"Aww~"

"I' so jealous!"

"Why is it to be her?"

"Wow! How I wish someone like him will ask me to be his girlfriend.."

"Woah! Seems like Youngmin is a good kisser too.."

"I know right!"

You heard the students said. *I'm so lucky to be your girlfriend, Youngmin-ah.. I'm the one who were very happy.*

"Sunmi-ah, let's go home together~" Sulli, your bestfriend said as the class ended.

"Um.. Sulli-ah, mianhe but.. but.." "She will walk home with me." a voice suddenly snapped you.

You look to the door and saw Youngmin. He smiled and walk to you. He grabbed your hand, "Let's go.." he said.

You look up at him and look back to Sulli, "Mianhe Sulli, Annyeong! See you tomorrow~" you apologized as you leave with Youngmin.

One day when you were ready to go to school, your aunt said, "Don't go to school today."

"W-What?!" you gasped. "You heard me. Don't go to school today." your aunt repeated.

"But aunt, I really need to go to school. Today is our exam." you explained.

Your aunt raised an eyebrow, "Exam? You don't need to take it since you're no longer go to school. I don't have enough money to support your study so I suggest you need to stop now." she said.

Your eyes widen in horror, "No. I need to graduate in high school." you said. "Yeah. That was the exact words that your mother said to our mother but she just runaway to her boyfriend and get pregnant of you. And I know you have a boyfriend too right? Do you want to do what's your f*cking mother did?" she raised her voice at you.

"Stop saying bad words about my mother!!!" you also raised your voice at your aunt.

"Did you just raise your voice at me?!" she was about to slap your face when a strong hand stop her.

You look up and saw Youngmin. "Youngmin-ah.." you whispered. "Who are you to stop me on what I am doing?" you heard your aunt said to Youngmin.

"I'm Sunmi's boyfriend and if I saw you touch her again, I will never forgive you!" Youngmin yelled as he hold tight your aunt's wrist first before he finally released it.

Your aunt made a step back as Youngmin grabbed your hand

and dragged you away.

Both you and Youngmin walk together to school. It was a silent walk.

"Gomawo.." you suddenly broke the silence. Youngmin stopped and look straight at you. He started to walk close to you and hugged you, "You know that I will do everything just for you to not hurt." he whispered.

You felt so warm by his embrace. You smiled and hugged him back, *I'm very lucky to have you by my side, Youngmin-ah..* Youngmin the one who broke the hug but instead he hold your hand. "Let's go!" he said.

You nodded and followed him.

"Thank you for walking me here at my classroom Youngmin-ah.. See you later." you said smiling and spun around.

You was about to walk in to your classroom when Youngmin's hand suddenly grabbed your wrist that made you face him again.

Youngmin lean in and kissed your forehead, "Saranghae Sunmi-ah.. See you later." with that, he finally left.

You on the other hand, stand still, dumbfounded. The girls at the classroom saw it and starting to talk about how lucky you are.

You felt your cheeks become pink as you went inside the classroom. You then saw your bestfriend Sulli, "Good morning!" you greeted her with a smile.

Sulli just gave you a small smile. You didn't even noticed her reaction since you're still on the thought about the kiss that Youngmin's gave to you.

After class, Youngmin went to

your classroom to fetch you. You say 'goodbye' to Sulli first before you could finally leave. Sulli didn't give you a response as you didn't noticed it again.

You and Youngmin started to walk on your way home. "Do you think your aunt will not going to hurt you if you reach your home?" Youngmin worriedly asked.

You smiled and nodded, "Don't worry about me. I can take care of myself." you replied.

"Okay but atleast I walk you up to your house' door." he said. You nodded as you heard his worried voice.

Luckily, your aunt was not there when both of you reach your home. As Youngmin finally make sure that you're okay, he say 'goodbye' to you and completely leaved.

CHAPTER 3

You and Youngmin walk hand in hand to school. You look up at him and stared for a while.

Youngmin noticed you and turned to face you. "Wae? Something on my face?"

You shook your head and smiled, "You know what? I really like your blonde hair." you said.

Youngmin look up to his hair and look down at you, "I know right! And I also know you fall for me because of my style!" he winked.

You rolled your eyes but smiled. You stopped that made Youngmin to also stop. You gently brushed his bangs to the side, "I admit, I fall in love with a blonde guy like you.. And I'm happy that you also fall for me.." you smiled.

He smiled back as he bent down

and kissed your cheek, "Yeah. I'm happy too." he whispered. Your softened as you smiled. With that, both of you continued to walk to school.

As time passed by, Youngmin became different towards you. He's not much so sweet to you as he always did before.

Yes, he still fetch you and walk with you to school but no more holding hands, kiss on the lips, kiss on the cheeks and even on the forehead anymore. He also stopped saying sweet words to you.

You felt disappointed sometimes, when he didn't fetch you or even walk you home after school. But you didn't even ask him about it.

Valentines day came, you wake up early to prepared chocolates for Youngmin. You went to the store to buy all the ingredients you need.

Right after you went back home, you started to make chocolates for your boyfriend. After just an hour, the chocolates are done.

With that, you wear your school uniform and went to school together with the chocolates that you made.

As you were walking towards the school entrance, you saw Youngmin with your bestfriend Sulli. You can see that they are arguing about something. *Why is he with Sulli?* you asked yourself.

For you to confirm why, you secretly followed them. You saw them stopped at the garden. You carefully hide yourself behind the tree to hear their conversation without they knowing.

"Okay.. I want you to choose between me and Sunmi." you heard Sulli said to Youngmin. Your eyes widen on what you

just heard coming from your bestfriend's mouth.

"What? Why do I need to choose?" you heard Youngmin said. "Because it's not fair to me and maybe to Sunmi. We love each other but all the students knows that your girlfriend is Sunmi and not me." Sulli said.

Youngmin remained silent. Sulli let out a sigh, "Okay then. If you want to choose, let's just break up!" Sulli started to walk away.

But Youngmin grabbed her hand, "No! I can't live without you. I love you Sulli-ah. You're the only one girl in my heart." Youngmin said.

A tear suddenly fall from your eyes after you hear Youngmin's words.

"So.. I'm choosing you.." Youngmin said. "How about Sunmi?" Sulli asked. "I'm going to break up with her. So please don't leave me. I love you okay.." Youngmin said.

With that, the box of chocolates that you was holding suddenly dropped to the ground.

Both Sulli and Youngmin heard it and saw some chocolates dropped from the box. Then.. they saw you hiding behind the tree.

"Sunmi-ah.." you heard Youngmin whispered. You look at them as your tears keeps on falling.

Without saying a word, you hurriedly runaway. "Sunmi-ah!" you heard Youngmin called you.

He was about to run after you but Sulli stopped him, "Are you going to choose her now huh?" Sulli raised an eyebrow.

Youngmin just lowered his head, "No." he whispered.

You keep on running, still falling your tears from your eyes. Suddenly, you reach home and

straightly went to your room.

Your aunt saw you as she run after you but you shut your door before she could enter your room.

You burried your face on your pillow as your aunt started to knock on your door. "Yah! Open the door! Don't you have classes today huh?! Sunmi-ah! I said open it!!!" you heard your aunt shouted.

You didn't mind her and just continued crying at your room. Your heart is like nothing now after hearing what Youngmin said.

Youngmin-ah.. I love you but why did you break my heart and cheated on me? All of the girls in the school, why my bestfriend? I thought this would be the happiest valentines day of my life since it's our first valentine's day together but I was wrong. And you, Sulli.. I thought you are my bestfriend but you just stole my boyfriend. I hate both of you! I hate to make friends! I hate blonde guys!

CHAPTER 4

It's been almost a year since Youngmin broke your heart. You become a different person after what he did to you.

You started to hate people around you, not much talking to others, and not usually smiling. In short, you're now a cold-hearted person.

Youngmin and Sulli were still together and you just always ignored them at school. You didn't have any friends, you're just always alone.

Now, you're already get a job. You're working at the Coffee Shop as a waitress.

Monday morning, you wake up early to prepared yourself to school. As always, your aunt started to yelled at you but you just ignored her and went straightly to your school.

Before you enter school, the first person who caught your eyes was a blonde guy but then you realized it was only your ex-boyfriend, Youngmin. He was holding the hand of your ex-bestfriend, Sulli.

You could see that they're happy together. Your expression became sad. It's been almost a year but you still feel hurt when you saw them together.

You let them disappeared on your sight first before you completely enter the school.

The classroom was full of noise but as the time you enter it, they all stopped and the atmosphere became silent.

You straightly went to your chair and sat there. You felt them staring at you. You just give them a glared that made them look away.

Bitches! you rolled your eyes as you look at the window.

Suddenly, your teacher came. She started to discuss as you tried to listen.

In the middle of the class, you grew bored. You suddenly stood up and left the room without saying a word.

Your teacher was already used to it so he didn't stopped you and just ignored you.

You were walking to the Coffee Shop to start your job. You also didn't talk to anyone (co-workers) there.

You just open your mouth to talk when you need to talk to the customers but just only short words.

After you work, you went to the house as you ignored your aunt as always.

The sun finally rises, you felt someone is with you. You slowly open your eyes and saw your aunt trying to get all your money.

You quickly sat up and tried to get it back to you but your aunt already put it to her pocket.

"Yah! Give me my money back!" you shouted. "No! I need money now so you just go and make money for yourself again!" with that, your aunt left.

Your eyebrows frowned. *WTF?! Why is this happening to me?! Arggg!! I hate my life!!* you stood up and just prepared yourself for school.

As you were walking to school. You remember what your aunt just did to you earlier. All the bad thing that happened to you went back to your head.

I wanna die now! you screamed to your head. Suddenly, you saw a van coming. *I'm already tired with my f*cking life!...*

Without a second, you quickly stepped at the center of the road and close your eyes...

BAP went out from the van to see the girl lying on the ground. They all walk to her and gently shook her, "Miss, are you okay?"

You stepped at the center of the road trying to end your life. As the van stopped, you only hit a little but still fainted.

"Miss, are you okay?" you heard voices said. You slowly open your eyes. Your vision is still blurred but you could see 6 heads with blonde hair.

*Wait! Blonde? Even in heaven, there are blonde guys?! I want

to kill myself for me to forget about my blonde ex-boyfriend but why? What I have done to punish me like this?* you said on your mind.

You saw one of them who's hair is curly waving in front of your face, "Agashi?" he said. "Are you okay Agashi?" the one muscular guy asked.

Right after you heard them asked you, you noticed that you didn't died. You're still alive. All the blonde guys around you are true.

Both you and your aunt. A blonde with a mask who help you earlier was there to help you again. *Why he keeps suddenly appearing on my sight?*

"Who are you? And what's with that mask!?" your aunt yelled at him.

The blonde guy carefully removed his mask and spoke, "I don't think I need to answer your question!" he said.

You don't want to admit but he looks good without his mask.

"Mwo?!" your aunt gasped. "If you touch her again, I won't forgive you!" with that, he released your aunt's arm instead he grabbed your hand as he dragged you away.

You quickly removed your hand from his as both of you already far from your house.

Without noticing, a tear suddenly fall from your eyes because of what he just did. That was exactly Youngmin did to you a year ago.

You didn't want to remember him but you did. But then, you felt a hand wipes your tear.

You look up to see the worried face of the blonde guy who help you twice. You immediately pushed his hand away and look to the other way.

"I didn't know what was happening between you and that lady but you can say it to me if you want." you heard him said.

"Okay. I know you already help me twice today but it's not mean that we can already be friend. AND I didn't who you are!" with that you walk away.

"Don't you know? I'm your classmate, Jung Daehyun!" he shouted but you didn't even look back and just continued walking.

Daehyun raised an eyebrow, *I thought I'm the mysterious one but I guess you're more mysterious than me.* with that, he smiled as he put back his mask on and walk away.

CHAPTER 10

You were walking around town, nowhere to go at this time. You can't go back to your aunt's house since she's bow pissed at you.

I have nowhere to go.. you sighed as you continued walking.

You are currently looking for a place to stay when a a guy with a straight blonde hair blocked your way.

You look up and raised an eyebrow, *Another blonde? I really hate this day!*

You ignored him and stepped aside to passed by him but he quickly stepped aside and blocked you again.

You frowned, "Can you please stop blocking my way?!" you raised your voice at him.

"I'm sorry but I was just bored." he replied. "So what? Who cares?!" with that, you walk passed by him but he was too fast and caught you.

"Let's eat first before you leave." he grabbed your hand as he dragged you away.

You tried to unclasp your hand from him but he's stronger than you so you couldn't. "I'm not hungry so just go and eat by yourself!" but your stomach suddenly make sound.

You close your eyes, *Aigoo! Why at this time?* you look up at him and saw a smirk on his face.

"Seems like your words didn't

match on what your stomach's wants to say." he said as he forcibly dragged you to the near restaurant.

"Eat a lot. Don't worry, I will pay all of it." he said as the orders already arrived.

"I already said I'm not hungry. Don't you understand?!" you said but your stomach make a sound once again.

You hold your stomach, *Aish! Can you please stop making some noise?* you mentally said to your stomach.

The guy with a straight blonde hair laugh a little. "Just stop protesting and eat. Your stomach will continue to make a sound if you didn't eat." he said.

You rolled your eyes, *Maybe I can take just a bite.* you grabbed the spoon and started to eat.

The guy smiled, "By the way, I'm Yoo Youngjae. You are Sunmi right?" he said as he pulled out his hand offering for shake hands.

You just ignored him and continued to eat. He shook his head in amusement, *She's really different.* a smile went up on his face as he started to eat also.

"I'm going now." you said after Youngjae paid your orders.

He blocked your way again, "Wait! I still want to go somewhere." he snapped.

You frowned, "Is blocking someone's way your hobby huh? And if you want to go somewhere, just go by yourself!" you said as you walk passed by him.

Youngjae suddenly catch you, "Can you please go with me?"

You look up at him. He's doing an aegyo. You rolled your eyes,

"Stop doing that. It's not fit on you." you said as you continued to walk again.

Youngjae pouted but still followed you. You stopped and look at him, "Can you please stop following me?! I already eats with you so can you just go on your own way?!" you rolled your eyes.

Youngjae brightened, "Yeah! I have an idea. Let me walk you home then." he suggested.

Walk me home? I still have nowhere to go. I still need to look for it. you remembered.

"No! Just go and leave me alone!" with that you run as fast as you could. Youngjae stunned by your sudden action that he didn't move immediately. He wants to run after you but you already gone.

Youngjae sighed, *So fast! I thought I'm the fastest. She really amazed me..* a smile formed on his face as he walk away.

You stopped running as you already far away. You look around and luckily, Youngjae was not around.

Do I need to run on the whole day? Aish! It's so tiring. How I wish, I'll found a place to stay.

You look around once again when your eyes suddenly caught a sign board that there's something written on it.

Apartment for Rent!

Perfect! you then saw the payment. So high but you still have money since you already get your salary.

You went to the owner of the apartment to rent one of their room. To your luck, your salary reach the payment. That night, you stayed there at the apartment.

CHAPTER 11

"Yah! Jongup hurry up! We're going to be late if you don't hurry now!" Yongguk shouted.

"Ne! Just wait! I'm still washing!" Jongup shouted back as he turned on the shower.

"Aish! So slow." Himchan said. "Let's just go and leave him here." Youngjae suggested.

"He's right! Jongup has his own feet so he can go to school on his own." Zelo added as Daehyun nodded.

"Okay. Jongup we're going now! Go to school by yourself!" Yongguk shouted but Jongup didn't hear it since the shower is turned on.

Without waiting for his response, BAP left the dorm without Jongup.

After a while, Jongup went out. "Eh? They already leave without me? Aish! Those guys are really something!" he whispered annoyed as he grabbed his bag and left.

You slowly open your eyes as the sun rises. Your vision was still blurry but just after a moment, your vision became normal.

You look around, you saw an unfamiliar place but then, you suddenly remembered what happened yesterday that you rented an apartment since your aunt won't accept you anymore to stay there at her house.

You stood up and prepared yourself for school. Just after

you wear your uniform, you grabbed your bag and left the apartment.

As you were walking near at the school entrance, a motorcycle suddenly popped on the road and accidentally bumped into you that made you fall on the ground.

"Ow!" you screamed. The men get off from his motorcycle and went up to you, "Miss, are you alright?" he asked.

You were about to reply when a sudden voice said, "Of course she's not!"

You shifted your gaze at the direction of the voice. A blonde guy was walking towards you.

A blonde one again? you thought.

"Your feet is bleeding.." he said in a worried voice. "I'm okay." you said and tried to stand up but failed. "Ouch!" you accidentally beamed.

You saw the blonde guy glared at the man who accidentally bumped to you. "If something happens to her, I won't forgive you!" he yelled.

You saw the man bowed at him, "I'm sorry. I didn't mean to hurt your girlfriend." he apologized.

