyung's treat. Good idea!" Taemin beamed. Onew shot the maknae a look. Taemin shut up his mouth.

Minho shook his head, "Yah hyung! Don't be a bad hyung to Taemin." he defended Taemin.

Taemin smiled and went to Minho's side. He stucked his tounge out to Onew. The leader rolled his eyes, "What a gay!" he said.

Key gulped, "G-Gay? Who?" he gasped. The members turned to him and chuckled. "Yah! I was just kidding. Don't take it seriously. Besides, there's bo gay here, right?" Onew replied.

"Uh-oh.." Key nervously laugh, "Yeah! There's no gay here!" he nervously laugh again.

Jonhyun smiled and shook his head, "You acts weirdly sometimes." he muttered. "Eh?!" Key gaped.

"You're weird." he said. "No, I'm not!" he protested. "Okay, as you say so."

"Yah! Stop you two with your love dovey there! Let's eat now. My chicken is waiting for me." Onew snapped.

The others burst into laughter.

As SHINee was about to leave, Key received a phone call. "Uh.. Excuse me.."

Key pressed the 'answer' button of his phone, not even looking at the caller ID and placed it on his ear. "Yeoboseyo?" he answered. "Yah! You gay! Where are you?! I'm already here at airport but I can't see any sight of you here." you shouted at the other end of the phone.

Key lightly removed the phone from his ear. He stared at his phone then placed it back again, "Jinri?"

"Yes, it's me. Your bestfriend. Where are you?!" you asked, still with a loud voice. "Yah! Stop raising your voice, will you?!" he hissed.

You rolled your eyes, "Psh! Are you going to fetch me or not?" you asked but this time, with a calm voice.

"Tsk! Araseo. I'll be there in few minutes. Bye." with that, the phone call ended. SHINee look at Key curiously.

"Um.. Mian but I can't join you guys. I forgot that today is the day that my bestfriend returning here in Korea. I need to fetch her now." Key explained.

SHINee nodded in understanding.

Jonhyun walk to him and placed a hand on his shoulder, "It's okay. Go now. Your bestfriend must be waiting for you." he said.

Key melted by his touch. His

gaze turned to Jonghyun's hand that was on top of his shoulder. Key crazily smiled.

Jonghyun raised an eyebrow, "Are you okay? What are you smiling at?" he asked in confusion.

Key's expression went back to serious one. He cleared his throat and straightened up. "Uh-oh.. Nothing!" he said.

Jonghyun removed his hand and shook his head, "You are really weird.." he commented. "We'll going now." SHINee waved and left.

Key bit his lower lip, "Aish! I embarass myself in front of him again."

Just then, his phone rang once again. He saw your name on the screen and quickly picked up the call.

"Yah! You're so slow! Where are you?! I'm already hungry!" you shouted on the other line. "Aish! Can you just wait for me?" you heard him said.

"Okay! Go! Palli!" you said. Key rolled his eyes, "Araseo, I'll hang up now. Bye!" then, the phone call ended.

"Aish! This girl!" Key whispered before he rushed to the airport.

CHAPTER 2

"Aish! Where is he now? I've been waiting for him in 30 minutes after I called him plus one hour. Tsk!" you hissed while searching around the airport.

"Jinri-ah!" a sudden voice called

your name. You turned to the direction of the voice and saw the person that you've waiting for in almost 2 hours.

You frowned, "Yah! Why are you late?!" you hissed. Key run to you and tried to catch up his breath. "Mian, I almost forgot." he said, panting.

"Almost or you really do forget?" you rolled your eye on him. He pouted, "Okay, to be honest, I forgot. Happy now?"

You narrowed your eyes to him, "Yah!" He laughed and stucked a tounge out to you. You rolled your eyes and made a face.

"Aigoo! My bestfriend is so cute. Come. Don't you miss my hug?" he said as he stretched his arms widely.

"Psh!" you rolled your eyes but still hug him. Key hugged you back.

"Omo! Look at them. Such a cute couple." "Yeah. Yeah. I envous the girl. She got a hot boyfriend." "But the girl is cuye too. They look good together." "So sweet." "I want a hug too." you heard the girls around you said.

You and Key broke the hug and look at each other. You stared at each other for a while then burst into laughter.

You turned to them and said, "He's not my boyfriend, he's my bestfriend." The girls lightened up, "Wow! So can I be his girlfriend then?" a girl jokongly said.

"Sorry but he's also like us." you simply said. The girls look at you in confusion. Then Key spoke, "I love boys like all the girls like all of you do." with that, Key grabbed your hand and dragged you out of the

airport.

The girls left there,
dumbfounded.

You and Key left the airport laughing. "Yah! You startled those girls, you know that?" you said giggling.

He shrugged, "So what? That's the truth." You rolled your eyes, "Love boys huh?!" you look at him from head to toe.

Key raised an eyebrow, "Wae?" he asked in confusion. "But.. Look at yourself, you still have a boy look. Don't you want dress like a girl. Like dress?" you asked.

"You know, I can't do that. You're the only one who know my real identity." he said. You shook your head, "So.. you're saying that you're just going to live like this?" you asked once more.

He nodded, "Yes. So you better keep my secret to others, araseo?" You let out a sigh, "If you're not my bestfriend, I'll definitely revealed your secret." you said.

"Then sorry because I am." he snapped. You rolled your eyes, "Whatever!"

He chuckled, "Come on, I'll take you home now." he offered. You shook your head, "I don't want to go home yet."

He raised an eyebrow, "Mwo?!" You smiled, "Let's go to mall first before I went home." you said.

He shook his head, "No, I don't want to." he replied. You crossed your arms across your chest, "Okay then, I'll just revealed your secret if you don't

want to go to the mall with me." you snapped.

He quickly grabbed your hand, "Araseo. I'll go with you." without a choice, he led the way.

You removed your hand to his. Key look at you in confusion. You smiled and hopped on his arm instead. Key rolled his eyes but didn't shrugged.

He made a face, "Jinri wait! What about your luggage?" he called out. "Just bring it along." you said, not looking at him. He frowned and shook his head in amusement. Without a choice, Key bring you luggage along with him.

Your eyes were glued with all the dresses around you. "Yah! Your luggage is so heavy!" Key went up to you, panting.

"I know. That's why I want you to hold that for me." you simply replied, eyes were still on the dresses.

"I hate you." he pouted. "I know." you replied. "I love you." he said. You paused and stared

at him. You rolled your eyes, "Don't try to trick me Kibum!" you said and turned back to look at the dresses.

He pouted again, "You does really know me that much huh?!" he said. "Yes because I'm your bestfriend." you said.

Key let out a heavy sighed, already gave up. "We already know that you can't won over me on the first place so stop arguing with me." you said.

He made a face, "I'll win next time!" you head him said. "You wish!" you snapped.

He want to argue with you again but you cut him off, "Do you think this dress will suit with me?" you asked as you pointed to a baby blue dress.

Key lightly tapped his chin as he stared at the dress then to you. You raised an eyebrow, waiting for his answer. Then, you saw him shook his head, "I don't think so." he said.

You frowned, "Eh?!" He smiled, "I think that dress suit with me." he blurted. Your jaws dropped. "Yah! Kim Kibum! Do you really want this dress?" you raised an eyebrow. "I don't think I want that.." he started.

You titled your head to him. Then he continued, "I think the dress wants me." he smirked. You rolled your eyes, "Such a gay!"

He chuckled, "Aish! The dress don't want you, okay.." You pouted but your expression suddenly went serious. "What?" he asked, confused.

"If the dress wants you, then why don't you try it so I could see if what you said is true." you dared.

"Mwo?!" he gasped. Key shook his head, "Andwae!!" he protested.

"Aish! Just try it, will you?!" you said. He shook his head again, "Okay.. The dress want me but I think that dress want you more." he excused.

You smirked, "I know." He rolled his eyes on you. You smiled, "Wait here, I'll go try it." with that, you grabbed the dress and went to the fitting room.

Minutes later, you went out wearing the baby blue dress. You walked to Key and turned around, "What do you think?" you asked him.

"You look fat with that dress." he commented. Your face fell, "Uh-oh.." you turned around and was about to be changed when you heard him spoke, "Just kidding!"

You stopped and spun around to make you face him again. You raised an eyebrow in confusion. He smiled, "You look cute with that dress. It suits you." he said.

A smiled went up to your face, "Really?" He nodded. You run to him and give him a hug, "I love you Kibum! You're the best bestfriend in the world!" you beamed.

He lightly pushed you away, "Of course I'm the best! I'm always the best!" he muttered.

You rolled your eyes, "You're always full of yourself!" "But it's true. I'm the best! Better than you!" he stuck a tongue out.

You made a face, "I hate you!" you hissed. "I love you too." he replied. Both you two stared at each other and suddenly burst into laughter.

CHAPTER 4

"Come on, let's eat. I'm already hungry." you whined to Key. "No, let's just go to your place now. Let's just eat there." he replied.

"But I want to eat here. I missed the restaurant here in Korea." you pouted.

"Yeah! But.. I wonder why did you back here. They say Paris is one a good country in the world." he said.

You shook your head, "No, it's not." you replied. "How did you say that?" he asked.

You look at him with a serious face, "I'm dying of boredom there because my bestfriend isn't there." you said. "Aw! What a good bestfriend you are." he commented.

"Yeah, I'm good so be good to me now and go eat with me here." you said. He rolled his eyes and let out a sigh, "Araseo."

"Oh! Before I forgot, I'll be attending the same school as you starting tomorrow." you snapped.

He gulped, "Mwo?!" You raised an eyebrow, "Yah! Why are you so shock all of a sudden? I'm your bestfriend and of course I'll be attending the same school as you." you rolled your eyes.

"No, you can't!" he said. "What?! Sorry but I already enrolled." you said.

"Mwo?! How?" he gasped. "You know me, I can do anything." you smirked. "But.. you just departed here in Korea hours ago." he said. "So what? There's a person who take care of my school papers before I came back here." you said.

He rolled his eyes, "So.. You're saying that before you came back here, you already planned your school here huh?" "Exactly!" you simply replied.

He was about to say something when the food finally served. "Here's your order ma'am and sir." a good-looking waiter said as he carefully placed the food on the table.

Your eyes were on the food. A smiled went up to your face. You turned to Key as your smile suddenly vanished after seeing Key staring on the waiter with a spark on his eyes.

You shook your head in amusement. You kicked his legs hard to make him focus. "Urph!" he suddenly yelled in pain. "Sir,

gwenchana?" the waiter asked.

Key was about to respond but you cut him off, "Don't worry. He's alright. You can leave us now." you said.

The waiter nodded in understanding. He bowed then left.

Key shot you a look but you didn't care to look at him and just started your food.

"Yah! Why did you do that?" he hissed. "What did I do?" you asked innocently.

He eyed you, "You kick me right?" You shook your head, "No, I'm not!" you objected.

He made a face, "Such a brat!" he said. "Mwo?!" you narrowed your eyes to him. "I said you're brat!" he said.

"Whatever gay!" you rolled your eyes. "You know what? You just ruined my moment. That waiter is so cute you know that? Didn't you see? I'm trying to—"

"Flirt with him." you cut him off. He nodded unknowingly, "Yeah." he then realized your words. He quickly shook his head, "No! I'm trying to—"

"Seduce him." you cut him off once again. "Yah! Let me finish my words first, will you?" he hissed. You just nodded and continue to eat. "Okay. So as I was saying, I was trying to talk to him, know his name, his number, his—"

"**** size." you snapped. (A/N: **** size? What's on your mind readers? Haha xD)

He nodded unknowingly. Then shook his head quickly, "No, it's not that!"

You rolled your eyes,

"Whatever!" you just continue on eating. He made a face. Not wanting to argue with you, he also started his food.

"I'm already full." you beamed. "I know. You almost eat all the foods here even my food." Key rolled his eyes.

You pouted. "Aish! Wait for me outside. I'll just pay the bill." you said as you stood up.

Key also stood up, "I'll go with you." You shot him a look, "No, just wait for me outside."

"But—" "No buts, I won't let you talk to the cute waiter." you said and left. Without a choice, Key wait for you outside.

"Come on! I'm already tired. Take me home now." you said. As you walk off first. Key followed with your luggage along with him.

You and Key grabbed a taxi to your way home.

After almost an hour, the taxi reach your house. Since your parents were living on Paris, you will be staying at your house alone.

As you and Key entered your house, Key placed your luggage inside the house.

"Thanks for going with me at mall and taking me home. Go home now and take a rest. I know, you're also tired." you said.

Instead of leaving, Key walked in and sat on the couch. You frowned and walk to him, "Yah! Why are you still here? Go home now. I'm already tired so let me take a rest now." you

Your face was serious but suddenly changed into bright one with a smile as you immediately hugged him.

He turned his face away from you, "Eeww! Yuck! Get your hand off from me Choi Jinri!" he hissed once more. "No." you simply said as you closed your eyes, still hugging him.

Key stopped shrugging and looked at you. "Jinri?" he whispered. You didn't respond nor moved. "Yah! Choi Jinri, you already fallen asleep?" he whispered once again.

Key let out a sigh, "Aish! You already leave me here awake. I've decided to tell you about my crush but you just sleep already." he pouted.

"You have a crush?" you suddenly spoke as your eyes popped open. Key gulped by your sudden reaction.

He shrugged, "Of course I have." he said. You smiled, "Is she pretty? Kind? Sexy?" you asked giggling.

He looked down at you and raised an eyebrow, "What are you talking about? She? My crush is a he." he said.

"Oh! I forgot you're a gay!" you mentally hit your head. He

rolled his eyes, "You must always remember that!" he said.

You nodded, "Araseo.." you replied. "Wait! I thought you're already sleeping?" he asked. "I couldn't sleep because you're so noisy.." you said.

