CHAPTER 1

"Where is omma and appa?" a 5 years old you, asked one of the care taker at the Orphanage. The care taker look down at you, "Why are you still looking for your omma and appa? Are you not happy with us?" she asked.

You lowered your head, "I do." you whispered. The care taker stooped down at you, "We all know that no one knows where your parents are. Even the other kids here, their parents are nowhere to be find. Look at them, they are are happily playing." she pointed at the kids who were playing outside the Orphanage House.

You followed his point and she's right, the kids are happily playing. "Go and play with them." the care taker nodded on the direction of the kids.

You shook your head. "I don't want." you replied, almost a whisper. "What do you want to do then?" she asked.

"I just want to be here and watch them." you replied. She nodded in understanding. "I'll go make some food then." she then left.

You were facing the window,

watching the other kids playing. *All I want is my omma and appa. Why did you leaved me here?*

:: flashback ::

A mysterious woman who's carrying a baby went to the Orphanage at past midnight. She put the baby down in front of the main door and leaved it there.

The baby started to cry as her omma left. Suddenly, one of the care taker heard it so she opened the door only to see a baby on the door.

She quickly carry the baby, "Omo! Whose baby is this?" she gasped as the baby continue crying. The care taker look down on the baby, "Shhhh! Don't cry." she tried to stopped the baby on crying. "Who's the mother have a guts to leave a beautiful baby here?" she shook her head and sighed as she went in carrying the baby then closed the door. That baby was you.

The mysterious woman was still there, hiding behind the tree. As long as the door already closed, she then decided to left completely.

:: end of flashback ::

10 years after, you were already 15 years old. That was the right age for you to leave the Orphanage according to the rules.

"Hyemi-ah, it's already time for you to leave here. I don't want you to leave but we need to follow the rules." the care taker said.

You nodded, "It's okay. I understand." you replied. She

then handed you some money, "Here.. Take it. You need it to find a place." she said.

You took it and bowed, "Thank you. I will use it for good." you said. The care taker smiled, "Okay. I'll walk you out." she offered.

You nodded as both of you went out.

"Don't forget this Orphanage wherever you go araseo?" the care taker said. You smiled and nodded, "Of course I won't." you replied.

She smiled back, "Okay then. I can't walk you up to the Bus Stop so take a good care of yourself hmm?" she said. You nodded again, "Yes. I will."

You bowed again, "Thank you again. Annyeong!" you waved as you started to walk away. The care taker waved back.

As you arrived at the Bus Stop, you quickly ride the first bus that stopped. When the bus suddenly stopped at the next station, you quickly grabbed your things and get off the bus.

The first one you did was to look for a place. Luckily, you easily found one. The rental is not that high so you quickly take it.

After you get an apartment, the next you did was to look for a job. It's not hard for you since you can do many things.

As you were looking for a job, your eyes suddenly caught the Coffee Shop. You also saw a piece of paper that there's 'Wanted' written on it.

You quickly grabbed it and went inside the shop to apply. Since the shop really need some

workers, the manager accept you without hesitation.

You bowed at him, "Thank you sir." "No problem as long as you will be good on your job. Go and start to work now." the manager said and left.

You bowed again and started to work on your job.

CHAPTER 2

Two years had passed, you're now 17 years old. You're still working at the Coffee Shop.

Ever since you left the Orphanage, you starting to love singing and especially dancing. That was actually your hobbies but you can't do it on the Orphanage because you need to do first your house chores there even the other kids too.

You also started to joined some dance competition since you were good on it. Luckily, you're always got the girst prize.

Today was the last day of Infinite to perform at Comeback Stage. There are some Inspirits there but it's not like the old time anymore. Day by day, the population of Inspirits decreases.

"Seems like you guys didn't have much fans now." Jungryul, one of Infinite's manager said as their performance already finished. Infinte just bowed their head. They can also feel that. They didn't want to lose their fans but it just happened.

"Let's just go now and talk

about it at your dorm." Geonam, their other manager said. Infinite nodded as they went to the van.

As they reach their dorm, they all went out and went to the dorm.

"I want to hear all your reaction about Infinite's popularity going down and also losing fans." Hyoan, their other manager said. "Yes. We need to hear all your reaction." Geonam agreed as Jungryul nodded.

"Sunggyu, you go first." Hyoan ordered.

"Actually, I feel hurt when I saw only a few fans at our performance earlier. I don't want to lose them really." Sunggyu said. "Me too. I don't want to lose them." Dongwoo agreed.

"Not only our fans, also our popularity. We also want to keep it high." Woohyun said. "Yeah. Without our fans, we also don't have that popularity." Hoya said.

