Jaejoong and his secretary went to the restaurant. "Perfect!"

Jaejoong whispered as they enter the restaurant. "Good job Mr. Lee." he added.

"Wait! Where is she by the way?" Jaejoong asked. "Don't worry sir, she's on her way now." Mr. Lee replied as Jaejoong nodded in understanding, "ohh.. Ahm, do I look fine?" he asked nervously.

His secretary smiled at him, "Yes sir. No need to be nervous." "Do you think she will like this?" Jaejoong asked again. "Of course sir. Miss Boa loves you so she will like everything you prepared for your 2nd Anniversary." Mr. Lee tried to cheer him up. Jaejoong nodded.

"Please sit first sir and I'll go check if she's already arrived." Mr. Lee said. "Okay." Jaejoong replied. He then sat and wait for Boa. Minutes later, Boa already arrived. "This way Miss." Mr. Lee lead the way as Boa followed.

"What?" Jaejoong asked, expecting he heard wrong but Boa repeated it, "I want to broke up with you."

"Why? Did I made you upset? Is it because of these foods? I can order something different." he tried to convince her. "No. You didn't do anything wrong." she snapped. "Then why? What's your reason of breaking up with me?"

"I just realize that I didn't love you anymore." Boa said. "No. That's not true. You're just kidding right?" Jaejoong said as he held her hand. "Sorry but it's true and I'm also sorry but I love someone else now."

Jaejoong stooped down still holding her hand and try to beg her, "Please Boa, don't do this to me. I love you. Don't broke up with me." Boa pulled out her hand and stand up. "I'm sorry but I really want to broke up with you." she said starting to

"Oh btw, why did you call Jaejoong 'Hero Jae'?" Yoochun was really curious. Jaejoong look at you and waiting for your answer, also curious. You gave Yoochun a smile, "I call him 'Hero Jae' because he save me when I met him at first." "He saved you?" Yoochun asked.

You nodded. "I remember that night, a thief was trying to stole my wallet but luckily, Jaejoong was there and save me. He quickly punch the thief and get my wallet and gave it back to me. And the funny thing is, the thief run with his wallet though..." you laugh a little. "That time, I fell in love with him and I'm happy to know that

he also feel the same as me. Our first meeting was really romantic right?" you said giggling.

Jaejoong look at you surprised. *That's really our first meeting but she's the one who save me.* he thought, amazed.

"Yeah! That's so romantic. I never thought Jaejoong was brave as that." Yoochun commented. Boa look away, can't take to hear that. You saw Boa's reaction. *Great! She's jealous* you thought.

"Come on Yoochun, we need to greet the other guess." Boa said hugging his arm. "Oh.. Yeah!" Yoochun replied.

"May I excuse us?" Boa asked. You and Jaejoong nodded. Then Boa and Yoochun left.

You smiled, "She got jealous!" you whispered. Jaejoong look at you. "Do you think?" he asked. You nodded. "Don't you see her reaction when I start my story? She's like a bomb that want to explode." you replied.

"Yeah. I can see. Good job! You do it well huh?" he said to you. "Of course! I told you, I'm good in acting. I think I need to attend some auditions so I will be a good actress." you said.

Jaejoong laugh. "You're crazy! You're not qualified to be an actress because your ugly!" he said.

"Yah!" you pouted. "I save you earlier. If I didn't appear, you were just embarrassed. You need to thank me for that." you said.

"Okay, thank you. Happy now?" he said. You smiled, "Yeah! You're welcome." you replied.

"Btw, where did you get the idea of 'Hero Jae'?" he asked,

curious. "As I always said, I'm a good actress so It's just easy to find a solution on your problem. Maybe I'm also a good writer. Should I write a story? What do you think?" you replied.

Jaejoong laugh a little loud that Boa can be heard. Boa saw Jaejoong laughing with you. She could see the happiness on Jaejoong's face. She was really jealous now.

She take a glance at you and stared for a long time. Then she remembered something. *Yeah! I'm right. I saw her in front of the restroom. Now I know why her face is familiar to me. That Bitch! I won't let you to be happy tonight.* she thought as an evil smile form on her face.

CHAPTER 7

Jaejoong can't hold his laugh. "Yah! Can you please stop laughing?!" you said to him. He stop for a while thrn laugh again.

You pouted and quickly pinch his nose. "Ahh.." he yelped and snapped your hand. His nose become red because of what you did. You laugh on it.

"Yah! Why are you laughing?" he asked. You pointed to his nose and your other hand touch your stomach because you can't hold your laugh. "Y-your nose! Haha! It become red." you said laughing.

Jaejoong turn to the glass window and saw his red nose. He quickly covered his nose. "Yah! Look what you did to me." he pouted.

"Aish! I'm just doing my

revenge because you're laughing at me but now, I'm the one who's laughing because of your nose." you stuck your tongue out. Suddenly, your stomach made a sound.

Jaejoong laughed a little. You touched your stomach in embarrassment.

"Come on! Let's just eat." Jaejoong said to you and walked to the place where all the foods are placed. You followed him.

Since the party is self-service, Jaejoong grabbed 2 plates and gave you one of them. You quickly took it. "Go get your food," he said.

You nodded and grabbed all you want. Some people are looking at you. Jaejoong gave you a look. You looked at him, "Wae?" you asked raising an eyebrow. "Your plate is full. Can you please remove the others. People are looking at you." he whispered.

You looked around and saw people were looking at you. "Ow! Why do I have so many foods in my plate. Aish!" you pretended that you didn't know what you were doing. You removed the 3 different foods on your plate so your plate now has 3 different foods left.

People stopped looking at you and went back to their own business. Jaejoong sighed, "Come on. Let's sit there." he said.

You nodded and followed him.

You two sat at one of the tables there and started to eat. As always, you eat your foods very quickly. Jaejoong gave you a look again.

"What?" you asked.

"Can you please eat slowly. No one will steal your food so don't be in a hurry." "But I'm really hungry."

"Then I won't give you my salary if you continue doing it." he warned. You looked at him in wide eyes. "Okay, I will." you snapped. "Good!" he said and started to eat.

You pouted and continued eating your food.

When you and Jaejoong finished to eat, you offered him, "I'll go get a drink." you said.

He nodded, "Okay. You better go back, araseo?" "Araseo.." you replied.

You stood up and walked to get a drink. As you were about to grab a drink, someone took it. You turned to look at Boa. You smiled at her but she didn't smile back. "Why do I feel that she's going to do something bad to me?" you said on your mind.

"Why? Did this drink belong to you?" Boa raised an eyebrow. You quickly shook your head, "No. You can have that. I will just get another." you said.

You turned to get another drink. When you were about to grab another, she spoke, "That's better Bitch!" Boa said.

It made you stop. "Bitch? It's the second time that someone says that word to me." you thought and looked at her surprised. You studied her face and your eyes widened. You pointed at her, "Y-You?" you gasped.

"Yes, I am!" she gave you an evil smile. "You better be careful what you're doing now." she added. You bowed, "I'm sorry

again." you said.

"You know what? You ruined my day because of what you just did to me earlier. Do you think I will accept your sorry?" she said to you with anger.

"Sorry. I didn't do it on purpose. It's just an accident." you tried to explain but she still didn't accept it. "Accident? If you're looking when you're walking, it will not have happened but you didn't!" she replied.

"What?! I already apologized. You're just better accept it and you also pulled that made me fall on the floor. My butt hurts because of that, you know?! What happened earlier was just an accident. We both didn't want what just happened. I think you're the one who needs to apologize to me." you can't hold your anger anymore.

"What?!" she glared at you.

"I already apologized to you so now, it's your turn." you replied.

She gave you a small laugh. "I can't believe you're the one who replaced me to be Jaejoong's girlfriend!" she said to you.

"I think you're not better to be with him also. You don't deserve to be with him. Sorry but I'm his girlfriend now. You're just his past now." you wanted to end the conversation but she didn't stop.

She glared at you. "You Bitch!" she threw the drink that she was holding to your face. It made you close your eyes when the drink splashed on your face.

All the people around you turned their attention to you. They started gossiping, "Omo! What happened?" "Who is she?" "She makes the birthday girl to be

angry." "Who is she to make ruined Boa's party?" people gossiping.

Yoochun and jaejoong turn their attention to your direction. Yoochun run to Boa, "What's happening here?" he asked.

"She called me Bitch!" Boa said. Your eyes widen, "What?! I never said that!" you protest.

"See? She's also want to fooled everyone. Can you just say the truth." she said. "But I didn't do anything!" you still protested.

"Do you really want to ruin my birthday huh?" she said to you.

The people gossiping again, "What kind of lady is she?" "She want to ruin her birthday!" "How can she said 'Bitch' to her." "She's so embarrassing!"

You heard all of it. *Omo! Eoteokhae? I turn to be bad to everyone.* you thought.

Suddenly, someone hugged you. You look up to see Jaejoong. "I'm sorry but I think we're not belong here. We better go now." you two were about to left when Boa said, "No! She's not belong here but you Jaejoong, you are." she said.

Jaejoong turn to her, "If my girlfriend not belongs here then I am also." he said and completely left with you.

Why Jaejoong? Why did you choose her over me? Do you really love that Bitch?! I won't let that happen! I know you still live me. Boa said on her mind.

You and Jaejoong went out from the Party. You two silently ride the elevator. As the elevator stopped, you two went out and walk to the parking lot where Jaejoong's car located. Jaejoong still didn't talk. Then you break the silence.

"Thank you for helping me." you softly said. "I'm not helping you." he replied.

You look at him, confused. "What? But.." "I'm helping myself not you." he said.

"What do you mean?" you were still confused. "Can you please wiped your face first." he throw a towel on your face.

You pouted and wipes your face. "So, what do you mean yo didn't save me instead yourself?" you asked again.

"They know that your my girlfriend so I need to save you right?"

You nodded. "Ohh.."

"I bet all the guest inside amazed at me. I admit! I'm also good in acting." he whispered. "A-Acting?" you asked.

Jaejoong nodded, "Yes. 'If my girlfrien not belongs here then I am also.' I heard that line on the movie. I think I'm much better to say that than the actor who said that line." he laughed.

Yeah! Just acting but why do I feel disappointed? you wondered. "Yah! Are you listening to me?" Jaejoong said to you.

You snapped on your wondering. "Yes?" you asked. "I said I'm good in acting right?" he said.

You rolled your eyes. "No! I'm

much better than you!" you protested. "I admit, your acting earlier was great but my acting is much better I think!" he said and the two of you burst into laughter.

"Wait! How about the party?" you asked. "We don't need to be there. Btw, did you see the jealousy on Boa's face when I save you? She's like a bomb that want to explode. Maybe she's now regretting breaking up with me." he commented.

"Is she really your ex?" you suddenly asked. "Yes. She's pretty right?" Jaejoong asked.

"Yes she's pretty but it doesn't matter." you said. "What did you mean?" he asked, confused.

"She has a pretty face but she has a bad attitude." you calmly said. "What?! You don't know her so don't judge her easily. She's vey kind. You must see that." he replied.

"What?! Kind my ass! Are you sure?! She's the only person who said that I'm Bitch! She didn't have a heart. Now I know why she chose your bestfriend over you. Just for the money and power." you said.

"Yah! Watch your word! If I heard you saying bad words to Boa, I will fire you!" he said, a bit loud.

You quickly shook your head. "No! I really need this job." "then, you better careful with your words. Don't judge her. You didn't even know her." he warned you.

You eagerly nodded. "Araseo. I won't do that again. I promise!" you promised, raising your right hand.

"Good! Just continue doing your job well like you did earlier at

the party." Jaejoong said to you.

You nodded.

"Come on! I'll take you home." he said as he went inside the car. "Yes Boss!" you replied as you went inside also.

The car drove off.

As Jaejoong was driving, you take a glance at him. *I'm wondering, how can you handle to be Boa's girlfriend. Don't you see her other side?* you wondered and let a sighed.

Jaejoong take a glance at you, "Why are you sighing?" he asked. You quickly shook your head, "It's nothing! Maybe I'm just tired." you said and look to the window.

Jaejoong look in front again and focus in driving. "Don't worry I will pay you. You did a great job. If you continue doing that, I'll give you bonus."

You brightened. "Really?" you asked. He nodded not looking at you. "Woah! You don't have to worry. I will do my job well. Acting is just easy for me." you proudly added.

Suddenly, the car stopped in front of your apartment.

You went out, "Thanks for taking me home. Bye Boss!" you waved to him.

"Okay. Thanks also for doing your job well." he said and drove off. You watch to leave the car then went inside your apartment.

CHAPTER 9

On the other day, you woke up early. You got up and went to the kitchen. You search for a food but there's no food anywhere.

You sat on the couch and sighed. "I'm hungry but there's no food here. I don't have enough money to buy food also." you laid your head on the side of the couch.

Where I'm suppose to get money to buy some food? you thought.

You think for a while. "Right!" you brightened.

It's still not end of the week. What if he won't give my salary? you paused for a moment to think again.

But atleast I'll give a try.. you pulled out your phone and dialed Jaejoong's phone number.

"Yeoboseo?" Jaejoong answered. You didn't give a response on it. "Yah! Ehy did you called? I'm busy okay so stop wasting my time. If it is not important, I'll hang up now."

He was about to hang up when you finally spoke. "Wait! It's very important. I need to meet you now." you snapped. "What? How important is it huh? I already told you that I'm busy. I'll hang up now. Don't you try to call me again, araseo?" "It's about your ex." you lied.

"You mean Boa? What's about her?" Jaejoong quickly replied. "I'll tell you later. Let's meet up." "Go to my office. I'll text you the location." "Okay." with that, Jaejoong hang up.

A while later, you received a text message from Jaejoong. The location written on the text message.

You went to your bathroom to take a bath and wear a jeans and white shirt. Yes, it's just a normal outfit but it suits to you. Your perfect curves can be seen.

You took a bus to go there. After an half hour, you reach the location.

You enter a building and ride the elevator. It stopped at the 7th floor and you went out. You start to walk and ask some workers who passed by.

"Excuse me, May I ask where Kim Jaejoong's office is?" you asked one lady.

"There!" she pointed the direction. You bowed. "Thank you." you respectfully said.

"No problem." she replied and left. You walk on the direction where the lady pointed. You stopped when a man block your way.

"Where are you going Miss? I think you're not working here. If you're going to talk to Mr. Kim, sorry but he didn't accept any visitor today. He's very busy right now." Mr. Lee said.

"I'm sorry but Jaejoong told me to meet him now." you replied. "You called him Jaejoong? Are you his friend or something?" he asked. "I'm his friend." you replied. "May I know what's your name Miss?" he asked.

"I'm Lee Hyerin." you said. "Okay. Wait here. I'll ask his permission first." he said as you nodded. He then left.

Knock! Knock! Knock!

"It's your secretary sir." Mr. Lee whispered. "Come in." Jaejoong replied.

Mr. Kim enter his office. "What's the matter Mr. Lee?" Jaejoong asked.

"Your friend is outside. She said that you told her to meet you now." Mr. Lee replied. "Friend? Who?" he asked, no idea who was that.

"Her name is Lee Hyerin." Mr. Lee replied. Jaejoong nodded in understanding. "Let her come in." "Yes sir." he replied and left.

"Miss Lee, you can go in now." Mr. Lee said to you as he come back. You bowed. "Thank you." you said and went in.

"What's about Boa?" Jaejoong quickly asked. "Ask me a question so quick?" you rolled your eyes.

You walk around and examine his workplace. Jaejoong just watch you but he really want to know what you want to say about Boa.

"Stop walking around. Tell me what do you want to say about Boa now." You look at him and pouted. "Don't be so rush. Aish!"

You look around again. "You didn't told me you have a big workplace." you said as you sat on the couch.

"Can you just told me what do you want to say about Boa?" he said, annoyed. "Chill okay.." you said and laid on the couch.

"Yah! You're not at your house. Get up there!" he said with a

semi-high voice. "Your couch was comfortable to lay in. Let me take a nap here." you said. Jaejoong finally stand up and walk to you. "Get up now!" he grabbed your both wrist trying to get you off from the couch.

"I don't want!" you said and twist your wrist, trying to get off from his hand but the thing is, Jaejoong out-of-balance and end up falling on the couch.

He's now on the top of you. You were very shocked on what was happened. Jaejoong was also shocked.

It's like the world were stopped on moving. Both of you just stared to each other, don't know what to do. Just like you two were trapped on a small space that you couldn't move.

Your heart beat so fast. *What's happening to my heart?* you thought but you didn't stop staring at him as he also did. You two just continue staring at each other, looking to each other's eyes.

Suddenly, the door burst open. Someone ruined the moment.

CHAPTER 10

Both you and Jaejoong look up to see Boa at the door with Mr. Lee. Boa quickly look away, jealous. Jaejoong get off from you and cleared his throat.

You sat up and make a properly sit. "What is she doing here?" Jaejoong asked his secretary.

Mr. Lee bowed, "I'm sorry sir. I tried to stop her but.." "Okay I understand, you can go now Mr. Lee." he snapped. Mr. Lee

bowed again and left.

"So what's bring you here?" Jaejoong turn his head to Boa. She turn to look at him. "Uhhh.. can I talk to you? Just the two of us.." she then turns to you.

"Uh-oh.. I'll leave now." you stood up planning to leave but Jaejoong grabbed your wrist and sat you down.

You startled. "You can stay here." he whispered. "But.." you tried to protest but Jaejoong snapped it. "So what do you want to talk about?" he turns to Boa.

"I want to talk to you alone." she said. "But you can still say it to me even though my GIRLFRIEND is here right?" he emphasized the word 'girlfriend'.

"But it's only between the two of us." she said, annoyed. "If you can't say it in front of her, it's your choice. I think this conversation is over. You can go now so I can spend more time with my girlfriend." Jaejoong wrapped his arm around your shoulder.

You were just remained silent.

Boa bit her lip. Her heart was crushed because of the scene in front of her. *Why are you doing this to me Jaejoong. Don't you know that I'm still in love with you? Why are you hurting me like this?*

She suddenly left not saying a word. Her tears starting to fall when she finally left Jaejoong's Work Place.

Jaejoong removed his arm from you. He sighed and rested his back at the couch. You stared at him, puzzled.