He rolled his eyes once again, "Whatever!" You pouted, "So.. About your crush.." you started.

He looked at you, raising an eyebrow. "Who is she? Oops! I mean, who is he?" you continued. Key turned to face the ceiling again then smiled, "He' my bandmate. He's hot! Totally hot!" he said giggling.

"Mwo?! Bandmate? You have a band?" you asked, confused. "Yes, I have and my crush is my closet bandmate." he said smiling like crazy.

"Tomorrow is my first day in your school.." you trailed off. "So?" he raised an eyebrow.

"Introduce him to me." you said. He quickly shook his head, "No." You pouted, "Wae?"

He shook his head again, "I already said no." he repeated. "Please.. Please.." you pleaded as you hugged him tightly.

Key repeatedly shook his head. You didn't gave up and started nagging him until passed midnight.

CHAPTER 6

Morning quickly came. Key slowly open his eyes and found you sleeping beside him. He stared at your peaceful face for moment until his eyes caught the clock.

Hi eyes widen, "Omo! I'm already late!" he screamed that made you woke up. You gently rubbed your eyes and give him a look, "Yah! Why are you so noisy?!" you yelled at him.

"We're already late! Get up now!" he said as he jump off your bed.

You rolled your eyes, "It's my first day of school so I'm excuse to be late! You're the only one who's late!" you snapped.

He narrowed his eyes to you. He pointed his finger to you, "It's all because of you! If you didn't nag me all night, I won't be late!" he said. You amde a face, "Whatever!" you said.

"I'll use your bathroom." he said. Before you could stop him, Key already entered your bathroom and firmly closed it with a loud bang.

"Aish! That gay is reall something!" you hissed as you laid at your bedagain with open eyes.

Minutes later, Key went out with a towel on his body like what all the girls do. You rolled your eyes, "What do you think to yourself? A girl? Duh!" you rolled your eyes.

"Whatever! Just go and take a bath now. We're already late

but you can still talk nonsense.” he said as he pushed you to the bathroom.

“Whatever gay!” you rolled your eyes before you completely close the bathroom door.

“Let’s go now. Palli!” Key said as both of you ready to school. You just nodded and followed him.

As you and Key arrived at the school, Key spoke. “I can’t take you at the director’s office since I’m already late. Take care of yourself, araseo?” he said as he started to run.

“Yah! You’ll just leave me here alone?” you shouted. Key turned around, “Blame yourself! Because of you I woke up late. I’ll text you later.” he shouted back and continued running.

“Aish!” you pouted. Without choice, you started to walk to director’s office alone. *Wait! Where’s the director’s office by the way?* you asked yourself.

You spun around to ask Key for help but he’s already nowhere to be seen.

You pouted even more, “Aish! He just left me here alone.” you whispered.

Just then, you heard a voice said, “May I help you?” You snapped out your thoughts and looked up. You saw a good-looking guy in front of you. Your eyes made a sparks. You just stared at his face.

The guy waved his hand in front of you, “Miss? Did you hear me?” he asked. “Eh?!” you snapped out your gaze.

“I’m asking if you need my help?” he said. “Oh yeah.. Um.. Can you take me to director’s

office?” you shyly asked. He smiled and nodded, “Okay, no problem.” he replied.

You smiled back, *I like his smile.* you thought. With that, the guy led the way as you followed.

“We’re already here.” the guy said as both of you reach the director’s office. You bowed, “Oh.. Gomawo.” you said.

He smiled again, “You’re welcome. I’ll go ahead now. My class will start soon.” he waved an left.

“Wait—” you want to stop him but he already runaway with a fast action. Your shoulders fell, “Psh! I didn’t even get his name.” you whispered.

Then, you lightened up. “Well atleast my first day is interesting!” you beamed to yourself before you could entered the director’s office to get your schedule.

CHAPTER 7

After you get your schedule, you scanned it and start headed to your class. Your first class was English which is your hate subject of all.

You stopped in front of the door. You paused for a moment before knocking the door. You slowly open the door as the teacher walks to you.

“Are you new here?” she asked. You nodded, “Dae.” you replied.

“Come in.” she said as you did.

“Class, there’s new student today.” she turned to you and waved you over, “Please introduce yourself.” she ordered.

You nodded as you slowly walked to the center in front and face all your classmates. “Annyeong haseyo! Choi Jinri-umnida..” you bowed and give your smile to everyone.

“Okay. Ms. Choi, please take a the seat beside Mr. Kim.” she said looking at the students, “Please raise your hand Mr. Kim.”

You turned to face your classmates and saw someone raise his hand. To your surprised, he was the boy who help you to get your schedule earlier.

Despite of shock, you felt so happy to see him again. Not only seeing him again but to be his classmate and seatmate at the same time.

You headed to your seat and make yourself comfortable. “We meet again.” you heard a voice whispered.

You turned to your right to see the boy smiling. *Omo! His smile again! Am I in heaven? Why do I feel like I’m sitting next to angel?* you thought.

“I forgot to introduce myself earlier coz I’m already late. Mian. I’m Kim Jonghyun by the way.” he offeres his hand to you for a hand shake.

You snapped out your gaze and stared at his hand for a while. You smiled, “Jinri, I’m Choi Jinri.” you took his hand shook it.

“I know.” he said. “Eh? How?” you asked in confusion as pulled

back your hand as he also did.

"You already introduce yourself to everyone so I know." he chuckled. You flashed pink because of embarrassment. "Uh yeah.." you shyly smiled.

Suddenly, your teacher spoke an started the discussion that made you face the front.

"Cute." you heard Jonghyun whispered. You turned to him only to see him facing the front.

You turned the other way and secretly smiled. *He said I'm cute.* you started squealing on your head.

"Class dismissed." your teacher announced then left.

Jonghyun turned to you, "Nice to see you again. I'll go ahead now. I still have my next class. Annyeong! See you tomorrow." with that he left.

"Wai—" before you could stop him, he already disappeared. You pouted, disappointed. *Aish! I hope he's my classmate with all my subjects.*

With that, you stood up and leave the classroom. You started searching for your next class which is math class, your favorite subject.

You felt vey excited, hoping to see Jonghyun as your classmate again.

"Found it!" you beamed as you reach your next class. "Are you that excited?" a voice suddenly popped from behind.

You spun around to see a familiar face just in front if you, "Neo!" you pointed.

CHAPTER 8

"Are you that excited?" a voice suddenly said from behind.

You spun around to see a familiar face just in front if you, "Neo!" you pointed. That person snapped your hand away, "Stop pointing at me!" he said.

"Yah! What a gay—" before you could finish your sentence, Key covered your mouth. He shot you a look, "Yah! Stop calling me a gay here in school." he whispered so the others won't hear it.

You snapped his hand away from your mouth. You narrowed your eyes to him, "Why should I?" you asked. "You already know why so stop asking me!" he hissed.

You rolled your eyes, "You know what?" you started. "What?" he asked in annoyance.

"You need to reveal your secret. It will be easier to you, you know!" you said. "No way!" he said.

You rolled your eyes, "Psh! ... By the way, what are you doing here?" you asked. "This is my class." he simply said then entered the classroom.

You titled your head and followed him. "Yah! You're in the same class with me?" you asked. "What do you think?" he asked back.

You made a face, "Aish! I was just asking." you said. "I'm asking too." he snapped. You rolled your eyes, "Whatever!"

"I love this subject too and you're the that annoys me!" you replied. "Whatever!" he said. Just then, the teacher came.

"Uh.. Are you a new student Miss?" she asked you. You looked up and nodded, "Dae Seonsaengnim." you replied.

"Come here in front and introduce yourself." she said. You nodded and went in front. Then, Key sat on his chair.

"Annyeong haseyo! Choi Jinri-umnida!" you bowed and and smiled as you always do.

"Okay, Ms. Choi please take a seat next to Ms. Park. Please raise your hand Ms. Park." your teacher ordered.

You turned to see a beautiful girl raising her hand. You then headed to the seat next to her and make yourself comfortable.

"Annyeong! I'm Park Hyomin." she waved with a smile. You smiled back, "Uh.. Hello. I'm Choi Jinri. Nice to meet you." you replied.

"Nado. It's nice to meet you." she said. You just replied her a smile.

You nodded, "He's actually my bestfriend." you replied. "Chincha? Omo! You're so lucky!" she commented.

You chuckled, "Me? Lucky? Why?" you asked. "Coz so many girls want to get close to him but he just ignored them." she said.

"Many girls want him?" you chuckled once again, "What the?! They want a such a diva!" you said.

"Yeah! He's a totally diva! You're really his bestfriend." she commented excitedly. You force a smile and shook your head, amused.

Suddenly, your teacher started the lesson as you and Hyomin finally broke apart and fce the front to listen to your teacher.

"Class dismissed." your teacher announced then left. Key walked to you, "Come on, let's eat lunch. I'm already hungry." he said.

You looked up and rolled your eyes, "After you left me earlier, you want me to eat lunch with you?" you snapped. Hyomin stared at you in amazement.

"Do you want to eat lunch with me or not?" he asked in annoyance. "Of course! You're my bestfriend so I would." you snapped as you stood up.

"Good. Follow me." he said and walk passed by you. You made a face then turned to Hyomin, "I'll go ahead now. Annyeong!" you waved as Hyomin waved back with a smile.

With that, you followed Key.

"Are we the only two will going to eat?" you asked Key. He shook his head, "No. My group members will also join us." he replied.

"Group members?" you asked in puzzlement. "Yeah. The other SHINee members." he said.

You nodded as you remembered what Hyomin said to you about his band, "Uh yeah."

"Oh! They're already there! Come on, I'll introduce you to them." he said as you nodded n followed him.

As you and Key stopped in one of the table at the canteen, your gaze landed to a familiar person in front of you. He was too, he was surprised to see you.

"YOU!"

"YOU!" both you and Jonghyun pointed to each other. Key look at you, "You know him?" he asked.

You nodded, "We're classmates in english class." you said. Jonhyun nodded in agreement, "And we're seatmates too." he added and smiled.

You couldn't help but smiled along with him with a nod.

Key nodded in understanding.

"Hyung, who is she?" Taemin suddenly asked. Key snapped and turned to you, "Uh yeah.. This is Choi Jinri, my bestfriend I was talking about to you guys. She's in the same age with me." he intoduced.

Taemin waved at you, "Annyeong haseyo noona! I'm Taemin, the maknae of SHINee." he introduced himself.

"Minho here!" another guy said. "Jinki but please call me Onew. I'm the leader of SHINee and Oh! By the way, I love chicken." he beamed.

The rest of SHINee rolled their eyes on him. Onew pouted. You giggled.

Then, you noticed that someone is staring at you. It was Jonghyun.

You raised an eyebrow but he just send you a smile. You couldn't help but to smile back.

Key noticed you as he elbowed you. You looked up at him and raised an eyebrow. "Stop smiling, will you?" he whispered to you.

"Wae? Can't I just smile when I'm happy?" you snapped. "Whatever! Just do what I said." he replied.

"Sorry but I don't want to." with that, you take the seat in front of Jonghyun. Key made a face before he take the seat next to you.

"Yay! Chicken!" Onew beamed as all the orders arrived. You shook your head, amused. "He really does love chicken." you commented with a giggle.

"Yes. He really do." Jonghyun said. You smiled at him as he flash you a smile too.

Key started to get suspicious between you and Jonghyun as he keep elbowing you but you just reply him a rolling eyes.

"Ahhh~ mashita!" Onew beamed as all of you finished the foods. SHINee rolled their eyes to him as you giggled. "What's your next class?" Key asked. You get your schedule and showed it to him.

"History?" he tilted his head. You nodded. "Is she in the same class with us?" Jonghyun asked.

Key hesitatedly nodded. "So.. Umm.. I'm in the same class with all of you guys?" you asked.

You saw Minho shook his head, "Not with all of us. Only Key and Jonghyun." he said.

Omo! I'm the same class with Jonghyun again! you squealed in your head. *But Kibum is also there.* you pouted.

"Wae? Aren't you happy to be in the same class with only me and Key?" Jonghyun asked. You quickly shook your head as you waved a hand, "Ani. I'm okay with it." you replied.

Jonghyun smiled, satisfied. You just smiled back. Key shot you a look. You just ignored him and stood up. "Let's go in our class now?" you asked Jonghyun. He smiled and nodded.

Jonghyun stood up, "Kaja!" he beamed.

You nodded then turned to SHINee, "I'll go ahead now. Nice meeting you guys. Annyeong and see you arpund." you waved then then walk with Jonghyun.

SHINee waved back then left.

Key narrowed his eyes to your back, *History is my only class with Jonghyun alone but now you're here.* he pouted.

Irritated, Key followed you and

Jonghyun.

CHAPTER 10

As you, Jonghyun and Key reach the classroom, you sat next to Jonghyun's seat.

Key eyed you. You raised an eyebrow. "That's my seat." he said. "Yah! Let her sit on your place for a while. She's a girl so treat her nicely." Jonghyun snapped.

Key paused. *She's a girl but my heart is like a girl too.* he thought to himself sadly. He turned to you as you stucked a toungue out on him.

Key made a face and without a chouce, he sat on the chair behind you.

"Um.. What country are you came from?" Jonghyun asked you. "Paris." you replied. "Woah! Paris is one the great place in the world. I wonder why you came back here." he commented.

"Well, I'm bored there." you trailed off. "She's bored because I'm not there." Key snapped.

Both you and Jonghyun turned to him. Key just smiled, "Right Jinri?" he peek at you. You open your mouth to protest but Jonghyun cut you off.

"Woah! You two are really that close huh?" he commented. "Of course! That's why we're bestfriends!" Key beamed. You narrowed your eyes to him but he just ignored you.

"I envous you two. I hope I have a bestfriend too."