"And if Infinite will continue to be like this, netizens will going to forget us." Sungyeol said. "And Infinite will gone forever." L said. "We didn't want to happen that. But what are we going to do?" Sungjong asked in panic.

"Okay. We all didn't want to happen that. For now, go and rest as we 3 will think a solution for this." Jungryul said . Infinite nodded and went to their respective rooms.

With that, their 3 managers left the dorm.

CHAPTER 3

Next day, you woke up early for you to start your job for today. As you arrived at the shop, you got a surprising news.

"Hyemi-ah!" your co-workers called you as she run to you. You were confused by her and by the sudden commotion of the workers on the shop.

"What's going on?" you asked her. "Our shop was going to close." she replied.

"What?! Why?!" you gasped. "Our manager said that the owner already sell our place to someone. The manager also said that we need to leave now." she replied.

"Aish! What will happen to us now? It's hard to find a job. Why didn't they say this so early so that we can be ready and find another job." you said, disappointed.

"Yeah. But we didn't have choice now but to leave the shop." she said. You sighed, *I need to join a dance competition again for me to have a money to buy some foods and for my rental.*

You get all you stuffs at the shop then left. You quickly went to the dance competition to registered. Luckily, you arrived at the right time and did registered. You were the last who will going to perform.

As the dance competition started, a mysterious girl gave you a look. You can feel that there's something bad attitude on her.

But then, that girl was next who perform. *Well, not bad!* you thought as you saw her nice

moves. After her performance, you saw her talking to one of the judge like she was seducing the judge.

*What the f*ck!* you thought. But then you heard the MC called your number for the next contestant. You look up and went up to stage.

"What are we going to do with Infinite?" Hyoan asked to the other managers.

Geonam sighed, "I don't know. It's really hard to find a solution for this." he said. "Let's have a walk while we're thinking for a solution for our problem." Jungryul suggested.

Both Hyoan and Geonam nodded as the 3 of them started to walk around the Seoul.

"Wait! Is that a dance competition?" Geonam suddenly asked as he saw a commotion. Jungryul look up, "Oh yeah. Why don't we go there and watch. Maybe we can get a solution there." he suggested.

"Okay. Let's go there!" Hyoan said as they walks to the commotion.

As they arrived, they saw a girl who was currently performing. That was you.

"Woah! Daebak!" Geonam whispered as he saw your great dance moves. "Her dance moves was really unique!" Hyoan added as he was also amazed at you.

"She's perfect!" Jungryul muttered. "Yeah right!" Geonam said. "It's not what you think." Jungryul snapped.

Geonam look at him confused, "What do you mean?" he asked.

"I think I know what you were thinking." Hyoan suddenly said to Jungryul.

They look at each other and smiled like an evil. "Wait! Are you planning to ask her to be a part of Infinite?" Geonam suddenly asked.

Jungryul smiled at him, "Bingo!" he squealed. "But she's a girl." Geonam protested.

"But she's the one who can only help us to our problem." Hyoan said. Jungryul nodded, "He's right."

Maybe they're right! finally, Geonam agreed to their plan.

As you finished your performance, you bowed as the 3 managers clapped for you. You didn't even noticed them since many people also clapped their hands for you.

A minute later, the MC came back to stage to announce the winner. "And the winner is.."

"She must be the winner." Hyoan whispered. "Sure she is." Geonam agreed. "Let's see then." Jungryul snapped.

"The winner is contestant number 25." the MC announced. Your face fell as you didn't heard your number. You're the number 26 not 25.

To your surprised, you saw the mysterious girl who glared and trying seduce the judge earlier went up to stage. *What? She won? I can't believe it. She just used her body.*

You just lowered your head in disappointment, *What will going to happen to me now? No job and no money.* you then started to leave but the you saw 3 pairs of foot blocked your way. When you look up, you

saw a 3 men in front of you.

"Who are you 3?" you asked. "Um.. Don't worry, we're not bad. We're just want to offered you something." Jungryul said.

"Offered?" you repeated. Geonam nodded, "Yes. We saw all your moves and we found it very unique."

"Then?" you asked. "We want to offer you a job." Hyoan said. You brightened, "A job?" you asked, excitedly.

They eagerly nodded. But then you frowned, *What if they just want to fool me and do something bad to me?* you asked to yourself.

They noticed that you were hesitated to accept their offer. "Don't worry. We're not really bad people." Jungryul tried to convince you.

You study their face for a while. *They looks kind and they seems like they rich.* you thought.

"What will be my job is?" you asked. "By any chance, are you also know how to sing?" Jungryul asked.