He noticed you, "Wae?" he asked. "Why did you do that?" you suddenly asked.

"Did what?" he asked. "She want to talk to you. Don't you want too?"

"I do but I still need more time. It's been months since she become a girlfriend of my bestfriend. It's hurt to accept that. I want her to hurt like she does to me." he whispered and close his eyes with a heavy sigh.

Seems like you really love her to be hurt like that. you thought.

"..I can continue my work now because she appeared." he whispered. You put your pointed finger to you lips and think.

"How about.. let's go out to eat." you suggested. He opened his eyes and look at you. "What?" he gasped.

"You don't have energy to continue your work right? Then you need to rest to gain some energy. Let's just eat now." you explained.

He laid back and close his eyes again. "No, I don't want." he said. "Aish! Come on!" you grabbed his arm and force him to stand up but he's too strong for you to let him stand.

"I said I don't want." he whispered still closed his eyes. You think for a while and brightened. You tickled his waist. Actually, it's his weakness. His eyes suddenly popped open. He can't hold his laugh. He laugh so hard.

"A-Aras-seo.. A-Aras-seo.. Stop it." he said between his laugh. You stopped, "We're going to eat now?"

He shook his head. "I still don't want." he replied. "Then.. I don't have choice but to tickle you once more.." you was about to tickle him he finally stood up.

"Okay, we're going to eat now." he walks to door. You smiled and followed him.

CHAPTER 11

As you two left Jaejoong's Work Place, you just followed him wherever he goes.

You two went to his car and get in. "Woah! Your car is awesome!" you innocently look around the car. "Yah! Stop being innocent!" he said as he put on his seat belt. "Put on your seat belt now."

You pouted. "Aish! Yes, Boss!" you replied as you put on your seat belt.

With that, the car drove off.

The car stopped in front of the restaurant. You two get off from the car and went inside the restaurant.

You ordered all you want since it's Jaejoong's treat.

As you two waiting for your order, Jaejoong gave you a look. "Wae?" you asked.

He crossed both his arms. "You ordered so many foods. Can you still eat all of that?" he asked. You nodded. "Of course! I can eat all of that!"

"Unbelievable!" he whispered.

You pouted.

"..Uh, by the way, you said on the phone call earlier that you have to say something about Boa.. So what's about it?" he asked. "Uh-oh.." *Oh my God! Eoteokhae?*

But the food suddenly served. "Oh? The food is already here!" you use it as an excuse. "Enjoy your food ma'am and sir." the waiter bowed and left.

You turn to look at Jaejoong who still giving you a look. You quickly look down and start to eat.

"Yah! Tell me what do you want to say about Boa." he said and made you stopped eating. "Uh-oh.. A-about that.. I.. I.. I forgot!" you lied and lightly rubbed your head.

You look down once again to continue eating. "Hyerin!" he said in a bit loud voice but since it's still early, just a few customer are at the restaurant.

You startled and made you spoon and fork fall on your plate. "Tell me the truth. You don't have anything to say to me about Boa right?!" he asked.

"Aish! I have okay. I just forgot what is it." you waved your hand and continue to eat again.

"You can't blame me! I won't give your salary if you didn't tell me the truth." he snapped. You look up at him surprised. "Do you still didn't tell me the truth?" he asked, raising an eyebrow.

You eagerly shook your head. "No.." you paused for a while. "Okay, I'll tell you. Actually, I called you not because of Boa. I just want to eat."

He raise an eyebrow, "Only want to eat nothing more? Are you sure?" he asked, still not

convince. "Okay.. I called you to ask you if you can give my salary today." you finally said.

"What? Your salary? You just start your job yesterday then you want to get your salary already? After you trick me! No way!" he said.

"I admit, I trick you but.. It's just because I don't have any money to paid my rental apartment and to buy some foods to eat." you explained.

"Continue your food now.." he whispered. "How about my salary?" you asked.

"Your breakfast will be your salary." he said as he start to eat. "What?! No! It can't be!" you just said.

"Just continue to eat. I'll think about your salary." he said and continue to eat. You pouted but continue to eat also.

As always, you finished your food so fast. After a while, Jaejoong also do. "So.. Will you give my salary today?" you asked. *Please say yes..* you hoped.

"I'm still thinking.." he replied as he stood up and went out from the restaurant. You just followed him.

"Still thinking?" you asked as you two went inside the car. He didn't gave you a response. The car suddenly drove off.

The car stopped in front of Jaejoong's Work Place. You two went out from the car.

"Here!" he handed you a 10,000 won as your salary. "I'm giving you salary today but promise me that you will do your job well like you did yesterday,

araseo?" he added.

You just stared at him, can't believe what he said. *He's giving my salary now.. Is it really true?!*

"You don't want?" he asked and was about to put back to his wallet when you quickly take it away. "No! I want my salary." you snapped.

"Okay." he whispered. You smiled, "Thank you Boss for my salary. I'll promise to give all my best for my job." you said. "I'm going now. Annyeong!" you waved at him and happily left.

A smile form on Jaejoong's face. *Funny!* he went inside his Work Place and straightly walk to his office, still smiling.

"Eh? You're smiling? It's been a long time since I saw you like this.." Mr. Lee said. Jaejoong turn to look at him, "Uh-oh.."

"Is it because of that girl?" Mr. Lee asked. Jaejoong shook his head. "No! It's not because of her. I just want to smile. That's all!" he replied and went inside his office.

I hope she will healed your heart so you will forget your feelings to Boa. Mr. Lee hoped.

CHAPTER 12

It's been a week since you and Jaejoong didn't see each other. Also no communication.

One night, Jaejoong was off to work so he decided to go to the park to take a walk. When he was walking at the middle of the park alone, he saw Boa and Yoochun happily walking

through his direction. Boa was hugging Yoochun's arm. Jaejoong's heart was really hurt. He couldn't take to see the scene.

Jaejoong was about to hide so that Boa and Yoochun will not see him but someone called him.

"Oh! Jaejoong?" Yoochun called. Jaejoong stopped and turns to them, "Uh-oh.. Hey!" he nervously replied.

Yoochun walks to him as Boa followed him. "What are you doing here alone? Did you and your girlfriend already broke up?" he asked.

Boa was waiting for Jaejoong's replied.

Jaejoong look at Boa. He can see that she's waiting on what he was going to replied. He then look to Yoochun, "No. We're still together." he replied.

Boa look away, disappointed. "Then, where is she?" Yoochun asked. "She's at home. Actually, I'm with her earlier." Jaejoong lied.

"Are you going home now?" Yoochun asked. "I'm planning to." he replied.

"If you want, you can join us." Yoochun said. *What the f*ck! Is he insane? He know how much I love her girlfriend then he want me join them? If Boa was not here, I'll gonna punch him for sure!!* he thought.

Jaejoong was about to replied but Boa finally react. "Babe, It's our monthsary remember?" she said to Yoochun. She then turns to Jaejoong, "I'm sorry. Maybe we can hang out 3 of us on the other day but not today. We need to celebrate our monthsary." she said.

"Uh-oh.. It's okay. Since I'm already tired." Jaejoong forcefully replied. "I'm sorry bro! Maybe next time." Yoochun said. Jaejoong just nodded.

"So.. May I excuse us?" Boa asked. Jaejoong nodded again, didn't know what to say.

With that, Boa and Yoochun left. Jaejoong remained at his spot for a while.

As you were ready for bed, your phone ring. *Eh? Who would be calling at this late night?* you wondered.

You pulled out your phone to see the caller ID.

Boss Jaejoong is calling...

Eh? Why is he calling? Maybe because of my job. you press the 'answer' button and put it on your ear.

"Yeoboseo?" you answered. No response. "Yeoboseo?" you repeated.

This time, you can hear the other line but the sound was just like someone crying. *Is he crying?* you thought, confused.

Then you heard him said, "I really love you Boa.." Jaejoong said, the voice was like a drunk man. "Are you drunk?" you asked.

Jaejoong laugh a little. "Now, you're concern huh?" he replied. "Yah! Where are you?" you asked. "Just near at the park. Wae? You want to see me huh? Then go here and leave my bestfriend. Boa.. Boa.." he slowly whispered.

"Yah! I'm not Bo—" you want to cleared to him but he already

hang up.

"Aish! Stupid Boss!" you whispered as you jump to the bed and lay down. *Wait! Is he drunk? What if something bad happen to him?* you wondered. You shook your head. *No. No. No. I don't care if he was drunk!* you thought as you close your eyes planning to sleep.

After a while, you couldn't sleep. You still thinking about Jaejoong. You sat up, "Aish! I can't sleep!" you screamed.

You then change your clothes and put on your jacket. You went out and went to the park. You search Jaejoong to all Food Stand there.

After a long search, you found him at the last Food Stand there.

You quickly walks to him. "Yah! Kim Jaejoong!" you called. He look up and smiled like crazy. "Oh! Boa, you're finally here." he said.

"I'm not Bo—" you want to say again but an Ahjumma walks to the two of you.

"Are you his girlfriend? Our Food Stand need to close now. Can you accompany him to go home?" an Ahjumma asked. You just nodded, didn't want to explain anymore.

You gently shook his arm. "Jaejoong-ah, come on. You need to go home now." but he already fall asleep. "Aish! This guy!" you sighed.

You then grabbed his phone to call for a help. The one who crossed on your mind was Boa but then you realized that's not good if Jaejoong kept on calling her name. You two will be caught if that happen.

You search his contact list. After a moment, you saw his secretary's number. You quickly press the 'call' button to make a phone call.

"Yeoboseo?" the other line answered. "Um, You're Jaejoong's secretary right?" you asked.

"Yes. Who is it? Why are you holding Sir Jaejoong's phone?"

"Um, It's me Hyerin." you replied. "Uh-oh.. Okay. So.. What's the matter?" he asked. "Can you please help me? Jaejoong was drunk." you said.

You bowed, "Hello! I'm Lee Hyerin." you smiled at him. He also bowed, "Uh, hello! I'm Kim Junsu. Jaejoong's friend." he replied. "Nice to meet you." you gave him your precious smile.

"Woah! Your girlfriend is really beautiful.." Junsu commented. You giggled, "Thanks.." you whispered.

"So.. You did bring her along huh?" Boa suddenly said. "Yes. Of course! She's my girlfriend so she have a courage to be here." Jaejoong coldly replied.

Boa look at you, "Then, you must take a distance to me." she said to you. *Aish! That's why I don't like her. She's acting like I did something bad to her on a purpose.* you said on your mind.

"Hey! Stop that!" Junsu went between the two of you. Yoochun grabbed her wrist, "It's our reunion so please stop this." he said.

Boa gave you another look then step backward. *If I have a courage to have fight with her, I will do it for sure.* you thought.

Suddenly, someone shout. "Hey!" a voice said. You still on your thought that you didn't notice it.

"Uh, Yunho, Changmin!" Junsu whispered. Yunho and Changmin walks to them.

"Hello Yunho and Chamgmin." Boa greeted. "Hello." Yunho replied, not interested. He actually dislike her for some reason. "Hi noona." Changmin greeted back.

You look at the two men. The one is very familiar at you. Yunho look back at you and..

"YOU?!" you and Yunho said at the same time as you two pointed each other.

CHAPTER 18

Jaejoong blinked at you and Yunho. He was really confused.

Then suddenly, Junsu spoke. "Did you two know each other." he asked. Jaejoong stared at you, waiting for your answer.

You shook your head. "Not really." Yunho said. Jaejoong look at him and then to you. You look back and shook your head, making a signal that you really didn't know Yunho. "I just met him at the grocery. I didn't even know his name." you explained.

"I just help her at the grocery?" Yunho said. Jaejoong look back at you, "Help?"

You nodded, "Remember the morning that I left my wallet at your house? And remember what I told you that morning? A

"Uh, yeah. I remembered!" Jaejoong said, nodding. "Yeah. I help her to pay her bill." Yunho said.

Suddenly, Changmin spoke, "You help her hyung? At the grocery? You mean... She's the girl that you're—" his sentence was cut when Yunho shut his mouth. Yunho awkwardly laugh.

You raised an eyebrow, "What he was talking about? I'm the girl that you're what?" you asked. Yunho shook his head, "Nothing. Don't mind him." he release his hand from Changmin's mouth. He eyed Changmin to give him a signal to shut up.

Changmin look at you. "Yes noona. It's nothing. Just don't mind me. I'm Changmin by the way." he tried to change the topic as he pulled out his hand.

You nodded and shook his hand. "I'm Hyerin, nice to meet you." "And this is hyung, Yunho." he pointed at Yunho.

You bowed, "Nice to meet you again." you smiled at him. He couldn't help but to smiled back. "Yeah right! I'm happy to see you again.. Hyerin, right?" he want to be sure.

You smiled again and nodded. "Yes." Yunho smiled brightly at you.

Jaejoong frowned his eyebrows, *Why do I feel that Yunho like Hyerin?* he thought.

"I smell something fishy.." Boa suddenly said. Your smile feel when you heard that.

"What do you mean?" Junsu asked. "I mean.. I think there's a spark with these two." Boa

nodded at you and to Yunho. "What?! Stop this nonsense!" Yunho frowned.

Then Jaejoong suddenly grabbed your shoulder, "That's impossible! Hyerin is my girlfriend and we're in love to each other." with that, he kissed your cheek and gave you a sweet smile. You were really shocked on his action that made your cheek become red.

You quickly look away then smiled awkwardly to Boa. "Yeah. He's right." Boa was hurt and just gave you an evil look.

Yunho look away, sad. *How I wish I met you first before Jaejoong.* he said to his mind. Changmin look at him and lightly patted his shoulder. Yunho gave him a force smile to hide his sadness. Changmin smiled back but he knew that his hyung is not really okay. *I know you were just trying to be okay.* Changmin said to his mind.

"Okay! Then let's go in now." Yoochun suggested. "Okay!" Junsu agreed.

Junsu was the first one who went inside his vacation house. He choose his vacation house to held their reunion since there's no one there.

Yoochun and Boa followed. Yunho smiled at you once again before he went in. You couldn't help but to smiled back.

Changmin followed.

Jaejoong raised an eyebrow at you. "Wae?" you asked. "Stop smiling at him like that." he said. "Wae? Are you jealous?" you teased.

"What?! Are you kidding me?" Jaejoong gasped. "You didn't want me to smiled at him that

means.. you're jealous!" you teased again.

He shook his head, "No, I'm not. I just want you to watch your action when they're around. What if they found out about us? So stop seducing my friend." Jaejoong said as he went in.

"I'm not seducing him okay!" you protested as you followed him. But inside, you were a bit disappointed for some reason.

CHAPTER 19

Junsu welcome all of you to his vacation house. He straightly went to the kitchen to make some tea.

Yoochun and Boa sat on the short couch that only 2 person can sit. Changmin amd Yunho sat on the long couch. Changmin was on the end part of the couch as Yunho was next to him. You and Jaejoong are going to sat there also. You were about to sit beside Yunho when Jaejoong quickly sat there instead. You frowned at him. He just raised an eyebrow, "What are you waiting for? Sit here.." he patted the empty seat beside him. You just nodded and sat beside him.

DBSK smiled at his answer.

"Yeah. We're all stick together!" Yunho said. "Yeah. Like before." Jaejoong agreed.

"Speaking of 'before'... Are you guys remember who is the nerdy boy of DBSK when we were in College?" Boa said. "Uh, yeah! That's Junsu!" Yoochun beamed.

"Yeah. That's hyung!" Changmin agreed. "Yah! Stop bringing the past especially about me!" Junsu mumbled.

Then DBSK (except Junsu) and Boa burst into laughter.

DBSK and Boa continue chatting about the past. You just remained silent since you didn't know what they are talking about.

Boa noticed you and gave you an evil smile. *Aish! I really hate this girl!* you said on your mind.

You just bowed your head, waiting for them to finish their coversation. But then Yunho noticed you.

"Um.. Hyerin, how did you meet Jaejoong by the way?" Yunho suddenly asked. "Yeah! I also want to know." Junsu said. Changmin nodded in agreement.

"They're first meeting was really romantic, right Jaejoong?" Yoochun said. "Uh-oh.. yeah!"

Jaejoong slowly nodded.

"Mind to share?" Yunho said as he look at Jaejoong and you. Jaejoong look at you as signal for a help.

You then look to them and smiled. You tell them how you two first met like the story you tell at Boa's birthday party.

"Woah! I didn't know hyung was so brave!" Junsu commented. Jaejoong awkwardly smiled. "Yoochun hyung was right! Your first meeting was very romantic. right hyung?" Junsu asked Yunho.

"Y-Yeah!" Yunho force a smile. Now, Boa is out of place. The two person who are not happy that time was Boa and also Yunho.

"Uh, it's already lunch! Let's eat!" Changmin tried to change the topic. "Woah! Our maknae is now hungry." Yoochun teased.

Junsu laugh, "Okay we're going to eat but who will going to cook?" he asked. "You of course!" Changmin said. "It's not fair! We already use my vacation house then I'm also going to cook? No way!" Junsu mumbled.

"Um, If you don't mind.. Can I cook for the lunch?" you suddenly asked. Jaejoong look at you, "Uh yeah. She's good in cooking promise!" Jaejoong said.

Boa rolled her eyes, pissed off.

"Really?" Junsu look at you. "I don't know if I'm good but many peolpe love my food. Actually I love cooking!" you replied, smiling.

"Woah! Noona will going to cook for us!" Changmin beamed as you giggled. "Okay, the kitchen

is there!" Junsu pointed. You nodded.

"Do you want me to help you?" Yunho said. You look at him surprised, "Are you sure?" you asked him. He smiled and nodded, "I actually love cooking also." he replied.

You were about to agreed when Jaejoong spoke. "You don't need to help her because I'm going to help her." he said. "But you didn't know how to cook." you said.

"But I can still help. Since I'm your boyfriend.. I think I'm the right person to help you right?" he said. You didn't gave him a replied.

"Aish! I can see someone is jelly!" Junsu teased. Jaejoong look at him, "No I'm not!" Jaejoong protested. "Aish! Stop denying! Yunho hyung, let the two prepared a lunch for us." Junsu said.

"Uh-oh.. Okay." Yunho don't have any choice. Changmin feel the sadness of his hyung.

"So.. it's settled! Let's go!" Jaejoong grabbed your hand and led the way to the kitchen.