Jonghyun said. You looked at him and force a smile.

"Since when did you guys become so close to each other?" Jonghyun asked. "Since grade school." you replied.

"Woah! That was too long ago." Jonghyun commented. You smiled, "Yeah! I remembered our first meeting." you started as you give Key a teasing smile. Key's eyes widen in horror, *Omo! Don't you dare blurt it out.*

"Care to share to me?" Jonghyun asked. You open your moith to start your story but Key cut you off, "Mian but I think that's a private matter for us." he said.

Jonghyun nodded in understanding, "Uh-oh.. I understand." he said.

You looked to Key with a smirk. Key eyed you back.

Suddenly, the teacher came. You automatically went in front to introduce yourself. Key then, sat on his assigned seat. After that, your teacher assigned you to sit behind Key.

"Class didmised." the teacher announced.

"What is your next class Jinri?" Jonghyun asked. "Science." you replied.

"Uh.. We're not the same." he said. You grew disappointed on what he said. You really do want him to be your classmates in all subjects.

"I'm going now." Jonghyun waved. You waved back and with that, he left. You turned to Key. He shrugged, "We're not the same too." he replied.

"Good!" you beamed.

Key raised an eyebrow, "Mwo?" "I don't want you to be my classmate!" you snapped.

He rolled his eyes, "Whatever!" he stood up and left you. You pouted, "Such a gay!" you whispered.

With that, you also headed to your class. Your next classes, neither Jonhyun nor Key was there. Even the other members of SHINee weren't there.

At the end of school, you received a message from Key.

to: Besty Jinri

Let's meet at the school's exit gate.

from: Besty Kibum

You pressed the reply button to replied to him,

to: Besty Kibum

I'm on my way now.

from: Besty Jinri

With that, you left your classroom and headed to the exit gate. As you was near the gate, you already recognized Key waiting there.

"Kibum!" you called. The students around you especially the girls turned to you in surprised. You saw them whispering. You frowned, "What I have done wrong?" you mumbled to yourself.

"Yah! Choi Jinri! Palli!" you heard Key called you. You looked up, "Oh.. Ne!" you shouted back as you run to him.

"What take you so long?" he

asked. "I'm a girl so be patient okay." you snapped as you rolled your eyes.

Just then, you noticed that all the eyes were on the two of you. You grew confused and turned to Key, "Why are they looking at us?" you asked.

Key looked around and noticed what you said. "Uh-oh.. Come on, let's go now. I'll tell you later." he said. You nodded and followed.

CHAPTER 11

"Yah! You still not answering my question! Why all the students looking at us like that?" you shouted as you catch Key's arm since he walked fast.

"As you know, I'm a member of boy band SHINee.." he started. You raised an eyebrow, "So?"

"Our band is famous in school so they're all shock to see a girl with me." he snapped. You paused, "You.. really did not close to any girls except me?" you asked as you tilted your head.

He nodded, "I hate girls the most! They just want to flirt with me." Key said irritably. "You hate girls?! So you hate me?!" you snapped as you crossed your arms across your chest and narrowed your eyes to him.

He rolled his eyes then lightly pushed your forehead using his pointed finger, "Babo! You're not belong to those girls!" he muttered.

"Then what are you saying now? I'm not a girl?!" you raised an eyebrow. He rolled his eyes

once again, "That's not what I mean.."

"Then why do you mean by that?" you snapped. "Can you please let me finish my sentence first?" he hissed.

"Araseo.." you pouted. "So those girls are my fangirls. Ever since I attended SM High, they knew that I hate girls so no one dare to go near me and because of what happen today, they will think that you're something special to me. You also called me Kibum, they all know that I hate someone calling me with my true name but I let you call me that. So.. I hate girls but not you. You're different!" he explained.

A smile suddenly went up to your face as you threw your arms around his neck and give him a hug. "Woah! You're so sweet Kibum!" you beamed.

He rolled his eyes and pushed you away from him, "You're different because you're my bestfriend and you know my real identity." he snapped.

"Yeah! I'm always different because I'm special." you stucked a tongue out. "Aish! Oh! By the way, can you stop going near to Jonghyun?" he blurted.

"Mwo?" you gaped. "The crush that I was talking about last night is him so you better stay away from him now coz he's mine!" he said.

You paused then burst into laughter, "Yah! He's not yours okay. Plus, did he knew that you're a gay?" you asked.

Key hesitatedly shook his head. You smirked, "How could you say he's yours but he didn't even saw as a girl?" you snapped.

"Whatever! Just do what I said okay.." he replied. "You're my bestfriend but I can't do what you wanted. Besides, I'm interested with him too." you simply said and walk away.

Key stunned. He slowly gaze to your direction then immediately rush to you. He caught your arm and spun you around to face him. "Yah! What did you just said?" he asked for the confirmation.

"Let's just say, I like him too." you smiled. He raised an eyebrow, "Mwo? No! You can't!" he snapped. You rolled your eyes, "Sorry but I already did!" you said and walk away once more.

Key run to you again, "Yah! Are you really interested to him?" he asked. "Yes." you replied and just then, both of you reach your house as you went in.

Key was about to went inside but you already closed the door and locked it, not wanting you hear any question from him.

"Yah! Jinri-ah, open it!" you heard him shouted. "Mian but I'm already tired! Go home now, let's just see each other tomorrow at school. Bye!" you shouted back and went to your room.

Key pouted, "Aish! This girl! I can't believe my bestfriends is my rival too." he whispered before he completely leave you place.

CHAPTER 12

You woke up next morning as

you heard the sound of your alarm clock.

You get off from your bed and prepared yourself for school and after that, you walked to the door and went out.

As you stepped out, you saw a familiar figure in front of your house, standing there while his back was facing you.

Despite of seeing that view, you could still recognized that person. "Yah! Kibum, why are you standing there?" you snapped.

Key slowly spun around, "Oh! You're finally went out! I've been waiting for you like forever. Why are you so slow?!" he hissed.

You rolled your eyes, "Whatever! Let's just go okay." you snapped as you started to walk.

Key made a face then followed you. "What's your first subject?" he asked you as both of you walk together.

"English." you just replied. "English?! Wait! Don't tell me you're in the same class with—" "Jonghyun." you cut him off.

"Yes, he's in the same class with me. So what?" you raised an eyebrow. "Yah! Don't try to get close to him, araseo?!" he ordered.

"Sorry but I won't follow you." with that, you walk fast by him. "Aish! That girl! If she's not my bestfriend, I will definitely hurt her! Tsk!" he hissed before he followed you.

"I'll go to my class now. Bye!" you beamed, "I'm so excited to see Jonghyun." you emphasized

the last word. You smirked at Key and left.

Key narrowed his eyes to your back then pouted. With that, he also headed to his first class.

As you reach your classroom, the first one you saw was the person you really want to see, Jonghyun.

You headed to your seat next to Jonghyun. "Good morning!" you greeted. "Uh.. Good morning Jinri!" he greeted back with his smile.

Suddenly, the teacher came. With that, the class started. After an hour, the class dismissed.

"Do you want me to walk you to your next class?" Jonghyun suddenly asked that made you surprised. You smiled and nodded, "I would love to."

With that, Jonghyun walk you to your next class. As both of you reach your next classroom, you saw Key was about to enter the room but suddenly stopped when he saw you with Jonghyun.

"Oh! Key!" Jonghyun waved. Key smiled at him and waved back. Key turned to you with a cold eyes. "What are you doing here with her?" Key asked Jonghyun.

"Uh-oh.. I just offered her for a walk. By the way, I need to go now. Bye!" Jonghyun turned to you, "Bye Jinri! See you later." he waved then left.

You smiled and waved back. You then turned to entered the classroom but Key blocked your way.

You looked up at him and raised

an eyebrow, "What do you want?" you asked, irritated.

"Why are you with him?" he asked. "Don't you heard what he said? He offered me a walk and I accept it that's why he's with me." you simply said as you pushed him aside and freely entered the classroom.

Key pouted but followed. He don't have any other choice since Jonghyun doesn't know his true identity.

At lunch, you and Key joined the other members of SHINee to eat. After that, you, Key and Jonghyun headed to your class and so did Minho, Onew and Taemin.

In the whole class, Key felt happy because he's with the sane class as Jonghyun yet felt annoyed because you're also there.

All you just did was keep your eyes on Jonghyun. You really adore him because he's also good in History subject.

Hour later, the class dismissed. The 3 of you got separated since no one of you have class together after History.

School ended, you automatically headed to the exit gate, hoping that you will see Key there but you see no sight of him there.

You then decided to wait for him at the gate. Half hour later, Key didn't appear.

You started to get pissed. You pulled out your phone and dialed his number. "Yeoboseyo?" Key answered just after one ring.

"Yah! Where are you?! I've been waiting for you here in the exit gate like forever!" you yelled at him through phone.

"Oh! Mian. I'm here at our oractice room near at our classroom in History. I forgot to tell you that I have practice today with the other members of SHINee." Key replied. "Is that Jinri?" you heard Jonghyun's voice from other line.

You grew excited, "Omo! Jonghyun is there? I'll just go there! Bye! See you there." you hang up then went to their location.

Key stared at his phone, "Aish! That girl!" he hissed. "Wae? What did she said?" Jonghyun asked.

"Nothing." Key shook his head. "You sure?" he asked. Key nodded. "May I see your phone?" Jonghyun asked.

Key stepped back and quickly shook his head as he held his phone tightly, "Ani!" he snapped.

Jonghyun frowned, "Eh? I just want to see it." he said as he reach out Key's phone but Key quickly raised it up, "Andwae!" Key snapped.

Jonghyun tried to reach as Key tried to stay it away from him until..

URF!

You excitedly entered the practice room with a smile but quickly faded with wide eyes. You couldn't believe your eyes. The sight in front of you...

Jonghyun and Key kissing?!

CHAPTER 13

Your eyes widen seeing your gay bestfriend kissing your crush.

"Omo!" you gasped. The other members of SHINee was also there, also shocked on what they saw.

Jonghyun immediately get off from Key when he heard your voice. You raised an eyebrow, confused. "What was that?" you asked.

"Uh-oh.. It was an accident. I accidentally fall on top of him that's why it happened." Jonghyun explained.

You nodded in understanding, "Oh.." you then turned to Key who is touching his lips and smiling like crazy.

You eyed him to stopped on what he was reacting right now. As the time Key saw your hint, he stood up and clered his throat, "Uh-oh.. Mian. I didn't mean to kiss you." he apologized to Jonghyun.

"Naaa! It's okay but please don't mention it again." Jonghyun replied as he stepped aside.

"Noona, whata re you doing here anyways?" Taemin snapped. "Actually I was waiting for Kibum at the gate and when I called him, he said he have practice today with you guys. So.. Um.. I was hoping to see the practice if it i okay." you replied.

"Woah! Noona want to watch

us. Of course you can, right hyungs?" Taemin beamed. Onew nodded, "Of course! We would love to."

"Yeah! We want you as our audience." Minho added. "It would be nice to perform in front of you." Jonghyun said.

Hearing those words made you more than happy. You smiled at them, "Gomawo! I'm so excited to see it." you beamed.

Key rolled his eyes, "Psh! Just go home." You just stucked your tongue out in front of him. He made a face.

"Yah! She's your bestfriend so let her watch us." Jonghyun snapped. Key let out a sigh and agreed, he couldn't protest to Jonghyun as always.

Just then, SHINee started to performed. Your eyes sparkled, "Woah!" you gaped in amazement.

The solo parts came. At Jonghyun part, your jaw suddenly dropped. *Omo! His voice. He has an amazing voice. I love it.* you squealed in your head.

Just then, Key's part next. Your jaw dripped even more.

What? Is that really Kibum? He know how sing and dance? And he even know rapping! When he performed, he's different. He's like a handsome performer and not a diva gay! was all on your head.

After the solos, they sing and dance all together again. Then, the song ended.

"How is it?" Jonghyun asked you. "Daebak!" you give them 2 thumbs up.

"Really noona?" Taemin asked

excitedly. You eagerly nodded, "Yeah! I enjoyed watching you guys performing! I love it!" you beamed.

"Beause we're good." Key snapped rudely. You made a face and wanted to argue with him but he's right, they're good and it's hard to admit. Key was the best even he's a gay.

"Want us to perform once more?" Onew asked. You beamed and nodded. With that, SHINee performed again despite of Key's objection.

Once again, they amazed you again.

After the practice, you and Key went home together.

"You know what?" Key started. "What?" you asked, annoyed.

"If you didn't appeared earlier, the kiss will go long. Jonghyun's lips was so soft." he said as he touch his lips, reminiscing the kiss that he and Jonghyun shared together.

You rolled your eyes, "Whatever! Oh! And you also know what?" you asked back. "What?"

"You looks straight guy when you perform. Why don't you just leave being a gay and be a straight guy instead?" you asked once more.

"Tsk! You're just jealous because I kissed Jonghyun that's why you're saying this." he snapped. You turned to him, "Yah! I was just saying the tr—" you were about to protest when he suddenly cut you off, "Whatever! Just go inside now. We're already here in front of your house." he snapped as he nodded you to go inside.

You open your mouth to say once more but he cut you off again, "I'll go ahead now so go inside now, will you?"

You rolled your eyes, "Psh! Araseo. Bye!" you said as you entered you house and closed your door.

With that, Key left.

CHAPTER 14

You woke next morning to get ready for school. As you finished preparing, you get your bag and went out from your house.

Unexpectedly, you didn't see any sight of Key there. You frowned, "Weird! He's not here?" not wanting to wait, you went to school alone.

"Kyaaaa! SHINee oppas saranghae~" "Go! Go! Go! SHINee!" "Woohhoo! Key oppa!!!" "Jonhhyun oppa saranghae!" "Minho oppa!!!" "Taemin cutie!!!" "Go chicken boy!" was all you heard from the crowd as you entered the school.