"No! You're wrong! I'm not her girlfriend!" you blurted. The blonde guy take a look at you.

"Just let him go. I already said I'm okay." you said frowning. The blonde guy look back at the man, "You are lucky that she forgive you. You can go now but next time, be careful!" he said.

The man nodded and bowed again then left.

The blonde guy stooped down in front of you, "You okay?" he worriedly asked.

You ignored him and slowly stood up then walk away but you suddenly fall again. You were about to stand up again when you felt a pair of arms lifted you up in the bridal style.

You look up at him, surprised. "Stop saying you're okay if it is obviously different." he said as he entered the school while carrying you.

"Yah! Put me down!" you said. "No until we reach the clinic." he said.

Suddenly, you both arrived at the clinic. "Uh., what happen?" the nurse asked.

"The motorcycle accidentally bumped to her." the blonde guy said. The nurse nodded, "Okay. Just put her down on the bed." she ordered as the blonde guy did.

The nurse get the first aid kit and started to clean your blood and put a something to hide the bruise. "Done! Just be careful next time." the nurse said.

You just nodded. You were about to leave when the nurse spoke again, "You can't leave now. Just stay here and take a rest." she said.

"But—" "No buts! Just do what the nurse said to you." the blonde guy suddenly spoke. You rolled your eyes. "Uh.. Wait. I'll go first." the nurse said and left.

The blonde guy walks to you as he forcefully laid you on the bed. "Go sleep now." he ordered.

"No. I want to go to my class." you said as you sat up. He laid you again, "No! Just take some sleep." he ordered. "Who are

you to decide for me?!" you yelled.

"Introduction eh? Okay. I'm Moon Jongup. Your name was Sunmi right?" he pulled out his hand offering a hand shake.

You just rolled your eyes as you rolled your body to the other side so you can't see his face. Jongup raised an eyebrow to you.

He open his mouth to speak but you suddenly spoke, "Go to your class now. You're already late." you whispered.

He take a look at his watch as his eyes widen. "Omo! I'm late!" with that, he run off.

You let out a sigh as you close your eyes to take some sleep.

CHAPTER 12

Jongup arrived at the classroom late.

"Mr. Moon why are you late?" the teacher asked. He bowed, "I'm sorry Seonsaengnim for being late. I help someone that's why." apologized.

"Okay. Please take your seat now so I can continue our discussion." the teacher said.

Jongup bowed once again, "Kamsahamnida Seonsaengnim." he then went to his seat.

His friends, BAP look at him. "Help someone huh?" Yongguk whispered. "Nice excuse man!" Himchan smirked.

Jongup rolled his eyes on them,

"Whatever!" he then faced the front.

I hope she's alright.. Jongup remembered you.

Second class came, you decided to leave the clinic and go to your classroom.

To your luck, the nurse isn't there so you easily leaved there.

You went to the classroom with the help of the wall since your feet still unconcious.

When you arrived at the classroom, your teacher not yet there. Jongup suddenly saw as he run to you.

"Why are you here? You seems not yet alright." he said worriedly.

You ignored him and just went to your seat. You sat there as your rested your head on your desk.

Jongup still not giving up and followed you, "You want me to bring you home now?" he asked.

You faced the other side, "Just leave me alone." you snapped. He shook his head then went back to his seat.

"What happen to her? Are you guys know each other?" Youngjae suddenly asked Jongup.

"Like what I said earlier, I help someone and that someone is her." Jongup simply replied.

"Mwo? What happen to her?" Yongguk asked. "Is she still hurt?" Himchan asked.

Daehyun and Zelo just listen to their conversation.

"Just ask her if you want to know." Jongup said as the the teacher suddenly came.

Class dismissal...

You are actually have work today but you don't have energy to work today so you just decided to went home.

You are still unconcious as you walk to your new home. This will be hard for you since your apartment is really far from school.

Suddenly, someone grabbed your arm and lifted you on his back. The sight you saw was a curly blonde hair.

Aish! I really hate blonde! you thought.

"Yah! Put me down!" you ordered but he didn't. "You are still unconcious so I will give you a piggy back ride to your way home. So where's your house?" he asked.

"I don't need your help. Just put me down so I can go home now." you snapped.

"No! Just let me bring you home." he snapped as he started to walk, didn't know where and just continue walking.

"Left." you said. "Eh?" he asked.

"Turn left. My apartment is located there." you said. "Ohh.." he nodded in understanding and followed your instructions.

"We're already here. You can

put me down now." you said as you two reach the apartment.

"No! I'll walk you until your apartment door so where's your apartment here?" he asked.

You rolled your eyes, "There!" you pointed.

As you two are already at the front door, the guy that has a curly blonde guy finally put you down, carefully.

You then unlocked your door and crefully entered.

"Um.. By the way, I'm Choi Junhong but you can call me Zelo. You are—" *BANG!* you didn't let him finish his sentence and quickly shut the door in front of his face.

What a girl? Not even saying thank you, eh? Interesting~ Zelo shook his head in amusement then left.

CHAPTER 13

It's been almost a week since you didn't go to school and even to the shop. Your feet were still not fully recover because of the accident.

5:00 in the afternoon...

Since you are already okay, you decided to go to the shop to work. Your money is not enough now for you to live. You still have to pay your apartment's payment or else you can't stay there anymore.

As you reach the shop, you straightly went to your manager to explain your being absent these past few days.

"I'm sorry Sunmi but you are fired now." he said. Your eyes widen in horror, "W-What?! Wait! Why?" you gasped. "The shop is having a hard time right now and we need to fire some of you and you are one of them. We don't want to fire you but you've been gone these past few days so I'm sorry but you're not belongs here anymore." then your manager left you.

Your legs became weak after you heard what your manager said. You don't have any choice but to leave the shop since you're no longer a worker there.

How do I pay my apartment now? I don't have enough money to make me pay it. I should find a job now. with that, you started to look for a job.

To your luck, you found a job but your salary won't be too high like what your salary at the Coffee Shop. You are still working at the Coffee Shop but a small one and not so famous shop.

After that, you then look for another place to stay since your salary can't afford the apartment that you're currently staying.

After a long walk, you finally found one. The payment is not that high but the place is so small. Not a problem actually since you're the only one will gonna stay there.

Without any hesitation, you take it. You went first to your old apartment to get all your stuffs and talk to the owner. The owner understands you so she let you leave.

As you entered your new home, you started to unpacked your stuffs and placed it to the right

place.

You then walk around and study the place. The living is not that small for yourself. The kitchen is quite good too. The bedroom is okay too but the bed is a bit small but you don't mind since you are more used to sleep on the floor than the bed.

Ever since you live together with your aunt, she didn't buy you a bed but when the time you get a job, you finally bought one for yourself.

Not bad.. Atleast I'm not gonna having a hard to pay for it. you thought as you went to your new room and shut the door.

Morning came. Since you are fully okay now, you decided to to go to school today.

You make a breakfast for yourself and eat it before you could leave your new place and go to school.

As you were ready, you went out and locked your door. When the time you stepped you feet forward, 6 blonde guys appeared in front of you. *Wait! Those blondes again?!* you thought.

Suddenly, they noticed you. "Eh?! Isn't that Sunmi?" Zelo asked his friends.

Daehyun nodded as he met eyes with you. You just rolled your eyes on him.

They all walks to you, "What are you doing here?" Yongguk asked. "Why do you need to know?" you rolled your eyes and walk passed by them.

"Wait! Are you the one who's living here?!" Youngjae shouted

for you to hear it as he pointed at your new home.

You look back raising an eyebrow, "Yes. Happy now?!" you tiredly replied with annoyance and continue to walk again. "Woah!" Jongup gasped.

"Wait!" Himchan snapped as he runs to you. He then wrapped an arm to your shoulder, "So.. I guess we are neighbors now.." he whispered to your ear.

You quickly pushed him away from you, "Whatever!" with that, you walk faster.

Neighbors? With those blonde guys?! What is really happening to my life now? I so hate it! you thought.

CHAPTER 14

When the time you arrived at school, BAP also arrived after you.

You didn't even give them a glance back but just went straightly on your chair.

Just after a minute, your teacher came. You carefully sat up and decided to listen for the class today. You didn't know why but you feel that you like it.

The discussion went good as your teacher was relieved when she saw you listening.

Lunch break...

You carefully put all your stuffs on your bag. You stood up and left the room.

As BAP saw you leaved, they are automatically stood up and followed you.

You could feel some pairs of steps behind you. You carefully spun around only to see the 6 blonde guys once again.

You raised an eyebrow at them, "You guys again? Why you guys are always following me?" you asked.

"We just want to be friends with you." Yongguk calmly said.

You raised your eyebrow again, "Friends? I don't need that so just go and leave me alone!" you said as you started to walk again but then, one of them block your way. It's Youngjae.

"What are you doing?" you frowned. "I thought you already know. You said it's my hobby right?" he reminded.

Yes. I said that. you thought.

You rolled your eyes and stepped aside to walk away but as usual, he blocked your way again.

"Yah! Stay away from my way!" you yelled.

Suddenly, the BAP went to you as they encircling you. "Just let us be your friend. Let's eat together at the canteen." Himchan winked.

You rolled your eyes, *Eeeww!* you said on your mind.

"I already said I don't want to be friends to anyone." you repeated it to them.

Daehyun carefully look at you as he slowly removed his mask, "What's the reason why then?" he asked.

"Why do I need to tell you?" you

snapped. Daehyun pouted as he put back his mask on to his mouth. *She's really something..* he thought.

"Let's just be friends okay?" Jongup said. "Yeah! Just let us be your friends." Zelo agreed.

You open your mouth to protest again but Youngmin suddenly popped on your sight. He passed by you.

BAP followed your gaze, puzzled.

You met eyes with Youngmin. You just stared at him as he walk. But then, Sulli appeared on his side, hugging his arm. Your heart started to feel hurt again. You still couldn't stand seeing those two together.

Just then, Sulli noticed you. She gave you a glared as she pulled Youngmin closer to her. "Oppa, let's go!" she said loudly as she dragged him away.

When they are already disappears on your sight, a tear suddenly fall from your eyes.

"What happen to you?" "Are you crying? Why?" "Is there something wrong?" "You hurt somewhere?" BAP asked you, worried.

You quickly wiped your tears as you pushed them aside on your way and started to runaway.

Your tears couldn't hold it anymore so it continously falling from your eyes.

BAP watch you running, still puzzled.

What happen to her?

Something bad happen?

I wonder why she cried.

*Her expression become different when he saw that blonde but

why?* *Why do I feel she's having a hard time?* *I hope she's okay.* BAP thought.

CHAPTER 15

You stopped at the school garden. You sat at one of the bench there.

You tears kept on falling. You wiped it, *Why am I crying right now? Why do I feel so hurt.* you tried to stop yourself on crying but your tears didn't want to stop on falling.

You put your right hand on your chest. You closed your eyes as a tear fall from your eyes, "Can you please getting hurt just because of him?" you whispered.

The bell rang. That means the break finally ended and the class will going to resume now.

You carefully fixed yourself as you stood up before you could leave the school garden and went back to your classroom.

As you entered the classroom, all of pairs of BAP's eyes were on you. They grew worried when they saw your red eyes.

Right after you sat on your seat, your teacher arrived and started the discussion.

Class ended. You stood up and immediately leaved the classroom.

BAP just watch you disappeared from their sight. "I wonder what

happen to her?" Youngjae said.

Daehyun nodded, *Yeah. Me too..*

"I hope she's okay." Jongup said. "Yeah. She looks depress in the whole class time." Zelo agreed.

Just then, your two girl classmates passed by at them when Himchan spoke, "Wait! Girls!" he said.

The two girls stopped as they spun around to face them. "Eh?" one girl gasped. "Us?" the other girl asked.

Himchan nodded.

The two girls look at each other before they went up to them. "Wae?" they asked.

"Can we asked you two?" Himchan asked. They just nodded, "But what is all about?" one of the girls asked.

"Um.. It's about Sunmi." Yongguk said.

"Sunmi?!" they both gasped.

Youngjae nodded, "Since we're transferee here, we're just curious why she's like that." he explained.

The girls nodded in understanding. "Ohh.. Don't you guys know about the rumor about her?" the girl asked.

"Rumor?!" Zelo gasped.

The two girls nodded once again, "She's not like that before she and Youngmin broke up."

"Youngmin?" Jongup asked. They nodded again, "He is the school kingka and hearthrob as well before you guys came here. He is Sunmi's ex-boyfriend. He

is also blonde like you guys. They actually broke up just because of her ex-bestfriend. Youngmin cheated at her and now with her ex-bestfriend. She became like that maybe because of depression and heartbreak." they explained.

"Okay. Thank you girls!" Himchan said. "Just a thank you?" the girl raised an eyebrow at him.

Himchan then went to them and kissed them on the cheek.

The two girls froze on their spot.

Himchan smirked. "Let's go now guys!" Yongguk ordered as they left the two girls there.

Inside the van, BAP were all on their own thoughts.

So she become like that because she's heartbroken.. *I never thought she's having a hard time just because of her ex.* *So.. The blonde guy we saw earlier is her ex-boyfriend and the girl who's with him is her ex-bestfriend? What a cruel life she have.* *That means.. the reason of her tears is because of that blonde?* *Now I understand why she's like that.* *It now explains why she hate us..* BAP thought.

CHAPTER 16

Valentines day came. You didn't even know what day is today.

You slowly open your eyes when the the sun finally rises. You fixed yourself for school. Just

after that, you went out from your house.

As you open your door, BAP appeared on your sight. *Oh boy! I hate this day now..* you thought.

They smiled at you but you just rolled your eyes on them as you passed by. You started to walk away when you heard Himchan shouted.

"Hey! Don't you know what day is today?" he shouted.

You didn't even care to give him a response so you just continue to walk. Then again, you heard a voice again but this time it's Yongguk.

"Today is Valentines Day. Don't you have a date?" you heard him shouted to you.

You suddenly stopped on it. *Valentines Day?* you remembered that was the exact day when Youngmin and Sulli broke your heart.

You then continue to walk again not even turned to face BAP. You walk so fast so you couldn't hear what they want to say again.

After what my ex-boyfriend and my ex-bestfriend did to me, I already forgot what occasion in February 14. you thought.

The class went good. Suddenly, the bell rang for the end of the class.

You immediately went out from the classroom to went to your new work place.

When you were walking at the school corridor, you suddenly saw the unexpected person.

You froze on your spot when the time you saw Youngmin and met eyes with him. You couldn't even move however you want to.

Youngmin slowly walks to you, "Sunmi-ah.." he whispered. You looked away.

"How was your life now?" he asked. His question made you face him. You raised an eyebrow, "My life? What do you want me to reply to you? I'm good even though I'm not. After what you did to me, you still have a guts to ask me that kind of question? Are you insane or what?!" you said a little bit high voice.

"I know I hurt you. I also know that you hate me but I'm just a person who fell in love with your bestfriend. Sunmi, sorry for hurting you but I just want to clear the issue about us. Can we just be friends now?" he explained.

"Friends? I don't know what friend is. After what my EX-bestfriend did to me, I already forgot the meaning of that word." you said.

"I know you won't accept me again as your friend but I still want to." he said. You open your mouth to reply when Sulli suddenly appeared from nowhere.

Sulli grabbed Youngmin's arm and hugged it tightly. She then give you a glare, "Why are you talking with my boyfriend? Are you trying to seduce him huh?!"

You laugh a little, "For your information, I'm not like the others who always want to flirt someone's boyfriend and stole it from them. I'm not that desperate to seduce someone just to get my will. I still have my dignity over my body!" you

snapped.

Sulli got pissed and was about to slap you when Youngmin grabbed her arm and get her back to his side again. "Stop this." he said.

Sulli looked at Youngmin then to you. You smirked as you raised an eyebrow at her.

But then you saw her smiling, "Well.. I don't have to waste my time to her since I still have a date with my boyfriend this Valentines Day unlike the others who didn't have any date today." she said.

"Mwo?!" you started to pissed off. "Wae? Are you one of them huh? I guess it's a yes. Since you don't have a boyfriend so you also don't have a date.." she laughed.

You open your mouth to reply when you suddenly heard a voice, "You are definitely wrong with that!"

Youngmin, Sulli and also you turned to look at the direction of the voice. Your eyes widen when you saw the 6 blonde guys walking towards you.

What they are planning? you thought.

They look at you first as they smiled then look at the two. "All of us are her date for the Valentines Day." they stated.

CHAPTER 17

Your eyes widen in shock after you heard what they said.

The first who react is Sulli,

"Mwo? 6 dates?" she gasped.

Himchan walks to you as he wrapped his arm on your shoulders that made you look at him. He smiled at you then look at Sulli, "Yes. This girl beside me is OUR date." he said.

You remained silent and waiting for Sulli's reaction and so was Youngmin.

You then saw Sulli shook her head, "No. Impossible. That's not true!" she snapped.

"Sorry girl but it's real."
Youngjae said.