As you two reach the kitchen, you release your hand from his. "What was that? You volunteered to help even though you can't help! Aish!" you frowned.

"Wae? Do you want that Yunho to help you huh?" Jaejoong asked. "Yes. Because he can help me unlike you." you replied.

"I already told you to make some distance to him so that we avoid to get caught." he said.

"Aish! You're so weird today." you said. "I'm not! okay. Let's

just cook." he said. "No! You just sit and watch me cooking." you said as you start preparing the ingredients.

He shook his head, "No. I'm going to help." she mumbled as he went beside you.

"Aish! Okay, okay. All you need to do is to wash all the ingredients while I'm cutting the others." you said. He nodded and do what you just said.

After a while, Jaejoong done washing the ingredients as you still cutting some. Then Jaejoong stared at you.

You noticed him that made you stopped cutting. You look at him, "Wae?" you asked but instead giving you a response, he just starting to lean close to you.

Omo! What is he doing? Is he going to kiss me? you thought.

CHAPTER 20

Jaejoong continue to lean close to your face until only centimeter were distance between your faces.

Your eyes automatically close by the sudden action. You were waiting a soft thing to met your lips but only his hand touch your nose like he was removing something on it.

You quickly open your eyes. That's roght! He only removing something on your nose. "You're so clumsy!" Jaejoong said to you. "Look." he pulled out his pointed finger for you to see a small piece of carrot.

You just stared at him,

speechless. He waved at you, "Are you listening to me?" he asked.

You mentally slapped your head. "Yes?" you asked. "I said continue to make a food." he said.

You nodded, "Uh-oh, yeah." you replied as you continue preparing the lunch.

"Done!" you whispered as you finish the lunch. Jaejoong look all the food, "Woah!" he said in amazement.

"Come on! Help me to serve all of these." you said as he nodded and did what you just said.

You two served all the foods to the Dining area. As all the foods already served, Jaejoong called the others.

"Woah! All of these looks delicious!" Junsu beamed. "Did noona cook all of these?" Changmin look at you. You smiled and nodded, "Yes. I hope all of you will like these." you replied.

"Of course we will." Yunho smiled at you as you smiled back. Jaejoong lightly elbowed you. You then pouted at him.

"Okay, let's start to eat now." Junsu said as all of you did.

As all of you start to eat, "Omo! Am I in heaven? Your food was great!" Yoochun commented. You giggled, "Thank you." you said.

"It's just a normal food okay. I don't think she's really that great." Boa said. *Aish! She still want to ruined my day.* you thought.

"No, Yoochun hyung was right. To be honest, it's more delicious than Junsu hyung's food." Changmin beamed. Junsu gave him a look.

You waved your hand, "No. I don't think I'm really that great." you said. Junsu shook his head, "No. You're really that great. I admit you're better than me." he admitted.

You smiled at him, "Thank you." you said. Boa rolled her eyes, irritated.

You then look at Yunho. He gave you two thumbs up and smiled. You couldn't help but to smiled back.

Jaejoong gave you a look. You pouted and started to eat. Jaejoong also started.

As all of you finish the lunch, Yoochun received a phone call from his mother.

"I'm sorry guys but I need to go now. My mom called and told me that my dad was in the Hospital now." he explained.

The rest of DBSK members nodded in understanding.

"You can stay here if you want." Yoochun said to Boa. "Okay, I'll just stay." she replied.

Yoochun nodded, "Okay. Bye babe." he kiss her cheek and left.

At night, DBSK were chatting about their College life again.

"I'm going out for a while." you whispered to Jaejoong. "Wae?" he asked. "I just want to take some fresh air." you said. Finally, he nodded.

You went out and stayed at the

balcony. You rested your arms at the rail of the balcony. You sighed and look up the sky. *DBSK are good but Boa is close to them. I don't think I'm gonna close to them like that.* you thought.

Suddenly, someone said, "What a bitch doing here?!"

You turn around just to see Boa. She walks towards your direction. "What are you doing here? You're not belong here so you better leave now." she said. You raised an eyebrow, "Is that really your reason for me to leave huh?!" you asked.

She raised an eyebrow, "What?!" "The real reason is Jaejoong right?" you said.

"What if he is?" she asked. "Then sorry but I won't leave like you just did to him. He's now my boyfriend so you better accept the truth. You're no longer his girlfriend now." you said.

Suddenly you felt a hand land on your face. Boa slapped you. You were shocked by her action. "You deserved it!" she said and gave you a small laugh.

You were now pissed off that made you slapped her too. "Hyerin!!!" you heard someone shouted your name that made you jumped for the sudden shout.

You turns to see Jaejoong coldly look at you. He walks to your direction, "What did you do to her? Why did you slapped her?!" he voldly asked. You shook your head, "But—" you want to explain but Jaejoong snapped you, "I don't want to hear." he said.

Jaejoong walks to Boa, "Are you okay?" he asked her. Boa shook her head, "No. I just only want

to talk to her but she just slapped me. I didn't do anything." she pretends to cry.

"No. She's lying! She slapped me first!" you protested but Jaejoong just gave you a look, "I already saw what you have done to her. Can you please stop acting like you're the victim." he said since he know that you're good in acting.

With that the two left. But before that, Boa gave you an evil smile.

Why don't you believe me? you didn't know why but tears starting to fall from your eyes.

CHAPTER 21

You want to stop your tears on falling but you can't. *Why am I like this. Why it feels so hurt.* you thought.

Suddenly, you felt a light tap on your shoulder. You turns to your back to see Yunho. You then quickly look away to hide your tears.

"Don't hide it. You can cry in front of me. Just cry of you want." he said. You wiped your tears and turns to look at him again. You forced a smile, "I'm not crying okay. I just want to practice my acting skills." you lied.

"You don't need to hide it to me. I already saw what happened." he said. You look at him surprised, "Y-You saw?" you gasped. He nodded, "Yes, I saw all of it. Even the time that Boa slapped you." he said. "But how?" you asked.

"When Boa told us that he want to take some fresh air, I feel that she will do something bad to you that's why I followed her. I can feel that she hate you and she will do anything just to hurt you." he explained. You just lowered your head.

Jaejoong and Boa walks to the front door, panning to leave.

"Uh, hyung what happened to her?" Junsu asked. "Yes, why is she like that?" Changmin asked too.

"I'll explain to all of you tomorrow. Now, I need to take her home." Jaejoong replied. "How about your girlfriend?" Junsu asked. "Just take her home." Jaejoong replied.

"What?! She's your girlfriend so why do I need to take her home?" Junsu asked. "It's a favor so please to it for me." Jaejoong said and left with Boa.

"What's happening? Why hyung with Boa now?" Changmin was confused. Junsu shook his head, "I don't know." he replied.

Suddenly you and Yunho went to the living room and also planning to leave.

"Eh? What happen to you noona? Why your eyes were red?" Changmin worriedly asked. You look away. "I'll tell you later. I'm going to take her home now." Yunho said to Changmin.

"Are you sure? I can take her home if you want." Junsu offered. Yunho shook his head, "No. It's okay. I can take care of her." Yunho replied as Junsu nodded in understanding.

With that, you and Yunho left.

Jaejoong laid Boa to her bed as they reach her house. "Are you okay now?" he asked.

"Yes. Because you're now here." "What do you mean?" Jaejoong asked.

"Now, I can sure that you still love me." she said. "What?!" he gasped.

"Because I'm the one that you believe not her. You didn't even give her a time to explain. Now, I'm so happy that you're here. I'm just wondering now if she's really your girlfriend." Boa said.

"Of course she is. Why?" "Because you're noe on my side not her even though I slapprd her fir—" she accidentally said the truth. Jaejoong frowned, "What? What did you just said?" he asked.

"It's nothing.." Boa said. "No! I heard what you said. You slapped her face first huh?!" Jaejoong yelled. "Okay. I admit I slapped her first but she also slapped me. She deserved what she got now." Boa said.

Jaejoong shook his head in disappointment. "I should leave now." he whispered as he stood up. Boa grabbed his wrist. "No. Please stay here ." she pleaded.

Jaejoong removed her hand from his wrist then left without saying a word.

Tears starting to fall from Boa's eyes. *I won't gave up that easily.* she said on her mind.

"So where's your place?" Yunho asked as you two went inside the car. "I don't want to go home already. Just take to

some other place." you replied.

"Okay." he replied as the car drove off.

Minutes later, the car stopped at the Lotte World. You two went out from the car. You bowed, "Thank you for taking me here. You can go now." you said. He shook his head, "No. I'll stay with you. I think you need some comfort from a friend.." he replied. You look at him surprised, "What?!" you waved your hand, "No. There's no need." you said.

But he grabbed your wrist and dragged you to explore the Lotte World. You just followed him. You two stopped in front of the roller coaster. "Let's ride that." Yunho said. Your eyes widen, "What?!" you gasped.

"Let's ride roller coaster." he repeated.

You shook your head, "No. I can't" you replied. "Wae?" "I'm scared in high." you replied.

"Don't worry, I'm here. Just hold my hand if you're feeling scared." he said as he pulled out his hand. You're still on a doubt if you're going to take his hand or not.

"Don't be scared. It will be fun promise!" he said. You look up to see Yunho smiled brightly to you. You then nodded and took his hand.

When you two is in front of the seat, you swallowed hard before you sit there. As the roller coaster start to move, you quickly took his hand. You hold it tightly. Yunho look at you and smiled, "Don't worry, you won't be scared later if you continue holding my hand." he said. You force a smile and nodded.

At the middle of the ride, you

screamed so loud. Yunho giggled at your reaction. You hold his hand more tight than before, he then also hold your hand for you to calm. You look at him and smiled.

After a while, you now enjoyed the ride. You even giggling when the roller coaster is going down. *He's right! I'm not scared now.* you brightly smiled at him as he smiled back.

As the ride was over, "That was fun!" you whispered. He smiled at you, "I told you." he said as you giggled.

"You want to ride one more time?" he asked. You eagerly nodded. "Yeah!" you beamed.

You two then ride a roller coaster again. You more enjoyed it than before. You were screaming not because you're scared just because you were happy.

As it was done, you two started to walk. "Did you enjoyed the ride?" he asked. You smiled brightly again to him, "I super duper enjoyed." you replied.

"Yeah. Just continue smiling. You looks better now." he commented. You nodded, "Thanks to you. If it is not because of you, I don't think I will be happy like this." you said. "Thank you for the amazing ride." you added.

He smiled, "No problem." You smiled back.

"Uh, ice cream!" you whispered as you saw an Ice Cream Shop. "Let's go buy." Yunho said. You smiled and nodded.

"Two ice cream please." Yunho said to the counter. "Okay sir. Here.. Two ice cream." the lady said.

Yunho took and paid it. He handed you one ice cream and you took it.

You two start to walk around while eating your ice cream. "Delicious?" he asked. You look at him and nodded.

As you two already finished the ice cream, you two went to the car to leave. "Thanks for comforting me. Thanks for making me happy now." you whispered.

He look at you and smiled. "I'm glad that you're happy now." he said as the car drove off.

Jaejoong were waiting for you in front of your apartment. He already rang your door bell so many times but there was no response. *Did she already home?* he thought.

Aish! Where is she? Did Junsu take her home? he search for his phone on his pocket, planning to make a phone call to Junsu but he left it at Junsu's vacation house.

Suddenly, a car stopped in front of the apartment. You and Yunho went out. He walks you in front of your house. You happily chatting with him when you noticed a familiar figure standing at your front door.

"Jaejoong?!" you gasped. Jaejoong gave Yunho a look.

"What are you doing here?" you asked.

Jaejoong look at you, "Can we talk?" he asked. You look at Yunho, "You can go now." "Are you sure?" Yunho asked.

You smiled at him, "Don't worry. I'll be fine." you said. He then

nodded and went to his car.

As the car already drove off, you look at Jaejoong. "If you want me to explain then sorry but I don't you will believe me since you only believe Boa." you said as you walk to the door.

Jaejoong grabbed your wrist, "No. I already know the truth." he whispered. You look at him surprised. "Can we talk?" he asked. You want to talk with him but you remembered the hurt that you felt earlier just because of him.

You removed his hand from your wrist, "I'm sorry but I'm already tired and I don't want to talk about it now. With that, you went in and shut the door.

Jaejoong sighed, *Aish! Why I didn't gave her an opportunity to explain her side on the first place?* he then left.

CHAPTER 22

Morning came, your phone suddenly rang. You stretch your arms and yawned as you reach your phone from your side table.

When you take a look at your phone, you only see is 'unknown caller ID'. *Eh? Who could it be?* you thought but you still answer it for you to sure.

"Yeoboseo?" you answered. "Good morning Hyerin-ah!" the other line said.

"Eh? Who is it?" you asked, irritated. "It's me Yunho." he replied.

You were shocked on his reply. *How did he know my

number?... Uh, yeah. I remembered he asked my number last night.* you thought.

"Yeoboseo Hyerin-ah? Are you still there?" you heard the other line said. You snapped out all your thoughts and answered him, "Uh-oh.. yes I'm still here Yunho-ssi."

"Can you please remove the fomal thing. You can just call me Yunho." you heard him said. "O-okay.." you replied.

"Um, why did you called by the way?" you suddenly asked. "Uh right! I called you because I want to hang out with you." he replied. "Hang out with me?!" you gasped.

"Yes. Just considered it as a pay for comforting you last night." he said. You can't say 'no' to his offer so you just agreed to it.

"So.. See you in an hour." he said. "Uh-oh, yeah." you replied.

With that, the phone call ended. You prepared yourself for the time that Yunho fetch you.

After an hour, your door bell rang. You look up, *I think he's already here."

You walks to the door and open it. You expecting to see Yunho but you're wrong. Instead of Yunho, you only see Jaejoong standing in front of you.

"Where are you going?" he asked when he saw your outfit. "None of your business! And what are you doing here?" you coldly asked.

"I just want to talk to you about last night." he said. You were about to answer him when a familiar voice call your name, "Hyerin-ah!"

Both you and Jaejoong look up to see Yunho walking towards you. "Uh, Yunho.." you whispered. "Are you ready?" he asked. you nodded.

You then look at Jaejoong, "I'm sorry but I need to go now." you started to walk but Jaejoong grabbed your wrist. You turns to look at him. "We need to talk." he said as he looks to Yunho. "Uh-oh, it's okay to me. We can still go after you talk to him." Yunho said.

"No. I don't want you to wait. i don't have any appointment to him so he better amke one first." you said. "I'm sorry but I can't talk to you now. Maybe next time." you said to Jaejoong and started to walk again as Yunho followed.

"I'll wait for you here." he shouted. You stopped on it, "I will be home late so you better go now." you said not looing at him. "I'll still wait for you even if until tomorrow." he said. "Then, goodluck to you." you said then finally left with Yunho.

"Are you sure with your decision?" Yunho asked as you two went inside the car. You nodded, "Of course" you replied.

"Okay. So we're going now." he said. "Yeah." you whispered.

Then the car drove off.

The car stopped at Mall. You two went out and went inside the Mall.

"Let's watch a movie." Yunho suggested. You nodded, "Okay. I want a horror movie." you said.

Yunho look at you, "Are you sure?" he asked. You look at

You nodded again, "Of course not!" you protested. "Okay then." he said as he got a two ticket for a horror movie.

You two went inside the theater and search for the seat. As you two found a place, you two go there and sit.

After a minute, the movie finally started. At first, the scenes are not scary but at the middle of the movie, it became scary.

Yunho felt a hand on his arm. He followed the hand only to see you, closed eyes. He giggled, "You're not scared huh?" he teased.

You open your eyes and release his arm. "I'm not scared okay." you protested.

But then a loud sound came. You screamed and quickly grabbed his arm again and also buried your face on his chest.

Yunho laugh again. "Is that what you called 'not scared'?" he teased. "Shut up! Just let me stay like this." you said, still burying your face on his chest.

"Okay.. As you said." he replied. Then a loud sound came again, you screamed once again. Yunho just smiled at you.

After an half hour, the movie finally ended. "You can release me now. The movie already ended." he whispered. You look up and released him. You take a look at the screen, it's true.. the movie already ended.

As you two went out from the theater, you heard Yunho still laughing at you. "Yah! Stop laughing at me!" you pouted.

"O-okay. okay. I'll stop now." he said as he stopped laughing. "Let's go eat next." you said. "Okay!" he replied as you two went to the restaurant.

You two eat there. As usual, you finish it in just 10 minutes. Yunho look shocked on you. "So fast.." he managed to said. You just smiled at him, embarrassed. *Aish! I'm so naughty in front of him.* you thought.

But he suddenly said, "You're so cute!" Your heart fluttered as you gave him a sweet smile.

After eating, you two still not went home. You two explore the mall until the time when it closed. You were happy with Yunho. He makes your day brightly.

"Woah! That was fun! Exploring the Mall the whole day!" you beamed. He smiled, "Yeah!" he agreed.

It's already late at night so he offered to take you home, "I'll take you home now." he said. You nodded, "Okay."

You two went to his car the the car suddenly drove off.

As the car reach your apartment, you went out. You bowed to him, "Thanks again for making me happy today." you said. "No problem. So I'll go ahead now." he replied. "Okay. Drive safely." you said as he smiled, "I will."

With that, the car drove off.

You walks to your apartment but you found Jaejoong sleeping in front of you door. You walks to him stooped down. You just stared at him for a while, then you reach his bangs and gently rubbed it to the side. You continued rubbing it when Jaejoong hand suddenly hold

your wrist that made you stopped. His eyes still closed. You look at him surprised. *Is he awake?*

CHAPTER 23

"Am I too handsome for you to stared at me like that?" Jaejoong then open his eyes.

You released your wrist from his hand and stood up. "I'm not staring at you." you lied. He stood up, "So can we talk now?" he asked.

You look at him, "Okay, what do you want to say?" you asked. "Can we talk inside?" he asked back.

"No. You can say it to me now." you said. "Okay then. Um.. about last night, I'm sorry. I didn't know the truth that's why I'm like that." he said.

"That's all? Okay then." you started to squeeze your door knob. "Wait!" he snapped. You look at him again, "What?" you asked, irritated.

"So.. you forgive me now?" he asked, waiting for your answer but you shook your head, "No."