You grew curious so you you walked to the crowd until your eyes caught familiar figures. It's SHINee, they're going up to stage with different looks.

You titled your head and lightly tapped your chin, "Let's see.." you mumbled. Just then, the song started playing. The students starting go crazy. As of you, eyes were focusing on SHINee.

Until SHINee started to dance and sing.

Your jaw suddenly dropped, "Woah!" you gasped, amazed. You couldn't take off your eyes from them. *They're different when they are performing on stage. I admit, they're good at the practice yesterday but they're perfect when performing on stage.*

You couldn't believe your eyes. It was like you were watching an idols. They're good as them.

Suddenly, the solo parts came. Jonghyun was the first one who did. You grew excited when you heard his voice. You smiled to yourself as he perform. Unexpectedly, Jonghyun met eyes with you and you saw him smiled.

Kyaaaa! Did he just smiled at me? Omo! Omo! you started squealing in your head.

The next thing happen, you saw Key performed his solo part. He was singing and at the same time rapping with a dance.

Your jaw dropped even more. *That's not him! He's different when he was performing! He's not a gay! Totally!* you screamed on your head as the time stopped on you. When you stared at him, it felt like you and him are the only people in the world.

Just then, Key met your eyes. You turned to Jonghyun's direction, completely ignoring Key. Not wanting to feel a weird feeling.

After the solo parts, SHINee sing all together again. With that, the performance ended. The students squealing loudly.

As SHINee get off from stage,

your phone vibrated. You pulled it out from your pocket to check who the sender is. 'Besty Kibum', that was written on the screen of your phone. With that, you pressed the 'open' button to read the message.

to: Besty Jinri

There's no morning class today. Go here at our practice room now.

from: Besty Kibum

After reading, you didn't think anymore and did what the text message said.

"Jinri noona!" Taemin called you happily as the time you entered the practice room.

You smiled, "Annyeong haseyo!" you greeted them. Minho and Onew waved at you as Jonghyun replied you a smile.

Key rolled his eyes. You made a face, *You're the one who want me to go here then you will act like that! psh!*

Taemin walked to you, "Noona, did you watch our performance?" he asked excitedly. You smiled and nodded, "Of course! I don't want to missed it!" you replied.

"How is it? Do you like it?" Taemin asked once more. You eaherly nodded, "I do! It's daebakkk! SHINee jjang!" you give them 2 thumbs up.

"Woah! She's honest!" Minho said. Onew hit his head, "Ow! Yah! Hyung, why did you do that?" Minho hissed.

Onew just stucked a tounge out at him. Taemin frowned, "Yah! Onew Hyung, don't hit Minho hyung! That's bad!" He

snapped. "Whatever!" Onew rolled his eyes at the maknae.

You giggled, "Cute." you whispered. "Did you hear that? She said I'm cute." Onew beamed. SHINee rolled their eyes at their leader.

"By the way noona, in our solo parts, who's the best?" Taemin asked once again. You paused, "Uh.. Actually... You are all the best!" you said.

"Aish! Of course we are but who among us caught your attention?" Minho snapped. "Uh-oh.." you paused again, "Um.. Since Kibum is my bestfriend, I won't choose him. He's actually good but like I said I won't choose him because he's my bestfriend. The other one who really caught my attention is Jonghyun." you said as you smiled at him.

"Uh-oh.." Jonghyun rubbed the back of his head but he couldn't help but smiled after hearing what you said. "Gomawo.." he shyly said.

Key eyed you but you just ignored him, not wanting to change your mood.

"Psh! I thought I am the best." Onew snapped. You chuckled, "You're good too."

"Don't mind him noona. Come on, I'll show you something." Taemin dragged you to take a sit and show you some musical instruments.

Key rolled his eyes and sat on the seat near to him. Jonghyun sat next to him but his gaze was still on you. "I like her." Jonghyun whispered that made Key turned to Jonghyun only to see him staring at you.

"Do you think she like me too?" Jonghyun asked an turned to

face Key. Key shrugged, "I don't think so."

"Wae? How did you know?" Jonghyun asked. "Because she's my bestfriend and I could feel it." Key replied.

Jonghyun's expression changed as he glance at you. Key stared at Jonghyun for a while then to you, *Jonghyun likes you, you know that? I know you like him but I like him too.. And I will do everything just to win his heart.*

CHAPTER 15

School end. As always, Key walked you home.

"I saw a different Kibum again today." you started. Key turned to you as he raised an eyebrow, "What different me?" he asked, puzzled.

"A boy version of you." you beamed. He rolled his eyes, "Sheesh! It's not!" he snapped.

You formed your lips upward as you narrowed your eyes to him, "You are!" you emphasized.

He rolled his eyes again, "Whatever! Let's just hurry up and go, okay." he said as he walked passed by you. You made a face and rush to him.

"But you looks good if you become a straight guy." you suddenly blurted. Key shot you glare.

You paused then smiled, "Just saying." you said then quickly entered your house since both of you already reach it.

Before you could close the door, Key already went in. "Yah! Aren't you already going home now?" you asked as you followed him inside.

"Later. I want to eat here." he replied. "Mwo?! But I forgot that I don't have food here. Aigoo! Just go now coz you don't have any food to eat here." you said.

"Just called Mc Donalds to deliver food here then." he said. You made a face, "Aish! No I don—" "My treat." he snapped.

"Okay! Delivery coming up!" you beamed after hearing what he said then rush to the phone to call Mc Donalds. Key rolled his eyes and shook his head because of your sudden change of action.

"Mc Donalds delivery." the delivery boy sing as he arrived at your house. You excitedly took the delivered food and bowed, "Kamsahnida. Just get the payment to him." you nodded to Key's direction.

Key walked out and give the payment to the delivery boy. With that, the delivery bowed and left as Key closed the door and followed you inside.

You arranged the food on the dining table as you make yourself comfortable on the seat. Key sat acrossed you.

You happily started your food as Key stared at you for a while. You suddenly stopped when you realized that he was staring.

You slowly looked up and raised an eyebrow, "Wae? Don't you want to eat? I can take care of it, if you want." you beamed and was about to get his food when he suddenly snapped your hand away.

"I already buy you one, isn't it enough?" he raised an eyebrow. "Aish! I thought you don't want your food." you replied and pouted.

"Lame excuse." he snapped as he started his food. You made a face and also continue your food.

Suddenly, your eyes noticed the gravy at the corner of Key's lips. "Yah! Are you still a kid or what?!" you hissed.

He looked up, "Mwo?!" You raised your hand as you pointed your finger to the corner of his lips, "You have gravy there." you snapped.

Key get a tissue and wiped the other corner. You rolled your eyes as you get another tissue and wiped it for him, "Here.."

Key gulped while you were wiping the corner of his lips. You were busy wiping it as Key stared at you. It was like the time suddenly stopped. All he could hear was only his racing heartbeat.

After wiping, you noticed that Key was blankly staring at you. You frowned as you waved a hand in front of his face, "Hello! Earth to Kibum!" you said.

Key snapped out his gaze as he looked down to his food, "Just continue your food." he said as he continued his.

You tilted your head, puzzled but still did what he said. You continue your food.

Kibum take another glance at you, *What's happening to me? It feels weird..* he shook that thought then went back to his food again.

After the dinner, Key left with

some thoughts on his head.

CHAPTER 16

You woke next morning hearing the sounds of your alarm clock. You slowly open your eyes and turned off your alarm clock.

You tiredly sat up and get off from your bed. You stepped your food on the way of the bathroom to take a bath.

After you wear your uniform, you went out from the house and found Key waiting for you there.

"Kaja!" you simply said as you walk passed by him. As you were walking, you noticed that Key wasn't follow you.

You stopped and spun around. You saw him staring blankly at the ground. You frowned, "Yah! You gay! Why are you still there?! Come on, we still need to attend school! Palli!" you shouted.

With that, Key turned to look at you and give you a nod, "Uh-oh.. Ne! Coming!" he shouted back as he run towards you.

You rolled your eyes, "You're weird today." you said as you continued walking. "No, I'm not." he snapped as he walk faster than you.

You made a face, "Such a gay!" then you followed him.

"Let's just meet each other at lunch later." Key said as both of you arrived at the school.

You simply nodded and was about to leave when he suddenly called you, "Yah! Jinri!"

You stopped and turned to face him. You raised an eyebrow, "Wae?" you irritatedly asked. He walked at you and whispered, "Don't try flirting with Jonghyun, araseo?"

You rolled your eyes, "Whatever!" you said and walked away. "Yah!" Key called you once again but you didn't look back as you continued walking until you disappeared on his sight.

Key made a face before he headed to his class.

As you were walking, you suddenly saw Jonghyun. "Jonghyun!" you called as you waved.

Jonghyun looked up and brightly smiled after seeing you, "Oh hey Jinri!" he waved back.

You run to him and smiled, "Can I walk with you to our class?" you asked excitedly. He smiled once again and nodded, "Of course you can." he replied. You beamed and smiled widely.

"So.. Did you and Key walk together to get here at school?" Jonghyun suddenly asked. You simply nodded, "Yes, we always walk together to go here at school."

He paused, "By any chance, are you two in love with each other?" he asked. You chuckled, "I and Kibum? It's impossible!" you said.

"Why?" he asked. *Because he's a gay.* that's what you wanted to say but you can't since it's only a secret between you and

Key.

"Because he's not my type and plus, he's only a friend to me." you insisted.

Jonghyun brightened, "Really?" he excitedly asked. You slowly nodded, "Yes." you replied.

Jonghyun couldn't stop himself on smiling because of happiness that he was feeling right now.

You raised an eyebrow, "Why are you so happy?" you snapped. Jonghyun straightened up as he changed his smiling face to a serious one. He shrugged, "Uh-oh.. He paused, "Um.. Jinri.." he started.

You stared at him, waiting for him to continued. Your heart did a flip-flop inside your chest.

Being impatient, you asked him. "What is it Jonghyun?"

"Um.. Let's go to our class now." he said as he led the way. Disappointed, you followed him.

Being a gentleman, Jonghyun let you entered the room first before him. Jonghyun let out a heaved sigh.

That was close! Why is it so hard to confess? he sighed once again before entering the classroom.

CHAPTER 17

The whole in English class, you just focus yourself to the discussion as Jonghyun keep glancing at you. Since you were busy listening, you didn't noticed it.

After class, you waved and say 'goodbye' to Jonghyun. As you were about to leave, Jonghyun suddenly called you.

"Umm.. Jinri wait!" he spoke that made you stopped. You spun around to face him as you titled your head to him, "Yes?" you asked.

Jonghyun slowly walked towards you and now, he's already standing right in front of you. He took a deep breath and open his mouth to speak when a voice suddenly bargged in.

"Yah! Jinri-ah, why are you still here? We still have class." Both you and Jonghyun turned to the door where the voice is located.

You saw Key standing there crossing his arms across his chest. You raised an eyebrow, "What are you doing here?" you asked.

Key rolled his eyes, "What do you think? Of course to fetch you so we can go together in our class." Key snapped.

"Psh!" you made a face. Key walked to you as he wrapped his arm around your shoulder then look at Jonghyun, "Sorry Jonghyun but we need to go to our next class now." Key said.

Jonghyun shook his head, "Uh.. Ani. It's okay. Besides I have class to attend too." he replied.

Key nodded in understanding, "Okay then. So.. We'll go ahead now. Bye!" Key said. You open your mouth to say something but Key already dragged you away from Jonghyun.

Sighed, Jonghyun also left.

"Yah! Why did you do that?!" you hissed as both you and Key

started to walk to your next class.

Key eyed you, "Luckily, my arrive there is on time. If I'm not, for sure you already flirt with Jonghyun." he said.

You rolled your eyes, "Whatever Gay!" you snapped. Key immediately covered your mouth, "Yah! Will you stop calling me like that?!" he hissed.

You snapped his hand away from you, "Aish! Forget it! Let's just in our class before I shout to the world what your true identity really is." you rolled your eye and walked passed by him.

Key made a face before he could follow you.

In the whole class, you keep ignoring Key as he always ask you about what you and Jonghyun was talking about before he came.

"Yah! Can you please answer me." he whispered. "Yah! Kibum, can you please shut up!" you snapped in a high voice that made the whole class turned to you.

"Do you have a problem Ms. Choi?" your teacher raised an eyebrow to you. You firmly shook your head, "Uh-oh.. Mian." you replied.

"Detention after class." your teacher said. Your eyes widen as you lowered your head and let out a heaved sigh.

Key glance at you, guilty.

"Jinri-ah! Wait!" Key caught you up as you stormed off from the classroom since the class was already over.

You stopped as he grabbed your wrist. You shot him a glare, giving him a hint to let go your wrist.

"Are you mad at me?" he asked. "What do you think?" you asked back in annoyance.

"Okay. Sorry, because of me you got detention." he apologized. You rolled your eyes, "Your sorry can't change everything. I already got detention so no need to apologize coz it won't work anymore." you said as you snapped his hand away and continued walking towards the canteen.

Key let out a sigh then followed.

"Noona!" you saw Taemin waved at you as you was near the canteen. You give him a small smile and sat next to him.

Key was about to sit next to you when you immediately grabbed Onew's arm and make him sat next to you, "Sit next to me Onew oppa." you said.

Key frowned at you. "Woah! Since you called me oppa, I will sit next to you forever." he said happily.

SHINee rolled their eyes to their leader and take a seat. Key made a face as he took a seat next to Minhoo while Jonghyun on the other side of Minhoo.

All of you silently eating except Onew since his food is chicken again.

Minutes later, lunch already finished. You, Key and Jonghyun walked to your next class which is History subject.