Youngmin look at you first before he speak. "Sulli-ah, she can also have a date right? So just let her and let's go now." he said.

Sulli look at Youngmin then to you. She smirked, "Okay oppa." she hugged his arm so close to her, "We still need to go on our date. Atleast I have you Youngmin oppa. Kaja!" she then dragged him away.

You just watch them to disappeared on your sight. You lowered your head and sighed.

BAP look at each other, worried about you. Suddenly, Himchan removed his arm from your shoulder instead he hold your hand. "Come on!" he said as he dragged you away.

BAP followed.

"Yah! Stay away from me!" you yelled at them as you removed your hand from Himchan.

"We still have a date so we can't." Jongup snapped.

You crossed your arms across your chest and frowned at them, "I don't need to date someone and I don't have time

for that. I still have to work."

With that, you walk faster until you reach your work place.

You started to work as you arrived at the shop. The shop is full of couples who are dating since today is valentines.

No need to rush since the shop has a lot of workers.

As you were busy on your work, 6 blonde guys came suddenly came and it's BAP.

After you saw their faces again, a frown suddenly went up to your face. "What are you guys doing here?" you asked.

"We're here to fetch OUR date." Daehyun said as he give you his precious smile. This time, he's not wearing his mask anymore.

You raised an eyebrow, "I'm busy so just go." you said as you spun around to walk away but Youngjae blocked your way.

"Yah! Move!" you shouted at him causing your manager to hear it. He immediately went to your direction, "What's going on here?" he asked.

You bowed at him, "I'm sorry sir. I'll take care of it." you apologized.

"By any chance, are you her manager?" Zelo asked while holding the thing on his neck.

Your manager nodded, "Yes. I am. Wae?" "We're actually here because we want to ask your permission if we can borrowed Sunmi for today. Since today is valentines, we want to date her today." Yongguk explained.

You saw your manager raised an eyebrow at them, "Date with

all of you?" he asked confused.

They all nodded, "Yes. You heard right." Himchan said.

Your manager smiled and sighed, "Okay I give you guys permission to borrow her today since it's valentines."

Your eyes widen in horror, "Mwo? But I still need to work." you blurted. Your manager smiled at you, "Don't worry, today will be your dayoff. I do feel these guys, I'm a guy too who want to have date in valentines so go on a date with them now." he said.

Jongup walks to you, "So.. You don't have any reasons to runaway now. Come on before the valentines was going to end." he said.

With that, the others walks to you as they dragged you outside the shop. "No! Sir help!" you shouted.

Unexpectedly your manager shouted back with unexpected reply, "Enjoy your date!"

Even my manager want this too. you thought.

CHAPTER 18

"Yah! Where do you guys want to drag me? Can you just let me go!" you yelled at them as all of your went inside the van.

Zelo was the last person who entered the van so he was also the one who shut the door closed.

You tried to escape but they quickly grabbed you and sat you

back. "Yah! I said LET ME GO!!" you shouted even more.

"Youngjae go and start the car now." Yongguk ordered. You saw Youngjae nodded as he did what Yongguk said.

"Where are we going?" you asked, annoyed. "Just wait and see." Himchan smirked.

You rolled your eyes on him as you rested your back on the back of your seat. You let out a sigh, *They always annoys me..* you thought.

You saw Daehyun smiled at you as you gave him a look. With that, Daehyun look to the other side as he put his mask on.

Weirdo.. you thought as you rolled your eyes on him.

The van suddenly in front of the Lotte World. All of you went out from the van.

"What are we doing here?" you asked. "We're here to have fun." Zelo beamed.

"Have fun? What would be so fun in here? I couldn't see anything.." you said in sarcastic voice.

Himchan walks to you as he wrapped an arm to your shoulder. You pushed him away, "Stop touching me. We're not close for you to do that!" you snapped.

He pouted and he didn't wrapped an arm to you again instead he hold your hand. You tried to removed your hand from his but he hold it tightly.

You frowned at him, "I told you not to hold my hand! Let go my hand now!" you yelled but he just winked and dragged you to

the roller coaster as BAP followed.

"Why did you dragged me here?" you asked. Himchan look up, "We're going to ride that." he nodded to the dorection of the roller coaster.

"Mwo?! Andwae!" you protested. "Wae? Scared eh?" Jongup smirked at you. You gave him a look, "N-No I'm not!" you blurted.

"Then let's go ride it." Youngjae said.

"I will sit next to Sunmi-ah.." Himchan said, still holding your hand. "Mwo?!" BAP gasped.

"I want to sit next to her too." Yongguk said. "Nado!" the others agreed.

"Then let's ride one by one." Himcham requested as the others quickly agreed.

Your eyes widen in horror, "Yah! I don't want to ride that 6 times!" you snapped.

You saw them smirking, "Sorry but you don't have any other choice." Youngjae said.

CHAPTER 19

"Waaaaaahhh!" you screamed as the roller coaster started to move. You then felt a hand on top on your hand. It's Himchan since he's the one who choses to ride with you first.

You slowly look up at him. You saw him smiling, "Don't be afraid. I'm just here next to you. Just hold my hand like I do." he whispered to you.

You quickly removed your hand from his, "I'm not afraid!" you snapped. "If you say so.." you heard him said.

Suddenly, the climax of the ride came. You couldn't but to scream as you quickly grabbed Himchan's hand. Himchan turned to you.

Your eyes were close as you were holding his hand tightly. A smile went to his face as he hold your hand like you do.

"That was fun!" Himchan whispered as both of you still holding each other's hand. You rolled your eyes on him, "Shut up!"

He grinned, "Your hand was so soft." he whispered. After hearing that, you quickly removed your hand from his hand as you get off from your seat.

Himchan couldn't help but to smiled.

"I'll go next." Daehyun said as he dragged you away. "Yah! I don't want ride anymore!" you snapped.

He stopped as he turned to look at you, "You need to be fair. You ride it with Himchan so go and ride it with me too." he said.

"But I'm already dizzy." you replied. He just smiled at you as he walk to you, "I can make you feel different when you ride it with me.." he whispered on your ear.

You rolled your eyes but he dragged to the roller coaster. You can't escape since he's so

strong.

"Ready?" he asked as both of you sat on your seats. You raised an eyebrow, "What do you think?"

He smiled, "I think you are." he replied. You stared at him for a moment. *Is the one who is wearing a mask?* you thought.

"Yes. I am." he whispered. "Mwo?" you gasped.

He turned to look at you and smiled once again, "I know you're wondering if I'm the one who's wearing the mask and yes I am the one." he said.

"I didn't even ask.." you said. "But you are wondering." he snapped. You rolled your eyes on him then you felt the ride was started to move.

You bit your lower lip, *I'm going to die now. Eoteokhae? God help me please..* you thought.

Suddenly, Daehyun wrapped an arm to your shoulder as you pulled you close to him.

You were so shock by his action. "Yah! What are you doing? Don't touch me!" you tried to pulled away but he was too strong than you.

"You will feel better in this position." he simply whispered. You look up at him as he give you a smile. *Is he crazy or something? Why he keeps smiling at me? Weird..* you thought.

Suddenly, the climax of the ride came. You didn't know what to do so you just close your eyes as you immediately hugged Daehyun and rested your head on his chest. Daehyun look down at you and smiled again. *So cute..* he thought.

He then hugged you tightly so you can't feel any nervous. To be honest, your nervous fade away as you feel his warm hug. You could feel that you are safe by his embrace.

"Still scared?" Daehyun asked, still hugging you. You quickly pushed him, "No. I'm not!" you snapped as you stood up and walk away.

Daehyun smiled as he shook his head in amazement. With that, he followed you.

CHAPTER 20

"Finally, my turn came." Zelo said as you and Daehyun went back to the others.

Your eyes widen in horror, "No! I don't want to ride it anymore!" you blurted.

Zelo went up to you and smirked, "But you need to be fair!" he whispered to you as he dragged you to the roller coaster.

You just let out a sigh and forcedly followed him.

"Waaahhhhhh!!!!!!" you started to screamed as you look at the sight of the people around the roller coaster who are at the bottom.

You bit your lower lip, "Aigoo! I think I'm going to die now!!~" you whispered in a worried tone.

You heard Zelo laugh a little. You then gave him a death glare. His expression became serious.

"Come here~" he said as he covered your eyes using both of his hands. "Yah! What are you doing? Take your hands off!" you ordered since you couldn't remove your hand from holding your seat belt very tight.

Zelo didn't listen to you and just continue to cover your eyes. "Don't you hear me?! I said TAKE.YOUR.HANDS.OFF.NOW!!" you shouted.

"Just stop talking, will you?! Your fears will go away by covering your eyes. All you need to do is to calm yourself and trust me!" he snapped.

With that, you shut your mouth and let him cover your eyes.

He's right. My fears fade away because of his warm hands.. you thought.

"Are you okay?" Zelo asked after the ride. You raised an eyebrow, "Of course, I am!" you snapped.

"I guess you started to calm when I covered your eyes. Hmm.." he said. You rolled your eyes and left. He smiled and followed you.

"So.. Who's next?" Zelo asked as both of you came back. "I'll go next!" Yongguk said.

"Can I rest for a while?" you asked. "Sorry but you can't. We still need to go somewhere after this to enjoy the valentines." he said.

You frowned, "Go somewhere?"

you gasped. They nodded, "You'll see after the 3 more rides." Himchan said.

"But I'm already tired." you said. "Sorry to say but we still need to spend the valentines with more fun! So let's ride now.." Yongguk said as he dragged you away.

"Still scared after riding it 3 times hmm?" Yongguk smirked. You rolled your eyes, "Who said that I'm scared?!" you said.

"Wae? Aren't you?" he raised an eyebrow. You frowned then rolled your eyes on him once again.

The roller coaster started to move. You immediately placed your hands to your seat belt as you hold it tight.

"Not scared huh?!" you heard him whispered to you. You glared at him, "Shut up!" you said as you closed your eyes.

Suddenly, you felt a warm feeling around you. You noticed that Yongguk was hugging you using his both arms that covering your half body along with your face so you couldn't see anything now but only a dark surface. His hug was so warm that all your fears faded.

"Feel better now?" he whispered. You back to your world and noticed what he was doing. You started to pushed him but he hug you tightly.

"Don't move if you don't want your fears to come back." he said. With that, you didn't move anymore and let him hug you.

A smile went up to Yongguk's face.

"Love my hug eh?" he teased. You frowned as you pushed him hard that made him fall from his seat.

"That's what you get! Bastard!" you rolled your eyes and went back to the others.

Yongguk watch you leave as a smile went up to his face. He carefully stood up and he gently rubbed his butt since it's hurts a little.

CHAPTER 21

"Uhh.. Yongguk what happen to you?" Jongup asked as both you and Yongguk went back to them.

"Uh-oh.. It's nothing.." Yongguk said with a smile. You look at him as he smiled at you. You just rolled your eyes on him.

"Anyway, now is my turn. Kaja!" Jongup said to you as he dragged you away. You let out a sigh and followed him since you're already tired to protest anymore.

"You ready?" Jongup asked you as both you two went to your seat. You didn't give him a response and just grabbed your seat belt to wrap it to your body but a hand suddenly grabbed it from you.

You look up and saw Jongup's smiling face. You frowned. "Let me do it for you." he said as he fix your seat belt.

You just stared at him and watch him on what he was doing. "Done.." he whispered.

You shifted your gaze to the other way and didn't say any word or any 'thank you'. "You're so cute.." he whispered as he lightly pinched your left cheek.

You snapped his hand away from you as you rolled your eyes, "Don't touch me!" you said. "Aish! Come on, come closer to me." he said as he make you closer to him.

"Yah! I said don't touch me!" you tried to let go but he was too strong than you.

"Stop moving and just let yourself comfortable with it hmm.." he whispered. You gave him a glared but he just respond you a smile.

"Omo!" you suddenly gasped when the roller coaster come to the climax as you quickly come closer to Jongup.

Jongup chuckled seeing your expression. You closed your eyes and just stayed on your position, closer to him.

"Nice ride with you.." Jongup said when the ride was over. You rolled your eyes and immediately went back to the others.

"The last ride is for me. Let's go!" Youngjae immediately dragged you to the roller coaster.

"Are you not excited?" Youngjae asked as both you two sat on your seats. You crossed your arms across to your chest and frowned, "Excited? Are you kidding? I'm already tired. I hope this nightmare will going to end soon.." you whispered.

He gave you a smile as he hold your both hands. "Yah! Let go of my hands!" you yelled at him.

"No." he simply snapped. "Yah! Don't you hear me?! LET.GO.OF.MY.HANDS.NOW!!" you tried your best to unclasp your hand from him and luckily, you did it but it was the time when the roller coaster started to move that made you out of your balance.

"Ahhhhh!!!~" you screamed. "Omo! Sunmi-ah!" Youngjae shouted.

BAP were watching you two from the bottom as they saw what happened. Their eyes widen in horror, "Sunmi-ah!" they all shouted at the same time.

CHAPTER 22

"Sunmi-ah!" they all shouted at the same time.

You started to close your eyes and waits on what will going to happen until you felt a strong arm suddenly caught your waist and pulled you closer to him.

You slowly open your eyes and noticed that nothing happened. You were still in roller coaster. But then, you noticed that someone is hugging you as you also do.

You look up only to see Youngjae hugging you. You tried to push him but you heard him whispered, "Don't move if you don't want to die.." he said in a worried voice.

After hearing his voice, you

didn't move anymore and let him hug you but didn't hug him back.

"Sunmi-ah!" the others called you as he run to you when you and Youngjae came back to them.

"Are you okay?" Himchan asked. You didn't give him a response instead you gave Youngjae a glare.

"Yah! Youngjae, why are you so careless?!" Yongguk scolded him. "Yeah! She almost fell!" Daehyun added.

"But I already saved her!" Youngjae snapped. You gave him another glare. He just pouted.

"All the rides are over so I think, I can go now." you said as you started to leave but Zelo caught your wrist that made you stop.

You look back at him raising an eyebrow, "Wae?" you asked. "Valentines is not yet over." he said.

You frowned, "And so?" "We still need to spend this day until 12:00 in the midnight." Jongup said.

"Mwo?!" you gasped. "Aish! Just come with us. We're going somewhere." Yongguk said as they dragged you to the van.

As all of you already inside the van, the van droved off.

"What are we doing here?" you asked as you and BAP entered a big restaurant with no customers.

The restaurant was filled of so many red hearts around it. The

lights are off but there are candles in one of the table there, the big one.

"We're here to do the usual thing that the couples do in valentines." Himchan said. You raised an eyebrow, "Couple? There's no couple here." you snapped.

"There is. No, there are. You and us. We're your partners tonight." Daehyun said as the others nodded in agreement.

You chuckled, "Are you guys serious?!" you asked. "Omo! Do you guys see that?!" Youngjae gasped.

Zelo automatically nodded, "She smiled." he whispered. "No. She laugh." Yongguk blurted.

The others nodded in agreement.

You paused on it. Your smile faded as you turned yourself into serious face again. You cleared your throat, "I'll go now." you were about to leave but Youngjae blocked your way.

You let out a sigh and rolled your eyes. "You can't go until the time stops at 12:00." he said as he dragged you at the table and so were the others.

"Eat a lot hmm.." Jongup said to you. You didn't response instead you started your food. He pouted and also start his food.

Suddenly, two mens appeared from nowhere. One is holding a violin while the other sat on the piano's seat. They started to play a love song that fits for this day.

"Can I have dance with you?" Zelo offered his hand. You raised an eyebrow. He nodded

in his hand, "I want to have a dance with you, can I?" he asked.

You rolled your eyes, "I don't want to." you snapped. He pouted, "Aish!" but he grabbed your hand and dragged you in front.

Zelo hold your left hand using his right hand while he placed your right hand on his shoulder as he placed his left hand on your waist.

"I already said, I don't want to." you whispered. He just replied you a smile and started to dance with you.

You let out a sigh and followed his moves. After Zelo, Youngjae was the next who dances with you. "Umm.. sorry for what happened earlier." he whispered.

"Just stop mentioning about it. I don't want to remember anymore." you said. He smiled, "Araseo."

After Youngjae is Yongguk. "Are you already tired?" he asked. "Yes, I am and I hope it will end soon." you said. He chuckled, "You're still cute when you're tired." he commented as you replied him in a rolled eyes.

Next is Himchan, "At last, my turn came." he beamed. You frowned and rolled your eyes. "Aish! I was just so happy to have a dance with you." he said.

"Then not for me." you replied as he pouted. When the his turn come to the end, he give you a kiss on your cheek first before he passed you to Jongup.

"Pervert!" you whispered as Jongup started to dance with you. "Eh?!" he gasped.

You didn't gave him a response

and just followed his moves. "He's always like that. You will use to it soon." Jongup whispered.

"No need for that because I won't go out with you guys again." you replied. "No. No. No. You're wrong.." he said.