You nodded, "A bit." you replied. "Did you know the boy group called Infinite?" Hyoan suddenly asked. "Infinite?" you repeated.

They nodded. "So.. did you know them?" Geonam asked. You shook your head, "No. I didn't know." you replied.

"Seems like Infinite is really going down now." Hyoan whispered.

"It's okay if you didn't know. Since you will know them soon because that will be a part of your job." Jungryul said. "How?"

you asked. "We are actually the managers of Infinite and we want you to be a member of Infinite." Jungryul said as the other two managers nodded.

"What?! B-Be a member of I-Inf-finite?!" you gasped.

CHAPTER 4

You were shocked on what you heard. They said that they want you to become a member of Infinite. *Be a member of a boy group that I didn't even know?*

They nodded at your asked. "When we saw your performance at stage earlier, we actually amazed t your dance moves. That was actually a unique moves. So.. that's the reason why we want you to be a part of Infinite." Jungryul explained.

"Why don't we go and eat then let's talk about it there?" Geonam suggested. "Right!" Hyoan agreed.

We're going to eat? Exactly! I'm already hungry. you thought.

"Okay, let's go and eat to have a talk there. Is it okay with you Miss?" Jungryul asked you. You nodded since you're really hungry now.

The 4 of you eat at the high class restaurant. *They are really rich I guess.* you thought as the 4 of you look for a place and sat there. After a minute, the food already served. You're the who started to eat among the 4 of you because you can't

take it anymore. You were very very hungry.

"So.. what's your name?" Jungryul suddenly asked. "I'm Kwon Hyemi." you simply replied.

"How old are you?" Geonam was the one who asked. "17." you replied, busy with your food. "So.. she will the new maknae of the group.." Hyoan whispered.

"Yes. If she accept our offer. So Hyemi, what's your decision?" Jungryul asked.

You then stopped eating your food for a moment, "I want to ask some questions first before I decided." you said. "Okay. Go ahead." Jungryul replied.

"You said that Infinite is a boy group right?" you asked as they nodded. "Then, why did you 3 want me to be a part of it? I'm a girl." you said.

"Yes. We know that. Actually, Infinite's popularity was slowly going down. And we think that your the best solution in our problem." Hyoan said.

"Me? The solution? How?" you asked, confused. "Because you're a girl so if you join Infinite, netizens will going to be crazy. That will be a big shocking news. With that, Infinite will going to have a boy fans because of you." Hyoan explained. "Because of me? That's impossible! I'm not beautiful to be an idol." you replied.

Suddenly, you saw 3 pairs of eyes on you. "Wae?" you asked them.

"You're beautiful I think." Geonam commented. "Yes. You just need to put some make-up on your face." Jungryul said.

"And also wear some georgeous clothes." Hyoan added.

"Eh?" you were confused. "Don't worry, you don't need to buy. We're going to provide it for you." Geonam said.

"And about your food and your place to stay, we're also provide it for you." Jungryul said. You paused by it, *If I accept their offer, I'm going to have foods and a place to stay?* you thought.

"So.. any questions?" Jungryul asked. You just shook your head. "So.. what's your decision now? Are you going to take it or not?" Hyoan asked.

You look at them for a moment who were waiting for your reply. Suddenly, you finally nodded, "Okay. I'll take it." you replied.

They were surprised by your replied. "Really?" Geonam asked. You nodded again, "But you 3 need to promise me that you will provide a place to stay for me and foods for everyday." you said.

"Okay. We will." Hyoan said. "So.. here's the contract." Jungryul handed you a contract paper. "You prepared a contract hyung?" Geonam asked. "Of course! You know me, I'm always ready." he smirked.

Jungryul then look at you. "Please fill up. Write your name here then signature here." he said as he pointed out.

You nodded and started to fill it up. "Here.." you handed back to him. He take a look at on it and put it back to his bag. "So.. We will be your managers. I'm Jungryul." he said.

"I'm Geonam." a tall man said. "Hyoan is here." a not-so-short man said.

"Call your parents now so they will know about this." Jungryul said. You shook your head, "No need for that. I don't have parents." you replied.

"Your sister or brother then." Geonam suggested. "I don't have any of them also." you replied.

"Any of your guardian then." Hyoan suggested. "I don't have one. I'm the only one in my life." you simply replied.

Geonam want to ask some more but Jungryul grabbed his arm. Grobam look at him as Jungryul shook his head to gave him a signal. He just nodded and sit properly.

"Wait. I'm going to call the boys." Jungryul said as he dialed Sunggyu's number.

"Yeoboseyo?" Sunggyu answered. "It's Jungryul. We already get a solution to our problem." Jungryul said.