In the whole walk, you keep ignoring Key and just walk

silently. Key keep glancing at you as Jonghyun noticed it.

"Is there something going on between the two of you?" he suddenly asked. "You two seems to be enemy right now." he added.

Then, you shot Key a look, "It's because someone keep annoying me and I end up getting detention." you said. "You got detention?" Jonghyun asked.

You let out a sigh and slowly nodded. Sliced filled the atmosphere for a while. "Um.. Do you want to help you on your detention?" Jonghyun suddenly asked.

Key's eyes widen as he quickly snapped, "No! I'll help her!"

CHAPTER 18

"No! I'll help her!" Key suddenly snapped. Your eyes widen in shocked, "Mwo?!" you gasped in disbelief.

"You want to help her?" Jonghyun asked Key. "Uh-oh.. Yeah! Since I'm the one who made this, I need to do something to help her so yeah, I'm going to help her for her detention." Key excused.

Jonghyun nodded in agreement, "Okay then. Let's go to class now." he said as he walked first.

You shot Key a glare but he just ignored you and followed Jonghyun.

You made a face, "Aish! I want Jonghyun to help me.. You gay, you really want a game huh?!"

Okay then, let's see who will win." you mumbled to yourself before following them.

The whole History time, you keep ignoring Key. Still annoyed. After History, all you 3 separated and made your own ways to your next classes.

"Class dismissed." your teacher announced then left. You keep all your things and made your way to your Math teacher for your detention.

As you stepped out the classroom, you saw Key waiting for you. You rolled your eyes and walked passed by him.

Key rushed to you, "Yah! Jinri-ah, are you still mad at me?" he asked.

You stopped and raised an eyebrow to him, "Of course I do!" you simply said and continued to walk. "Aish! I can't believe I have a bestfriend like her!" Key hissed but still followed you.

"So.. Ms. Choi, your detention is to clean our classroom." your teacher said as you reach the faculty room.

"I'm going to help her ma'am." Key suddenly bargged in. Your teacher frowned at Key as she raised an eyebrow to you.

"Uh-oh.." you couldn't find a right word to reply. "Why do you want to help her? Are you in love with her?" your teacher asked.

You quickly waved a hand, "No ma'am! It's not that! He just want to help me because he's my bestfriend and all bestfriends always help each

other right?" you quickly snapped.

Key nodded in agreement, "Yeah! That's right! We're bestfriends and not lovers." he added.

Your teacher nodded in understanding, "Okay then. Go ahead now and clean the room." she ordered. "Dae!" both you and Key bowed then left.

"You can go now." you said to Key as you two arrived at the classroom. Key raised an eyebrow, "What?! No, I already told Jonghyun and our teacher that I will help and I'm serious about that." he simply snapped and started to clean up.

You let out a sigh and without any choice, you also started cleaning.

After cleaning, both you and Key walked to your way home.

As you two reach your house, you entered your house without saying goodbye to Key.

Surprisingly, Key immediately entered your house before you could completely enter. You raised an eyebrow, "Yah! It's already late, go home now!" you ordered.

"Exactly! It's already late and since tomorrow is weekend, I'm going to sleep here." he simply replied.

"Mwo?! Don't you have parents to look for you?!" you gasped. "I already told them that I'm going to sleep and you know them, they can't give me a 'no' answer when you're involve." he simply said.

You rolled your eyes, "I don't have a choice anyways.." you

finally gave up as you closed your door.

Key smirked as he headed to the dining area. Annoyed, you followed him. With that, both you and Key eat dinner together.

After eating, you headed to your room and so did Key. As you entered your room, you accidentally dropped your ballpen on the floor near your bed.

Key accidentally stepped on it and lost his balance. You spun around to say something to Key but to your shock, you suddenly landed on your bed as Key landed on top of you.

Your eyes widen in horror and so was Key when both of you realized that both of your lips are already touching each other.

CHAPTER 19

You blinked a couple of times as Key stayed still with wide eyes. Just then, you make a first move as you immediately pushed him off of you.

You sat up and quickly wiped your lips using the back of your hand. You narrowed your eyes to Key, "Aish! That's my first kiss you know that?! Sheez! I can't believe a gay like you stole my first kiss! If you're not my bestfriend, I will definitely punch your face!" you hissed.

Key didn't respond, he just stared blankly at you. You raised an eyebrow as you waved a hand, "Yah! Are you still here

on earth Kibum?" you snapped.

Key finally back to the real world as he stood up, "I'm off now." he said and immediately left.

"Yah! Aren't you going to sleep here?" you shouted but Key already disappeared on your sight.

You frowned, "Psh! What a gay! He's probably shock too.." you mumbled. Then, you touch your lips, "Aigoo! My first kiss is gone now.. I'll just give it to a gay..." you sadly whispered.

You pouted and laid to your bed. Soon, your eyelids dropped as you went to dreamland.

Meanwhile, Key keep touching his lips until he reach their house. "Uh.. Kibum why are you here? I thought you're going to sleep at Jinri's place?" his mom greeted him a question. Key didn't respond and just keep touching his lips as he passed by to his mom. He went straightly to his room.

Mrs. Kim pulled back, "Come in.." she offered as you nodded and smiled. With that, both of you entered the house.

"Honey, look who's here." Mrs. Kim beamed to his husband as she led the way for you. Mr. Kibum look at you way and smiled, "Oh! Jinri! It's been a long time since the last time we see each other." he said.

You nodded, "Ne, and I miss visiting your family here." you replied.

"Jinri, did you already eat breakfast?" Mrs. Kim snapped. "Err.. Actually No." you replied shyly.

"Perfect! I just finished the food and we have a lot of food to eat here. You can join us." she beamed.

"Really?" you asked happily. She nodded. You look around, "Umm.. Where's Kibum?" you asked.

"Still on his bed. Wait, I'll wake him up." Mr. Kim stood up and was about to go to Key's room when you suddenly stopped him, "Wait Mr. Kim!"

He stopped and spun around to face you. "I'll do it." you offered. "Is that okay with you?" he asked.

You nodded, "Of course!" you replied. Mr. Kim finally nodded in agreement, "Okay then. Go and wake up now. No need to walk you there hmm?"

You nodded once again, "Ne, I already where his room is." you replied then headed to Key's room.

Knock! Knock!

You started knocking his room door but Key didn't appriaxh it. You frowned as you twisted the door knob and open it by yourself.

You slowly entered his room only to see Key still sleeping covering his whole body including his face by a blanket. You carefully walked to him and sat on the edge if his bed. You lightly shook him, "Yah! Kibum, wake up!"

He didn't move. You shook him more, "Yah! Kim Kibum wake up!" you said once more. "HmMMM.." you heard him mumbling as he moved a little.

You grew annoyed as you shook him even more, "Wake up! Wake up! Wake up!" you keep nagging as your face went near to him for him to hear you.

Key frowned by the sudden noise as he slowly open his eyes and removed the blanket from his face.

Just then, your face surprised him. He blinked a couple of times until he realized how close your face to him. He even realized your red lips near to him.

Just then...

"Aaaaaaahhhhhhhhhhhhhhh!!!!!!" Key suddenly screamed as he quickly sat up that made you scream along.

They walked to the two of you, "Something bad happened here?" Mr. Kim asked.

You pointed to Key, "He's the first the first one who scream and I screamed along because of his eyes."

Mr. and Mrs. Kim turned to look at Key.

"Omo! Son, what happen to your eyes?" Mrs. Kim gasped in surprise seeing the dark circles in Key's eyes.

Just then, he shook his head to snap his thought about your lips. "Omo! What's exactly happening to me?" he asked himself as he put a hand to his beating chest.

He let out a sigh, "It's weird.." he mumbled once more before he could left the bathroom and went downstairs.

As Key came, he only saw one empty seat and it was tge seat next to you. Without any choice, Key took the seat beside you.

"Uh.. Good morning Key!" you greeted brightly. Just then, Key's heart reacted again as he stared at you.

You raised an eyebrow and

waved a hand, "Hello! Earth to Kibum!" you snapped.

Then turned back to face Mr. and Mrs. Kim, "It's impossible Mr. and Mrs. Kim. I and Key were meant to be bestfriends only, right Kibum?" you elbowed him.

"Uh-oh.. Ne, she's right. We're just only bestfriends. Aside of that, nothing more." Key added.

Mrs. Kim pouted, "If you say so." she whispered and continued her food and so did Mr. Kim.

"I'm full. Thanks for the food Mrs. Kim." you beamed as you finished your food.

Mrs. Kim chuckled, "You're always welcome." she smiled. "Um.. Jinri-ah.." Mrs. Kim called.

"Ne?" you asked. "Can you stay here for tonight?" she asked. You made a paused. "Please.." you heard Mr. Kim pleaded for her wife.

You let out a sigh, "Araseo. Since you let me eat breakfast here, I'll stay for tonight." you replied. Mrs. Kim smiled happily then turned to Key, "Key prepare your later room coz Jinri will join you in your room

tonight." she said.

"Mwo?!" Key gasped in horror. Mr. Kim raised an eyebrow, "Wae? Aren't you two used to sleep together in one room before?" he asked. "Uh-oh.. I was just worrying about Jinri. What if she don't want to share a room with me?" Key excused.

Mr. Kim turned to you, "Are you not comfortable to sleep with him?" he asked. You shook your head, "No worries. I'm fine with it. We already sleep together in my house recently so it's really okay with me." you simply replied that made Key look at you in horror.

You frowned in confusion, "What?" you asked in a low voice. He shrugged, "Nothing."

"Okay then, it settled. Jinri and you will share a room." Mr. Kim announced as Mrs. Kim smiled in excitement. The fact that you're going to sleep in their house.

"Are you okay to sleep with

Kibum tonight?" Mr. Kim asked. You nodded, "Of course, we used to sleep together so no worries." you replied.

Satisfied, Mr. Kim nodded in understanding.

Just then, Key went back to the 3 of you. "Is your room prepared now?" Mr. Kim asked. Key just give him a nod.

Mr. Kim smiled, "Good! Now, go and sleep there." he ordered.

Both you and Key obeyed as the both of you headed to Key's room.

"Go get the whole bed. I'll just sleep on the floor." Key said as both you two entered his room.

You frowned, "Mwo?!" you gasped in surprise since the Kibum you know doesn't want to sleep on the floor.

"Just use the bed by yourself and I'll use the floor." he repeated. "No, sleep next to me." you snapped. Key ignored and prepared the blanket on the floor.

You grabbed his arm and dragged him to the bed, "I won't let you sleep on the floor. This is your room so we'll going to sleep side by side. Besides, when you slept in my place, I also sleep on my bed so do the same thing." you said.

Key's heart reacted again because of your touch. He just stared at you, freezing. Yoy raised an eyebrow, "Yah! Are you listening to me?" you snapped him. Key back to the real world as he moved aside that made your hand dropped.

"Okay, okay. Now, sleep." he said as he laid on the bed. You

smiled and laid next to him.

"It's been a long time since the last time I sleep here. I miss this.." you suddenly stated. Key didn't respond and just stared at the ceiling but his mind was open enough for your words.

"Did you miss this too Kibum?" you asked as you glance at him. Still staring at the ceiling, he replied, "Yeah.. I miss this so much." he said without even knowing his words.

You beamed and tugged on his arms that made Key look at you. He shrugged, "Yah! Move aside." he said.

Instead of replying, you closed your eyes and rested your head to his shoulder as you warmly hugged his arm.

Key stared at you for a while. "Jinri-ah?" he called. "Hmm?" you mumbled with eyes closed.

"Can you move aside? I can't sleep in this position.." he said. This time, you didn't respond anymore, completely entered the dreamland.

Key gaze at you with admiration for a moment. He let out a sigh, *You're making me more confuse everytime I'm with you..*

Key reach out your hands and slowly removed it from his arm, not wanting to wake you up. Fully free, he carefully rolled to the opposite side and heaved a sigh, *She did fast asleep..* a smile formed on his lips.

Suddenly, an arm wrapped to his waist. Key gulped and eyes widen. He slowly gaze down only to see your arm wrapping around his waist.

You turned to the direction of the door as Key looked down. The door slowly open as Mrs. Kim entered the room.

"Uh.. You two already awake. Go downstairs, breakfast is ready." she said. You nodded, "Ne, we'll go downstairs." you replied.

Mrs. Kim nodded before she left the room.

"Uh-oh.." weating, Key followed you.

"Did you sleep well laat night Jinri?" Mrs. Kim asked as both

you and Key went to the dining area.

You nodded, "Yes, I did." you replied. "Good then. Let'st eat." Mr. Kim said.

You and Key sat next to each other. Key remained silent the whole breakfast time. You didn't noticed it since your busy with your food.

After having breakfast with Kim family, Mr. Kim ordered Key to walk you home. Despite of hesitance, Key obeyed his dad will.

"Yah! You've been silent the whole time! Will you please talk!" you snapped while the two of you walking to your way home.

Seems like Key didn't hear you and just continue walking. You stopped as a frown formed on your face.

Suddenly, Key stopped as he finally realized the he's the only one walking. He turned to his back to faced you, "Why are you still there?" he asked. You slowly stepped your foot towards him, "Seems like you're thinking something to not notice that I'm with you." you said.

"Uh-oh.." Key lowered his head. "Is there something bothering you?" you asked.

Yes, you. but Key shook his head, "Ani. Let's just go." he replied and continued walking. You frowned in confusion but still followed him.

"Then why do I feel that there is?" you snapped. "You're wrong then. I'll go ahead now." he replied and pulled his arm away from your hand then left.

For some reason, you felt sad that he didn't stay at your house for a while. Your face fell and sadly entered your house.

Key stopped when he realized that you're already went inside your house. He glance back at your house and let out a heaved sigh.

Mian Jinri-ah.. I need some time to think. with that, Key completely disappeared.