You open your mouth to asked him but he quickly passed you to Daehyun.

"I'm your last dance and it's my pleasure." Daehyun said smiling. "Finally, this is the last." you said. He pouted, "Don't you want to dance with me?" he asked.

"Yes. I don't want to dance with you guys." you replied. You didn't see him pout or frown but a smile went up to his face. "But atleast I'm not the only one you don't want to dance with." he smiled.

You just rolled your eyes on him.

"You go sat here first. We prepared a dance for you." Yongguk said to you as you did.

They started to dance. At first, you thought it's a joke but not. Their dance was cool yet funny, VERY funny. You didn't want to laugh but can't help it. You laugh so hard by his dance that made them happy to see you laughing because of them.

After the performance, you kept on laughing. They clapped, "Woah! She laugh again! Yay!" Zelo gasped as the others nodded.

You back to serious face again and cleared your throat as your eyes suddenly caught the clock. It's already 12:00. "It's already 12:00. I'm going home now."

you said as you stood up.

"Okay. We'll take you home." with that, all of you left the restaurant as take you home.

You walk to your door as they followed you. You suddenly stopped an look back at them, "Why are you guys following me? You guys can go now." you said.

You saw them smiled at they started to kiss you on the cheek one by one. "Happy valentines day koreangirl26-ah!" they all said at the same time. "Annyeong!" they waved and immediately left you dumbfounded.

You touch your cheek, *What was that?* you thought.

CHAPTER 23

Next day, Saturday.

You wake up when the sun already rises. You decided to get up to prepared your breakfast.

As you went out from your room, the door bell suddenly rang. Your attention shifted to the direction of the main door. *Who could that be?* you wondered.

You walked to the door and approach it. Right after you open the door, 6 blonde guys popped in front of your sight. They waved at you while smiling. "Good morning!~" they all greeted at the same time.

You just rolled your eyes on them and decided to close the

door again when Himchan suddenly stopped you. You gave him a look as you raised an eyebrow.

"We are your visitors today. Did you always treat your visitors like this?" he said. "It's none of your business!" you snapped and was about to close the door again but they are quickly went in before you could completely close it.

You frowned at their very fast action. "Yah! Who give you guys a permission to enter my house?!" you shouted but they just only ignored you as they scanned your house.

You let out a sigh and ignored them also and decided to went to your kitchen. As you didn't even know, BAP also followed you.

When you heard a foot steps behind you, you quickly spun around but end up seeing a face in front of your own face in just a few inches from you. It was Yongguk. Both you two stayed in that awkward position for a moment until someone cleared his throat, it was Daehyun.

You immediately look away and stepped backward. "What are you guys doing here?" you tried to change the atmosphere.

"Um.. We're here to cook a breakfast for you." Yongguk said. "No need for that. Can you guys please go and leave my house now?" you asked.

They all shook their head, "We want to spend our Saturday with you." Zelo snapped. "Mwo?!" you gasped.

"Yes, you heard right. We want to spend our Saturday with you." Jongup repeated. Before you could protest, Yongjae and Daehyun dragged you back to

the living room and make you sat on the couch.

"All you need to do is to sit and wait here." Youngjae said. You raised an eyebrow. Daehyun nodded and gave you a smile as you rolled your eyes. With that, they went back to the kitchen.

I think my Saturday will going to be a bad day for me. you thought as you let out a sigh.

"Breakfast is ready!~" Himchan said a bit louder for you to hear it but all you just do was to frowned and rolled your eyes.

Zelo runs to you as he grabbed your wrist and led you to the dining area. You can't deny but their food looks very tasty/delicious. You swallowed hard but remained on you spot, standing.

Zelo make you sat in one of the seat as he sat beside you. "Go and start to eat." he said. You look at the other way, "I don't want to." you snapped.

"Aish! Just go and eat araseo.?" Jongup said as he started to eat. Daehyun lightly hit his head for him to stop. "Yah! Why did you do that?!" Jongup winced.

Daehyun gave him a look. Jongup pouted and stopped on eating.

They all look at you and waited you to start. Since you were already hungry that time, you grabbed the chopsticks and started to eat. You can't deny but the food was really good just like the foods in the restaurant.

"How was the food? delicious hmm?" Yongguk asked. You cleared your throat and shook your head, "Ani. I don't like the

taste." you snapped.

They give you a teasing smile. You raised an eyebrow, "What are you guys smiling at?" you asked in irritated voice.

"I know you like the taste. I can see it on your first reaction when the time you taste it." Youngjae teased. You rolled your eyes, "Whatever!"

They all laugh and started the food. You couldn't resist it anymore so you continue to eat once again. BAP look at each other as they exchanging a smile.

"Since the breakfast was over, can you guys please leave now?" you said as all of you finished the breakfast.

"No! Saturday wasn't over yet." Zelo snapped. "And so?" you asked.

"So.. We're going to stay here till the Saturday ends." Himchan said. "Mwo?!" you gasped.

"Let's watch a movie." Yongguk suggested as he went near to the TV and look for a good movie to watch on the place where the CDs are located.

"Horror? No. Comedy? No. Romance? Yes!" he immediately played the CD with a romance genre.

You actually didn't want to watch but since the movie already played, you decided to focus and watch. BAP were all around you, also focusing on the movie.

Suddenly, a heart breaking scene came. One of the male cast in the movie broke up with the lead female just because of the bestfriend of the girl. A

flashback of you and Youngmin's break up popped on your head. Just like the scene in the movie, he broke up with you just because of your bestfriend Sulli.

Without you knowing, a tear fall from your eyes all of a sudden...

CHAPTER 24

"Aish! I want to punch that bo—" Himchan's words were cut off when he saw you crying. The others followed his gaze.

They all look at each other then went near you, "Gwenchanayo?" Daehyun asked you. You only realized your tears after hearing his question.

You quickly wiped your tears and tried to stop it but you couldn't. Your tears keeps on falling from your eyes. You couldn't explain your feelings that time. It feels like a hate and a hurt.

As you tried to stop yourself on crying, it turned out to be worst. You started to cried even more as you covered your face using your both hands.

BAP look at you, worried. Jongup sat next to you and gently rubbed your back, "Right, just cry it out so the pain will go away." he whispered.

You cried so hard when you heard him said that. You remained like that almost an hour. When the time that no tears came out from your eyes, Youngjae runs to the kitchen and get you a water. He then went back to you amd handed you a glass of water.

"Here. Drink it." he said. You took it and drink some. "Drink more." he said but you shook your head and placed the glass on the table. "Mianhe.." you whispered. "Sorry for crying all of a sudden." you continued.

BAP shook their heads. "It's okay. Atleast we saw your other side beside of being rude." Yongguk said as Daehyun elbowed him to shut him up.

You didn't protest instead you lowered your head, "Laugh if you want. I deserve to be laugh at." you said.

"No. That's not what I mean. What I want to say is.." Yongguk tried to explain but you snapped him. "You don't need to explain. I understand." you said.

"Um.. you can open up with us for you to feel more good." Zelo said. You paused on it for a while then, "I guess you guys already heard a rumor about me. About what happen to me and my ex-boyfriend and even my ex-bestfriend right?" you started.

"The blonde guy in valentines and the girl with him?" Himchan asked as you nodded. You then started to open up with them. You didn't know why but you felt comfortable with them now.

"So.. That's the reason why you hate us? Because we're blonde?" Daehyun asked. "It's not that I hate blondes. Let's just say I hate everyone but maybe I hate blonde guys more now because of what happen to me a year ago." you replied.

"Is that mean.. you won't hate us now?" Youngjae asked. "I didn't say that." you blurted.

"But—" "Can you guys please

leave now? I'm already tired. I need to rest now." you snapped him.

"Yah! Saturday still not over!" Zelo whined. "Yeah! He's right!" Jongup agreed.

"I'M ALREADY TIRED SO PLEASE LEAVE NOW!" you yelled at them. BAP stunned at your voice and immediately walks out from your house and closed the door.

You couldn't help but chuckled on their quick action. "Funny!" you whispered as you smiled. You then went to your room to take a nap.

CHAPTER 25

Monday morning came. You woke up early to preapare yourself for school. As you finally ready, you went oit from your house and started to walk to school.

Suddenly you felt that there are some people behind you. You carefully spun around only to see BAP. "You guys again?!" you said in irritated voice.

They just smiled at you as Zelo waved. Daehyun removed his mask and smiles widely at you. Yongguk winked as Jongup gave you a flying kiss. You just rolled your eyes on them.

You decided to walk again but Himchan suddenly caught you and wrapped his arm to your shoulder. "Let's go to school all together." he whispered to your ear in a hot voice.

You rolled your eyes as you pushed him away and started to

run but Youngjae fastly blocked your way. "Just let us walk with you to school." he said. "I don't want to." you snapped as you walk passed by him.

BAP didn't give up as they followed you and tried to talk to you. All you just did was to ignored them and continue to walk like they didn't exist on your sight.

As all of you reached the school gate, BAP still around you and trying to talk to you. As you didn't know, Youngmin and Sulli was there and saw the scene.

"Seems like she's really dating those new boys!" Sulli commented. "I'm not wondering why they want to date her since she's okay to be with." Youngmin stated.

Sulli glared at him, "Tell me the truth Youngmin, do you still love her?" she asked. "M-Mwo?!" he gasped.

"Seems like you do." she said as she walk away. "Sulli-ah! Wait!" he tried to stopped her but Sulli just ignored him and walk so fast and suddenly disappeared on his sight.

"Aish! That girl!" he whispered.

Lunch break came.

BAP still following you as you was walking to the canteen. You tried to think an idea to trick them so you can freely escape from them until.., "Omo! What's that?!" you pointed at their back. They all followed your pointed finger. With that, you quickly run away.

"Look! She's running away. She just trick us!" Zelo said, pointed at you. "Yah! Stop right there!" Yongguk shouted at you as they

all run towards your direction.

You look back while running, "Omo! Eoteokhae?" you whispered to yourself until someone grabbed your wrist and dragged you to the school garden.

"Where is she?" Himchan asked his friends. "Molla. I didn't expect she was that fast." Daehyun replied catching up his breath.

"I'm already hungry. Let's just eat without her." Youngjae said as Jongup nodded in agreement.

Soon, the others agreed too.

You and the 'someone' who help you stopped at the garden. "Goma—" you were about to thank the person when you saw his face.

Your eyes widen in shock, "Y-Youngmin?!" you gasped.

CHAPTER 26

"Y-Youngmin?!" you gasped in shock after seeing your savior. He just brightly smiled at you.

You look away, not wanting to meet his eyes. "I should go now.." you said as you unclasped your wrist from his hand.

BUT the next thing he said the one that made you stop, "Can I have a talk with you?" he asked as he grabbed your hand.

You look back at him and raised an eyebrow. "Please.." he

pleaded with a smile.

His smile makes you melt on your spot. You look to the other way, "Okay." you replied.

"So.. how have you been?" Youngmin started as both of you sat at the bench. "What do you think?" you asked back, not looking at him but on the ground.

"Molla. That's why I'm asking." he replied. "Even if I tell you, it's not important to you anymore." you felt a tear want to fall from your eye but you didn't let it fall.

"Sunmi-ah.." he whispered. "Sulli, where is she? Why she's not with you today?" you tried to change the topic.

"Uh.. She get angry at me this morning that's why she's not with me." he said. You want to ask the reason of their fight but you decided to not ask anymore and just remained silent.

"Um.. Those guys.. Why are you running away from them? I heard you're dating them.. Are you really dating those guys?" Youngmin started another topic. You paused for a while then, "What if I am?" you asked back.

The atmosphere became silent until Youngmin spoke, "Then.. It's good! I'm happy that you started to date another guy again after what happen to us."

After hearing his words, you suddenly stood up. "I should go now." you then started to walk away.

Then you heard Youngmin called, "Sunmi-ah!" You stopped, not turning to look back him.

"Mianhe.. I'm sorry for what I've done to you from the past. I'm not asking for your forgiveness because I didn't deserve for it. I just want you to know that I didn't mean to hurt you..." he paused then, "Gomawo.. Thank you for all the times we spent together. I know you're a great girl. I think I'm not the right guy for a girl like you. Soon.. you'll find the right guy for you. Maybe he's one of the guy that you are currently dating. I hope you'll find your happiness with the guy who will give his heart only for you. Sunmi-ah, Sorry for everything.."

After he finished his words, a tear suddenly fall from your eye. You couldn't take it anymore so you quickly runaway as your tears keep falling from your eyes.

You stopped at the comfort room as you darted inside then in one of the cubicle there. You burst into tears while sobbing. "Wae Youngmin? Why are you always made me cry? Why do you keep hurting my feelings?.." you mumbled between your sobs.

You placed your right hand to your chest, "Babo! Why are you still beating for him?" you asked your heart as your tears didn't stop on falling from your red eyes...

CHAPTER 27

You neatly washed your face before you went back to the classroom.

As you reach the classroom, BAP runs to you when they

suddenly saw your appearance. "Sunmi-ah, where did you go?" "Don't you know where did we go just to look for you?" "Did you already eat?" "Sunmi-ah?" they said but seems like you're not there.

You just continue to walk and sat on your seat. You are there but seems like you're not. Your body was there but you're mind was out of the world. BAP suspiciously look at you. You became a different person when the time you came back.

Suddenly, your teacher entered the classroom and start the lesson. Meanwhile, you were still out of your mind at your seat.

"Miss Go? Are you listening to me?" you suddenly heard your teacher said. You went back to the real world and look in front, "Ne?" you asked.

"I'm asking the answer of the question no. 3." your teacher repeated. "Uh-oh.." you mumbled.

"Eh? You didn't even open your book? Well.. I know you're smart but you seems different today. Ms. Go, you stay here after class, I'll talk to you. I need to give you a punishment." your teacher said.

You nodded and lowered your head.

After class, you stayed at the classroom to have a talk with your teacher.

"What's happening to you Ms. Go? To be honest, I prefer you to sleep in my class than you're awake but your mind wasn't." your teacher said. You just lowered your head, didn't want to complain or something since

you're not in a mood for that.

Your teacher sighed, "Okay, so.. I want you to arrange all the books in the library to it's proper shelves." with that, your teacher leave the room.

You let out a sigh, *This day isn't good for me, I guess.* you thought as you also went out from the classroom.

To your surprised, BAP was waiting for you outside the classroom. "We want to help you." Yongguk said.

"I don't need any of your help!" you said as you walk passed by them. As always, Youngjae blocked your way. You frowned, "Stay away from my way!" you said. He shook his head, "No until you agreed to us to help you." he conditioned.

You rolled your eyes, "I don't need a help from anyone! Jusy go away!" you said and started to walk again.

This time, they all blocked your way. You started to pissed off now since you're not in a mood to argue with them. "This is the last time that I'm going to repeat this, I DON'T NEED A HELP FROM ANYONE! JUST LEAVE ME ALONE!" you yelled at them.

BAP stunned hearing your very loud voice. With that, they all give your way and leave you right away.

You let out a sigh, "Thanks God!" you whispered as you continue to walk to the library.

Suddenly, you saw 2 familiar figures in your way to the library. Your heart sank when you saw Youngmin hugging Sulli. You could see that Sulli was shrugging from the hug.

Then you heard Youngmin said, "Mianhe, please forgive me. I love you Sulli-ah, I don't know what to do if I lose you." Your heart hurts even more.

You didn't see the next thing will going to happen but your feet didn't want to move on your spot. Suddenly, someone's hands covered your eyes as he spun you around and let you rested your head into his chest, "Don't look at them.." you heard a familiar voice whispered to you.

CHAPTER 28

"Don't look at them.." a voice whispered to you. You carefully look up to see the boy's face. "Daehyun-ah.." you mumbled as a tear suddenly flow down to your cheek.

Daehyun softened and gently wiped your tear. "Don't waste your tears because of him. He don't deserve your tears." he said as he gently stroke your hair.

You look away, embarrassed. You was about to spun around again when Daehyun hug you once more to stop you. "I told you don't look." he whispered softly.

"Okay I'll forgive you now." you heard Sulli's voice said. Youngmin happily hugged Sulli, "Mianhe Sulli-ah. Saranghae. Nomu saranghae." you heard Youngmin said.

You couldn't take it anymore and burst into tears as you hold at Daehyun tightly. Daehyun look down at you, worried. *You must really hurt that you

couldn't stop yourself on crying. Cry it out, I won't leave you.* he thought as he gently patted your back.

"Gwenchanayo?" Daehyun worriedly asked as he released you from the hug when the time that Youngmin and Sulli gone.

You carefully wiped your tears as you lowered your head, "Mianhe.." you whispered.

Daehyun look at down at you, surprised. "I'm sorry for what have you seen just now. Sorry if I cry in front of you. Sorry—"

"Shh!" Daehyun cut you off as he put his pointed finger into your soft lips, "No need to be sorry." You look up as he smiled at you, "At least I saw the other of Sunmi, right? Crying baby." he teased.