His face fell, "Wae? I already apologize to you." "Yes, you do but do you how I feel that time? You are like saying that I'm a liar! And not only because of that because you said it in front of Boa." you replied.

"But I didn't know the truth that time." he explained. "Because you didn't want to hear the truth! You just always see Boa as a good person!" you said.

"Okay. I admit I'm wrong. But

I'm already sorry to you. Can you please forgive me." he said. "I'm going to forgive in one condition." you replied.

"What is it?" he asked. "Just treat me a dukbokki now." you replied.

His eyes widen, "What?!" he gasped. "Yes. You heard me, treat me a dukbokki now." you repeated.

"But it's already late. There's no Food Stand still open at this time." he said. "Then I won't forgive you." you then open your door and went in. You were about to close it when Jaejoong suddenly stopped it. "Okay. I'll do it."

You smiled, "Good! Let's go!" you walk pass by him as he followed.

"I told you, it's already closed." Jaejoong said as you two reach the Food Stand. "Then do something." you ordered. "What?!" he gasped.

"If you cannot treat me a dukbokki tonight, I won't forgive you and tell to everyone that I'm not really your girlfriend." you said. He sighed, "Okay. Okay."

He stated to knock the Food Stand. At first, there was no response. He tried to knock again but no response again. He tried many times but end up with nothing happen. He then tried it with a shout, "Hello? Is there anyone there?" he said but still no response. He tried again, "Ahjumma, hello? Can you please went out?" he said and finally an ahjumma went out.

"Eh? What's going on?" she then look to you, "Uh, Hyerin. What

are you and your boyfriend doing here?" she asked again. "Ahjumma, I already told you that I'm not—" "My girlfriend is hungry and she want to eat dukbokki. Ahjumma, can you cook for her?" Jaejoong snapped you when you were about to say that you're not his girlfriend.

You look at him surprised. "Okay. Since your boyfriend will do everything just for you. I'll do it. Come on in and have a sit." the ahjumma said as he went in.

Jaejoong look at you and smirked then followed ahjumma. You rolled your eyes, *Aish! He's very wise. I didn't expect that he will convince ahjumma.* you thought as you also followed.

You and Jaejoong sat there as you two wait for ahjumma's come back.

Suddenly, the ahjumma went out and serve a plate of dukbokki, "Here.." she said and went back to the kitchen.

You then start to eat. "So.. I'm forgiven now?" Jaejoong suddenly asked. You stopped and look at him, "No." you replied. "What?!" he gasped.

"Only if you eat this." you replied. "No way!" he beamed. "Okay. It's your choice. I still didn't forgive you but thanks for the treat." you said as you continue eating.

But a while later, Jaejoong swallowed hard then suddenly grabbed a stick and start to eat dukbokki. You look at him surprised, speechless. "Happy?" he said. "You snapped your gazed and shook your head, "No. You need to eat more."

"Okay then." he get another one and pulled it to his mouth. You

look at him again, shocked. He smiled at you, "It's not hard since it's delicious." he admitted.

You didn't say a word since you didn't know what to say. He just continue eating and he almost eat all when you finally spoke, "Yah! Don't eat all that! I want to eat too." He pouted.

You bowed, "Thanks ahjumma." you said as you two finished the dukbokki. She shook her head, "No need to thank me. Just thank your boyfriend."

You look at Jaejoong who widely smiling at you. You rolled your eyes on him. Jaejoong pouted. "Ahjumma, my girlfriend still mad at me. I already did all just her to forgive me. Can you please help me ahjumma." Jaejoong said.

The ahjumma smiled and look at you, "Hyerin-ah, didn't you need to proud that your boyfriend will going to do everything just you to be happy? Why don't you forgive him?" the ahjumma said.

Jaejoong was waiting for your answer. You awkwardly smiled at the ahjumma then look to Jaejoong, "Okay. I'll forgive you." you gave up since you don't have any at your side.

Jaejoong smiled and hug you, "Thanks." You were surprised by his action. He then quickly release you. He look at the ahjumma and bowed, "Thanks ahjumma for everything." he said.

The ahjumma smiled, "No problem."

"Bye ahjumma! Thanks for the dukbokki." Jaejoong waved and started to walk as you just

bowed and followed him.

"What did you do that?" you shouted. "I'm wiser than you think!" he said.

You pouted.

"Okay go in now." Jaejoong said as you two reach your apartment. You nodded, "Araseo." you turns and about to went in when Jaejoong spoke again, "Wait!" You turns to look at him again, "Eh?" "So.. I'm forgiven now?" he asked.

"No." you teased. He frowned, "What? Yah! You already said that I'm already forgiven! You better do it!" he said.

You laugh a little, "Okay. You're now forgiven. Happy?" you said. He then smiled, "Okay, you already said that."

"Psh! Araseo. Can I go now?" you asked. He nodded.

You then went in and closed the door. A smiled went to his face again before he could finally left.

CHAPTER 24

Week had passed, Jaejoong received a phone call from Junsu.

"Yeoboseo?" Jaejoong answered. "Why did you called?" he asked. "Christmas is coming. I have a plan for it." Junsu replied.

"What is it?" Jaejoong asked. "I want DBSK spend the Chistmas eve and Christmas day together at my vacation house." Junsu

said.

"Okay. No problem with me since we didn't spent our Christmas with you last year." Jaejoong replied. "Okay then. I'll see you the day before Christmas eve with your girlfriend araseo?" Junsu said.

"My girlfriend? I thought only DBSK?" Jaejoong said. "What?! Are you kidding? That will be your first Christmas with your girlfriend then you didn't want her to join us?" Junsu was confused.

"Uh-oh.. it's not that." Jaejoong protested. "Then what?" Junsu asked. "Nothing. I'll go bring her." Jaejoong replied.

"It settled then. Bye." with that, the phone call ended. Jaejoong sighed, *Even my Christmas will going to be challenging I guess.* he guessed.

You were watching TV when a sudden knock came from your front door. You look up, *Aish! Who will be my visitor today?* you wondered.

You walks to your door. You open it just to see Jaejoong in front of you. He walk passed by you. You raised an eyebrow, "Yah! What are you doing here?!" you yelled as you closed the door and followed him.

He ignored your question, "Do you have a food?" he asked. You then blocked his way. He raised an eyebrow at you. "How can I have a food if you're not still giving my salary?!" you said.

"Uh yeah! I forgot." he whispered. You pulled out your hand to him, "Give it now then." you said.

"Later." he said as he sat on the couch. You runs to him, "Why later and not now?" you asked.

"Just make some food for me first." he said. "I don't have enough money and I'm not in a mood to make a food now." you replied as you sat beside him.

He stared at you for a while. "Wae?" you asked. "Let's just eat dukbokki then." he replied.

"You want to eat dukbokki?!" you gasped. He nodded, "Yeah. Come on!" he stood up and walks to the door.

You were confused but you were also hungry so you followed him.

"Ahjumma, two plates of dukbokki please.." Jaejoong said to ahjumma as you two reach the Food Stand.

"Okay, handsome man. Please wait on your table." she replied and left.

You and Jaejoong search a place and sat there. You look at him confused. He look back at you, "Wae?" he asked.

You crossed your arms, "Are you sick? Dukbokki is like a dirty food to you right?" you asked. He shook his head, "At first, yes but not now." he replied.

Suddenly, the ahjumma served two plates of dukbokki. "Please enjoy your food." the ahjumma said and smiled. Jaejoong bowed, "Gomawo ahjumma.." he said. You also bowed.

With that, the ahjumma left.

Jaejoong quickly grabbed his plate and started to eat his dukbokki. He was like a child

who didn't eat in a year. You were shocked by his action and your mouth formed an 'O' shape.

He stopped when he noticed you, "Don't you want to eat yours?" he asked just like he wanted to grab yours. You quickly shook your head, "Ani.. I'll eat it all." you then started to eat yours.

As you were eating, you saw a hand holding a stick on your plate and was about to get some dukbokki on it. You followed the hand to see Jaejoong. You then quickly snapped it, "Yah! Don't try to steal my dukbokki!" you said.

He pouted, "Aish! I just want to get only one." he said. "Sorry but I don't want to share my dukbokki to you even one." you stuck your tongue out on him as you continued to eat. He pouted again.

You pulled out your hand on him, "My salary?" you asked as you two finished your food.

"Aish!" he whispered but he still pulled out his wallet and gave you your salary.

"Thanks!" you beamed and smiled at him.

You two left the Food Stand and went back to your apartment.

"Uh, by the way, we're going to Junsu's Vacation house again the day before Christmas eve so get ready and I'm going to fetch you on that day." Jaejoong said as you two reached your apartment. "Is Boa gonna be there also?" you asked.

"Maybe. Yoochun gonna be

there so I think she's too." he replied. "Aish! I don't want to go there then. I don't want her to ruin my Christmas." you said.

"No. You need to go. It's part of your job. If they see that you're not with me, they will be suspected about our relationship especially Boa. You still need to make her jealous remembered?" he said.

You sighed, "Okay, okay. If it is not my job, I'll definitely not go there." you replied. "But you don't have any other choice. Only if you have a permanent job beside your job on me." he smirked.

You pouted, "I already agreed so stop saying about a permanent job." you said, annoyed.

"Okay. So.. I'll go ahead now. Just wait for my text araseo?" he reminded. You nodded, "Araseo Boss.." you said.

With that, he left as you went inside your apartment.

CHAPTER 25

It's the day when you and Jaejoong go on the Christmas vacation. You already packed your stuffs and now waiting for Jaejoong to fetch you.

Minutes later, your door bell rang. *It's him!* you walk to the front door and open it. You were right! Jaejoong was there in front of the door. "Are you ready?" he asked.

You nodded, "Yes." you replied. "Where's your stuffs then?" he asked, wanting to make sure. You

noded inside your apartment, "Inside." you whispered.

"Go and get it so we can leave now." he ordered as you did what he said.

You two then went to his car. With that, the car drove off.

"Hyung!" Changmin called as he and Yunho arrived at Junsu's vacation house. Junsu looked up, "Uh! I thought no one would be going here." he said.

"It's our Christmas together again so we don't want to miss this vacation." Yunho said. "Yeah. But do you think the others will come?" Junsu suddenly asked.

"Of course we are!" a familiar voice snapped. They looked up to see Yoochun with Boa. "Uh, hyung! You really did come." Junsu brightened.

"I don't want to miss this vacation also." Yoochun said and smiled. "I'm so touched hyung." Junsu said as he hugged him.

Yoochun lightly pushed him, "Aish! You act like a kid!" he said. Junsu pouted.

Changmin and Yunho burst into laughter as Boa laughed along.

Suddenly, you and Jaejoong arrived. "Hey!" Jaejoong called. The others turned to him.

"Woah! Hyung also came!" Junsu beamed. "Of course I will." he replied.

Yunho smiled at you as you smiled back. "Long time no see!" he said to you. "Uh yeah." you replied.

Jaejoong suddenly grabbed your

shoulder, "I'll bring my girlfriend along too." he said.

"Hyerin right?" Junsu asked you. You nodded and bowed, "Yes." you answered.

"Woah! I still remembered!" he beamed as you giggled. "Hyung, where are the rooms that we're going to stay?" Changmin suddenly asked.

"Uh, yeah! About that. I'm sorry but I only have two rooms so the boys will be in a one room and the girls to the other one." Junsu explained. "What?!" Boa gasped. "I'm going to share a room with her?!" she gave you a look.

You frowned, *As if I also want to share with you.* you thought.

"But we don't have any other choice." Junsu said. "Just take it please." Yoochun whispered to Boa. She sighed, "Araseo."

"Then, it settled! You all go and put your stuffs in your respective room." Junsu said. You look at Jaejoong first. He nodded you to go on your room. You sighed and nodded.

You were about to go to your room when he suddenly grabbed your wrist. You stopped and look back at him. "Don't make any trouble araseo?" he said as you nodded and completely left.

The boys went to their room and place their stuffs there. "Uh, guys! This room has only one bed so only 3 can sleep here." Junsu explained.

"Then, I'll go sleep on the floor." Yunho and Jaejoong said at tge same time. They look at each other as they are a rival on

something.

"Uh-oh.. No Jaejoong hyung. I can sleep on the floor with Yunho hyung." Changmin tried to stopped the bad atmosphere between his two hyung. "No. I'm going to sleep on the floor." Jaejoong replied.

"Yah! Can you stopped that! Okay! Yunho hyung and Jaejoong hyung will going to sleep on the floor as me, Changmin and Yoochun hyung here on the bed." Junsu settled.

Changmin sighed and just lowered his head, *It's so hard.* he thought.

With that, the boys went back to the living room.

You on the other hand, went to your room that you're going to share with Boa. You really didn't like the idea but you don't have choice but to accept it.

"What?! Only one bed?!" Boa gasped. "It's big so we can sleep there together." you said. *Even if I don't want to sleep next to you.* you thought.

Boa gave you a look for a while then an evil smile went to her face. You didn't like that kind of smile from her. She looks like a devil who always want to do bad things to you. "What?!" you then asked.

"I don't want to sleep next to you that you also didn't like right? So you go sleep on the floor." she suggested. Your eyes widen, "What?!" you gasped.

"You heard me. You go sleep on the floor." she repeated.

You sighed, *Aish! God, why are you torturing me like this? Did I do something wrong on my oast

life?* you thought. You don't have any choice but agreed to her.

"That's better!" she smirked as he walks to leave. You also followed. She suddenly stopped and look back at you, "You better not to say about this to the boys or you'll just make a trouble." she said then left.

'Don't make any trouble araseo?' Jaejoong's words crossed on your mind. You sighed again, *Yeah, no trouble. I'm going to shut my mouth I guess.* you thought as you went back to the living room.

CHAPTER 26

The boys are already at the living room when you and Boa arrived there. Boa sat next to Yoochun even though she want to sit next to Jaejoong but she can't do that. You on the other hand, sat next to Jaejoong.

"How's your room girls?" Junsu asked. "It's perfectly okay. Right, Hyerin?" Boa look at you. The others look at you also, waiting for your answer.

"Uh-oh, yeah.." you nodded and forced a smile. "That's good then!" Junsu beamed.

Yunho look at you, concerned but you didn't noticed it. He can feel that there's something going on.

"Let's eat now. I already prepared the dinner." Junsu said as he stood up and went to the dining area.

Boa and Yoochun followed him. As you and Jaejoong was about to follow also when Yunho

suddenly asked you, "Are you really okay?" You look at him surprised. You nodded, "Yes, of course!" you replied. "Are you sure?" he wants to make sure. "She already said she's okay so stopped asking." Jaejoong was annoyed.

"Come on!" Jaejoong said to you as he dragged you to go to dining area.

"Uh-oh.." you look at Yunho once again before you completely left.

Yunho sighed. Changmin patted his shoulder, "Let's go also hyung." he whispered. Yunho nodded. Then the two went to the dining area.

All of you eat with no more talking. Maybe because some are already tired.

As all of you finish the dinner, the boys went to their room as you and Boa goes to yours.

The boys laid on their respective place. Junsu, Changmin and Yoochun on the bed as Jaejoong and Yunho on the floor.

The 3 on the bed were the first who fell a sleep. Jaejoong on the other hand, can't sleep but a while later, he completely fall a sleep.

Now, Yunho was the last person who was still awake. He's still thinking about you. To make a sure, he sat up and planning to check you on your room.

He look around first, to make sure no one can see him. When he finally sure, he went out and went to your room.

Boa gave you a look before she

completely laid on the bed. You sighed and also laid on blanket on the floor. Sleeping on the floor is not a problem since you're used to it when you were a child but the problem is you can't take to sleep with Boa.

Just a minute later, you can feel that Boa already asleep. You on the other hand, can't sleep not because of your place but you didn't know why.

Suddenly, you heard the door slowly opened. You sat up to see Yunho. Your eyes widen. You quickly put your pointed finger on your lips to gave him a signal to be quiet. You then grabbed your jacket from the side and walks to him. You dragged him out and closed the door.

Yunho look at you, concerned. "Why are you sleeping on the floor? The bed is big for the two of you to share." he said. "Not here. Let's talk at the balcony." you said as you wear your jacket and walks there. Yunho followed you.

"Tell me, Is Boa said to you to sleep there?" he suddenly asked as you two reach the balcony. You waved your hand, "No. I really want to sleep on the floor." you lied.

He raised an eyebrow at you, "I know you're just lying!" he said. You sighed and bowed your head. "I'm correct right?" he asked.

You look at him and quickly grabbed both of his hand, "Please don't tell to anyone especially Jaejoong." you pleaded. He was shocked with your action that he couldn't say any word.

Until you heard someone spoke, "What are you two doing here?" a voice asked. You and Yunho

look up to see Jaejoong walking towards your direction. He eyed your hands that holding Yunho's hands. You followed his gazed and quickly release Yunho's hands.

"I'm asking, what are you two doing here?" Jaejoong reeated his question. "Nothing." you replied. "Nothing?" he raised an eyebrow.

"Yes. You, what are you doing here?" you asked him back. "I just want to get a drink when I saw you two holding hands here." he said. "Aish! It's nothing okay." you said. "Okay. Come on! Let's go back to sleep." he said as he started to walk.

You walks to Yunho first, "Please keep it a secret for me." you whispered to him.

"Hyerin-ah, Come on!" Jaejoong called. You look up, "Uh, yeah!" you replied. You look again at Yunho, "Please?" you pleaded again. He pulled out a long sighed and finally nodded. "Thanks!" you bowed, "Goodnight!" you said and followed Jaejoong.

"What are you two talking about?" Jaejoong asked as you two walking to your room. "I already said, it's nothing." you replied. "Yah! Are you trying to flirt with him?" he asked. You rolled your eyes at him, "Psh! You go now so I can go to sleep now." you said as you two reach the front door of your room. "But—" he want to say something but you already shut the door and locked it.

He sighed and went back to his room. He found Yunho already lying there. He just ignored him and went back to sleep.

CHAPTER 27

Morning came, you woke up early. You look around to see Boa still sleeping. You silently leave the room, not wanting to wake Boa up.

When you reach the kitchen, you saw Yunho preparing a food. "Good morning!" he greeted with a sweet smile. You bowed and greeted him back, "Good morning! What are you doing?" you asked.

"Making a breakfast for us." he replied. "I'll go help you" you offered.