CHAPTER 23

"What?" Key asked you when he caught you staring at him. "Eh?!" you gasped.

"What are you staring at?" he asked. "Uh-oh.. Nothing." you said and looked away. "Come on before we get late." you snapped and continued walking.

"Let's go inside now." Jonghyun said. You nodded. "Ladies first." he said as he let you entered first.

You giggled, "Thank you gentleman." you said and entered the classroom. Jonghyun chuckled as he followed you inside.

After English class, you and Jonghyun exited the room while talking some stuffs. Unexpepectedly, you saw Key flatting his back on the wall waiting for you.

"Omo!" you suddenly gasped the time you saw the sight of him. Key straightened up, "Uh.. You're here now." he said.

"What are you doing here?" you asked. "To fetch you, what would you expect?" he asked raising an eyebrow.

Jonghyun left there, dumbfounded.

"Yah! What are you doing this?" you hissed and unclasped your hand from him.

Key shrugged, "Because.." he trailed off. "Because what?" you asked irritated.

"I j just want to separate you to Jonghyun okay.. Coz you know.." he snapped. You made a face, "Aish! You're acting weird today." you commented.

"I'm not, okay. Let's just go. Come on." he said and started walking as you followed.

Onew then sat next to Jonghyun. The 2min sat next to each other. With that, all of you started to eat the food.

"Jinri here.." Jonghyun said as he placed a kimbap to your plate. "Gomawo." you thanked him with a smile.

As you was about to eat it, Key took it instead and placed it back to Jonghyun's plate. He then took a kimbap from his plate and placed it to your plate, "Just eat this." he said.

SHINee's jaws dropped because of Key's weird action. "Woah! Key hyung, you're acting like you're jealous." Taemin suddenly said.

Minho nodded in agreement, "Yeah, I can see it too. By any chance, are you jealous with Jonghyun?" he asked.

Those words suddenly hit Key. He shrugged, "Yes, I do."

CHAPTER 24

"Yes, I do." you heard Key replied that made you look at him in surprise. Jonghyun eyes widen, "You like her?!" he gasped.

Key paused. He then cleared his throat and shrugged, "Of course! She's my bestfriend. Don't you like your bestfriends too?" he snapped.

Minho, Taemin and Onew nodded their heads. "The same with me." Key replied.

You rolled your eyes on Key as Jonghyun titled his head to you. You just flashed him a small smile.

Suddenly, the bell rang.

All of you automatically headed to your respective classrooms. As always, you, Key and Jonghyun headed to your History class all together.

Key didn't want you to go far from him as he keep walking with you side by side. Jonghyun was on Key's other side.

Positions: you, Key then Jonghyun. You tried to get Key's position which is the center but Key won't let you.

No choice, you remained on your spot until all you 3 reach the classroom.

In the whole History time, Jonghyun keep his eyes on you and Key but most especially on Key since he's acting weird today.

As Jonghyun keep glancing at

him, Key on the other hand keep his eyes on you while you were focusing on the lesson.

Jonghyun looked at Key, confused. *I don't think he only likes her as his bestfriend. It more likely... he does like her as a girl...*

Jonghyun glance at you before lowering his head, losing a chance to you. *I think I already lose my chance..*

After History class, Key walked you to your next class despite of your complain. Jonghyun on the other hand, disappointedly headed to his next class.

"Yah! Why do you keep walking me to my class?!" you asked in annoyance. "I just wanted to." he replied.

You rolled your eyes, "Whatever! And about the lunch earlier, why did you say that? Afraid for Jonghyun to get close to me huh?" you raised an eyebrow.

Key shrugged, "We're already here. I'm off now." with that, Key left without letting you speak.

You made a face, "Aish! He's really weird today." you whispered before entering the classroom.

School ended. Right after you exited the classroom, the sight of Key greeted you.

You frowned, "What are you doing here?" you irritably asked. He turned to face you, "To fetch you of course!" he snapped.

You rolled your eyes, "I know.

What I mean is, why did you wait for me here? You can wait me at the exit gate as you always did." you said.

"I'm already here so stop asking me why I'm here. Let's go, I'll walk you home." he said. You made a face but obeyed him.

"Do you like Jonghyun that much?" you suddenly asked in the middle of the walk, not looking at him.

Key paused, "Molla." he honestly replied. You then glance at him with an eyebrow raising, "Mwo?!"

"I don't think I still like him." he muttered. "What do you mean?" you asked in curiosity.

"Even if I tell you, you won't understand." he replied. "Make me understand then." you snapped. "Soon.." he replied.

"Eh?!" you asked in confusion. "I'll tell you soon when I'm finally ready." he replied. You made a face, "Psh! I thought we're bestfriends but I don't think you're seeing me as one." you disappointedly whispered.

"I'll tell you soon. Promise!" he said as he raised his right hand, showing you his sincerity.

Both you two continued walking. Suddenly, you heard Key winced. "Ow!"

You immediately looked at him, "What happen?" you asked in a worried tone.

"My eyes.." he replied while touching it. You reach out his hands and took it away from his eyes, "Try to open it." you ordered.

Key did as you told. He slowly

open his eyes as you quickly blew on it. Finally, the thing on his eyes fade away.

"Feel okay now?" you asked as your face still close to him. Key gulped as he realized how close your face to him.

He looked away and took one step backward, "Yeah, I'm fine." he replied in a low voice.

"Oh! I didn't even noticed we're already reach my place. I'll go in now. Annyeong Kibum! See you tomorrow!" you cheerfully waved and entered your house.

Key looked back at you house, *I don't think I like Jonghyun anymore but I know I like you. Not as a bestfriend but as a..... girl.*

CHAPTER 25

A week had already passed. Key still acting weird towards you. He started to be sweet to you, caring, etc.

One Monday, Key fetch you to your house an walk to school together. "You know what? I've noticed that you're acting different these past few days.." you said.

"What do you mean different?" he asked. "It's hard to explain actually but you're definitely different." you replied.

"I don't get it. Can you just explain it to me?" he asked. You slowly shook your head, "Nevermind." you said and walked faster than him.

Key followed you up up to your classroom. You didn't ask him

anymore since you already used to it.

When Key finally disappeared from your sight, you let out a heaved sigh and entered the classroom.

"Good morning!" Jonghyun greeted with a bright smile as the time you sat on your seat. "Uh-oh.. Good morning." you greeted back with a small smile.

"I don't think it's a 'good' morning to you." he said. You turned to him, "Eh?!" you gasped.

"I think it's a 'bad' morning to you, am I right? You seems tired today." he said. You nodded, "Yeah, I am." you replied.

"What happened?" he asked. "Kibum keeps acting weird nowadays. I think he's different now. He's not the Kibum that I know before." you said and sighed.

"I noticed it too. He's weird." Jonghyun said. "Exactly!" you agreed.

Jonghyun glance at you and stared for a while then he suddenly asked, "Umm.. Why don't we hang out together after class then?" Jonghyun suggested.

"We? Hang out together alone?" you asked. Jonghyun shrugged, "If you want the others join us, I'll ask them." he replied.

You shook your head, "Ani. It's more relaxing if we go out together alone." you said.

Jonghyun brightened, "Really? You're going with me?" he asked. You finally smiled and nodded.

Just then, the teacher came that

made you and Jonghyun stopped the conversation.

You took a glance at Jonghyun for once, *We're going out, only the two of us.* you smiled at that thought then went back to focus on the discussion.

Lunch break. Both you and Key headed to the canteen since the both of you were on the same class before the lunch break.

As always, you two meet up with the rest of members of SHINee there. As the usual position, you sat next to Key since you don't have a choice.

After having lunch, all of you got separated and headed to your next classes. As usual, you, Jonghyun and Key headed to your History class.

History class ended, you three went out from the classroom. Before you and Key leave, Jonghyun spoke, "See you after school." he reminded you. You smiled and nodded in response.

With that, Jonghyun left as you started to walk away. Key caught you up, "What did he mean about 'see you after school?'" he asked in curiosity.

"We're going out together." you simply replied. "What?! Only the two of you?!" he gasped.

You nodded and smiled, "Yes and I like it." you said with a smirked. Key was about to throw you another question but you already entered your next classroom.

Without a choice, Key headed to his next class.

School ended. You received a

message from Jonghyun,

to: Jinri

Let's meet up at the exit gate.

from: Jonghyun

With that, you excitedly stepped out the classroom only to see the sight of Key waiting for you there.

He straightened up. "What are you doing here?" you asked. He raised an eyebrow, "Isn't this is I usually did?"

"I know but you already know that I'm going out with Jonghyun today." you snapped. "Don't go then." he said.

"What? Hah! Sorry Kibum but I need to go now." you said and walk passed by him but he immediately grabbed your wrist that made you stopped.

"Kajima.."

CHAPTER 26

"Kajima.." Key muttered as he held your wrist that made you stopped.

You turned to look at him. You chuckled, "Wae? You don't want to lose over me huh? Mian but like you do, I also like Jonghyun. I'll go ahead now." was all you said before twisting your wrist to be free by his hand then walked away.

Key's hand dropped as he rested his back to the cold wall. *No, you're wrong Jinri. I don't like to be with Jonghyun anymore..*

"Jonghyun!" you called as you run to him at the gate. Jonghyun smiled, "Finally, you're here. I thought you won't appear anymore." he said.

You chuckled, "Impossible!" you pointed out. He raised an eyebrow, "Why could you say that?" he asked.

You then realized your word. You cleared your throat, "Uh.. what I mean is, it's impossible because I've already promise you." you excused.

He nodded in understanding, "Shall we go now?" he suddenly asked. "Where are we going by the way?" you asked back.

"You'll see. Come on!" he said. Confused, you nodded and left with him.

"Lotte World huh?" you said as you and Jonghyun entered the Lotte World.

He flashed you a smile, "This is my favorite place." he confessed. "Oh.. Really? I wonder why.." you whispered.

"Do you want to know the reason?" you heard him said. You looked up at him, surprised. "Eh?!" you gasped.

You then shook your head, "Ani. It's okay if you don't want to share it." you replied.

"But I want to share it with someone." he said. You just stared at him, not knowing what to say.

"This place reminds me of my parents." he said. "Wae? Where are your parents?" you asked.

"Heaven." he replied. "Mwo?"

you gasped. "They already passed away 15 years ago." he said softly.

You softened, "Oh.. Mian. I shouldn't be ask you." you said. Jonghyun smiled, "No, It's okay. Besides, I'm the one who started it." he said. You just stared at him, guilty.

"Gomawo.." you heard him said. "Eh?!" you gasped. "Thank you for listening my story. I've always want to share it to someone and I'm happy that you're here to listen my story." he said in a plain tone yet sad.

"Jonghyun-ah.." you whispered softly. Jonghyun smiled, "Yah! Don't look at me like that! We're here to enjoy. Come on!" he said as he dragged you to ride a roller coaster.

After riding, both you and Jonghyun explore the Lotte World and ride the other rides there.

You and Jonghyun also eat together, talk other stuffs, completely forgotten about Jonghyun's parents.

"Are you tired now?" Jonghyun asked while you two are walking. You tiredly nodded.

"Come on, I'll walk you home." he said as you nodded once again. With that Jonghyun walk you home.

"We're here." you announced as both you two reach your place. "Oh.. So you're living here.." he said.

You nodded, "Yeah.." Silence suddenly filled the atmosphere.

"Umm.. Jinri-ah.." you heard Jonghyun spoke that broke the silence. "Ne?" you replied.

Omo! Should I confess to her now? Jonghyun paused, "Um.. I'll go ahead now. Sleep well okay? See you at school." he said.

You nodded, "Uh.. Thanks for walking me home." you said. He give you a nod, "No problem. Good night and sweet dreams." he said. "You too." you replied.

With that, Jonghyun completely disappeared from your sight. Then, you also entered your house.

Minutes later, you heard your door bell rang. You looked up, "Oh? Jonghyun? Did he forgot something?*" with that thought, you dragged your foot to the way of the door and approach it.

Surprisingly, you saw a very familiar face right in front of the door. "Oh! Kibum! What—" before you could finished your sentence, his lips crashed yours as he hugged you.

Your eyes widen in shocked. You could smell a alcohol from him so you gently pushed him away. Still shocked, you just stared at him.

"Why did you do that? And why are you like this? Are you drunk?" you managed to ask.

Key walked closer to you that made you gulped. Then he whispered, "I think I'm in love with you.."

CHAPTER 27

"I think I'm in love with you.." Key whispered. You froze and stared at him.

Before you throw him a question, Key shut his eyes as he hugged you and landed his head on your shoulder.

You gulped, "Kibum?" you managed to say. "Kibum!" you called once again. You lightly shook him, "Kibum, wake up!" you whispered.

Key stayed still on his position. You took a peek on him and saw him still eyes closed.

You let out a sigh, "Aigoo! He already fall asleep." you mumbled as you put his arm around your shoulder for support and guided him to your room.

You gently laid him to your bed and sat at the edge of the bed. You study his sleeping face. *I wonder why did you say that. Maybe you've mistaken me as Jonghyun.*

You let out a sigh, *I can't believe you fall in love with him..*

You stared at his face for a little while before you stood up and headed to your bathroom to get a towel and cold water.

As you went back, you sat on the the edge of the bed again. you gently wiped his forehead using the towel.

After that, you placed it back to the bathroom then laid next to Key. Soon, you also joined Key to dreamland.

You woke up next morning as Key's face greeted you. He was still sleeping. You shook your head and sat up. You left the room and headed to the kitchen to prepared breakfast for yourself and Key.

While you was preparing the breakfast, Key finally woke up at your room. He sat up when he felt his forehead hurts. He scratched his head, "Ahhh~" he groaned.

He look around, *Where am I?* he asked himself. Just then, he remembered what happened last night. *I already confessed to her?* he asked himself once more.