"Mwo?!" your expression back to normal. You saw Daehyun laugh. "Wae? What are you laughing at?" you asked, irritated.

He stopped laughing but smiled, "You looks better now. Crying baby don't suits you." he commented. You raised an eyebrow.

He smiled even more, "I prefer seeing you angry than seeing you crying." he said with a serious face. You rolled your eyes, "Psh!"

"Aigoo! You're so cute when you are mad." he said and pinched your cheek. You snapped his hand away, "Don't touch me!"

"Aish! Come on, let's go to library now!" he said. "Eh?" you look at him, confused. "You know why? I'm here to help you for your punishment." he stated.

You frowned, "Who said that I need your help?" you asked. "No one but I want to." he smiled as he took your hand and led the way.

You want to unclasped your hand from his but he held it more tight. You look up at him but he's busy focusing on the way to the library. You didn't know why but you felt so warm with his hold even the hug earlier.

Without you knowing, you found yourself smiling...

CHAPTER 29

Daehyun was still holding your hand until you two reach the library. Aa Daehyun open the door, 5 heads with blonde hairs popped on your sight. It was BAP.

Daehyun still didn't let go your hand until Himchan walked to you dragged you away from Daehyun. You didn't know why but you feel incomplete without him holding your hand.

"What are you guys doing here?" you asked them. "We're here to help you of course!" Himchan snapped.

You frowned, "Didn't I told you guys to not involve yourselves in my situation?!" you said a little bit loud. "Well.. Just let us help you since we're already here." Yongguk said.

You let out a sigh, *Chincha! These guys didn't stop so I think I should stop now.* with that, you walk passed them and started to arrange the books to

their proper shelves.

BAP followed you. You look at them and raised an eyebrow, "Okay. I let you guys help me but please don't bother me araseo?" you said as they all nodded.

"Okay then. So you guys arrange the other books to the other shelves and I'll take care of this one." you said. BAP nodded as they went separated to make your job easily to finish.

You let out a short sigh as you shook your head because of them.

You started to work on your place and so was BAP. While you were arranging the books, you saw BAP seriously doing their assigned task when you pulled out a book from the shelf.

A smile went up to your face as you gain an energy to do your task seriously like what they are doing.

Just after an hour, you finished arranging the lower part and now to the upper part. You look around to look for a ladder to hop on. To your luck, you saw one near to you. You took it and carefully hopped on. As you reach the end of the ladder, you stretched your arm to reach the books from the other part since it's still far from you even though you already used a ladder.

Almost.. I'm almost.. you said to yourself as your hand almost reach the books.

Just then, the ladder was starting to move that made you look down and lost your balance. "Ahhhh!!!" you screamed aa you closed your eyes when you felt your body

was going to fall down.

Luckily, someone caught you in time. You slowly open your eyes only to see Daehyun's face just a few inches from yours. Both you two stayed on the awkward position, staring to each other's eyes.

SILENCE !

"Gwenchana?" Daehyun suddenly asked you that broke the silence. You snapped yourself from staring as you look away, "N-Ne.." you nervously replied.

Daehyun help you up and smiled at you, "You're so clumsy. You're lucky that I caught you on the right time." he said as he went back to his place.

You place your right hand into your chest. You could feel your heartbeat was beating rapidly. *What's happening to my heart?* it's been so long since you encounter that weird feeling again. The last time you encounter it when the time you and Youngmin were still together.

CHAPTER 30

Daehyun smiling like a fool as he went back to his friends. Himchan noticed him and raised an eyebrow, "What happen to you? What are you smiling at?" he asked.

Daehyun vanished his smile on his face and cleared his throat, "Nothing. Continue on what you were doing." he said as he started to work again.

Daehyun put on his mask and secretly smiling behind his mask. Himchan look at him, curious. *Something is going on..* he suspiciously thought.

"Himchan, why aren't you working?" Yongguk lightly tapped his shoulder. "Uh-oh.." he shrugged. "Go and continue your work so we can finish this early." Yongguk said as Himchan nodded and continue on what he was doing before Daehyun came back.

"Let's go home now~" Zelo said as all of you finished the punishment that your teacher gave to you. "Okay!" Jongup beamed.

With that, all of you started to walk. As all of you exited the school gate, BAP walked to their way home while you walked to the opposite direction.

Himchan suddenly stopped as he noticed you going to the other way, "Sunmi-ah, where are you going? Isn't your home on this way?" he asked. You ignored him and continue to walk, lowering your head.

Suddenly, someone blocked your way. *Here we go again.* you rolled your eyes as you look up, expecting that it was Youngjae since he's the only person who always blocking your way. To your surprised, it wasn't Youngjae but Daehyun? Yes, it was really Daehyun with his mask on.

You gulped. He removed his mask and spoke, "Where are you going?" he asked. "I'm going to work." you nervously replied.

"We're going with you then." Youngjae suddenly spoke. You look back at him, "E-Eh?!" you

gaped. "We want to see you working." Yongguk said and smiled.

"Whatever!" you said and started to walk again. As usual, BAP followed you.

On the way to the shop that you are working at, Daehyun was on your right as Himchan on your left. The others at the back. You didn't know why but you started to feel nervous when Daehyun was near you. Himchan could see that you were a bit shaking. He then removed his jacket and put it on to you. You gulped as you look at the jacket then to him.

Himchan smiled, "Wear it. You're trembling because of the breeze air." he said. That's not the real reason why your body is shaking but you just let him believe on it.

Suddenly, you noticed Daehyun looking at you. You lowered your head, not wanting to noticed his gaze. As Daehyun focus on his way, you started to feel relieved. Himchan glance at you and Daehyun suspiciously.

BAP search for a table as you went to the counter to start your job. The shop has lot of customers today so you work faster as you can to handle it carefully.

Suddenly, you heard a voice said coming from behind. "Need a help?" You spun around only to see Daehyun's face just a few inches from yours. You just stared at him, no words wanting to come out from your mouth. You heartbeat races 3 times of the normal heartbeat.

Just then, someone grabbed your wrist to broke the stares. It was Himchan, "Come on, I'll

help you." he said then stared at Daehyun.

Daehyun stared back. The staring competition became intense. Luckily, the others came. "Sunmi-ah, we're going to help you too." Jongup said that stopped the staring competition.

You want to protest but as usual, they always do what they want. You let out a sigh and let them to help you. With that, the shop became full because of the 6 handsome blonde guys around it. Most of the customers are girls because they want to see BAP.

You was watching them working from the counter until your manager appeared, "Your lucky to have boyfriends like them." he said.

You look at him, "Uh-oh.. They're not my boyfriends." you said. "Yeah. Not all but maybe one of them." he said. You shook your head, "No either." you replied.

"Soon." you heard him whispered. "Eh?" you asked, confused. "Soon, one of them will going to be your boyfriend." he said. "It's impossible. To be honest, I don't like them." you simply replied.

"As you say. I'm glad they came to your life." he said. You frowned, "You can have them if you want." you said to your manager, annoyed. He smiled, "Well.. atleast you're talking now." he said. "Mwo?" you gasped.

"You started to talk when they started to date you." he whispered and with that, he disappeared on your sight.

Wait! What?! No. He's wrong!!

BAP and you walked to your way home as you was deeply in thought about what your manager had said earlier. It made you confuse about everything.

"Sunmi-ah, it's already your house." Zelo suddenly said. You went back to the reality and look around. You already reach your home. Without saying goodbye to them, you went straight inside your house and closed the door.

"What happen to her?" Youngjae asked. "Molla." Jongup said. "She's deeply in thought. I can see it." Yongguk said.

Himchan shot Daehyun a look as Daehyun shrugged and first one to walk to their dorm as the others followed. Himchan glanced to your house first before he could went back to their dorm.

CHAPTER 31

Morning came. You woke up early to get ready for school. After that, you went out from your house to go to school.

Right after you stepped out, a blonde guy popped on you sight. He flash you a smile and walked to you. "Going to school? Let's go together." he said.

You look around but Himchan was the only one was there. "Where are your friends?" you asked. "They already went to school." he replied.

"Why are you still here then?" you asked. "I woke up late that's why," he said. "But it's still early." you said.

Himchan shook his head, "No, it's not. It's already 9:00am." he calmly said as he pointed on his watch. Your eyes widen, "Omo! My clock is late again. Aish! The school gate will going to close soon." you whispered and stormed off, leaving Himchan there, dumbfounded.

"Yah! Go Sunmi-ah!" he called the made you stopped and look back at him. He then walked at you and flash you a smile. He reach your hand, "Let's run together." and with that, he dragged you to school, holding hands.

You shrugged but he hold it tight.

As both you two got near the school gate, you saw it's about to close. "Omo! The gate!" you shouted as you and Himchan started to run faster but the gate already closed.

"Aish! It already closed. Eoteokhae?" you whispered. Himchan look down at you then look around. "Let's jump there." he pointed to the upper part of the gate.

"Mwo?! No. I can't." you snapped. "But that's the only way to get inside." he said. "Aish! Okay.. But it's too high to jump on." you said.

Himchan stooped down, "Get on. I'll help you to reach the upper part of the gate." Your eyes widen, "Mwo?! Adwae! I'm wearing a skirt!" you protested.

"So.. You want to left here huh?" he asked as he look up at you. "No." you firmly said. "Then get on." he ordered. "Aish! Be sure that you won't

look up." you said.

"But how can I see if you already reach the end?" he asked. "Just don't look up!" you blurted. "Araseo!" he said, "Get on now!"

You slowly put your hands to his shoulder as he started to lift you up. Accidentally, he look up to see if you reach the end but also saw something under your skirt. "Yah! I said don't look up!" you shouted.

Himchan quickly look down as you were trying to reach the other end. "I like pink." you heard him whispered.

Your eyes widen, "Yah! You pervert!!!" you shrugged that made you lost your balance and end up falling on top of Himchan.

Your hands were placed on his broad chest as his hands on your waist. Your both faces were just a few inches near to each other. "Pink suits you.." you heard him said and smirked.

You immediately get off from him and give him a glare and kick him, "Didn't I say don't look up huh?" you said as you kick him again. He yelped in pain and carefully stood up, "I didn't do it on purpose." he defended himself.

You rolled your eyes, "As if I'll believe you!" He pouted, "Come on, let's try again." he said as he stooped down once again. "No. I don't want to anymore." you snapped. "Aish! Come on. Promise I won't look up anymore." he reach your wrist as he make you get on to him.

You want to protest but he already stood up. You look down at him, "Don't look up, araseo?!" you said. "Araseo.."

he nodded.

Just then, you suddenly reach the other end and finally get inside the school. After that, Himchan jump up and get himself inside the school too.

Himchan immediate took your hand and started to run to the classroom with you.

"Omo! The class already started." you whispered to Himchan. "No worries. I'm so late like you." he whispered and smiled.

You gave him a look. He smiled again, "Come on, let's enter tge classroom." he slowly twisted the door knob as both you two slowly stepped inside.

"Mr. Kim and Ms. Go, why are you two late?" you heard your teacher suddenly said that made Daehyun look at you two, frowning.

uh.. Caught! you thought. Your teacher then noticed that you and Himchan holding each other's hand. "Go on a date before go to school hmm?" your teacher said.

Daehyun shifted his gaze to your and Himchan's holding hands. *What's going on?* he thought in puzzlement.

You then noticed that Himchan was still holding your hand. You immediately removed your hand from his and bowed to your teacher, "Mianhe for being late but we—" Himchan cut you off, "Mianhe Seonsaengnim but we are busy on our date that we didn't notice the time." Himchan said. You look at him in disbelief.

Daehyun frowned, *They go on a date? But as I know, Himchan

woke up late.* he thought. BAP look at you two, shocked.

"Aigoo! Kids these days. You two got detention after class. Go to your seats now." the teacher said. *Again?* you sadly thought as you headed to your seat.

Himchan also headed to his seat next to Daehyun. He was smiling like a fool that made Daehyun more puzzled.

CHAPTER 32

Class dismissal. You and Himchan went up to your teacher for the detention.

"So.. You two, clean this classroom. Make sure that this classroom is completely clean before you two went home, araseo?" your teacher said. Both you and Himchan nodded and bowed. With that, the teacher left.

Just after the teacher disappeared, BAP walked to the two of you. "Yah! Himchan, why didn't you tell me that you two are now dating huh?" Yongguk said. "I think he woke up late on purpose." Youngjae added.

"Ani! We're—" you want to explain but Himchan wrapped his arm around your shoulder and cut you off, "Because Sunmi don't want me tell to anyone." he said.

Your eyes widen in horror. Suddenly, your eyes met Daehyun's cold glare. You immediately look away.

"Aish! I'm jealous!" Zelo pouted. "Poor you." Himchan smirked.

"Aish! In all of us, why that pervert?! Psh!" Jongup blurted.

Himchan gave him a look. "Let's go now guys. We still need to go somewhere." Yongguk said as the others nodded except for Daehyun. With that, they all leave the classroom as Daehyun left there alone with you two.

Himchan raised an eyebrow, "Why are you still here?" he asked. "I want to help." he simply said as he smiled at you.

"You don't need to do that! Sunmi and I can do it together." Himchan flashes you a smile as he pulled you closer to him. You immediately pushed him away from you, "You pervert! Why did you tell them that we're dating huh?!" you narrowed your eyes to him.

"Wae? That's the truth, right?" he said. You rolled your eyes, "Truth your face! I'm not dating anyone so stop saying that again!" you said. Daehyun finally brightened.

"Aish!" Himchan took your hand, "Let's start cleaning while holding hands." he smiled and was about to walk to the window to start cleaning it when Daehyun suddenly grabbed your other hand.

You gulped and look at him. Daehyun stared at Himchan as Himchan stared back. *Omo! Here we go again.*

You twisted your both hands to removed from them as you walked to the window and started cleaning it, "I want go now so if you two want to help me, stop wasting the time." you simply said, trying to break the cold atmosphere between Daehyun and Himchan.

Himchan give Daehyun one last glare before he could help you

cleaning. With that, Daehyun also followed.

As you were cleaning, Himchan on the other hand cleaning at your right while Daehyun at your left.

Awkward silence filled the classroom in the whole cleaning thing. No one wants to broke the silence as they continue to clean and so was you.

CHAPTER 33

After finishing the detention, you, Himchan and Daehyun leave the school. You started walking to the way of the shop that you are working at as you felt Himchan and Daehyun followed you.

You stopped and turned around to them, "Where are you two going?" you asked, raising an eyebrow.

"We're going to work." Himchan simply replied. You raised an eyebrow again as you turned to Daehyun. You saw him nodded in agreement.

"You guys does have a job?" you asked once again. They nodded as they walked passed by you. You turned to them and frowned.

You watch them walking and to your surprised, you them entered the shop that you are working at. *What's going on?* you asked yourself.

You immediately darted to the shop. Another surprise popped on your sight. Himchan and Daehyun were already started to approach the customers and

not just that, all the BAP are there, working at the shop. As they saw you, they give you a smiled and winked.

You frowned as you turned to see your manager smiling at the sight. You walked to him, "What's going on here?" you asked him. "What?" he asked, pretending not to know.

You nodded to the direction of BAP, "What are they doing? Why are they here?" you asked, confused. "Uh.. That! I hired them to work for this shop. Look! They doing good. The shop became full when your friends started to works here. Thanks to you, they work for me." you manager said.

"Aish! I'm going to work now sir." you said as you changed your clothes and started to work.

You were busy preparing the coffees as BAP went to you. You raised an eyebrow, "What are you guys doing here? Could you all please go home now." you said.

Yongguk shook his head, "No. We're working right now." he said. You rolled your eyes, "With so many shops here in Korea, why here? Psh!" you said.

"Because we want to work with you even you already dating Himchan." Youngjae said. "Correction: they're not dating." Daehyun corrected as Himchan shot him a look but he didn't care to be bother about. "Really?" Zelo brightened.

You just nodded. "Yay! I get my energy back now. Come on, let's work all together!" Jongup beamed. You rolled your eyes as you get the tray of coffees and led yourself to the way to the customers.

When you was about to approach them, you accidentally stepped into something that made you lost your balance. Unexpectedly, the coffees dropped on lady's clothes, one of the customers.

You started to panic as you started to bow a couple of times and apologize, "Mianhe, mianhe.." you said many times until ohh..

PAK!

The hand of the lady landed on your cheek. Your eyes widen in shocked by the sudden slap that made you touch your burning cheek.

CHAPTER 34

BAP's jaw dropped after they saw the whole scene. Himchan want to rush to you and hold you but Daehyun already did.

"Why did you slap her?!" Daehyun raised his voice at the lady. The lady raised an eyebrow at him, "Wae? Can't I? She drop the coffee into my clothes so she drserve to be slap!" the lady said.

"Mwo?! She didn't even did it on purpose!" Daehyun snapped. The lady smirked, "No. She did it on purpose, right Sunmi?" the lady asked you.