He shook his head, "No. I can take it by myself." he replied. You walk to him, "I know you can do it by yourself but I want to help. Just take it as a 'thank you' for keeping my secret." you said as you started to help him preparing.

He stared at you for a while, not saying a word. You stopped when you noticed him, "Stop just staring at me. I said I want to help you not I want to do it by myself." you said, not looking him.

A smile went up from his face and started to help you. You're the one who was cutting food as Yunho on the other hand was the one who was cooking.

Suddenly, you accidentally cut your pointed finger, "Ouch!" you gasped. Yunho look at you and quickly run to you when he saw your pointed finger is bleeding. "What happen?" he asked, worried. "It's nothing. I just accidentally cut my finger." you replied.

"Nothing? It's still bleeding. Come here!" he quickly grabbed your finger and licked the blood. You were very shocked by his action. "W-What are y-you doing?" you gasped.

"Just wait here. I'll go get a band aid." he said as he released your finger from his mouth and left to get a band aid. You stared at your finger, "What was happened? Did he just licked my blood?" you couldn't think why he did that.

Suddenly, Yunho went back to you with a band aid. "Your hand.." he nodded on your hand. You snapped out all your thoughts and look at him, "Eh?" you asked.

Instead of giving you a response, he just grabbed your hand and put the band aid on your pointed finger. "This will going to be better soon." he said.

You just nodded, "Gomawo.." you whispered. You were about to continue cutting the food when he stopped you, "No. You don't need to continue that. I'll go do it." he said as he grabbed the knife from your hand and continued what you were doing earlier.

"I'll go cook then." you said. "No. I'm the one will do that." he said.

You look at him, "But.. What I'm going to do now?" you asked. "Nothing. Just sat there and watch me." he nodded at the chair.

"But—" "No buts." he snapped. You then gave up and do what he said.

After 30 minutes, the food is done. "Can you taste it for me?" he asked. "Of course!" you then taste it. "Woah! You made a

delicious food!" you beamed.

"Really?" he asked. You smiled and nodded, "Let's serve this." you said.

He nodded.

You two were preparing the dining area when the others suddenly woke up and came. "Woah! The breakfast is ready? Who cook all of that?" Yoochun asked.

"I and Hyerin cook all of this." Yunho replied as the others look at you.

"Woah! Hyung and noona prepared a breakfast for us!" Changmin beamed.

You waved your hand, "No! I didn't help. Yunho was only one who cook this." you explained.

"Wait! What happened to your finger?" Jaejoong worriedly asked when he noticed the band aid on your pointed finger. You look at your finger, "Uh, it's nothing." you shook your head.

Jaejoong walks towards you and grabbed your hand, "Nothing huh? Did you cut your finger while you're preparing a breakfast?" he asked you. He then look at Yunho, "Why did you let her to prepared a breakfast?" he asked coldly.

You grabbed his arm, "It's not his fault. It's mine, he already told me not to help him but I forced him to help. And about this.." you pulled out your finger, "..I was very clumsy that's why I cut my finger and Yunho was the one who put this band aid so no need to be mad at him. It's all my fault." you defended him.

"Can we just eat now?" Boa snapped. "Yeah! Let's just eat." Yoochun agreed.

Then all of you sat and starting to eat with an awkward atmosphere. No talking but just eating. You take a look at Jaejoong. You want to apologize to him but he looks very mad.

You just then started to eat your food. Jaejoong take a glance at you, *I'm sorry but I'm just worried about you..*

CHAPTER 28

At night, you and Jaejoong still nit talking to each other. You were just waiting for a chance to have a talk to him but he keeps talking to Junsu like he was take a distance from you.

Suddenly, you felt a light tapped on your shoulder. You look up to see Yunho, "Uh, Yunho-ah.." you said. He sat next to you, "Do you want me to help you to talk to him?" he asked.

You shook your head, "I don't think he wants to talk to me." you sighed. "Aish! Just trust me." Yunho then stood up to make a move.

You just watch him on what is he going to do. You saw Yunho talking to Junsu and tey went on their toom like they have something to get there. The next thing you saw, Jaejoong went to the balcony. You then have a chance to talk to him now. You quickly followed him.

Jaejoong was resting his arms at the railing of the balcony. You walks to him and went next to him, "Can we talk?" you asked.

He look at you, "Go ahead." he replied. "About earlier... are you still mad at me?" you asked.

"Yes, I am." he replied.

You pouted. "I'm sorry.. If I didn't forced myself to help Yunho, I didn't have this." you raised your finger.

He remained silent. "You're not mad now, are you?" you asked. "I'm still mad." he replied as he look at you. "Yah! I already say sorry, why are you still mad?" you pouted.

He smiled when he saw you pouted. "That smile.. Means you're not mad anymore?" you asked as you smiled.

He became seroius again and cleared his throat, "No. I'm still mad." "Aish! You're lying!" you said as you tickled his waist. He then burst into laughter.

"Yah! S-Stopped i-it!" he managed to say between his laugh. You didn't stopped, "Say that you're not mad anymore first." you ordered. "O-okay, o-okay." he gave up. You then stopped. "Good!" you said. He pouted. You just laugh.

Boa was watching you two from afar. Her heart was like a food that cut into pieces. She can't continue watching the scene anymore so went back to the living room.

"Did you see Jaejoong and Hyerin?" Junsu asked as Boa passed by. She just nodded on the Balcony. Junsu nodded in understanding and went to the balcony.

"Hey!" Jusu called the two of you as he reach the balcony. You and Jaejoong look up, "Uh, Junsu!" Jaejoong said.

"It's Christmas eve today. Any minute, Christmas will come. Let's have a count down." Junsu

said.

"Uh yeah." Jaejoong said to Junsu as Junsu went back. Jaejoong look at you, "Come on!" he said as you nodded and went back.

"5.. 4.. 3.. 2.. 1! Merry Christmas!!" All of you beamed.

"Here hyung!" Changmin handed Yunho a gift. "Uh, thanks!" Yunho took it. "Where's mine?" Junsu asked. "Aish! Of course you also have. Here hyung.." he handed him also as Junsu took it.

Boa and Yoochun gave each other a gifts. Junsu also gave Changmin a gift.

Only you and Jaejoong are not giving a gift. Junsu's attention turned to the two of you. "Uh, hyung! Where's your gift to Hyerin? and Hyerin, where's your gift to hyung?" he suddenly asked.

Both you and Jaejoong look to each other then Jaejoong look back to Junsu, "We didn't have." he said. "What?! It's your first Christmas together, why you two didn't have any gift to each other?" Yoochun asked. "..Or you two want to give a kiss as a gift to each other?" Yoochun added.

"Yeah! Give each other a kiss!" Junsu agreed. Yunho lowered his head as Boa look away. Changmin felt sorry for his Yunho hyung.

You and Jaejoong look at each other. Junsu and Yoochun continued chanting, "Kiss! Kiss! Kiss! Kiss!"

CHAPTER 29

You look at them quickly waved your hand, "No—" you want to stopped them but Jaejoong suddenly spoke. "Okay." he said.

You were stunned on his word. You look at him surprised. He then touch your face that made your heart beats so fast. He started to lean in to you until your both lips met.

Junsu and Yoochun were cheering to the two of you. Boa didn't know where to look, she want to walk out but she has a pride. Yunho just look away as Changmin feel his sadness.

Your eyes still opened but Jaejoong's eyes was slowly closed. Your heart is going crazy now. It's your first kiss and Jaejoong stole it.

Suddenly, your eyes starting to close as you two kissing each other like a real couple. You didn't know why but you like the feeling that you felt right now as well as Jaejoong.

Until, Junsu said, "Uh, it's not the end of the world yet so you two can separate now." "Seems like they enjoyed the kiss as they didn't even noticed us." Yoochun added.

With that, you back to your sense and suddenly broke the kiss. Jaejoong then noticed what was happened. You look away as Jaejoong also.

"Woah! Looks like hyung love his Christmas gift." Junsu beamed. "You're lucky to have a special Christmas gift hyung." he added. No response. The atmosphere became awkward silence.

"Yah! Why is so silent? Come on, let's eat." Yoochun break the silence. "Okay! Let's eat!" Junsu agreed.

All of you nodded and went to the dining area to eat all the prepared food for Christmas.

All the boys were asleep except for Jaejoong. He can't sleep when the flasback of the kiss crossed on his mind.

You on the other hand, already laid on your place as Boa gave you a look before she could finally sleep. You're trying to sleep but you can't. The flasback of the kiss also played on your mind.

You then suddenly sat up, grabbed your jacket and silently went out. You put your jacket on and went to the balcony. Since you couldn't sleep, you stayed there for a while.

Suddenly, a familiar voice said, "What are you doing here?" You look around to see Jaejoong standing at the balcony's door. Your heart were going crazy again. "Uh, nothing. I'll go to sleep now." you said as you start to went out but he suddenly grabbed your wrist that made you stopped.

CHAPTER 30

Your heart beats so fast again. You then slowly look at him, "Wae?" you asked.

"About.. Er.. The kiss earlier—" he want to say something but you made him cut off.

You shook your head, "No. It's nothing. It's just an act right? So its okay." you said.

"Uh yeah.. an act." he whispered, a bit disappointed.

"So.. Can I go now?" you said. "Are you trying to have a distance with me?" he suddenly asked, still holding your wrist.

You shook your head, "No. I just need to sleep now since we're going to go on ice skating tomorrow right? You too, you need sleep now also." you said.

He nodded, "Uh-oh, yeah!" he said as he finally released your wrist. "Goodnight." you said and left.

He just watch you leaving and pulled out a long sighed. *Yeah! She's right! We're just acting.* he thought and also went back to sleep.

You shook your head, "No, I'm not! I didn't know how to do it." you admitted. "Just hold my hand then." he pulled out his hand.

You look at him, still scared but still took his hand. "Don't worry, this will be fun. Come on, let's followed them." he tried to calm you.

You nodded as you trusted him.

As you two start to moved, you were started to hold tight on his hand. He look at you and smiled.

Suddenly, you two reach the end. "Woah! That was awesome!" you whispered under your breath. "I told you." Jaejoong said as you two burst into laughter.

Boa felt jealous when she saw the scene as well as Yunho.

"Woah! What a cute couple!" the other people whispered. You just bowed and smiled awkwardly. Jaejoong smiled at you. "Want to try again?" Jaejoong asked. You smiled and nodded.

With that, you two started to skate again as the others followed you two.

"Okay. Here the bottle." Junsu place the bottle at the center. "I'll go spin it." Changmin said as he started to spin the bottle.

The first spin stopped at Changmin also. "What? Wae?" he just said. All of you laugh. "Sorry but it stopped on you." Yoochun said.

"No. It's not already ready. I'll spin it again." "No. Rule is rule." Junsu snapped. Changmin pouted.

"Our maknae is so cute. So.. Truth or dare?" Yoochun asked. "I choose dare." Changmin replied.

"Okay! Show a girly dance!" Yoochun said. "What?!" Changmin gasped. "It's a dare so just do it!" Junsu ordered.

Changmin didn't have any other choice but to do what his hyung said. He started to dance like a girl. All of you burst into laughter because the dance is really fit to him.

"Okay! I'll go spin it again since it stopped on me." Changmin spin the bottle again. It stopped at Yunho. "Hyung, truth or dare?" Changmin asked.

"Truth." Yunho quickly replied. Changmin was about to asked him but Junsu snapped him, "Do you have any girl in your heart now?" Junsu asked.

Changmin look worried on Yunho. Yunho paused for a while. "I mean.. A girl as a woman." Junsu explained.

Suddenly, Yunho take a look at you first. You met eyes with him, you didn't know but you can feel something weird. Yunho then look back at Junsu, "Yes, I have." he replied. Jaejoong frowned on his answer ans felt something fishy.

Junsu was surprised, "Really hyung? Who's that lucky girl?" he asked again. "I can't answer that. Only one question remember?" he said. Junsu pouted, "Okay, spin it now."

Yunho started to spin the bottle. It stopped at Boa. "Truth or dare?" Yunho asked. "Dare." she replied. "Gave Yoochun hyung a kiss on lips then." Junsu ordered. Boa look Jaejoong first and without a doubt, she gave Yoochun a kiss on the lips. You take a look at Jaejoong who was looking away.

"Okay spin it now." Junsu said as Boa did. It stopped at you. You look at them, waiting. "Truth or dare?" Junsu asked.

"Truth." you replied. "Okay! Can you tell us what did you like about Jaejoong hyung?" Junsu asked.

You paused for a while. You then take a look at Jaejoong who was looking and waiting for

your answer then look back to them and smiled, "All." you said.

Jaejoong look suprised at your answer. "All? What do you mean? You need to clarified it." Yoochun said.

"I like all about him. Like what I said before, he's my savor.." you look at Jaejoong, "I like his eyes, it makes me melt when they looking me. I like his perfect nose. I like his lips especially when it's smiling. I like his hair style, so cool. And most of all, his attitude and being sweet. Like earlier at the Ice Skating, I actually didn't know how to skate but I'm very lucky that I have him to teach me. He makes me not to be worried by holding my hand. He even do everything for me. Like, the midnight when I want to eat dukbokki, he even knock the place just to buy me a dukbokki." you then look back at them, "He's the sweetest guy that I met so I like all about him." you said. Jaejoong just stared at you.

"Woah! I didn't know hyung is so sweet to do that." Junsu said. "You're lucky then." Yoochun said. "I guess." you replied.

Yunho's heart were broken now after he hear all those words. "I want to go home now." Boa suddenly said.

"Uh, yeah! It's already dark. Let's go home now." Changmin agreed since he know that his hyung was really hurt now. "Okay then." Junsu said.

said as he walks to you. You then quickly hold his arm.

"Do you have a lamp here?" he asked. "Yes, there at the kitchen." you nervously replied. "Okay. Just wait here. I'll go get it." he was about to leave when you quickly hug him because of a sudden lightning came. "Don't leave me." you whispered.

He look at you surprised, "Okay. Hold my hand so I can lead the way." he pulled out his hand and you took it. "Don't worry. I won't leave you." he whispered as you nodded.

"Come on!" he said as you two started to walk.

"There! I found it!" Jaejoong said as he found the lamp. He quickly lighten it up. That time, he can now see your face. Your eyes were teary.

"Are you okay?" he asked. You shook your head. "Okay. I'll stay until the light came back." he said. You just nodded.

"Come on! You need to sleep now." he said as you nodded. You two walk to your room as you were holding his arm.

"Go sleep now. I'll just say here." he said as you laid down on your bed and he sat on the chair, a bit far from your bed.

Suddenly, a loud sound of lightning came again. You screamed, scared. Jaejoong quickly runs to you, "Gwenchana?" he asked.

You shook your head as you hug his arm. "I'll stay here by your side. No need to be scared now." he tried to alm you. You

nodded.

Then another lightning came again. You couldn't help but to screamed again and hug his body.

Jaejoong then laid next to you for you to calm. You're still hugging him. "Don't worry, I'm still on your side." he whispered on your ears.

A lightning came one more time. You hugged him more tight this time. For you to get more calm, he hugs you back and gently stroke your hair. "Go sleep now. Don't mind the lightning." he whispered.

You nodded then suddenly, you fell asleep with his warm embrace. You feel better with his arms. Jaejoong stared at your sleeping face.

A smiled went up to his face. *You're so cute when you're scared.*

Soon, Jaejoong also fall asleep.

CHAPTER 36

As the sun finally rise, your eyes slowly open. The first thing you saw is the sight of Jaejoong's face. *What is he doing here?* you thought.

But then you remembered what happened last night. A smile went up to your face, *He really did stayed.* you happily thought.

You suddenly realized that you were hugging each other but you didn't mind it and continued hugging him. You stared at his handsome face. You were enjoying the view.

Until, Jaejoong's eyes slowly open. He caught you staring at him. You froze on your spot and didn't take off your eyes on him. You want to look away but your eyes are glued on him. He also didn't move instead he just stared back.

Both of you staring to each other for a while until Jaejoong's eyes turns down to your lips and started to lean in towards you. You just watch him, waiting for his lips to met yours.

When the distance between you two was only inch, your alarm clock suddenly rang. Both of you quickly look away because of the sudden sound.

You then quickly sat up and off your alarm clock. "I'll go wash my face." you said and quickly run to the bathroom. Jaejoong just rubbed the back of his neck.

"That was so close!" you whispered as you went inside the bathroom. You then wash your red face.

You look at the mirror and lightly slapped your cheeks, "Hyerin, you need to stop liking him now. He can love you back. Boa is only the one at his heart." you whispered.

You then put your hand to your chest. *Why are you beating so fast for him? Can you please stop? I don't want to get hurt.* you said on your mind.

Jaejoong look around at your room. *So.. I fall asleep here.* he thought. He walk around to your room and his attention turns to your calendar. There's a red mark on the 30th of

December and there's something written on it. He lean in to read the small font that written on it. 'My bithday', that's the one that were written. *Eh? If I didn't mistake today is 29 so that means... tomorrow is her birthday?*" his eyes widen on his thought.

Suddenly, you went out from your bathroom. "You go wash your face and I'll go preparing breakfast." you said as he nodded.

Jaejoong went to your bathroom to wash his face as you went to the kitchen to prepare the breakfast.

"Breakfast is ready." you said as you finished preparing. Jaejoong went to the dining room. Then both of you started to eat.

"What are you planning to do tomorrow?" he suddenly asked. "Tomorrow? Nothing!" you replied.

"You didn't have any plan for your birthday?" he asked. "Eh? Uh yeah! I forgot that my birthday is tomorrow." you whispered. "But how did you know?" you asked him in confusion.

"I saw on your calendar at your room." he replied. You nodded in understanding. "So.. what's your plan?" he asked again. You shook your hand, "Nothing! I didn't celebrate my birthday for years." you replied.

"What?! That's your day so you need to celebrate it." he said. "No need for that but if you want just give me a gift." you said.

He rolled his eyes, "You wish!" he said. You pouted.

"I'm going now." Jaejoong said as you two finished the breakfast. "Okay. By the way, thanks for staying here last night. I'm sorry for my sudden action last night, I was just scared at that time." you said. He shook his head, "No. It's okay. I'm leaving now." he said.

"Okay. Annyeong!" you waved. He just nodded and left.