Suddenly, the door slowly open as you entered the room. "Oh! You already awake." you said as you walk to him.

"Uh-oh.." Key give you a nod. "Are you feeling alright?" you asked and sat on the bed. Key looked up at you, "Umm.. About last night," he started.

"Oh! Last night? It's okay. I know you're drunk that's why you said many things that you wasn't supposed to say." you said. "Jinri-ah..." he whispered.

You rolled your eyes, "Psh! I understand. I prepared a breakfast for the two of us so let's go and eat. You're lucky that we don't have school today." you said.

"I meant it." you heard him said. You turned to face him, "Eh?!" you gasped. "What I told you last night, I meant it." he repeated.

You paused then laugh nervously, "Stop joking around Kibum. Come on, I'm starving." you said as you stood up.

You was about to left the room when Key grabbed your arm that made you sat back on the bed again and gulped. Key suddenly hugged you from behind. You froze.

Just then, you heard Key

whispered, "Saranghae.."

CHAPTER 28

"Saranghae.." you heard Key whispered to you. You felt your body started trembling. "Kibum.." you managed to whisper.

"I love you, Choi Jinri. Not as a bestfriend but as a girl." he whispered once more.

You couldn't take it anymore so you stood up and escape from his hug.

"Will stop talking nonsense?! Stop tricking me!" you yelled, your back still facing him.

"But it's true. Even me, I hate the fact that I fell for you but it just happened. Jinri-ah, I love you and I meant it." he said as he reach your hand but you twisted your arm and face him.

You glared at him, "I don't want to play with you Kibum! Stop it, will you?!" you cursed. "Jinri-ah.." Key stood up and walked towards you but you stepped backward.

"Leave!" you said. "But I lo—" before he could finish his sentence, you cut him off. "LEAVE NOW!" you shouted.

You saw him lowered his head before completely left. Just then, you realized that you wad already crying.

Why am I crying? And what was that? He said he love me but not as a bestfriend but as a girl.. Why did he say that? I'm confused.. your legs dropped that made you sat on the floor.

You hugged your knees acrossed your chest and wrapped your arms to your legs. "What have you done to me Kibum to make me cry like this.." you whispered between your sobs.

Next day. You woke up early in the morning with teary eyes. You was already tired of crying but you still have to attend school so your forced yourself to get up from your bed and prepared for school.

After having breakfast, you grabbed your bag and dragged your food to exited the door.

Right after you open the door, a sight of Key greeted you. "Jinri-ah!" before he could go near you, you immediately shut the door and locked it again.

"Jinri-ah, let's talk!" you heard him knock the door from behind. "I don't want to see you. Please go!" you replied.

"But I need to talk to you now." he said. "I don't want to talk to you and even to see you so please go!" you replied.

With that, you never heard him replied anymore. You slowly open the door and saw him already walked away.

You stayed at your house for a while, not wanting to see Key on your way to school. Minutes later, you finally decided to go to school.

As you arrived at school, you saw Jonghyun at the gate but to your shock, Key was also there talking to him.

You stopped after seeing the sight of Key. You lowered your head and started playing with

your fingers.

"Oh! Jinri-ah!" Jonghyun suddenly called you as he noticed your presence. You looked up, "Uh-oh.. Hey!" you replied nervously.

"Jinri-ah.. Can we—" Key was still hoping to have a talk with you but you didn't give him a chance. "Come on, Jonghyun. Let's go to our class now." you said as you started to walk.

"Uh-oh.." Jonghyun nodded as he followed you. Key lowered his head in disappointment and forcibly dragged his own foot on the way to his classroom.

"Did you two had fight?" Jonghyun asked you. You stopped and glance back at Key. You turned back to Jonghyun and shook your head, "Let's not talk about it. Come on, we still have class to attend." was all you said before you continue to walk.

Confused, Jonghyun followed you.

CHAPTER 29

You couldn't focus in class because of what Key have said to you yesterday. Jonghyun keep glancing at you in concern.

After the English class, Jonghyun approach you. "Are you alright?" he asked worriedly.

You didn't give him a response and just stared blankly on your desk. Jonghyun poked your shoulder, "Jinri-ah? Are you okay?" he repeated.

Finally, you noticed his presence as you turned to face him. "Oh! Jonghyun-ah.. Wae?" you asked, completely not focusing to his question.

He let out sigh, "I guess you're not okay. Seems like you're not here. I already asked you a question and even repeated it but seems like you didn't hear me." he said.

You lowered your head, "Mianhe.. It's just that.. Umm.. I can't explain. It's hard.." you replied with a heavy sigh.

He nodded in understanding, "It's okay. But always remember that I'm always here to listen to you like what you did last time." he said.

You give him a small smile and nodded. Jonghyun smiled back, "Come on, let's go to our next class now." he snapped.

"Uh-oh.." you nodded as you stood up. With that, both you and Jonghyun exited the classroom.

"Eh? He's not here?" Jonghyun suddenly gasped. You tilted your head to him in confusion.

Jonghyun shrugged and nod on the way, "Key wasn't here. That's weird." he commented. You bit your lower lip, not knowing what to say.

"Since Key wasn't here, can I walk you to your classroom?" Jonghyun asked. "Eh?!" you gasped then shook your head, "Ani. We're already late so just go ahead to your class instead of walking me to my next class." you snapped.

"Right! I almost late. Bye Jinri! See you at lunch!" Jonghyun waved and left. You just replied

him a nod and also headed to your next class.

You stopped halfway when you remembered Key's confession again. On the second thought, you decided to not attend your Math class which is also Key's next class.

Instead of walking to your class, you straightly went to the garden and let yourself to think.

Meanwhile, Key reach his next class which is Math. As he entered the classroom, his eyes went to your seat. Disappointedly, there's no sight if you there.

Key dragged his foot to his seat and patiently waits for you. Until the teacher entered the classroom. Key turned to the door, hoping that you will come but you didn't.

Lunch time. Key headed to canteen. The first one he was hoping to see was you. He looked around the canteen but you're nowhere to be seen.

"Hyung, over here!" Key saw Taemin waved at him. "Oh!" he whispered before walking to his co-members.

"Where's Jinri?" Jonghyun asked as he scanned Key around. Key lowered his head and shook it, "I don't know. She didn't show up in our math class." Key replied sadly.

On the other hand, you were sitting on the bench at the school garden. Still deeply in thought, a voice suddenly snapped you.

"I knew you would be here.."

CHAPTER 30

"I knew you would be here.." a voice suddenly snapped your thoughts.

You turned around to see the owner of the voice. "Uh... Jonghyun.." you said almost whispering.

Jonghyun walk to your direction and sat next to you. "What are you doing here?" you asked.

Jonghyun let out a sigh, "Because you're not around so I was hoping that you're here. Luckily, I'm right." he replied. "Uh-oh.." you lowered your head.

"Did you already eat lunch?" he asked. You shook your head.

"Key told us that you didn't attend your class after our class together and now, you even skip lunch. I wonder why.." Jonghyun muttered.

You paused before letting out a heaved sigh. "I guess you're not going to tell me the reason." he snapped.

You looked up at him, "Mianhe.." you said and lowered back your head.

Just then, the bell suddenly rang.

"Are you planning to attend your remaining classes or not?" Jonghyun asked. You paused for a moment before answering, "I don't want to." you replied.

Jonghyun stood up, "Come on, Let's go!" he gestured. You looked up, "Mwo?! But I don't

want to attend the remaining classes." you snapped.

Jonghyun looked back at you and smiled. You tilted your head in confusion. "Who said that we're going to attend the remaining classes?" he blurted.

You raised an eyebrow, "Eh?! What do you mean?" you asked, still confused.

Jonghyun put both of his hands to his pocket before saying, "We're going to ditch school." he simply said.

Your eyes widen in shocked, "Eh?! We? The two of us?" you gasped. He nodded, "I won't let you stay here alone so I decided to stay with you but not here. Let's go somewhere." he said.

You open your mouth to protest but before you could do it, Jonghyun already dragged you with him.

"Jonghyun, what are you doing?" you asked. "We're ditching!" he said. "How about your classes?" you asked.

"Like I said, I don't want you to be alone so come on before we get caught. Palli!" he said. You just nod and do what he said.

"Where do you want to go?" Jonghyun asked as both of you already exited the school.

"A one relaxing place." you said. Jonghyun smiled as he took your hand and started dragging you somewhere.

"Tadaaa!" Jonghyun beamed as both you two reach the Lotte World. You brightened, "Omo! I miss this place." you excitedly said.

"Come on, let's ride." he suggested. You beamed and nodded.

With that, both you and Jonghyun ride the roller coaster first before riding the other rides.

Finally, you forget about Key because of the rides. Your thoughts about his confession finally erased at this moment.

After the whole tiring ride, you and Jonghyun search for a seats to sit on and sat there.

Suddenly, your eyes caught a Ice Cream Parlor. "Ice cream.." you whispered but Jonghyun did hear it.

"Wait for me here." he said and left. Minutes later, he went back to you holding two ice creams.

"Here you go.." Jonghyun handed one of it to you. "What's this?" you asked. "Can't you see? It's an ice cream." Jonghyun snapped.

You rolled your eyes, "I know. What I mean is, why are you giving me this?" you asked.

"Just took it first before I answer your question." he snapped. You chuckled and took it.

Jonghyun smiled and sat next to you. "Now, say it." you demanded. "What?" he asked then licked his ice cream.

"The reason why did you give this to me?" you asked and licked yours too. "Because you like ice cream that's why I give you that. Satisfied now?" he said.

You nodded and licked your ice cream once more. "Thanks!" you said. "No problem. I bet

Key used to buy you one too." he said.

Hearing the name of Key, your mood suddenly changed as you lowered your head. Jonghyun noticed it and looked down at you, softened.

"Uhh.. Mian. So.. I guess Key is the reason why you're down today?" Jonghyun commented.

You remained silent, not wanting to talk about it anymore. "You don't have to answer my question. By the way, it's already late. Come on, I'll walk you home." he said.

You nodded and stood up. With that, Jonghyun walk you to your way home.

No one tried to start a conversation while you two are walking until you two finally reach you home. But to your surprised, a unexpected figure popped on your sight right in front of your house.

You froze.

CHAPTER 31

You froze as you saw Key waiting in front of your house.

"Key?" Jonghyun suddenly blurted that made Key looked to your way. Key walked to you, "Jinri-ah, can we talk?" he asked.

Jonghyun look at you as you look away. Jonghyun looked back at Key, "I think she's already tired. Can you just talk to her tomorrow?" he said.

Key ignored him and looked at

you, "Please.. Can we talk?" you could feel that he was sincere by his tone.

"Can't you see? She doesn't want to talk to you so please leave her alone now." Jonghyun snapped. This time, Key glared at Jonghyun, "It's none of your business. I need to talk to her." Key said.

Jonghyun clenched his fist and was about to step forward when you suddenly grabbed his arm, "Don't!"

Jonghyun stopped on his tracks and slowly looked at you and so did Key. You looked at Key, "I'll take care of this." then you looked back at Jonghyun and let go his arm, "You can go now. Thanks for this day and for walking me home." you said with a light bow.

"Are you sure?" Jonghyun worriedly asked.

You nodded. "Okay then." Jonghyun looled back at Key, "Talk to her properly araseo." the looked at you, "I'm going now." he said.

You nodded, "Thanks again." you said. Jonghyun give you one last nod before he completely disappeared on your sight.

You then looked back at Key, "Say it now." you demanded. "Can we talk somewhere?" he asked.

"I'm already tired so say it what you wanted to say now." you said. Key paused, "Umm.. About what I said to you last time, I really meant it." he started.

"Kibum listen, you're a gay so always remember that." you calmly said. Key shook his head, "I thought I was a gay but not today, not anymore. Jinri-ah,

my heart is beating for you."

You let out a light chuckle, "Your heart is beating for Jonghyun not me." you replied. Key shook his head one more time, "No, It's not. My heart is only beating for you. It never felt the same with Jonghyun anymore. Jinri-ah, I love you." you heard him said.

You looked at his eyes. You could see that he was sincere by his words. You avoided his gaze and looked away, "I'm really tired now Kibum, I want to rest now. Please leave.." you said and started to walked away but Key grabbed your wrist.

You stopped but didn't look back at him. Then you heard him said, "I love you, that's the truth. I hope you believe me, I hope you realize how much I love you.." You twisted your wrist and run to your house. Just when you entered your house, you immediately locked it.

You went straight to your room and sat on your bed. You stared at the floor blankly. Suddenly, your phone rang.

Because of what happened, you didn't bother look at the caller ID nad just answer it. "Yeoboseyo?" you answered.

"Hello Jinri! I miss you!" you heard your mom's voice from the other line. "Uh.. Omma.." you replied, surprsise by the sudden call.

"Are you doing fine there?" she asked. "uh-oh,, yeah." you lied. "Are you sure? With the tone of your voice, it seems like you're not." your mom replied.

You paused, "Umm.. Is appa there?" yiu changed the topic. "Uh yeah! Wait up!" your mom replied.

"Hello Jinri! Appa miss you so much. How are you?" your dad's voice came from the other line. "Uh-oh.. I'm okay.." you lied again.

"Is that so? I think you're not going back here anymore. Seems like you was enjoying there." your dad said.

You paused for a moment before saying, "I'm planning to go back there..."

CHAPTER 32

It's been a week since the phone call happened. Until now, your mind wasn't changed. Your plan on going back to Paris as already in process.

One Monday, you prepared yourself to go to school. You saw Jonghyun at the school gate. He waved at you as you waved back.

"Good morning Jinri." he greeted. "Good morning." you simply replied. Ever since Key's confession happened, you changed. You wasn't the old Jinri anymore that everyone used to see your bright smiles. Now, all your smiles are fake.