You automatically raised your head up only to see your aunt in front of you. "Aunt.." you whispered. She smirked, "Miss me huh?" she said. "So.. You're now working here at the small shop huh.." she then look to Daehyun, "And.. This boy. We meet again. Is he your new boy huh?! A blonde one too hmm?"

she added.

So.. That's why she looks familiar to me.. Daehyun thought.

You decided to reamined silent and lowered your head. "Yah! Old Woman! Can you just leave here now?!" Daehyun said, a bit pissed. "Mwo?! Old woman?" she gasped.

Daehyun smirked, "Yeah! You are already old so get the f*ck out of here!" he was already pissed of now.

Your aunt frowned at him as she turned to you, "Happy now huh?" she said.

You looked up, "What?!" you gasped. She rolled her eyes and was about to give you another slap but luckily Himchan caught her wrist in time. "Leave now or I'll twisted your arm hard!" Himchan shouted at her. You aunt shot you one last look before she darted outside the shop as her friends followed.

The others walked to you 3. "Gwenchana Sunmi-ah?" Zelo asked.

No response.

"Don't mind that woman." Jongup said.

Still, no response.

"Don't be upset now Sunmi-ah.." Yongguk tried to cheer you up. "Sunmi, you okay right?" Youngjae innocently asked as BAP shot him a look. Youngjae shut his mouth.

Daehyun looked down at you, still holding you tight. Instead of hearing a word from you, you quickly hug him as you started to cry hard. Daehyun was shocked at first but suddenly softened as he gently stroke

your hair, "Everything will be okay soon. Cry it out." he whispered.

Himchan looked at you two, jealous. He wish that he's the one that holding you not Daehyun.

The whole walking was filled of awkward silent. Until you reach your home, you still remained silent.

You entered your house not saying a word. BAP stared at you for a while, worried. When you are finally disappeared on their sights, they all headed to their dorm with you on their mind.

CHAPTER 35

That night, the scene of the shop keeps playing on your mind. When your aunt slap you, it feel so down. It's been so long since the last time you see her but what you just get from her? A slap!

Your aunt was the first person who slap you. Not anyone, even your mother. You couldn't erase what happen ealier at the shop. It's keeping you down. Your tears couldn't take it anymore as they burst once again from your eyes.

All you just did was crying at your room in almost 2 hours. When no tears finally came out, you tried to sleep but couldn't.

You decided to went out to take a walk and at the same time to refresh your mind. You stopped at the park and sat on the

bench. You let out a sigh as you lowered your head.

Why my life is so cruel? Can I just have a happy and quiet life? you let out a sigh once again, *It's impossible to happen, now that you're no longer with me..*

Suddenly, an incan of softdrinks rolled towards your foot that made you look in front to see where it came from. To your surprised, Youngmin was there, right in front of you.

Both of you stared at each other, not knowing what to say. Youngmin cleared his throat, "What are you doing here late at night?" he asked.

You lowered your head, "Just want to take some fresh air." you replied. Youngmin nodded in understanding, "Umm.. Can I sit with you?" he asked.

You automatically look at him, "Eh? Uh-oh.. Sure.." you replied.

Youngmin sat next to you as your heart started go crazy inside your chest. *Omo! Why are you still reacting to him?*

Youngmin look down at you and your red cheek caught his attention. He cupped your chin to make you look at him. You gasped in surprise. "What happen to this?" he asked as gently stroke your cheek.

You immediately look away as you civered your red cheek. "Is your aunt did that to you?" Youngmin asked. You could feel a worry from his voice but you decided to remained silent and don't give him a response.

Youngmin put his hands to your shoulder and make you face him again. "It's okay if you don't want to say to me. I

understand." he said.

You softened as you lowered your head again. The atmosphere turned into silence.

"What are you doing here?" you asked, not looking at him that broke the silence. "To think." he simply replied. You just nodded in understanding.

Just then, you heard him let out a heavy sigh that made you look at him. "...Sulli?" you asked. He look at you, surprised.

You look away, "Your sigh... Is.. it because of Sulli?" you asked. You heard him sigh again as he lowered his head, "No." you heard him replied that you looked up at him once again.

Youngmin look at you and stared straightly to your eyes. Then he continued, "...it's because of you.."

CHAPTER 36

You were already lying on your bed as Youngmin's words keep playing on your head.

"..it's bacause of you.."

"..it's bacause of you.."

"..it's bacause of you.."

"..it's bacause of you.."

"..it's bacause of you.."

You shook your head to snap your head on playing that words. *No! But he said...*

:: flashback ::

"..it's bacause of you.."

Youngmin said. You froze.

"W-what?" you gasped as if you heard wrong but he repeated, "I'm here to think about my feelings for you." he said.

You open your mouth to say something but he cut you off and continued, "I know I hurt you before because of Sulli but I thought she's the one that I love. Day by day, I'm with her but I still can't forget about you. I didn't know why I broke up with you over Sulli. She tricked me, she seduce me. I tried myself to focus on Sulli but always failed. She easily get jealous everytime I talk about you. I tried to understand her but I can't. She was too different from you. Sunmi-ah.. I know you still didn't forgive me but believe it ir not, I'm still in love with you." he said.

You didn't what you need to feel about what he said. You could feel a mixed emotions.

You stood up and raised an eyebrow at him, "Are you crazy?! After what you did to me before. After hurting me, now you're saying you're still in love with me?! After a year, you just realize it today?! and now, you want me to believe that?! What fo you think of me? A thing that you can freely get back from you?! Are you really a person?! If you hurt me before, you can still do the same thing so expect me to go back to you! I'm a person too that has feelings!" tears welled up to your eyes. "I'm going now." you turned to leave but he held you back.

"I know I hurt you so much but all I said.. I meant it. Sunmi-ah, I love you and I'm willing to wait no matter what." you heard him said as another tears fall from your eyes.

Without looking back at him, you left leaving him crying alone.

:: end of flashback ::

Is he really meant what he said? you thought. You shook your head, *No. He just want to trick you. Yah! Go Sunmi, don't ever believe him. He will just hurt you.*

With that, you burried your face on your pillow and soon, fall asleep.

CHAPTER 37

Next morning came. You nervously stepped out from the house, afraid to go to school or should I say.. afraid to face Youngmin.

You started to walk forward when BAP suddenly appeared on your sight that made you jump in surprise along with a gasped. BAP blinked at you.

"Aish! You guys scared me!" you said. "Woah! Dd you hear her? She talk again!" Zelo beamed in excitement. You rolled your eyes as you started to walk again.

"Are you okay now?" Daehyun and Himchan asked at the same time that made you stopped and looked bacj at them.

Daehyun and Himchan glared at each other as BAP stared at them, puzzled. You blinked at the two, "Um.. Er.. What is it again?" you asked.

Daehyun and Himchan broke the staring contest and look at you. "Um.. About last night.. Do

Last night? Wait.. Did they saw me with Youngmin last night?"Last night?" you asked, wanted to make sure.

You saw Himchan nodded, "When your aunt.. You know.. S-slap you.." he finally finished his sentence. *Uh yeah! I thought they saw me with Youngmin. Well.. I think because of that, I forgot about my aunt.* "Uh.. Ne, I'm okay. Thank you for the concern." you said as you spun around again.

BAP look at each other. *She said thank you?* they wondered.

As you were walking, you felt some foot step from behind. You carefully spun around only to see BAP again. You furrowed your eyebrows together, "What are you guys following me?"

"We're NOT following you." Yongguk snapped. "What are you guys doing then? It's obviously following me, right?" you raised an eyebrow.

"Well... If you didn't remember, we're also studying at tha same school as you." Jongup pointed out.

You started walking to the way to the ladies comfort room but BAP still following you. You turned around, "Are you guys also going to the ladies comfort room?" you pointed out.

They all stopped and noticed what they are doing. They all shook their head. "Go now then." you nodded them to leave. With that, they finally left.

he snapped.

You stunned as you quickly climb at the gate like what you did last time with him but this time, with a fast move.

"So.. You're now want me to leave you alone. Is it because of that bitch again?!" Sulli smirked.

"Yah! Don't call her bitch coz you're the one that bitch!" Youngmin glared at her. Sulli smirked as she walked to Youngmin and whispered, "Am I still a bitch even if I kiss you like this?" she then pressed her lips to him as she kissed him sexily.

Youngmin immediately pushed her away, "Stop seducing me again bitch!" he wiped his lips using the back of his hand, "..and stop ruining my lips with your dirty lips!" with that,

What? She's sleeping? Aish! I'm craving for the hug. he pouted.

"Ahhh." you yawned as you and Himchan went out from the theater room. "Psh!" you heard Himchan mumbled as he pouted.

"Wae?" you innocently asked. He pouted even more. You rolled your eyes.

"Why did you sleep inside?" he asked in irritation. "I already told you I don't want an horror movie." you replied. He shot you a look. "I'm bored at horrors and fall asleep immediately." you added.

After eating, you and Himchan walk around the mall since he still didn't want to let you go.

"Um.. Why Youngmin following you?" Himchan suddenly asked. You stared at him because of the sudden question. You look away, "I don't know." you lied.

Himchan cupped your face to make you face him. "Is he bothering you?" he asked with a worried voice.

You snapped his hand away, "It doesn't matter to you so don't ask." you said. "No, it does!" he snapped. You stunned and look at him. "What?" you gasped.

Himchan gazed at you, "I want to know if he's bothering the girl I like.."

CHAPTER 40

"I want to know if he's bothering the girl I like.."
Himchan softly stated. You froze on your spot. *Is he confessing to me?*

You laugh nervously, "Do you think I will give in easily to your trick? Psh! Too bad, I'm not like your other girls!" you said.

"I'm serious." his expression didn't change. You gulped and stayed still. "Go Sunmi, I like you." he finally said the magic word.

You made a step backward, "I need to go now." you turned to leave but as always he caught you, "I know your shock but I'll be waiting." he said.

You snapped his hand away and started to run. As you were walking, Himchan's words repeatedly playing on your head.

He raised an eyebrow, "But my friends are also blonde." he snapped. *Right. Well.. To be honest, because of your eyes that usually met mine.*

"Why didn't you attended class?" he asked. "Uh-oh.. I just went somewhere." you explained. "Are you with Himchan that time?" he slowly asked. You looked up at him, surprised. "Uh.." you lowered your head as you remembered Himchan's confession.

"So.. are you going somewhere?" Daehyun suddenly change the topic. You looked up again, "Home." you replied.

"Do you mind going out with me?" he slowly asked. "Eh?" you gaped.

Suddenly, Daehyun caught your waist and pressed you against his chest. *Okay, snap that. They are the same.*

"Be careful. You almost hit by a car." Daehyun whispered softly. You look up and noticed that a car was about to hit you but luckily, Daehyun caught you in time.

He carefully released you, "Gwenchana?" he asked as you nodded. *He is so caring.* you thought.

"Come on. We're almost reach the park." he said as you silently followed him.

"Um... Why did you want to go here?" you asked as you two reach the park. "Just want to relax and watch the fireworks." he said. You gaze at him, amused.

"Come on. Let's grabbed dukbokki first. The fireworks will appear maybe later." he said as he grabbed your wrist but you stared at his hand that made him pulled away. "Mianhe." he whispered.

You automatically looked at him, "You heard it?" He smiled and nodded as he looked up once again. "Aish!" you scratched your head.

He chuckled and turned to you again. "How come you started to talk now?" he suddenly asked. "Eh?" you gasped. "Day by day, you started to talk much just like today." he said and looked up the sky again. You stared at him, amused.

"Uh.. Fireworks!" he pointed. You snapped out your gaze and looked up. Your eyes sparkled,

"Woah!" you suddenly whispered.

"That's why I like them. They can lightened up all the person's mood." Daehyun said. "I know right." you giggled.

Daehyun gaze down at you, *I like seeing you smiling. You look better.*

Minutes later, the fireworks disappeared but a shooting star suddenly appeared in the sky. "Uh.. Shooting star!" you pointed as you sut your eyes close tightly and pressed your both palms together.

Then, you slowly open your eyes again and looked up in the sky. You turned to Daehyun who's eyes were closed. Just then, he slowly open his eyes.

"You make a wish?" you asked. He nodded. You kept yourself silent, hesitating to ask him or not. "Do you want to hear my wish?" he asked. You nodded.

He slowly turned to you and stared as you stared back. With a serious face, he said, "I wish you to forget about Youngmin and started to like me instead.."

CHAPTER 41

"I wish you to forget about Youngmin and started to like me instead.." Daehyun softly stated.

You just remained on your spot as you stared at him, stunned. Daehyun gently shook you, "Sunmi? Gwenchana?" he asked, worried.

You snapped out your gaze and

back to reality, "Ne?" you gasped. "Don't you hear what I said?" Daehyun asked as you shook your head, "I don't know. I think I heard wrong." you said.

Daehyun put his hands to your shoulder, "Go Sunmi, I wish you to forget about Youngmin and started to like me instead." he repeated.

You froze, *Omo! It's true. I received another confession for today. Sheesh! Eotokhae?*

"Sunmi, I like you just like the fireworks. You made me feel better when I'm with you.." he said as he look straightly into your eyes.

You could see a sincerity on his face. You looked away, "Mian but I think I need to go now." you stood up but stopped when you heard him spoke, "I'm not asking for your answer today. Just take your time and think, I'll be waiting." he finished his sentence.

With that, you left him without saying a word.

Aish! Why so many people wants to wait for me? you let out a sigh, *They made me confuse right now. Aish!*

"Go Sunmi, I like you.."

"Sunmi, I like you just like the fireworks."

It keeps repeating on your head. Youngmin, Himchan and Daehyun. Those 3, it so hard to think that they all like you. They all handsome but you're not yet ready for relationship for now.

You straightened up, "So.. You like me like a little sister? Nothing more?" you asked. He chuckled and nodded.

You sigh in relief, *Thanks God!* with that, you gave him the tray and then he left.

Just then, Zelo came. "Another tray of coffees." he said. You nodded, "Okay, wait for a while." you then prepared the coffees.

"You're so responsible. All the boys will like that." he commented. You eyes dropped, *Oh no.*

You turned around as you placed the tray between you two and whispered, "Do you like me too?" you asked. "Ne. I like you so much noona." he beamed.

Youngjae smiled, "You look cheerful today." he commented. You turned around, "Can I ask you something?" you asked.

"But you were already asking." he snapped. You rolled your eyes. "Kidding. So what is it?" he asked.

"Um.. Er.. Do.. You like me too?" you carefully asked. "Yeah. I do." he said. "Mwo?" you gasped.

"Like you do." he replied. "Excuse me?" you said. "Like how you know that I'm here for

the coffees." You nodded in understanding.

You lean in once again, "So.. You do like me?" you nervously asked. He nodded, "I like you, my friend." he smiled.

"Friend?" you gasped. "We're friends now right?" he asked as you slowly nodded.

He smiled even more, "I'm so glad to have a cool friend like you." he took the tray from you and left happily.

You couldn't help but smiled. You watch them working, *But atleast those 4 blondes doesn't like me the way Himchan and Daehyun does.*

CHAPTER 43

You make yourself busy making coffees until a one unexpected customer came.

Omo! Youngmin?! you immediately hide yourself below the counter. *Please don't let me get caught!* you hoped.

Himchan and Daehyun were coldly glared at each other. "Come on, Sunmi.. I'll help you out." Himchan held a hand. "No. You're not safe with her. Just go with me." Daehyun said and pulled out his hand as he give Himchan one last look.

Without any hesitation, you immediately took their hands, "Stop arguing. I don't have time. Get me out of here now please.." you whispered as your body started shaking.

Daehyun and Himchan didn't said a word anymore and help you out. An awkward silence filled the whole walking thing.

Omo! Now I'm stuck with this two blondes who confess to me yesterday.. you let out a sigh.

Daehyun and Himchan turned to you after hearing your sigh. You gulped. "Um.. I think you two can go back now. I can handle myself." you said.

"I'll stay with you." Himchan snapped. "I want stay with you too." Daehyun snapped.

Himchan shot Daehyun a look as he grabbed his collar, "Neo! Do you like Sunmi too?" he asked, pissed.

Daehyun smirked as he snapped Himchan's hand away. "Yes, I

like her. Wae? Can't I?" he said.

Himchan narrowed his eyes to him, "You better stay away from her!" he said. Daehyun let out a light chuckle, "You talk like she's yours! She didn't even say that she like you so stop saying to stay away from her!" Daehyun snapped.

Himchan clenched his fist as he glared at him. Without a second, he punched Daehyun on the face.

to: Sunmi

This is Youngmin. Let's meet at the park at 4:00 pm. I'll be waiting. You're coming right?

from: unknown number

You bit your bottom lip, *Should I go or not?* you asked yourself.

You stared at your phone once again. You eyes were glued at the last part of the message.

I'll be waiting. You're coming right?

You put your phone back to your pocket as you went to the kitchen to make breakfast for yourself.