Next morning, you received a message from Jaejoong.

to : Hyerin

*Happy Birthday Hyerin!
Prepared yourself, we're going to celebrate your birthday later at 7:00 pm. Mr. Lee will going to fetch you and bring you to the place. See you :)*

from: Boss Jaejoong

A smiled went up to your face. *We're going to celebrate my birthday. I'm so excited!*

CHAPTER 37

After you received a message from Jaejoong, you then received a phone call coming from Yunho.

"Yeoboseyo?" you answered. "Good morning Hyerin!" he greeted.

"Uh.. Good morning. What did you called?" you asked. "Uh.. about that, I just want to ask if you're free tonight?" he asked.

"Tonight?" you repeated. "Yes. I just want to have a dinner with

you." he replied.

"Yunho-ah, I'm sorry but I already have plan tonight." you said. "Are you alone?" he asked.

"No. I'm with Jaejoong." you replied. "Eh? Is there something special today?" he asked, curious. "Um.. Actually, today is my birthday and Jaejoong prepared a celebration for it." you replied.

"Today is your birthday?" he repeated. "Yes." you replied. "Uh-oh, I'm sorry and happy birthday." "No. It's okay and thank you."

"So.. Maybe next time?" he asked. "Okay." you forcibly replied.

With that, the phone call ended.

When the time stopped at 6:30, Mr. Lee came at your apartment to fetch you.

Both of you arrived at the restaurant at 6:45. "Where's Jaejoong?" you suddenly asked Mr. Lee. "He's on the way now." Mr. Lee replied.

You nodded in understanding. "Have a sit first Hyerin." he said as you nodded again and sat on the chair.

You saw a table with 3 candle lights at the center and a bouquet of flowers. There are also 3 man holding a violin. The set up was very perfect. *Woah! This was so perfect! I'm very excited to thank him.* you thought.

Jaejoong was on the way when he received a phone call from Boa. *Why is she calling me now?* he asked himself. He just

ignored the call but it rings so many times.

He was really annoyed now so he answered it instead. "Why are you calling?" Jaejoong quickly asked. No response. "Yah! Did you hear me?!" he was really annoyed.

Jaejoong was about to end the call when Boa finally spoke, "Jaejoong-ah, what have you done to me?" she said with a husky voice. "Yah! What happen to you?" he asked.

"Wae? Are you cared to me now?" she asked and laugh like crazy. "Wait! Are you drunk?" he asked. "What if I am? You don't care right? I want to die now!" she said as she started to cry.

"Where are you?" he asked. "Wae? Are you going to join me here?" she said. "Just answer me, where are you?" "At the club." she replied. "Okay. Don't go anywhere. I'm going there." with that, the phone call ended.

Yunho was driving when he saw Jaejoong running to the club in a hurry. It made him stopped. *Eh? I thought he will having a dinner with Hyerin?* he asked himself.

Suddenly, he saw Jaejoong went out and to his shocked, Boa is on his back. *He's with Boa? What about Hyerin?* he asked again himself.

"It's already 7:00 pm. Where is he?" you asked Mr. Lee. "He said earlier that he's on the way, maybe there's a traffic." he replied. You nodded in understanding.

1 hour later, Jaejoong still not

come. "Um, Mr. Lee can you call him. It's already 8:00 pm but he's still not here." you said. He nodded and started to call Jaejoong.

"I'm sorry but his phone was off." Mr. Lee replied. "What?! Aish! Okay. I'm going to wait. Maybe he was something urgent need to do." you still be patient.

An hour had passed again, Jaejoong still not come. Then suddenly, Mr. Lee received a phone call from Jaejoong. "Uh, sir Jaejoong is calling." he said.

You brightened, "Go answer it." you ordered as he did.

"Yeoboseyo?" he answered. "Is Hyerin still there?" Jaejoong asked. "Yes sir. Where are you now sir?" "I'm sorry but I don't think I can come right now. I'm here at Boa's house and she drunk. I can't leave her alone. But I'll be there later. Told her to wait for me."

You saw Mr. Lee nodded and ended the phone call. "Is he near now?" you asked. Mr. Lee shook his head, "He said, he can't come."

"What?! Why?" you asked. "He's with Miss Boa right now. He said that she's drunk and can't leave her alone. But don't worry, he's still come here later. Just wait for him." "What? I've already waited for him in 2 hours. Then he just only called now and saying that he was with Boa? I don't want to wait anymore. I'm going now." you said and left.

Mr. Lee was trying to call Jaejoong but his phone was off again.

As you went out from the restaurant, your tears started to fall from your eyes. *I've waited

for him in two hours and he.. He just only with Boa? That's why I didn't celebrate my birthday because no one want to celebrate it with me. I hate this feeling, my heart hurts.* you said on your mind as your tears continued flowing.

You put your hand on your chest, *I already told you to stopped beating for him. Why did you choose him? He already have Boa. I'm so stupid to love him! Babo Hyerin!* you mentally slapped your head.

CHAPTER 38

When your tears finally stopped, you decided to went back home.

As you reach your apartment, you saw a familiar figure standing at in front of your main door. You walks to him to see his face, it's Yunho.

"Yunho-ah? What are you doing here?" you asked in confusion. "I'm just worried about you." he replied. "Wae?" you asked.

"I saw Jaejoong with Boa earlier so I'm just wondering if he still celebrated with you but I this he did right? Since you went home just now." he said. You didn't gave him a response and just lowered your head.

"Wait! He didn't celebrated with you?" he asked. You nodded. "But why you only went home just now?" he asked. "I've waited for him but he called his secretary just now that he was with Boa that's why.." you replied.

He look sad at you. He then check the time on his watch, "We still have time." he

whispered. You look up at him, "Eh?"

"It's still your birthday. Let's go and celebrate." he suggested. "But—" "No buts! Come on!" he snapped and grabbed your hand as he dragged you to the park.

"Why did you dragged me here?" you asked as both of you reach the park. "As I told earlier, we're going to celebrate your birthday." he replied.

"Come on! Let's start exploring the park." he said. You nodded.

As both of you exploring the park, "You really like exploring huh?" you suddenly asked. He look at you, "How did you know?" he asked. "Last time, we explore the mall right? We did that in 2 times and now here, exploring the park." you explained.

Yunho smiled at you, "Yeah. I really like. I really enjoyed it. Wae? Are you not enjoying it? Let's stopped then." he asked. You quickly shook your head, "No. I love it!" you beamed. "Really?" he asked as you nodded.

"Let's continue exploring then." he said. "Okay!" you beamed.

"Boa, are you feeling better now?" Jaejoong asked as Boa lightly calm. She nodded.

"What did you do this huh?" he asked. "It's because of you! I know you still love me, I can feel it but you continue hurting me! Please say to me that you still love me and that you're just using Hyerin to hurt me." Boa said.

"What if I say it's true? Are you going to broke up with Yoochun huh?" he asked. "No. I still need

him." Boa replied.

"I should go now." Jaejoong whispered. "Wait! Tell me first that you still love me." she ordered.

Jaejoong look back at her, "No. Hyerin is now my girlfriend and I loved her." he replied and left.

I know you still love me. I will everything just you to admit it. Wait for me Jaejoong, I will make you back to me. Boa evily thought.

"Uh, what's going on there?" you asked as you saw a man doing something like magic. "He's doing some magic. Come on, let's watch." Yunho said and dragged you in front.

The man was great in magic. You were amazed at him and make you smile. Yunho look at you, *Yeah! Keep on smiling. That's better.* he thought and look back in front.

As the magic show ended, you two started to walk again and stopped on the spot that there's no one there.

"Let's sit at the grass." you suggested. He look surprised at you. You then remembered that he's coming from a rich family. "Uh.. Let's just look for a bench to sit." you suggested.

He shook his head, "No. Let's just sit on the grass." he said. You were surprised, "But—" you were cut off when he was already sat on the grass.

You then sat next to him, "It's dirty but why?" you asked, clueless. "It's your birthday so let's do what you want." he said.

He's so kind! you thought and

smiled. "Um, wait me here. I'll go first." he said as you nodded. He then left.

30 minutes had passed, Yunho didn't come back yet. *Is he still coming back or not?* you sighed, *Aish! I really hate my birthday now.* you were about to leave when you heard someone singing happy birthday song.

You look up to see Yunho holding a cake with a candle light on it. "Yunho-ah.." you whispered.

As the song ended, he walks to you. "Happy birthday Hyerin!" he whispered. Your eyes were teary because of the sudden action. You were speechless.

"Make a wish and blow your candle now." he said. You nodded, *I wish, my feelings for Jaejoong will quickly fade away.* with that, you blowed your candle.

"Happy birthday again." he said. You bowed, "Gomawo." you replied. "Let's have a sit." he said as both of you sat back on the grass.

"What is your birthday wish?" he suddenly asked. You look at him, do not know what to response. "That a secret." you said.

He pouted, "Let's start to eat this then." he suggested and you nodded.

As both of you eating, fireworks suddenly appeared on the sky. "Woah!" you whispered. "Beautiful right?" you asked. He look at you and nodded, "Yeah. Just like you." he said.

You look at him surprised, "Eh? What did you said?" you asked. "Do you want to know what my wish for you on your birthday?"

he asked. You nodded since you really want to know.

"I wish you found a new job so that you don't need to pretend to be Jaejoong's girlfriend." he replied. You were confused by his wish, "Wae?"

"Because I didn't want to see you with him." he replied. "What do you mean?" you asked. "Hyerin-ah, I like you not just a friend but as a woman." he replied.

What did he said? He like me as a woman? He's confessing to me now? you asked yourself. He waved his hand in front of your face, "Did you hear me?" he asked.

You snapped out all your thoughts. "Um, Yunho-ah.. You're such a kind-hearted person. Tall and handsome that every girls want to have but why me?" you asked. "Because you're different." he replied. "You made my heart going crazy." he added.

"But my job.. I don't—" "I'm not asking for your answer now. You can still think of it. I'm willing to wait." he said. You want to protest but he smiled at you so you just nodded.

"Um, I'm already tired. Can we go now?" you suddenly asked. He nodded, "Okay. I'll take you home." he offered as you nodded.

With that, both of you leaved the park.

CHAPTER 39

As you and Yunho reach your apartment, both of you went out

from the car and Yunho walk you up to your front door.

To your surprised, Jaejoong was there. "Hyerin-ah!" he runs to you. You look away, don't want to talk to him.

"Yah! What are you doing here? After you ditch her at her own birthday huh?" Yunho scolded him. "Yah! I didn't ditch her. I was just—" "With Boa?" Yunho snapped.

"How did you know?" Jaejoong asked. "It's not important. Hyerin is the one who important now. Today is her birthday. She waited for you but you're not come. What kind of person are you?" Yunho coldly shouted.

"Yah! Who are you to say that to me huh?" Jaejoong shouted back. You went in between the two, "Yah! Can you please stop it?!" you yelled.

Both of them look down at you and pulled back each other. You then look to Yunho, "Thank you for today. You can go now. I'll take care of him." you said.

"But—" "Please.." you pleaded. "Okay. I'll go ahead now and happy birthday again." he said. You smiled, "Thanks."

As Yunho already disappeared, you started to walk to the door. Jaejoong followed you, "Hyerin-ah, are you still mad?" he asked. You look at him, "What do you think?" you gave him a look.

"Yes. I can feel it but I hope you didn't." he replied. "Don't ask me if you already know the answer." you said as you twist the door knob.

"Wait! Let's have a talk first." he said. "I'm already tired." you replied as you open your door. He then gragged your wrist,

"Please don't be mad at me. Okay. I'm sorry for ditching you but it's not my purpose." he explained.

You didn't give a response. "Okay. Since it's still your birthday, let's celebrate!" he suggested. "I already celebrated my birthday with Yunho." you snapped.

You was about to went in when he suddenly grabbed your wrist again. "Yes but not with me. Let's eat dukbokki then. My treat!" he said. "I'm already full and I'm also tired." you replied as you remove his hand from your wrist.

With that, you completely in and closed the door.

Jaejoong sighed, *Seems like she really mad at me. Aish! Jaejoong, what have you done to her and on the day of her birthday too.* he then left.

Morning came, you woke up early for you to buy a food since you didn't have any on your refrigerator.

You were shocked when you saw Jaejoong standing in front of your door as you open it. "Good Morning!" he greeted.

You ignored him and passed by. He followed you, "Where are you going?" he asked. "None of your business!" you replied in annoyance as you continue walking. As you reach the Grocery Store, Jaejoong was still following you and continue asking a question but you didn't give him a good answer.

Until you payed your bills, Jaejoong continue to follow you. You gave him a look, "Yah! Can you please stop following me?!" you shouted as both of you

went out from the store.

"Not until you go with me." he said. "What?! No way!" you said.

You then shocked to his next action. Jaejoong kneeled down in front of you. The attention of people around turns to the two of you.

You look down at him, "Yah! What are you doing? They're all staring at us. Stand up now!" you ordered. He shook his head.

"I know but your boyfriend rented my Stand to have a late

"Have a sit." he said as he dragged you to sit. "Ahjumma, bring out the dukbokki now." he ordered. "Okay." she replied and went in.

As the ahjumma came back, she was holding a big plate of dukbokki. "Go eat this." he said. "Dukbokki for my birthday?" you asked in confusion.

"Yeah! I want your birthday will be different. I want this to be memorable to you. Since dukbokki is your favorite, it's okay right?" he asked. You nodded.

He took it, "Go start to eat." he said as you did. He then started to sing a sweet song. *Woah! His voice was amazing!* you thought as you were watching him.

Suddenly, he started to dance while singing. *Woah! Even his moves was so perfect!* you thought.

You then saw him winked at you. A smile went up to your face. Your heart starting to beat so fast again. *Now, I know why my heart is like this. Beause he was so perfect for not to be love. Boa was very lucky.* you sadly thought.

Jaejoong saw your reaction so he changed the song into happy one and do anfunny dance. You

then burst into laughter. *Yeah! Just continue laughing. I love the way you laugh.* he thought as he continue what he was doing.

He sat in front of you as he finished his performance. You also finished your dukbokki. "How's my performance?" he asked. "Great!" you replied.

CHAPTER 40

Jaejoong walks you to your apartment. You bowed, "Thank you for thae celebration even though it's late." you said.

"No problem." he replied. "I'm going in now." you said. "I want to go inside." he said.

"Eh? Wae?" you asked. "I just want to take some rest." he replied.

You nodded in understanding.

Both of you went inside your apartment. As both of you sat on the couch, you received a text message from Yunho.

to: Hyerin

Annyeong Hyerin! How's your day? Me? Bad, because I didn't see you. It's better right since you're still thinking about my confession? By the way, Good night and sweet dreams~

from: Yunho

Uh yeah! I forgot that he confessed to me yesterday. you sighed. "What's that sigh for? And who is the one who texted you?" Jaejoong suddenly asked as he study your face.

You look at him, "Uh, it's Yunho." you replied. Jaejoong's mood changed when he heard that name. "What did he said?" he asked, curious.

"It's nothing." you replied. "Nothing for you to sigh huh?" he said.

You then seriously look at him, "Um.. Actually, yesterday when I and Yunho celebrated my birthday... Um.." "What?" Jaejoong was very curious now.

".Yunho confessed his love to me." you finally said. *Yunho already confessed to her. Yunho is kind but why am I not happy? No matter what, I need to be happy for her.* he thought. You study his face, waiting for his reaction.

Suddenly, he cleared his throat, "It's good then. Yunho is kind and also my friend. And I think both of you looks good together." he said and forced a smile.

You look away, disappointed, "Uh-oh." you whispered. "I should go now. It's already late." he said as he stood up. You look up at him and just nodded. You didn't walk him out and just watch him leave.

As Jaejoong finally leave, he put his hand on his chest, *Why do I feel hurt? Aish! I don't like this feeling.* he thought and went home.

As he already arrived at his house, he went straight to his room and take a sleep already. But he couldn't. He still thinking about what you said earlier.

"Ahhhhh!!! I can't sleep!!! Why you keep crossing on my mind?!" he screamed.

He then sat up, *What if she accept him?* he thought.

Suddenly, he shook his head to snapped out his thought. He then laid down again, "Ahhhh!!!! Why do I feel like I'm heart broken or something!!!! This feeling is so weird!! I hate it!!" he screamed as he buried his face on his pillow.

You laid on your bed and sighed. *What I'm expecting? Of course he didn't protest. I'm just his HIRED girlfriend. Aside

of that, nothing more!* your heart crushed for your sudden thought.

You tried to sleep but couldn't. "Ahhhh!!! Please stop thinking of him! He didn't love you!! Don't be stupid!!" you screamed as your tears starting to fall from your eyes.

CHAPTER 41

At the past few months, you're always hanging out with Yunho. Yes, you're always with him but your mind is not focusing on him. You always gave him a fake smile. It's really hard for you.

Hard because even though Yunho is in front of you, you keep thinking of Jaejoong. Yes, Yunho is sweet towards you but Jaejoong's sweetness is the best.

As you didn't know, Jaejoong keeps on spying the two of you. He can feel that you're already happy with Yunho but he's wrong because you're not. You're just forcing yourself to be happy in front of Yunho.

Until one day, Jaejoong received a phone call from Junsu.

"Yeoboseyo?" Jaejoong answered. "Hyung!" Junsu replied. "Why did you called?" Jaejoong asked. "Summer is already starting. Let's go to the beach!" Junsu said.

Go to the beach along with Hyerin? I think I'll take it as an opportunity to be with her as my girlfriend. Jaejoong thought. "Yeoboseyo? Hyung, are you still there?" Junsu

asked. Jaejoong snapped out his thought, "Yes. I'm still here." he replied.

"So.. Are you come along with us?" Junsu asked. "Yes, I'll be there with my girlfriend." Jaejoong said. "That's good then." Junsu said. Then the phone call ended.

Jaejoong suddenly dialed your number to make a phone call. "Yeoboseyo?" you answered. "Uh-oh.. Hey!" he don't know how to start. "Why did you called?" you asked.

"Um.. Junsu called just a while ago and he said that DBSK will going to the beach and you need to be there also since they know that you're my girlfriend." he explained.

"Uh yeah. I already know about that. I'm with Yunho now and he told me." you replied. His mood changed to hear that name again and to know that you're with him right now. "Okay. Since you already know, I'll hang up now." his voice become cold.