Both you and Jonghyun walk to your first class when you saw Key walking the opposite direction. You met eyes with him but he didn't say any word and just passed by you.

After that night, Key wasn't go after you anymore. He wanted you to think carefully without him bothering you.

"You miss him, aren't you?"

Jonghyun suddenly asked as the two of you kept walking.

"Of course I miss my bestfriend but," you paused and heaved a sigh, "...seems like he's not the Kibum I know anymore." you replied.

"I don't know what's the big deal between the two of you and I'm not the right person to say this, but I think you should talk to him now and make things back to normal." he suggested.

You shook your head, "It will never be back again. Like before.." you replied.

Jonghyun look at you in confusion. You force a smile, "You'll never understand what I'm saying. Come on, we still have class to attend." was all you said before walking faster by him.

Still confused, Jonghyun followed you.

At Lunch, you decided to eat alone. This is actually normal to you since you've been doing this after Key's confession.

As Jonghyun wanted to eat with you, you just always refused it. Being a kind person, he let you do what you wanted.

After lunch, your next class is History which Jonghyun's and Key's next class also. In the whole History class, you decided to not to talk and just focus to discussion. Neither Key nor Jonghyun got a chance to talk to you.

Class dismissal, Jonghyun offered you to walk to your way home. As you wanted to refuse it, Jonghyun already did.

"Umm.. Jinri." Jonghyun suddenly broke the silence. "Hmm?" you replied while continued walking and so did Jonghyun.

"It's not the right time to say this but I think I need to say it you now." he started. "Go on." you just replied without looking at him.

"I don't want to say this in this situation but Jinri," he paused, "I like you. No, I love you." he softly said.

It made you stopped as Jonghyun looked at you, studying your face. He couldn't explain what your face wanted to express.

You gulped after hearing those words again for the second time. First is from Key and now from Jonghyun, your crush. But, you knew something is wrong.

Why do I feel like I'm not happy?

CHAPTER 33

Why do I feel like I'm not happy?

"Jinri?" Jonghyun waved his hand in front of your face. You snapped out your thought and went back to reality, "Ne?"

"Did you hear what I said? That I have feelings for you.." he mumbled the last word, lowering his head.

You reach out his hand and held it that made him looked up to you. "You know what? You're handsome, smart, kind, and gentleman. I bet all the girls out

there want you to be their boyfriend. Well... I'm actually one of them.." you paused.

After hearing those words from you, Jonghyun lightened up. "But," you continued, "..I'm not the right girl for you. I'm actually planning to go back to Paris." you said.

Jonghyun's shoulder fell, "Is that so? But why do you want to go back there?" he asked.

You paused and lowered your head, "Because... I miss my parents." you replied but you know to yourself that it was only a lie.

"Is that so?" he asked. You give him a nod. Jonghyun study your face, "Then, why do I feel that's not the real reason why you wanted to come back there?" he said.

You looked up at him, "Eh?!" you nervously laugh, "What are you saying? Of course, that's the reason!" you snapped.

"Are you sure?" he asked. You eagerly nodded, hoping that he will believe you. "What about Key then?" he snapped.

You gulped and looked away. You paused, "I don't want to talk about him." you said.

"You must tell him about this." he suggested. You quickly shook your head, "Ani please! Don't tell him." you snapped.

"But he's your bestfriend right?" he said. You looked away, "He's not the Kibum that I used to be my bestfriend now." you said.

Jonghyun reach out your chin and make you face him, "I don't know what happened between you and Key and I also don't know how to make you smile again like you usually do but I

can do anything for you Jinri. Always remember that." he softly said as he ruffled your hair.

"Jonghyun-ah, I'm going back to Paris soon." you whispered. Jonghyun gaze at your eyes before saying, "I'll wait for you." he replied.

You lowered your head, "You better not wait for me. I don't think I'll still go back here." you held his hand and looked at him, "Mian Jonghyun-ah, bye." was all you said before letting go his hand and walked away.

Jonghyun left there, heartbroken. He slowly turned to your direction and watched you walk away.

*I know Jinri, I know that you will reject me...

..because I'm not the one in your heart..*

CHAPTER 34

Days had already passed. One night, you received a phone call coming from Jonghyun.

"Yeoboseyo?" you answered. "Jinri-ah, it's me, Jonghyun." the other line replied.

"Uh.. Jonghyun, why did you call?" you asked. "Umm.. I just want to ask about your plan on going back to Paris.." he trailed off.

"My plan will never change." you paused, "..Actually, tomorrow is my flight." you added.

"What? That fast? Why so rush?" he asked continuously. You let out a sigh, "Mian but I don't think I can still stay here any longer." you replied.

Jonghyun was about to ask you a question but you cut him off, "Mian Jonghyun but I still need to pack my things. Goodbye Jonghyun." with that said, you hang up the phone.

You stared at you phone for a while until you saw the name of Jonghyun on your phone screen again. He's trying to call you again.

You just let your phone to vibrate, not wanting to answer some of his questions. When it finally stopped vibrating, you let out a heavy sigh. "Mian.." you mumbled before placing your phone to your drawer and started packing your things.

After packing, you left the house and dragged your foot towards the Mall to buy some things for your parents.

As you were walking around the Ladies Section of the mall to look for a clothes for your mom, you heard a sudden voice call your name.

"Jinri? Is that you?" a girl's voice said. You turned to your side and saw Mrs. Kim standing there.

You immediately bowed and greeted, "Annyeong haseyo Mrs. Kim." Mrs. Kim look at you, "You never visit our house anymore after that day." she muttered.

You lightly bowed, "Uh-oh.. Mian Mrs. Kim but I was really busy these days." you apologized.

Mrs. Kim nodded in understanding, "Oh.. What are you doing here anyways? Looking for a clothes for you?" she asked.

You shook your head, "No, it's for omma." you replied. "Your mom? Is she here in Korea?" she asked excitedly.

You shook your head once again, "Ani. Omma and appa were still in Paris." you replied.

"So.. they will go here, am I right?" she guessed. You shook your head again, "Ani."

Mrs. Kim frowned in confusion, "Then why are you looking for clothes for your mom?" she asked.

You paused and shifted your gaze to the clothes before answering, "I'm going back to Paris."

"You're going back? Why? When?" he asked continuously. "My flight is tomorrow that's why I'm buying some stuffs for my parents." you replied.

"Is Kibum already know about this?" she asked that made you paused once more. Then you shook your head, "Ani and please don't tell him." you pleaded.

"Why? Did you two have a fight?" she asked in a worried tone. You shook your head, "Ani. It's just that.. I don't want to see his sad face before I went back to Paris and I don't think I'll still go back here." you explained.

Mrs. Kim remained silent and stared at you. "Miss, I'll get this

one." you said to the sales lady. The sales lady nodded and get the clothes that you was pointing out, "This way Miss." she said as she led the way.

You looked back at Mrs. Kim and bowed, "It's nice to see you again Mrs. Kim. I have to go now. Bye!" was all you said then left.

Mrs. Kim watched you walk away, *Should I tell Kibum about this or not?*

Just then, she felt a light tapped from her shoulder. She snapped out her thought and turned to her back to see her husband.

"Are you finish looking for your clothes that you wanted to buy?" Mr. Kim asked. Mrs. Kim give him a nod.

"Okay, let's go." Mr. Kim said as Mrs. Kim nodded again. She glance at your way one last time before following her husband.

After buying clothes for your mom, next you did is to buy one for your dad. It's hard for you since you're a girl so you just buy a jacket for him.

Finished buying, you leave the mall and went back to your house.

CHAPTER 35

Next morning fastly came. You woke up early to prepare all the things that you needed on going back to Paris.

Meanwhile, Key woke up to prepare himself for school.

"Omma, I'll go ahead now." he said as he was ready.

"Wait up! I need to say something to you." Mrs. Kim snapped. "Mian omma, say it to me when I came back. We're having a performance today and I'm already late. Annyeong!" Key waved.

"Wait! You need to know—" Mrs. Kim's words were cut off when Key disappeared on her sight.

"What's happening?" Mr. Kim suddenly appeared from nowhere as he asked in confusion. Mrs. Kim turned to looked at her husband with a worried expression.

Mr. Kim frowned. "Jinri.." Mrs. Kim started, "She's going back to Paris today." she continued.

"Mwo? And Kibum didn't know about this?" Mr. Kim asked. Mrs. Kim sadly nodded, "Jinri doesn't want Kibum to know about this and I'm planning to tell to our son but I forgot to say last night and now that I remembered, he already left not even finishing what I'm trying to say." she replied in a sad tone.

"Wait, I'll call him." Mr. Kim suggested as Mrs. Kim brightened because of that idea.

Mr. Kim pulled out his phone and started dialing Key's phone number. Just then, they heard a ring of a phone coming from Key's room and found his phone on his bed. Key totally forgot to bring his phone.

With a sigh, Mr. Kim shook his head. Mrs. Kim went back to her sad expression.

"Should I watch SHINee's performance first before I leave?" you asked yourself as

you was sitting on the edge of your bed.

After a minute of thinking, you stood up and decided to go to school.

Right after you entered the school, you heard the host spoke. "Now, let us call SHINee for their special performance for this month!" the host announced.

With that, you saw SHINee went up to stage and started their performance.

For some reason, you didn't know why but your eyes were only glued to Key. He was so perfect when he was performing.

"I miss him.." those words suddenly escaped from your mouth, unknowingly. You shook your head just when you realized what you had said.

After the performance, the students started squealing and shouting their SHINee oppas. A smile went up to your face as you clap your hands.

Not wanting to get see you of any member of SHINee, you dragged your food away from school. You took a cab on the way to the airport.

The class went back to normal. After the performance, Key headed to his second class which is your second class too.

As he entered the classroom, no sight of you will be seen. His shoulder fell in sadness.

Just then, the teacher came. Key took a glance at your empty seat once more.

"Before I start the discussion, I

just wanted to say all of you that Ms. Choi Jinri will no longer going to our class." she started.

The whole class started to make a conversation because of the sudden news. Key was shocked hearing those words.

"Listen class, Ms. Choi is going back to Paris today and as of now, I think she's already in airport. She will continue her study there so she's not going to attend this school from now on." the teacher added.

Without any hesitation, Key stood up and stormed off outside the classroom. As the teacher wanted to stop him, Key already gone.

As Key was running to catch you up, he suddenly bumped to someone. "Uh.. Key.." Jonghyun said.

Key sadly looked at him. "Why are you running?" Jonghyun asked. "Jinri.." Key mumbled.

Jonghyun looked away. Key frowned, "Don't tell me, you knew about this?" Key asked.

"Mian Key.." Jonghyun whispered. Without a second, Key punched Jonghyun in the face because of his anger.

"You knew about this but you didn't even tell me? What kind of friend are you? And she told you about this and not to me?!" Key punched him once more, "You bastard! Why don't you even told me about this huh?!" he said still grabbing Jonghyun's collar.

"Mian.. Jinri pleaded me to not

tell you about this but then I realized that you need to know that's why I'm going to tell you about this." Jonghyun managed to say.

"And you realize about it just now?!" he said in anger with another punch that made Jonghyun landed on the floor.

Key reach out his collar once more and was about to punch him again when Jonghyun managed to spoke, "If you keep punching me, you'll never see Jinri ever again. You must go to the airport now."

After hearing those words, Key finally let go Jonghyun as he landed back on the floor.

"Be thankful that I need to hurry now." Key said before turning to walk away.

Then Jonghyun spoke once more, "At first, I thought you're a gay but I guess you're not."

As much as Key wanted to punch him again, he decided to run away for him to catch you up.

Please wait for me Jinri-ah...

Next flight is Paris.

It announces. You took a deep breath, *This is it Choi Jinri. This will be your last day in Korea.* you stood up.

You looked back and whispered, "Goodbye Korea, goodbye Kibum.." with that, you started to walked on the way to the plane.

As Key arrived at the airport, he immediately look for you. Minutes later, you still didn't

Key stunned, *That voice...* he quickly turned to his side and saw you standing right next to him with a smile on your face.

He was speechless, he open his mouth but no words wanted to came out.

You raised an eyebrow, "How long do you want to stare to me? Come on, give me a hug." you said as you spread your arm.

Without a second thought, Key immediately hugged you very tight, not wanting to let you go.

"Yah! I can't breath." you cursed. He chuckled and let you go. "I thought you're going back to Paris." he started.

"That was my plan but," you paused, "I don't know the meaning of happiness without the man that I wanted to be with forever." you replied.

Right after you finished your words, Key grabbed your waist as he give you a kiss. You blinked a couple of times until he pulled back.

You stayed still, froze. Still blinking. Key chuckled, "You're so cute." he whispered that made you blushed.

Then you frowned, "Who told you do that?!" you cursed with a pout. "Because I wanted to." he snapped.

You smirked and wrapped your arms to his neck as you give him a kiss. Thus time, Key blinked a couple of times.

You pulled back with a grin, "Look at your expression." Key pouted, "Why did you do that?"

"Because I wanted to." you simply replied and was about to removed your arms from his neck when he put his arms around your waist and pulled you closer to him.

"I guess we both wanted it." he whispered as lean closer until his lips met yours. Without a second thought, you kissed him back.

"Omo! So sweet!" "Aww! I want a boyfriend like him too." "Wait! These two, I think I know them." "Oh yeah! We saw them here last time. But! Isn't this boy is a gay?" you and Key could be heard some voices around you two.

Both you and Key slowly pulled back and turned to direction of the voices. "Well.. I used to be a gay but this girl," Key pulled you closer to him, "..made me turns into a boy." he said looking into your eyes.

"I miss you.." he whispered. "Nado." you whispered back. With that, both you two lean closer to each other until both of your lips met.

The girls stared at the two of you, amused.