After you finished your breakfast, you take a shower. As you went out, you sat on the couch and pulled out your phone again. *Eotokhae? Aish! Go Sunmi, think!*

You draw circles on the edge of the couch while your mind still thinking of you're going to do.

You shook your head, *No Go Sunmi! You're not going. He will hurt you again if you do.* you let out a sigh as you hugged your legs through your chest and rested your chin on your knees.

3:00 pm. *One hour more and Youngmin will be there..* you said to yourself. You shook your head, *Aish! Why I keep thinking about him?! Snap that Sunmi!* you slapped your forehead.

You turned on the TV to stop yourself for thinking Youngmin. Hour had passed, it's already 4:00 pm. Yes, you were watching TV was on but your mind was out of it.

You turned off the TV as you grabbed your jacket and darted outside the house.

When you passed by BAP's dorm, Himchan was about to leave the house as Daehyun was staring at the window that made them saw you.

Himchan raised an eyebrow, *Where is she going? Um.. I'll follow her then.* with that, Himchan silently followed you as Daehyun also did but separated

with Himchan.

Youngmin was patiently waiting for you at the park until he saw a familiar figure. His mood suddenly lightened up.

You were walking to him, *I knew you would wait.*

To your surprised, Youngmin rushed to you and hugged you immediately. Your eyes widen in shock and so did Himchan and Daehyun.

CHAPTER 45

You and Youngmin stayed still. Himchan and Daehyun looked away on their spot, hurt.

Himchan and Daehyun decided to leave and didn't want to see any scene that will going to happen.

Youngmin finally released you. "Uh.. Mianhe.. I was just happy that you came." he lightly rubbed the back of his neck.

You started to calm down and lowered your head, "So.. Why do you want me to come here?" you asked.

"Uh-oh.. Let's have a sit first." he said as you nodded. Both of you sat in one of the bench there.

"Um.. Sunmi-ah.." Youngmin started. "Hmm?" you mumbled.

"About what I said to you last time," You remained silent let him finish his sentence. "I really meant it. I still love you. I know I'm so stupid to leave and now

wanting you to come back to me but I'm sincere and ready to do everything just for you." he continued.

You're just sat there, not saying a word. You couldn't find a right word to say to him and just shut your mouth.

Youngmin turned to look at you. You looked back. "Sunmi-ah, I'm asking for another chance." he softly muttered.

You were still speechless. Even you do want to speak but no word want yo come out from your mouth.

Then Youngmin asked, "Are you going to give me a chance?" he slowly asked.

You paused for a moment, *Giving him a chance won't hurt right? I hope so.* You slowly nodded as a sign of response.

You saw a smile formed on his face. He then hugged once again. You could feel his heartbeat inside his chest that was beating rapidly.

A sudden smile went up to your face, not knowing that you hugged him back.

"I'll take you home." Youngmin offered as you two were walking. You shook your head and waved a hand, "There's no need. I can handle myself."

Youngmin shook his head, "You give me another chance to love you again so please also give me a chance to atleast walk you home." he said.

You just nodded. Little did you know, Daehyun and Himchan was saw you with Youngmin as he walk you home. *Are they together now for the second

time?*

You bowed at Youngmin and thnaks him. He smiled, "No problem. You know I will do everything for you." he said.

Youngmin lean in and give you a peck on the cheek, "Annyeong! I'll see you tomorrow." he waved and left you, dumbfounded.

You touch your cheek as you blush and darted inside the house.

CHAPTER 46

Next day. Youngmin was waiting for you outside your house to walk to school together.

"Uh.. Youngmin-ah.." you whispered. He smiled widely, "Ready?" he asked as you nodded.

He took your hand started to walk. You gulped when you feel his touch. It's been so long since thae last time you held hus hand but you felt uncomfortable at his touch.

Just then, BAP suddenly appeared on your sight. *Uh-oh..* you bit your lower lip.

BAP blocked the way. Youngmin raised an eyebrow, "What are guys doing?" he asked them.

Yongguk smirked, "You're the one that we need to ask the question. What are you doing? Where are you taking her?"

"School." Youngmin simply replied. "Come on Sunmi-ah.."

with that, he dragged you away.

You looked back at them and you could see a sadness on Himchan and Daehyun's eyes. You felt sorry to him that made you bothered about it.

"What are you thinking?" Youngmin suddenly asked. You snapped out your thought and shook your head, "Nothing." you replied.

"Um.. Those guys, are you really dated them before?" Youngmin asked in curiosity. You immediately shook your head, "No."

Youngmin suddenly hugged you. "Youngmin-ah.." you whispered. "Let stay like this for a while." he whispered back.

You didn't say a word anymore and let him hugged you. Minutes later, you two broke apart and entered the school.

All the pair of eyes were on the two of you.

"What's going on?" "Aren't they already break up a year ago?" "Are they together again?" "What happen to Sulli then?" "Well.. They look good together like before." "But.. What is really going on?" "I thought she's dating the 6 hot blonde guys!"

You heard the crowd started whispering. You lowered your head, uncomfortable. Youngmin gently squeeze your hand, "Don't mind them." he whispered.

You nodded.

As both you two reach your classroom, Youngmin kissed your forehead for a goodbye. You got shocked by his sudden

action.

You looked up at him, "Youngmin.." He just smiled at you and stroke your hair. "I'll see you later." with that, Youngmin disappeared on your sight.

You let out a heavy sigh, *I'm still not used to it.*

CHAPTER 47

You let out a sigh once again and turned to entered the room but to your surprised, BAP was there right next to you giving you a suspicious look.

You jumped a little, "Uh.. You scare me!" you gasped. "Noona! Why are you with that guy?!" Zelo hissed.

"NOONA?!" BAP gasped at the same time.

You and Zelo looked at them. "Aish! That's not important." Zelo snapped. "Noona, answer my question now." he faced you.

"Um.." you bit your bottom lip. "Are you get together again?" Jongup snapped.

Right. you slowly nodded. "What?! Why?! Do you want to get hurt again?!" Youngjae hissed.

The bell suddenly rang. "Uh.. It's time for class now." with that, you darted inside the classroom.

BAP watched you, stunned. Without a choice, they entered the classroom and went to their respective seats.

Just then, the teacher came. The whole class focus on the class.

After class. Youngmin waited you at your classroom door until you suddenly went out.

"Ready?" he asked. "Um.. Youngmin can you wait for me at the exit gate? I need to use the comfort room." you shyly said.

He smiled and nodded, "Okay. I'll see you there." he left. You darted to the ladies comfort room to pee.

You entered one of the cubicle there and as you finished, you went out and check yourself on the mirror.

Just then, one cubicle slowly open. To your shocked, Sulli was the one who went out. You saw it through the mirror.

She walk to the mirror and wash her hands while you also do. After Sulli wash, you saw her walk to you that made you turned to her.

"I heard you and Youngmin are together now." she said. "So?" you raised an eyebrow. "What did you do to get him back huh? Seduce him, aren't you?"

You chuckled, "I'm not that desperate to do what you just did." you said. "Mwo?!" you could see on her face that she's already angry.

"As I know, you seduced Youngmin to stole him from me." you simply said with an evil smile. "How dare you?!" she raised her hand trying to slap you but you're more faster than her and grabbed her wrist.

"I already received a slap once and I won't let it to happen again! Not from anyone and not even from a bitch like you!" with that, you snapped as her hand away that made her stepped backward.

You turned around to leave but stopped halfway. You turned to her again and walk back to her. "Uh.. I forgot something." you slapped her face hard, "That's for what you've done to me!" with that, you completely disappeared on her sight.

Sulli dropped down on the floor and started to cry as she touch her burning cheek.

CHAPTER 48

"Let's go!" you said to Youngmin as you passed by him. Youngmin look at you, clueless. "Something happen?" he asked as he he followed you.

You shook your head, "No, nothing happen." Youngmin nodded in understanding.

"Let's go on a date then." he said. You stopped and gasped, "Eh?"

"Let's date." he repeated. You shook your head, "I can't. I still have to go to work." you replied.

"After your work then." he simply said. "Eh? But you're just gonna wait until 10:00 pm." you snapped.

"It's okay if it is for a date." he winked. "Uh-oh.." without a choice, you gave up and agreed.

As you and Youngmin entered the shop, 7 pairs of eyes were glued on the two of you. It's the BAP including your manager.

You ignored them and looked to Youngmin, "Search for a seat and wait for me." you said and was about to leave when Youngmin suddenly grabbed your wrist and turned you to face him again, "I already went here the other day.. How come I didn't saw you?" he asked.

You gulped, "Eh? I didn't see you either." you lied. "You don't?" he asked. You quickly nodded.

"Uh-oh.. Maybe this is not that shop." he said. "Yeah.. Maybe." you said. "I'm going now." you said.

He nodded and finally released you. With that, you went to the counter and start your work.

"Who is he?" your manager suddenly popped in front of you. "Eh?" you asked. "The guy with you when you went here." he said.

"Uh.. He's Youngmin." you said. "I'm not asking for his name. What I mean is.. your relationship with him.." he said.

"Uh.. That.. Um.. He's my.. Boyfriend." you slowly said. "Eh? You have a boyftiend?" he gasped.

"Yes sir. Isn't it too much to ask about my personal life?" you snapped. "Right. Go back to work now." he said abd walk away.

He's the guy last time that she was trying to ignore.. How come he's her boyfriend? I thought her boyfriend is one of the boys.. your manager thought.

BAP didn't talk much to you especially Himchan and Daehyun. The working time was a silent for you today. You could see them giving Youngmin a glare but as yourself, you didn't even bothered. You just let them do what they want to do.

CHAPTER 49

Finished working, you and Youngmin go on a date without even saying a goodbye to BAP since Youngmin already dragged you out.

You let out a sigh. "What's that sigh for?" Youngmin asked. You lowered your head, "I was just tired." you excused.

"If you want, we can cancel our date." he said. You look up at him and saw a sadness on his face. You force a smile and shook your head, "No. You wait for me so I will go with you." you said.

He finally brightened as he took your hand and to the mall. Unluckily, the mall was about to close. Just then, you remembered the day you ditch school with Himchan. *Ditching school was not bad after all.* you thought as you and Youngmin leave the mall and went to the park instead.

Suddenly, the fireworks apeared in the sky. Your eyes sparkle. *It reminds me of Daehyun..*

"Sunmi-ah, come on. Let's walk around." Youngmin said. "Can we just stay here for a while and watch the fireworks?" you asked.

"Eh? But it will waste our time."

he said. You looked at him, "Don't you like the fireworks?" you asked.

You saw him shook his head, "I didn't see any special about them." he said. "Uh-oh.." your face fell.

"Can we go eat now?" he asked. You just nodded. You glance once more in the sky before you could completely followed him.

You two went in a mini restaurant there and eat. Right now and then, Youngmin was there but your mind was blank.

"Sunmi-ah, gwenchana?" he asked. you nodded, not even listening to him.

After the so-called date, Youngmin walked you home.

"Thank you for walking me home." you said and was about to leave when he grabbed you hand.

You turned back to him, "Eh?" Instead of replying you a word, he pressed his lips to yours. Your eyes widen. You blink a few times but saw Youngmin's close eyes.

Your eyes suddenly dropped. You tried to kissed him back but your lips don't want to respond.

You slowly pushed him away from you and lowered your head, "Mianhe." you whispered. "What's wrong?" he asked.

"I tried to get back my feelings for you but it didn't work anymore. I can't love you anymore Youngmin-ah.." you looked up at him as your tears started to fall from your eyes.

Youngmin froze. "Why Sunmi? I'm sorry if I kiss you, I know you're still mad at me about what happen a year ago but

don't force yourself. You will found your feelings again soon." he said as he started to cry.

You looked away, "I'm sorry Youngmin but if I still love you, I'm happy that you're with me again. To be honest, I'm not. I tried to get the past back but it's different now Youngmin. I won't love you anymore." you said.

Youngmin lowered his head, "I think I really break your heart so much that made it doesn't beat crazily like before." he whispered.

"Youngmin-ah, mianhe.." you whispered. He shook his head and weakly smile at you, "No need to be sorry. I understand. I'll go ahead now." he turned around and left.

You watch him walk away, "Mianhe.." you mumbled. You felt bad for him but your heart doesn't want to beat crazily for him anymore. With that, you entered the house and went straight to your room.

CHAPTER 50

Morning came. It was a bright morning for you since you're now free again. You're single again. You're no longer Youngmin's girlfriend.

As you stepped out from the house, BAP walked passed by you. You smiled at them but they ignored you and continued walking.

Your face fell. You tried to brightened your mood again since you don't want to ruin your good day.

You started to walk behind them but they didn't talk to you and even turned around to look at you.

Almost near the gate, you saw Youngmin waited there as he waved at you. You raised an eyebrow, "Why is he waiting for me?" you asked yourself.

As BAP and you reach the gate. BAP gave Youngmin a glare as they passed by but Youngmin didn't even noticed since he's busy smiling at you.

"What are you doing here?" you asked. "Waiting for you." he simply said. "Eh? Didn't I—" Youngmin cut you off, "I know, I know. I just want to wait for my bestfriend."

BAP didn't heard it anymore since they already headed at the classroom.

"Bestfriend?" you asked. He smiled and nodded, "Yeah. Don't you want me to be your bestfriend?" he asked.

You smiled, "Of course I do." you beamed. Youngmin smiled as he open his arms, "Bestfriend's hug?"

You smiled and stepped closer to him to give him a hug, "A bestfriend's hug." you whispered.

Just then, you two broke apart. Suddenly, you saw Sulli hopped in a black car with an envelop with her. She's not wearing a school uniform. "Where is she going?" you asked.

"I heard she's going to transfer to another school. She's not even suit in this school so that's better." Youngmin said.

You shook your head, "That's bad but I think you're right!"

both of you burst into laughter.

My ex-bestfriend was already leave but atleast I have a new one and he's better than Sulli.

CHAPTER 51

Youngmin offered you to walk you to the classroom as you let him do it since he's now your new bestfriend.

"Um.. You can go now." you said. "But we're not yet reach your classroom. You shool your head, "It's okay. I don't want everyone to think tat there's something suspicious between of us." you explained.

"Uh-oh.." He nodded in understanding, "I should go now then." You nodded, "Yeah, you should."

"Annyeong bestfriend!" he waved and left. You smiled and headed to your classroom.

"Happy with your boyfriend huh?!" Yongguk snapped you as you passed by him near the classroom's door. You were smiling before but suddenly vanished when you heard what he said.

BAP was also there, look at you suspiciously. You just smiled at them and said, "I don't know what you're talking about but I'm single." with that, you entered the room.

BAP slowly turned to your way with an open mouth hanging. "Did you guys hear what he

said?" Yongguk asked his friends.

BAP slowly nodded. "She said.. she's single?" Youngjae whispered. "Yeah. I think we heard the same thing." Jongup agreed.

"No. We all heard that." Zelo snapped. Daehyun and Himchan glance at you, thinking about what had you said earlier.

BAP was about to aproach you but the teacher entered the classroom. Without a choice, they headed to their seats and just glance at you. You, on the other hand was busy focusing on the class.

After class, BAP wants to talk to you but you're nowhere to be seen. You went to the comfort room to pee.

Just as you were walking to leave the school, Youngmin saw you. "Sunmi-ah!" he called. "Uh.. Youngmin-ah.." you said.

"Going to work?" he asked. You nodded. BAP suddenly saw you with Youngmin.

Single huh? they thought the same thing. They started to annoyed again as they walk passed by you and left the school.

You smiled at them but they just ignore you. You frowned and turned to them, "Wait!" you called but they pretended to not hear you and continue to walk away.

You rolled your eyes, "Aish! Those blondes!" you hissed. "Yah! I'm blonde too." Youngmin pouted.

You chuckled, "Mian. I think I should go now." you said. "Do

you want me to walk you there?" Youngmin offered.

You shook your head and waves a hand, "No need. I can walk by myself. Plus, they don't like you." you pointed out.

Youngmin nodded in understanding. "Uh-oh.. Okay then. I'm going now. Be careful on your way bestfriend!" he waved and started to walk. You smiled and nodded, "You too bestfriend." you waved back as he finally disappeared.

You entered the shop as you saw the BAP busy on their work. You walked passed by your manager but he snapped you, "You didn't bring your boyfriend?"

That question made te BAP turned to you.

You just gave your boss a smile, "It's impossible for me to bring a boyfriend coz I'm single." you simply said and went straight to the counter.

CHAPTER 52

"It's impossible for me to bring a boyfriend coz I'm single." you simply said and went straight to the counter.

BAP's gaze followed your direction in puzzlement. *Is she really a single?* that thoughts keeps playing on their heads.

They shook their heads and went back to work. You take a glance at them and smiled, *They must be confused.*

With that, you let yourself busy on making coffees. Your manager suddenly appeared as he give you a suspicious look. You raised an eyebrow, "Yes, sir?" you asked.