"Wait—" you want to stop him but he already hang up. *Aish! I still want to talk to him. It's been a month since I didn't see him and hear his voice.* you sighed.

"What's wrong?" Yunho asked. You look at him and quickly shook your head, "Nothing." you replied and smiled. He then nodded in understanding.

The day that DBSK going to the beach finally came, Jaejoong went to your apartment to fetch you.

"Are you ready?" he asked. You nodded as you get your stuffs and went out. "Let's go then."

he said as he started to walk. You just followed him.

As both of you already inside the car, the car drove off. You take a look at him while he was driving. *He looks thin now. Did he get sick?* you worriedly thought.

Jaejoong suddenly caught you staring at him, "Wae?" he asked. You snapped out your thought and turns your head to the window, "Nothing." you replied. He then stared at you for a while, *She become more beautiful.* he then focus on driving again.

"Hyung!" Junsu called. "Uh.. Hey!" Jaejoong shouted back as both of you walks to them.

"I already get a place to stay for us." Junsu said. "Okay then." Jaejoong replied. Yunho gave you a smiled at you smiled back. Since Yunho already knew the secret between Jaejoong and you, Jaejoong can't do anything to stop you on giving smile to him.

"Okay! This place has 4 rooms. Me and Changmin will going to shared. Yoochun hyung with Boa, Jaejoong hyung with Hyerin, and Yunho hyung alone." Junsu explained.

Both you and Jaejoong look at each other.

CHAPTER 42

Changmin look worried to his hyung.

"I mean no. I don't want to be alone. Let's just give the girls an own room then me, Yoochun and Jaejoong shared a room." he suggested.

"Yoochun hyung is right. They need to spent some time to their love ones. Right Jaejoong hyung?" Junsu asked.

"Uh yeah. It's not hard for the both of us since we already sleep together." Jaejoong proudly replied. *Sleep together? Uh yeah! The night when the lights are out and lightning came.* your face turned red because of the thought.

"Really hyung? Woah! You're so lucky!" Junsu beamed. Boa looks at you, jealous. Yunho look at you, puzzled. You just shook your head, giving a signal that it's not what he think.

"Let's go to our respective rooms then." Yoochun suggested. "Okay!" Junsu said as he get his stuffs and went to his room with Changmin. Yoochun and Boa went also to their room.

"Let's also go." Jaejoong whispered to you. You nodded and look at Yunho's worried face. 'I'll be okay.' you mouthed then followed Jaejoong. With a sighed, Yunho went to his room alone. *How I wish I'm the one who hired her.*

"Why did you agreed to share a room with me?" you suddenly

asked as you and Jaejoong went in. "Because if we protest, we're going to get caught. They going to think why we protest so I think this is better. And we also sleep together right? So no problem for it." he explained.

"Yes. We already shared but I was just scared that time." you replied. "Yeah but we don't have any choice now." he said. "Yeah. You're right." "Let's go the others to have a dinner." he said as you nodded.

"So.. how's your rooms guys?" Junsu asked at the dining area. "Better!" Yoochun replied happily. "How about you two?" Junsu asked you and Jaejoong. "It's okay." Jaejoong replied.

"And you, Yunho hyung?" Junsu asked. "Boring!" Yunho rolled his eyes. Thrn all of you laugh at him. "Do you want to join us?" Changmin asked.

"No. Let Yunho hyung to be alone!" Junsu blurted. Yunho rolled his eyes again, "Let's just start to eat okay."

With that, all of you started to eat.

"But.." "Don't worry, I won't bite you." he snapped. You then nodded.

Suddenly, you received a text message with Yunho.

to: Hyerin

Are you alright on your room with Jaejoong? If not just text me and I'm going to sleep there.

from: Yunho

You smiled at his text. He's like a super hero that someone is in dangered. You texted back,

After a while, he texted back.

You then put your cellphone on the drawer, beside the bed.

"Who is it? Yunho?" Jaejoong suddenly asked, curious. You nodded, "He was just worried." you replied.

"Did you already accept him?" he asked. You look at him surprised, "Eh?" "No need to answer. I'm not interested anyway." he said as he laid on the bed.

"I'm going to wash my face first." you said. He didn't response then you went to the bathroom to wash your face.

As you were finished, you went out from the bathroom and planning to sleep. You found Jaejoong already sleeping. You then laid next to him and stared to his face for a while.

Your eyes, nose and lips are all perfect! you thought as you study his face. You then brushed his bangs to the side as you continued staring at him.

But then, his eyes slowly open. Like the last time, he caught you again. Your heart starting to beat so fast again. *Omo! I got caught again.* you thought. He didn't say a word, instead he started to lean in to you.

Your heart is going crazy now when the only inch were distance between the two of you.

Suddenly, you felt a soft thing met your lips. His lips already met yours. Your eyes automatically closed as his also. Jaejoong put his arm to your waist as you wrapped yours into his neck.

Suddenly, the kiss go deep. You then realized what you were doing. You suddenly broke the kiss, "This is wrong." you whispered as you run to the bathroom.

Jaejoong also back to his sense and sat up, "What was happened? This is wrong." he whispered then decided to went out to think over.

You sat at the toilet bowl as your tears started falling. *What have I done again? This is wrong right? But did he kissed me? He don't love me. Did he just mistaken me as Boa? Ahh!!!! My heart hurts. Please stop beating for him. It's really hard for me.* you lightly punch your chest as your tears keeps on falling.

You stayed there until your tears completely faded. You then wash your face and back to bed. You didn't found him at the bed, *Maybe he didn't want to see me because of the kiss.* you sadly thought and laid to the bed.

After Jaejoong cleared his mind, he decided to went back to the room. He found you already sleeping. He walks to you and stooped down. He stared at you fir a while, *I don't know if it's wrong or not but I didn't regret what I did earlier.* he then kiss your forehead and laid next to you.

CHAPTER 43

Morning came, when you slowly open your eyes, Jaejoong's sleeping face was the first one that appeared at your sight. *How did he end up here? Did he forgot what just happened?* you thought as you sat up.

You went to the bathroom to

wash your face. After that, you went out. You saw Jaejoong rubbing his eyes. You look away.

He noticed you, "Um.. about last night.." "Forget it. We both didn't want what just happened. I'm going out now." you then left.

He just nodded, "Yeah.. We didn't want.." he whispered as he went to the bathroom to wash his face.

"Uh, Good morning Hyerin!" Junsu greeted you as you went to the living room. "Good morning." you bowed.

"Where's hyung?" he asked. "I'm here!" Jaejoong answered as he went out from the room. "Uh, hyung! How's your night with Hyerin huh?" Junsu asked.

You and Jaejoong automatically look at each other. Suddenly, Yunho shouted, "Breakfast is ready." "Yes, coming!" Junsu shouted back. "Let's go eat hyung and Hyerin." Junsu said as he went to the dining area.

Thanks to you, Yunho. you said on your mind. Jaejoong look at you. You just look at him so quick then followed Junsu. Jaejoong sighed and also followed.

As all of you finished the breakfast, all of you went out and went to the beach.

"Where are the girls?" Yoochun asked as all the boys ready to swim. "Be patient hyung. The girls are changing into their swimsuit." Junsu said. "Seems like hyung is really excited!" Changmin joined Junsu to teased their hyung. The two

"Yah! Stop teasing me! Yunho and Jaejoong help me. Our dongsaengs laughing at me." Yoochun asking for help. But Jaejoong and Yunho just laugh at him.

"Yah! You two also? Aish!" Yoochun pouted. The 4 continue laughing at him. "I missed this. Having a bonding for the 5 of us." Yunho whispered. "Yeah right!" Jaejoong nodded.

Suddenly, Boa done changing and went to them. "Hey boys!" Boa called. All of them can't take off their eyes on her. "Woah! Noona you're so hot in your swimsuit." Changmin the one who react.

"I'm here!" you said. They look at you from head to toe. "Why you didn't wear a swimsuit?" Junsu asked as he saw you only wearing a short shorts and sleeveless on top. Boa smiled evilly at you.

"Um.. I'm actually wearing this since I'm not going to swim. I'm going to watch you all." you explained. "Eh? Wae?" Changmin asked. "I don't know how to swim." you replied.

"Just let her watch. Come on! The beach is waiting for us!" Boa said. "My girlfriend is right. Let's go and swim." Yoochun said.

"Okay! Let's go!" Junsu agreed. "I'm going to stay also."

Jaejoong said. You look at him surprised. The others look at him, "She's my girlfriend so I need to stay with her right?" he explained.

"Okay. Let him stay." Yoochun said. "It's summer! Don't waste it, you know." Boa said.

"It's okay. My girlfriend need someone to stay with her." Jaejoong said. "Okay. Let's all go and let them stay." Junsu said. "I'll stay too." Yunho suddenly said.

"You can't hyung. Just let them spent their summer together." Junsu said as he dragged Yunho at the water. Yunho want to stay but he's already dragged into the water.

I really hate her! She was always ruined my day. Boa thought as Yoochun dragged her at the water. Changmin just followed.

"You don't need to stay with me. You can go with them. I can take care of myself." you whispered. "If I didn't stay, they will think something about our relationship." he said as an excuse but the truth is.. he really want to stay.

You sat next to him and watch the others who are on the water. "I'm sorry about last night." he whispered. "I said forget it." you replied. "But—" "If you really sorry, just forget it." you blurted.

He just nodded. "You said that you don't know how to swim right?" he asked. You look at him and nodded. "Want me to teach you?" he asked.

You want to say yes but you remembered your feelings for him. You shook your head, "I

don't want." you replied for you to take a distance from him. He just nodded again. Then the atmosphere become silent.

At night, all of you went back to your place. As they are busy watching a horror movie, you went out to take some fresh air since you didn't want a horror movies.

Suddenly, you felt a light tapped on your shoulder. You turned to your back, "Uh, Yunho-ah.." you whispered. "What are you doing here?" you asked.

"Because I hate horror movies." he replied. "Yah!" you lightly hit his chest. He pouted as you laugh at him. He then also smiled.

"Um, since you already know about my feelings for you and we already hanging out in months, so I hope you already think about it and also give your answer now." he suddenly said.

You look at him, "Yunho-ah.. Honestly, I still didn't know the answer. I'm still confused." you replied. "What's make you confuse?" he asked.

"My job." you replied. He nodded in understanding, "How I wish Jaejoong didn't hired you as his girlfriend so that you didn't get confused." he said.

"What?! You're just a HIRED girlfriend?!" a sudden voice asked.

CHAPTER 44

Both you and Yunho startled by the sudden voice. Both of you

turned around to see Boa.
*Omo! She already knew.
Eoteokhae?* you thought.

She walks to the two of you.
"Tell me, you're just a HIRED girlfriend right?" she asked. You kept silent.

"No. She's not. You're just wrong." Yunho said. Boa laugh a little, "Wrong huh? I already heard so stop fooling me!" she didn't convinced.

"Why did Jaejoong hired you as his girlfriend huh? Because of me?" she asked. You just look away. "I knew it! He still love me. Don't worry, you don't have to work on him anymore because I decided to come back to him." with that Boa left.

You sighed and lowered your head. "Aish! That bitch!" Yunho whispered. He was about to run after her when you caught his wrist. "Don't! Let her be. I think this is better since I'm already tired at this job." you explained.

"But we need at least know what was happening there." Yunho suggested. *Yes, he's right. I need to prepared myself now.* you then nodded to him.

"Jaejoong-ah! Jaejoong-ah!" Boa shouted as she run and hug him. Jaejoong was very surprised. "Babe? Why are you hugging him?" Yoochun coldly asked. Both Junsu and Changmin were really confused.

"What are you doing?" Jaejoong asked her. "I just knew everything about your hired girlfriend. You hired her because of me right? I knew it! You still love me." Boa happily said, still hugging him.

Jaejoong's eyes widen with the sudden revelation. "What? Hired

girlfriend?" Junsu was confused. "Who? Hyerin noona?" Changmin asked.

But then you and Yunho appeared. Jaejoong look confused at you. You just lowered your head. "Yah! What really happening?!" Yoochun coldly asked.

Boa finally released Jaejoong. She then look at you, "Go and tell us the truth about you being a hired girlfriend." Boa ordered.

You look at her and turned to Jaejoong then to others. You make out a long sighed, "I think it's the time for you all to know the truth. I'm not really Jaejoong's girlfriend. He just hired me to help him to get Boa back." you said.

"Hyung! Is it true?" Junsu asked. He just nodded. "Actually, I didn't think your relationship with her is just a fake because I found it as a real." Junsu commented.

"Wait! What are you going to do now noona?" Changmin asked Boa. "Since I already knew the truth and I actually realized my feelings. Jaejoong was the only person in my heart." Boa explained. Jaejoong look at you to see your reaction but you just give him a forced smile, "They success!" you mouthed.

"What?! What about me? I'm your boyfriend now!" Yoochun yelled. "I'm sorry Yoochun but I'm not really in love with you. It's hard to admit but I just want your money that's why I chose you over Jaejoong but now I realized, Jaejoong is more important to me now." she explained.

"What?! No way!" Yoochun was about to get Boa back when Junsu grabbed his arm, "You can't! She already chose

Jaejoong." Junsu whispered.

"Um.. I think we to go back home now. This will not going to be good if we stayed." Changmin suggested.

"Changmin is right. Let's just leave here now." Junsu said.

All of you nodded and packed all your stuffs.

"Um.. Hyerin—" Jaejoong want to have a talk with you when suddenly Boa appeared, "Babe I'm ready. Let's go now." she walks to him and hug his arm.

"Are you ready Hyerin?" Yunho also appeared to rescue you. You look up and nodded. You look at Jaejoong before you go, "I'll go to your office tomorrow to get my salary." you bowed and went Yunho. Both of you then disappeared.

"Let's go also." Boa said as he nodded.

"I'm so happy that we're back together now." Boa whispered. Jaejoong was didn't focusing on what Boa was saying. He just thinking about you while driving.

"Babe, are you listening to me?" Boa asked. He snapped out all his thoughts, "Ne?" he asked. "I'm asking you if you're happy that we're together again." she asked again. "Uh-oh.. Yeah.. I'm happy.." he replied. Boa smiled as he forced a smile to her.

Yes. I should be happy now that Boa back to me. he thought.

"Are you sure you okay?" Yunho

suddenly asked as you two arrived at your apartment. You nodded, "I was just tired. So many happens today." you replied.

"Okay then. I'm going now. I'll meet you tomorrow." he said. You just nodded not knowing what he said.

As he left, you also went in. You sighed, *Tomorrow will be our last meeting. What's going to happen after tomorrow?*

CHAPTER 45

Next day, you woke up early to prepared a breakfast and be ready for your last meeting with Jaejoong.

You tiredly cook a breakfast for yourself. You didn't have so much energy to eat but you need so you forcely eat it.

As you were done, you make out a heavy sighed. "Why is it hard to leave you? What did you do to me to fall for you?" you whispered as you rested your chin on the table.

You remained on that position for a while then went to the bathroom to take a bath.

After an hour, you suddenly went out. You went to your room and wear a white shirt and a jeans. You breath in and out, "Okay! Hyerin you can do it! This is the best way to forget him! Fighting!" you tried to cheer up yourself.

As you were ready, you walks to your door and went out. You then went to Jaejoong's work place.

"Is Jaejoong at his office?" you asked when you suddenly saw Mr. Lee as you arrived at Jaejoong's work place. He shook his head, "No. He's on the meeting right now but that will over soon. You can wait for him at his office." Mr. Lee replied.

You nodded, "Okay. I'll go wait for him." you said. "Okay. I'll walk you in then." he said as he led the way to Jaejoong's office.

"Just have a sit. I'm going out first." Mr. Lee said as both of you went in. You nodded and bowed, "Gomawo." He then left.

You look around his office. There are so many books there. You continued look around when your eyes suddenly caught a pictures on the book from his desk.

To your surprised, it was you. You were sleeping on the picture and you looks like in fear there. *Eh? When is this?* you then remembered the night that Jaejoong stayed with you when there's lightning.

So he had take me a picture that time? a smile went up on your face. But then you noticed another picture behind yours, it was a picture of Jaejoong with Boa.

Your smile fell, *They look good together. I should be happy for him that he succeeded to get Boa back to him. I know this will be hard but I need to do it.* you then put the pictures back inside the book on his desk.

"Sir, Miss Hyerin is waiting at your office." Mr. Lee said as the meeting was over. "She's already there?" he asked as Mr. Lee nodded.

"Okay, thanks. You can go back to your work now." Jaejoong said to him. Mr. Lee nodded again then left.

Jaejoong made out a long sighed, *Remained calm Kim Jaejoong. You need to be calm in front of her. Boa is your girlfriend now. This will be your last meeting with her. Be ready.* he tried to calm himself.

He then walks to his office. He sighed again before he could fully open the door. He saw you sitting on the couch. *She still looks beautiful with her simple outfit.* he thought.

You then stood up and bowed at him, "Annyeong haseyo!" you greeted formally. He snapped out all his thoughts and mentally shook his head, *Stop looking at her like that Kim Jaejoong.* he then look at you, "Have a sit." he ordered as he sat on his office chair.

You did what he said, you sat on the chair in front of his desk. "So why are you here?" he pretend that he didn't know.

"I'm here to get my salary remember?" you said. He nodde, "Uh.. Right.." he whispered. "So give me my salary now so I can already leave." you said, don't want the conversation to take so long.

"Aish! Don't be so hurry. Here.." he said as he pulled out his wallet and get the money and handed it to you. You quickly took it, "Thank you Boss. I'm going now." you stood up and start to leave.

"Wait!" he called that made you stopped. You look back, "Hmm?" you asked. "It's our last day. Why don't we hang out?" he suggested.

"I'm sorry but I'll be busy today." you lied. "Uh-oh.." he just nodded in understanding. With that, you completely leave his work place.

I'm sorry Jaejoong-ah.. I really do want to hang out with you but I think that will be going to be more hard to me. This will be better for the two of us. I don't want to hurt myself anymore. you then walk to the Bus Stop.

As you were walking there, you heard someone shouted. "Hyerin-ah!" a voice shout.