Your manager rested his arms to the counter and give you another suspicious look, "What you said ealier, is it true?" he asked. You titled your head, "What was I said?"

"You said you don't have boyfriend then who is the guy from yesterday?" he asked, a bit loud so the BAP will hear it.

BAP turned their attention to you as they slowly lean in to hear the conversation.

"Uh.. Youngmin? He's not my boyfriend but my bestfriend." you simply replied with a smile.

Bestfriend?! BAP shockingly gasped. "What?! Bestfriend?! But didn't you told me yesterday that he is your boyfriend?" your manager asked. "There's a difference between yesterday and today so if I told you yesterday that he's my boyfriend, maybe just yesterday but not today, not anymore." with that, you went back to your work.

Suprised, BAP went to you to approach you. "Noona, you don't have a boyfriend?" Zelo asked. You simply shook your head.

"How about Youngmin?" Jongup asked. "He's only my bestfriend." you snapped, still focusing on the coffees.

"Bestfriend? Not boyfriend?" Youngjae asked. You nodded.

"Aish! You're just playing around, aren't you?" Yongguk said. You paused and look at them, "If you guys don't want to

believe me, then go to Youngmin and ask him." you said.

"Then how come he is your boyfriend yesterday and now become your bestfriend?" Daehyun asked.

You smiled and said, "Well.. I just want to give it a try but my heart isn't belong to him anymore that's why we decided to be bestfriends." you simply explained.

"You're not joking, are you?" Himchan said seriously. You chuckled and shook your head, "I'm not."

Unexpectedly, BAP give you a sudden hug tht made you stunned. The manager raised n eyebrow, "Hey! You still have work that need to do." hr snapped.

BAP released you. "Yes sir!" they beamed as you smiled.

With that, they happily went back to their works and so did you.

Time for closing the shop, you and BAP walk all together to your neighborhood. Being with BAP today wasn't annoying anymore. Besides, it makes you feel better with them. You started to laugh along with them than before.

As you reach your house, you waved at them. "Annyeong!" They waved back, "Annyeong!" with that, they walk away.

You started to walk to your door but stopped and take a glance at them, *I hate to admit but I miss being surrounded by those blondes.* with that, you twisted your door knob and enter the house.

CHAPTER 53

Next morning. No school. You heard a knock from your door. You looked up, *A visitor?* you wondered.

You walked to the main door and approach it. To your surprised, it isn't just a visitor but visitors. BAP popped in front of you with a smile.

"Good morning!" they all greeted at the same time. "Uh.. Good morning.." you scanned them from head to toe. "What are you guys doing here?" you asked.

"To fetch you." Yongguk said. "What?" you raised an eyebrow.

"We're going out." Himchan explained. "Eh?" you gasped.

"Aish! Just go and change!" Youngjae pushed you to go to your room and change your clothes. Without a choice, you did.

"Where are we going?" you asked as you hopped inside their van.

"Lotte World!" Zelo beamed. Your eyes widen in horror. "Mwo?! Andwae!!!" you were about to escape but Daehyun caught your waist, "Too late. Youngjae, start the car." with that, the car droved off.

Daehyun was still holding your waist as you noticed a pair eyes were on the two of you. It was Himchan. You pushed Daehyun away, "I'm not going to escape since the car already move." you rolled your eyes as you look

the other way, *Too close.*

"Now here~" Youngjae snapped as all of you got off from the van.

"Where do we go first?"
Yongguk asked all of you.
"Roller coaster!" Zelo beamed.
You froze.

"Zelo is so hyper today eh?"
Youngjae said. "Because I'm with noona." he said as he wrapped an arm around your shoulder.

"No!" you blurted. "What?"
Himchan asked. "I don't want to ride that." you said.

Zelo face fell. "Noona, please.. Just once? I really want to ride it now." he said.

You rolled your eyes and let out a sigh, "Araseo. BUT," you pointed a finger to him, "..only once hmm?" you said.

Zelo eagerly nodded. "But I want to ride too!" the others snapped at the same time.

"Let's just go ride all together." you said. "Then, who do you want your partner then?"
Yongguk asked.

You paused and stared at them one by one. "Um.." you started. "I'll go with Jongup." you finished your sentence.

"What?!" they all gasped as Jongup happily jumping up and down. "Among of us, why him?"
Youngjae hissed.

"Because I feel safe with him." you simply replied. Daehyun's and Himchan's shoulder fell.

"No! Noona, I thought you're going to choose me." Zelo hissed. "I already forgive you to

ride a roller coaster, you must be happy now." you said. He pouted.

Yongguk let out a sigh, "Let's just respect her decision." he said. The others pouted.
"Thanks Yongguk oppa.." you said and smiled.

"Oppa?!" BAP gasped even
Yongguk.

CHAPTER 54

"Oppa?!" BAP gasped even
Yongguk.

"Uh-oh.. Because you said before the I am like your younger sister right so I thought you would like it if I call you oppa. I'll stop if you want." you said.

Yongguk eagerly shook his head, "No, I want you to call me oppa!" he blurted. You smiled, "Oaky then, Yongguk oppa.."

Yongguk smile widely. "Call us oppa too." the others shrugged. "Eh? No! Yongguk is only my oppa." you snapped.

"But—" You cut them off, "The ride is waiting. Come on." with that, you started to walk as Yongguk followed.

"But atleast she choose to be her partner today." Jongup said and also followed. "And atleast she grant my wish to ride the roller coaster." Zelo also followed. Daehyun, Himchan and Youngjae left without receiving any from you. Pouting, they also followed.

"Zelo, let's ride together."
Youngjae said as Zelo nodded. Daehyun and Himchan stared to each other and nodded to give each other a hint.

"So.. Who's my partner?"
Yongguk asked. "No one!"
Himchan and Daehyun blurted. "What?! I'm alone?" Yongguk gasped.

"Just be happy that Sunmi called you oppa unlike the 3 of us didn't received anything." Youngjae snapped and with that, Zelo, Youngjae, Daehyun and Himchan hopped to the roller coaster.

Yongguk pouted, "Aish!" with put a choice, he hopped to the roller coaster alone.

You shook your head to them but smiled. "Shall we go now?"
Jongup asked you. You nodded as you two hopped to the roller coaster.

The ride went good as you finally enjoy the ride. Maybe because you're more comfortable with them now. After the ride, all of you started to walk around.

"Uh.. Ice cream! Let's go buy one." Youngjae beamed. "Aish! So childish!" Yongguk said and ignored him and so did the others.

Youngjae pouted as you paused. Luckily, they didn't noticed since your walking at the back. You went back to the direction of the ice cream.

"Give me two please." you said yo the vendor. He gave you two as you payed it and went back to BAP.

"Here.." you handed the ice cream to Youngjae. He turned to you, "Eh?" he gasped in surprised as he stopped. "I

thought you like ice cream." you said.

BAP stopped and turned to the two of you, surprised. "Uh-oh.. Yeah." Youngjae took the ice cream from you as you licked your own ice cream then said, "I like ice cream too." you said and walk passed by them.

Youngjae smiled brightly, "Woah! I received an ice cream from her today. Wiieeee! Atleast I received one. Thanks Sunmi!!" Youngjae happily followed you.

The others frowned, envous but also followed.

CHAPTER 55

"Aren't we going home now?" you asked them. "Not so fast." Yongguk snapped.

"Where are we going then?" you asked again. "To ride all the rides here." Jongup muttered.

Your eyes widen in horror, "Mwo?! Are you guys trying to fool around?!" you shouted that made the people around you turned to you.

Uh-oh.. You fake a smile and bowed at them, "Mianhe.." you apologized.

Aish! So embarrassing. you said to yourself. BAP laugh at you. You shot them a look, "Stop laughing! Come on!" with that, you walk away.

BAP followed.

You was about to exit the Lotte World but Himchan caught you. "You're not going anywhere sexy!" he whispered to your

ears.

You shot him a look, "Let go of me pervert!" you shrugged but he won't let you go.

You could see a stare from Daehyun so you pushed Himchan hard and now you're free. "I want to go now." you said and turned around to leave again but Yongguk grabbed your wrist.

"Like Himchan said, you're not going anywhere." Yongguk said. You gulped. "Oppa, I don't to ride all the rides here." you whispered.

"I was just joking. We're actually going to eat." Jongup snapped. "Eh?" you gasped.

"We're not going to ride but to eat." Youngjae explained. You sighed in relief.

With that, all of you look for a place to eat.

"You know what noona? I'm happy that Youngmin is not your boyfriend." Zelo said as all of you started to eat.

"Youngmin isn't that bad as you think." you snapped. "But he broke your heart before so he didn't deserve to be with you." Jongup said. Daehyun and Himchan nodded in agreement while swallowing their food.

"But it's just only in the past but he's a better person now. He's just a bestfriend to me now." you said and bite your food.

"It will be good if one of us will be your lover." Youngjae said. You suddenly choke by his words.

Daehyun and Himchan handed you a glass of water at the

same time. You looked choking, they both staring angrily to each other.

"Here~" Yongguk handed you too. Instead of getting one of Himchan Daehyun, you took the one that Yongguk was holding and drink it immediately.

Daehyun and Himchan put back the glass of water on the table and sat back on their seats.

"Thank you Yongguk oppa.." you said. "No problem." he replied.

These two.. you thought. With that, all of you continued eating.

"Thank you. I have fun today." you said as you got off from the van as it stopped at your neighborhood.

"No problem noona. We enjoyed too." Zelo said. You smiled, "I'm going now. Bye." you waved and went to your house.

"We received something from her. I'm so happy." Youngjae beamed. "Oh-ow! Not all of us. There are two who didn't received anything." Yongguk said as he take a glance with Himchan and Daehyun.

Both Himchan and Daehyun rolled their eyes. The others burst into laughter.

CHAPTER 56

Next day. You and BAP walk to school all together.

You were laughing happily

walking to school when you heard a voice called you, "Sunmi-ah!"

All of you stopped laughing as all of you turned to the direction of the voice. The one you saw is the sight of Youngmin waving to you with a wide smile on his face at the gate.

"Youngmin-ah!" you waved back and went up to him.

BAP rolled their eyes by the sudden appearance of Youngmin. Annoyed, they followed you. "What are you doing here?" you asked Youngmin. "Waiting for you of course, silly!" he said.

"But you don't have to." you snapped. Youngmin rolled his eyes, "Stop arguing, will you? I'm already here, okay." he said.

You pouted, "Araseo. As you said." "Aigoo! You're so cute." Youngmin was about to poke your cheek but Daehyun stopped him as he grabbed Youngmin's arm.

Youngmin raised an eyebrow to him as you looked up. "She's not your girlfriend anymore so stop touching like she's yours." Daehyun snapped and released him.

"Uh.. Okay. Relax!" Youngmin said. You lowered your head, *Oh no.* an awkward silence filled the atmosphere.

"Um.. Guys, meet my bestfriend, Youngmin." you broke the silence as you introduced Youngmin. "Youngmin, they are my friends or so-called BAP, Yongguk oppa, Jongup, Youngjae, Zelo, Himchan and lastly Daehyun." you pointed one by one.

"Nice to meet you guys. I'm Youngmin, her bestfriend." he nodded your way. "Yeah. You don't need to repeat what Sunmi said. We already heard that you are Youngmin." Yongguk rolled his eyes.

"Oppa!" you hissed. "Oppa?" Youngmin raised an eyebrow. You look at him, "Long story. Don't ask me." you said. He pouted.

"Guys, be good." you said to BAP. They let out a sigh as they give Youngmin a wave.

"Wanna join our group?" Jongup suddenly asked Youngmin. "Eh?" Youngmin gasped as you look at Jongup, surprised.

BAP shot him a look. "Wae? I just wanna ask him since he's blonde too." Jongup innocently whispered.

BAP narrowed their eyes to him. Jongup finally shut up his mouth.

The bell suddenly rang. "Let's go. Class will start soon." Himchan said in irritation.

"I'll walk you to your classroom." Youngmin offered as BAP look at him in disbelief.

You shook your head, "There's no need. I'll just walk with them. You too, go to your classroom." you said Youngmin nodded in understanding.

With that, you headed to your classroom with BAP as Youngmin headed to his classroom also.

"Happy with your bestfriend huh?" Zelo snapped. "Aish! I'm happy with you too." you sweetly said. Zelo smiled, satisfied.

The others looked back at you,

"I'm happy with all of you too." you smiled. They smiled back, satisfied.

You shook your head at them, *Such a childish act of them.*

CHAPTER 57

Month had passed. You and BAP become more close to each other day by day.

In that whole month, Daehyun and Himchan didn't even talk about their confession and you are very thankful for that.

One night, Himchan couldn't sleep and decided to take some fresh air outside but to his surprised, Daehyun was also outside.

Himchan and Daehyun look at each other, surprised.

"What are you doing here in this hour?" Himchan asked. "I just want to take some fresh air. You?" Daehyun asked back.

"Just like your reason." Himchan replied as he sat next to Daehyun.

AWKWARD SILENCE~

Daehyun cleared his throat that broke the silence, "Um.." he started as Himchan look at him. "Did you like Sunmi?" Daehyun continued.

"Everyone likes her." Himchan simply said. "I know what I am talking about." Daehyun snapped.

Himchan paused and looked in front. "Yeah, I like her and I know you also do. Am I right?"

Himchan asked.

Daehyun slowly nodded, "Yes, I like her. I already confess to her but I don't think she still remember." he chuckled a little.

"You do?" Himchan asked, surprised. Daehyun nodded again. "I did that too." Himchan whispered.

Daehyun look at him and gasped, "What did she said then?" Himchan shook his head, "She didn't say a word. Maybe like what she did to you." he replied.

"Well.. I won't give up that easily." Daehyun said. Himchan give him a look, "Do you think I will give up? No way! I won't give up to her too."

Daehyun look at him, "Let's see then." "How about.. Let's have a deal." Himchan suggested.

"What kind of deal?" Daehyun asked. "Let's do all we can do for her and let her decide if she will choose me or you." Himchan started. Daehyun just listened to him.

"..If she chose me, you need to respect her decision and be happy with us and if she chose you, I'll do the same." Himchan finished his sentence.

Daehyun think for a while. "Okay, deal." Daehyun held out a hand. "Deal!" Himchan took his hand and shook it as a sign of their deal.

"I should go now and go to sleep." Daehyun stood up and entered the dorm.

Himchan stayed outside for a moment. Minutes later, he decided to go inside and sleep.

CHAPTER 58

One busy day. You went to library to study since the final exam is nearing. Besides, you don't have work today and a free time to study.

You get all the books that you need and search for a seat. With that, you started to study alone.

Hours later, someone's hands covered your eyes from behind. It was Daehyun with a smiling face. "Youngmin stop playing with. I'm studying." you said.

Daehyun's face fell as he removed his hands from your eyes. You looked up and gulped, "Uh.. Daehyun-ah.," you whispered.

He let out a sigh and sat next to you, "Why did you think that I'm Youngmin?" he asked. "Mian. Youngmin always do that to me before everytime I'm studying." you said.

He remained silent. "Um.. Aren't you going to study for our finals?" you asked. "That was my plan." he replied.

"Then?" you asked. "I'm not in amood now that you mentioned your ex name." he said.

"Aish! Can you please stop saying that he's my ex. Just a bestfriend, okay.." you rolled your eyes.

"Whatever!" he rolled his eyes also. You giggled. He raised an eyebrow, "Wae?" he asked. You shook your head, "Nothing." you staightened your face, "If you're not going to study, I think you dould go now so you won't interrupt me." you said as you turned to the book again to

continued studying.

"Who said I'm not going to study? Of course I will that's why I'm here." he snapped. You study him and raised an eyebrow, "Studying without a book?" you asked.

"You already have books so let's just share." he simply said as he grabbed one book from the desk. You shook your head as a smile formed on your lips and went back on reading.

Minutes later, you are still busy reading. You take a glance to Daehyun and saw him seriously reading. You couldn't help but smiled on the sight.

Hours had passed. The library was about to close any minute so you tapped Daehyun's shoulder. He look at you.

"Let's return all the books. The library will going to close soon." you whispered to him. He nodded.

With that, the two of you took the books and went to the book shelves to returned it. Both of you decided to separate so that you two will easily return those books to the right shelves.

Suddenly, only one book was left on your hand. The thing is.. the right place for that book is too high. Without a choice, you used the ladder to return it.

Unexpectedly, you lost your balance and fall but luckily, Daehyun caught you in time. For the second time, he saved you again.

"Gwenchana?" he whispered with a worried voice. You didn't replied. You're just stared at him, stunned. Your eyes were glued on his eyes.

Daehyun stared back. Suddenly,

he slowly coming closer and closer to you. Your heartbeat started to accelerate 3 times than the normal beat. Daehyun kept coming closer.

Before his lips could touch yours, you look away. "I'm okay," you whispered. "Uh-oh.." Daehyun just nodded, disappointed.