CHAPTER 46

You startled by the sudden called. You turned to your back only to see Yunho. You were a bit disappointed that you were expecting him to be Jaejoong.

Why I'm expecting him? Of course he won't run after me. you thought.

As you didn't know, Jaejoong was there hiding from afar. He want to chase you but when he herd Yunho called your name, he stopped.

Is it the reason why you don't want to hang out with me? with that, he went back to his work place.

Yunho waved his hand in front of your face as he walks to you, "Hyerin-ah?"

You then snapped out your thought. "Uh, Yunho-ah.. What are you doing here?" you suddenly asked. He smiled at you, "Didn't I told you I'm going to meet you today?" he reminded.

You look at him, puzzled. "I told you last night that I'm going to meet you today." he said. You then pretended to know and nodded.

"I brought my car. Let's go!" he said as he hold your hand and let you to the car. With that, the car drove off.

"Let's go watch a movie." he suggested. You just nodded, don't want to protest.

Yunho picked a comedy one since he already knew you don't want a horror. As Yunho already get the tickets, both of you went to the theater room.

The movie was really great, it's really funny but you couldn't laugh as your mind was not there but to someone. Yunho was the only one who were laughing between the two of you.

But then he noticed your action, "Wae? You don't like the movie?" he asked. "Eh?" you then shook your head, "Ani. I'm just hungry I guess." you replied.

"Let's eat after this then." he said. You forced a smile and nodded.

"Let's eat there?" he pointed in one of the restaurant there as the movie ended and both of you went out. You nodded as both both of you went there.

As you two were eating, you were not the usual that always eating so fast. Yunho can see that something is bothering you. "Hyerin? is there something wrong?" he worriedly asked.

You look at him and quickly shook your head. "No. I'm just tired." you replied. He still not convinced at your replied. "I don't think your just tired." he commented.

"Eh?!" you gasped. "If my confession the one that bothering you, don't worry because I can still wait even it's take a long time." he patiently said.

You bit you lips, "Um.. Yunho-ah.." you whispered. "Hmm?" he asked.

"About your feelings for me, I want to give you my answer now.." you said. He look straightly at your eyes, "Really?"

"Yunho-ah.. As I told you last time, you're tall and handsome that all the girls like on their ideal man. You were sweet, caring and also easy to get along. I'm always glad to be with you. I like exploring with you. It was fun..." you said.

He smiled at you, still focusing on you. You then continued, ".and I'm glad that someone like you admire me but I don't think I'm the right girl for you."

"What do you mean? You're the only one that I want to be with." he said. You shook your head, "No. I can't. Jaejoong is your friend and I don't want to get connection to him again. I'm actually going to move today." you replied.

"What? You're going to move? But why?" he asked. "So many happened to me here. I just want to go far and forget all just happened." you replied.

"Forget? Wait.. are you in love with Jaejoong?" he asked. You quickly shook your head, "No!"

you snapped.

"You want to move and forget all because of him right? You can't fool me." he said. "I'm sorry but I need to go now to packed my things." you stood up.

Yunho suddenly grabbed your wrist, "If you don't love him, why don't you accept me?" he asked. "I'm sorry I really need to go now." you said not looking at him then completely left.

Why don't you accept me? I know it's because of Jaejoong.. tears starting to fall from Yunho's eyes after you reject him.

CHAPTER 47

As Jaejoong went back to his office, he spotted Boa there. A smile went up to her face when he finally saw Jaejoong. She quickly runs to him to give him a hug.

"What are you doing here?" Jaejoong suddenly asked. "I already missed you. You, did you also miss me?" Boa asked. "Uh-oh. Of course.." he forcely replied.

"I want to hang out with you. Come on!" he hug his arm and dragged him out from his work place.

"Where's your car?" she suddenly asked. "Why don't we go not using a car? Let's just walk." he suggested.

"What?! Walk?!" she gasped. He nodded, "Walking is an exercise. It's good to our body." he smiled for him to convince her. "Okay. Let's just walk." she

quickly gave in.

As the two were walking, Jaejoong's eyes suddenly caught the Food Stand that both you and him eating dukbokki.

"Wae? What's wrong?" Boa asked when he noticed Jaejoong stopped. "Um.. I want to dukbokki. Let's eat there." he pointed at the Food Stand.

"What?! Where did you want to eat? There? Isn't it dirty there?" Boa said. He shook his head, "No. The dukbokki here was really delicious." he explained.

"But—" "Let's just go there please." he snapped. She gave in and nodded.

As they walks to the Food Stand, the ahjumma went out. "Uh, handsome man!" she was shocked when she saw boa with him and not you. He look at him, puzzled.

"Um.. Ahjumma, this is Boa, my girlfriend." he introduced her. "Uh-oh, annyeong haseyo Boa." she greeted. Boa just gave her a fake smile.

"1 plate of dukbokki ahjumma please" he ordered. "Okay. Just wait on your table." she replied. He nodded and look for a table and sat there.

The ahjumma take a look at the two, *She's different with Hyerin. I wonder what happened to her and to that handsome man. I can feel that they in love to each other.* she lightly shook her head and went in to prepared the dukbokki.

After some minutes, the ahjumma already served the dukbokki. "Here you dukbokki." she smiled. Jaejoong lightly bowed, "Thanks ahjumma." then the ahjumma left.

Jaejoong started eating his dukbokki. Boa frowned to see him like that. He then noticed her, "Do you want to taste it?" he asked as he placed a dukbokki in front of her mouth.

Boa swallowed hard, "No. I don't want." she replied. He nodded in understanding, "Okay. As you said." he then continued eating.

"Did you always eat here? Seems like the ahjumma known you for a long." she commented. He nodded, "Yes. Hyerin was the one who brought me here. She also taught me to eat this. At first, I don't want but she didn't give in so I took a bite. Dukbokki is really delicious so I didn't regret to take a bite that time." he explained.

Boa's mood changed when she heard your name. "So she's the one who brought you to this kind of place?" "Kind of place?" he raised an eyebrow.

"Yes. A dirty place like her." she replied. "Yah! Don't say that to her." Jaejoong frowned.

"Wae? She's not here so I can say whatever I want to say to her." she said. Jaejoong didn't reply anymore and just ate his dukbokki.

As he finished his dukbokki, he went to ahjumma and paid the dukbokki.

"So.. Let's go to the park next." Boa suggested. He just nodded.

As they arrived at the park, they sat in one of the benches there. "You know what?" Boa started. "Hmm?" he just replied.

"I'm very happy that we're back together now." she continued. He didn't know what to reply to her so he just remained silent.

Then Boa turned to face him as Jaejoong automatically faced her also. Suddenly Boa started to lean in and kiss him. Boa's eyes were closed but his were not.

Why am I not responding to her kiss? he then closed his eyes trying to have a spark to their kiss but his body still didn't want to respond.

Boa was very confused on his action, "Wae? What's wrong?" she asked. Jaejoong lowered his head, "I don't think we can still continue this." he replied.

"What? What do you mean?" she asked. "I don't think we can still continue our relationship." he replied.

"What? No way!" she said in a bit high voice. "When the time you broke up with me, I admit it's really hurt but when the time passed by, it's slowly faded. But then now when you kissed me, I realized that my feelings for you also faded." he stood up planning to leave but Boa suddenly caught his wrist, "No. Don't leave me." she pleaded.

He removed her hand from his wrist, "I'm sorry." he then started to walk away. "Is it because of her? koreangirl26?" she yelled.

Jaejoong made a stop on it, he then spun around to face her again. He nodded, "At first, I didn't realize my feelings for her but when she's not around, I feel so empty. When the time you leave me, she's the one who makes me smile again. She's the one who has my heart now." with that, he completely left.

*Why? Why is this happening to me? If I didn't leave him on the

first place, he won't fall in love with her and meet her.* tears kept falling from her eyes.

CHAPTER 48

As Jaejoong went back to his Office, he spotted Yunho there. He was puzzled why Yunho is there. *Isn't he with Hyerin?*

"What are you doing here Yunho?" he suddenly asked. Yunho looked up, "Uh.. Jaejoong-ah.." he whispered.

Jaejoong walked to his place and sat on his office chair. "What's bringing you here?" he asked once again. "Did you meet Hyerin?" Yunho asked.

Jaejoong raised an eyebrow, "What? Why are you asking me about her? Aren't you the one with her now? I saw you with her earlier so it's impossible." Jaejoong muttered.

"So you didn't know?" Yunho asked. "Know what?" Jaejoong was really confused now. "She's going to move today." Yunho replied.

She's going to move? That means.. I won't see her anymore? he wanted to go to you but he thinks that you and Yunho were now together. "Why are you still here? Go and stop her." Yunho said.

Jaejoong looked at him surprised, "Aren't you the one to do that? You're now her boyfriend right?" he asked. Yunho quickly shook his head, "No. She already rejected me earlier." he replied.

"What? I thought you two are together now." Jaejoong said.

"No. That's impossible because she already love someone else." Yunho replied.

"She love someone else?" Jaejoong repeated. Yunho nodded, "She didn't say to me that she love someone but I can feel it and I can also feel that is you." Yunho replied.

"M-me? How?" Jaejoong asked. "She's happy when she's with you. She didn't smiled like that with me. I'm sure she loves you and I can feel that you loves her too right?"

"Yes, I do but.." "No buts! Just go an stopped her now. Or else you won't see her anymore." Yunho dragged him out of his office. "Uh-oh.."

"Go now!" Yunho shouted. Jaejoong nodded and smiled, "Thank you Yunho-ah!" he shouted back then left.

You're so lucky that you're the one that she loves. I hope you will arrived there at right time and make her stopped on moving. Yunho thought.

"Are you sure you really want to move now?" the land lady asked you as you were ready to leave. You nodded, "Yes, I'm sure. There are so many things that happened to me these past few months. I want to move to forget all of that. I should go now ahjumma." you said.

The land lady nodded, "I think I couldn't stop you for leaving this place so I don't have any choice but to support you. I hope you will make a good-new life wherever you will going to move. But if you want to go back, the apartment is always here for you." the land lady said.

You gave her a smiled and bowed, "Thank you for everything ahjumma but I don't think I'll be back here." you said then left. Then the land lady went inside your apartment to check it.

As Jaejoong arrived at your apartment, he saw the land lady went out from your apartment. "May I help you Mister?" the land lasy asked as she caught Jaejoong looking at her.

"Um.. Is Hyerin still there?" Jaejoong asked. *Please say yes.* he hoped.

The land lady shook her head, "She already leaved but I think she's still at the Bus Stop right now. You can still stop her." the land lady replied.

Jaejoong bowed, "Thank you." with that, he quickly run to the Bus Stop. *I hope it's not too late..*

CHAPTER 49

As you reach the Bus Stop, you sat there for a moment and look around. *This will be the last day I saw this place. I'll be leaving Seoul now. Goodbye Seoul, goodbye DBSK, goodbye Yunho and Goodbye to Kim Jaejoong. I'll try to forget you promise..*

With that, a bus stopped in front of you. You get all your stuffs and stood up. You then look around once more before you could completely get in the bus.

When Jaejoong reach the Bus Stop, he didn't saw any sight of you but the Bus that you are currently riding was still there. Jaejoong want to check

you there but suddenly the bus already departed.

I'm already late.. Is it already end between the two of us? he then left with his thought. As he didn't noticed, a wet-cold thing fall from his eyes.

He went back to his office with a broken heart. He was disapointed to himself for not realizing his feelings for you when you were still here.

As he arrived t his work place, Yunho was still there at his office. "Jaejoong-ah, what happened? Did you make her stop on moving and stay?" Yunho excitedly asked.

Jaejoong lowered his head, "I didn't een see her. She already leaved me." his tears starting to fall again.

Yunho gently patted his back, not saying any word. He also don't know what to say. He didn't know what word that make him happy.

Back to Boa, she was now heart broken as her tears keeps on falling. *Jaejoong already leaved me. I don't want to be alone.* she then wiped her tears.

Yoochun must still going to accept me. He loves me so much. He can resist me. Right! I'm going back to him. she thought and went to Yoochun's Bar.

As Boa arrived at the bar, she spotted Yoochun talking with a girl. "Excuse me." Boa said.

Yoochun look up just to see his ex. "Uh.. What my ex doing here?" Yoochun asked. "I want to talk to you."

"Go ahead." Yoochun replied.
"Alone." she snapped. "No. Just say it now." he demanded.

"Okay. I'm here to say that I and Jaejoong were already broke up." she said. Yoochun raised an eyebrow, "So?"

"I realized that you're the one I really love and I know that you love me too right? So.. Let's get back together." she continued.

Yoochun laugh, "Are you insane? After you dumped me like that you want to go back to me? No way! I'm not a toy for you to played along." he then look at the girl next to him, "Let's go sexy. I don't want a BITCH disturb us." he wrapped an arm on his waist then left.

What just happened? Is this really happening to me? No! This can't be happening! she lost her balance and end up sitting on the chair.

"Give me a beer." she ordered to the waiter. As her beer arrived, she quickly drink it straightly.

She spent her night there and drink a beer as much as he want just to forget everything.

As the bus stopped at Busan, you went out and look for a place. Luckily, you found one so easily.

"Thanks ahjumma." you bowed to the land lady.

As the land lady left, you went in to have rest. *I need to build up a new life here in Busan. Did I make a right decision for moving here? I hope I do.* with that, you went to your new room and fall asleep.

CHAPTER 50

1 year later...

You already have a job. When the time you moved to Busan, you're easily get a job. You were now a chef in one of the restaurant in Busan.

"I'll accept your thank you then. So I need to go now. Just keep up the good work!" the owner said. "Yes sir." you bowed as he left.

"Woah! You got praised again." Minhee appeared from nowhere. "Uh, Minhee-ah.." you whispered.

"Isn't your birthday after two days?" she asked. You nodded, "Uh yeah. I forgot!" you replied.

"So.. what's your plans for your birthday? Are you going to celebrate it?" she asked excitedly.

that I'll be happy that much because Jaejoong is no longer with me.* you sadly thought.

Minhee noticed your reaction, "Are you still love him?" she suddenly asked. You look at her surprised. "Eh?" you gasped.

"I don't what he did on your birthday last year but I think that was very special. I can see on your face." she said since you already told her about your job on Jaejoong and that you fall in love with him but aside that, you didn't give her the full details.

"Let's just back to work." you said as you went back to the kitchen. Minhee followed you, "Why don't you go back to Seoul to see him again?" he suggested.

"There's no reason for me to meet him again. We have a contract that need to followed. After he gets Boa back, we need to separate to each other." you replied.

"What if he also want to see you?" she asked. "That's impossible. He already have Boa so that's not going to happen." you said.

"According to your story, he's sweet towards you and also did everything just you to forgive him right? I don't think that he's really not in love with you. Even though I still didn't saw him but I can feel that you're very special to him." she commented as she started to cook.

What if she's right? Why don't I go back to Seoul to see him? But... what if she's wrong and I'll just see him happy with Boa? I don't want to get hurt again. you shook your head and back to your work.

"But we're going to celebrate your birthday right?" she asked. "No. I don't want to celebrate my birthday." you sadly replied.

Minhee can see the sadness on your face, *She must be remembered the past about her birthday.* "Okay then. Just tell me your birthday wish." she said.

"Birthday wish?" you gasped. She nodded, "So.. Care to share with me?" she asked. You lowered your head and kept silent.

"It's okay if you want. I'll go make a wish for you then." she suggested. You look at her, waiting for her to continue.

"I wish you will find your happiness and don't be sad anymore." she wished. *That was actually my wish too. How I wish that's going to be true.* you smiled at her, "Thank you Minhee." you said.

She smiled back, "No problem. Let's close the restaurant now." You nodded as you two closed the restaurant.

"Annyeong Hyerin!" she waved as you waved back. Since she's on the opposite direction, you two can't go home together.

You started to walk to the Bus Stop. As you already reach it, a myterious man at your back suddenly grabbed your bag and started to run. You were shocked by the sudden action. "Yah! My bag!!!" you shouted.

But then you saw a man grabbed the thief's arm and starting to punch him. You couldn't see the man's face who help you because you were only facing his back.

"Ahhh!!" the thief yelled in pain. The man suddenly grabbed your bag from the thief as the thief hurriedly runaway.

became miserable. I kept on finding you everywhere but I always end up failing. Then I saw you here at Busan now. I don't want you to go away from me again."

He then finally released you and held your both shoulders, "I admit, I'm so stupid that time but this time I will sure you won't be separated to me again. I know it's been so late but Hyerin, I love you." he finally said.

You were shocked by his words. You couldn't believed what he was saying. "What are you saying? You already have a girlfriend right? Boa?" you asked, confused.

He shook his head, "No. Like I said, I was so stupid stupid that time. When you was about to leave that time, I just realized that you're the one that i loved and not her. That time, I and Boa are already broke up. When Yunho told me that you were going to move, I quickly run to your apartment expecting to see you and to stop you but I'm already late. I blamed myself for being so stupid with my feelings but now, I'm ready to be true to my feelings. Lee Hyerin, you're the only girl in my heart not Boa, not other girls. Only you Hyerin. I really love you." he said.

Suddenly, your tears starting to fall from your eyes. "Hyerin? Why are you crying? Is there something wrong?" Jaejoong worriedly asked you.

You then starting to lightly punching his chest. "You babo! Do you know how longer I'm in love with you? It's hard for me to see you happy with Boa. My heart hurts to see that. I even decided to forget you and moved here. Do you know how hard for me to forget you? It's

hard for me to leave the Seoul because all my happy memories are there. I tried to forget you but I can't. I do everything just to forget you and now, you suddenly appeared in front of me and saying that you love me?" you said as your tears keeps on falling.

Jaejoong grabbed you both hands to stop you on punching his chest then suddenly hugs you again. "I'm sorry if I'm stupid but I'll promise you that I won't be stupid again." he then released you and wipes all your tears. "Please stop crying now. I don't want to see you crying again." he said.

You look at him, "What you said earlier, is it really true? You're not kidding?" you just want to be sure. He smiled at you and started to lean in and kiss you to give you a proof.

You were frozed on your spot, eyes still opened. He then broke the kiss and whispered, "Saranghae." he then lean back and kiss you again.

Your eyes slowly close, *Nado saranghae Kim Jaejoong. Again, you made my birthday very special for the second time.* you then kiss him back.