Sunggyu brightened, "Really? What is it?" he asked excitedly. "A new member for Infinite." he replied.

"Eh?" Sunggyu was confused. "We're actually going there so we can introduce the new member. Tell this to others araseo?" "Okay hyung." Sunggyu replied and with that, the phone call ended.

"Let's go to Infinite's dorm." he said. "Wait! Is that dorm was going to be my place to stay?" you asked as they nodded. "No worries. You have your own room." Geonam said.

You then nodded, "Okay but, can we please go to my apartment first to get all my stuffs?" you asked. They nodded as you 4 left.

"What hyung said?" Woohyun asked Sunggyu after the phone call. "He said the they already get a solution to our problem."

The others brightened on what Sunggyu said. "What is it?" L asked. "A new member." he replied.

"What?" Dongwoo gasped. "We're become 8 now?" Hoya asked. "I guess." Sunggyu replied.

"That's good then. I want Infinite to big just like Super Junior." Sungyeol happily beamed.

The other members gave him a look. His smile vanished and then he shut his mouth.

"Where the new member gonna sleep then?" Sungjong asked. "At your room." Sunggyu said.

"I'm just wondering what the new member look a like?" Woohyun said. "I hope he's handsome like me." Sungyeol said as the others burst into laughter.

Suddenly, the door bell rang. "I think they already arrived." Sunggyu guessed as he walks to the door and opened it. The others followed him from behind.

"Uh, hyung! You 3 already here." Sunggyu said as the managers just nodded. "Where's the new member?" Sunggyu asked.

Then Geonam suddenly moved aside for Infinite to saw you who were hiding behind him. "She's the new member of Infinite." Geonam introduced you.

Infinite turned to your direction then, "What?! A girl?!" they all gasped at the same time.

CHAPTER 5

The 3 managers and of course you, didn't got shocked to the reaction of the boys. The 4 of you actually expected that to happened.

"I know you boys will got shocked. Let's just go inside and we will explain this to all of you." Jungryul said as he nodded inside the the door.

The boys just nodded as the 3 managers and you went in.

The boys were keeps the eyes on you as all of you sat on the floor. You were sitting in between Geonam amd Hyoan. Because of the 7 pairs of eyes on you, you just lowered your head.

Jungryul look at you, "So.. Aa I said earlier at the phone to Sunggyu, Infinite will going to have a new member. The new member is the only girl that here at the dorm." he said.

"But hyung, she's a girl." Sunggyu said. "Yes. We know that she's a girl but she's the only one solution to our problem." Geonam explained.

"How can she help us?" Dongwoo suddenly asked. "If netizens knows that Infinite has a female member, all of you will ne the front page for sure and the name 'Infinite' will bloom again." Hyoan said.

"Not only that. Your fans, Inspirits will going to have boy

members right?" Jungryul added. "Yes. This will be a top news but what if the netizens didn't accept her?" Woohyun asked.

"At first yes but if they saw her performance, I'm sure they were amazed." Geonam said. "Is she that good to happen that?" Hoya raised an eyebrow.

"Want to see huh?" Hyoan look at you as you shook your head. "Yes. We want to see." L agreed.

"I think she's already tired. Maybe the other time." Jungryul said as you sighed on it. "What's your name?" Sungyeol asked you. "I'm Kwon Hyemi." you bowed a little.

"How old are you?" Sungjong asked. "I'm 17 years old." you replied. "So.. you will replace me as the maknae of the group.." he whispered.

"So.. Any question boys?" Jungryul asked. The boys just remained silent. "So, I think there's nothing. We'll going now. Take care of her araseo? You will having a practice tomorrow together with Hyemi." Jungryul said.

They just nodded. "Don't do anything to her araseo?" Geonam said. "Wait!" Sunggyu snapped. The 3 managers spun around to face them again. "Where did she going to sleep?" Sunggyu asked.

"Uh yeah. About that, she will be using Dongwoo's and L's room. From now on, Dongwoo will sleep at Woohyun's and Sunggyu's room and L will sleep at Hoya's, Sungyeol's and Sungjong's room." Hyoan said.

"What?! We all know that Dongwoo is really hard to sleep with." Woohyun said. "Yah! You

don't need to mention that! I also don't want to sleep at your room." Dongwoo protested.

"We're okay at our room since we have 2 double decks and it still have a space for L." Sungyeol said. Hoya glared at him. Sungyeol then shut his mouth.

"I'm okay with it since I really want to sleep on the bed." L said. Sunggyu glared at him.

"Yah! Stop that! You guys don't have any choice but to do what we said." Jungryul said. They just sighed and nodded. "We really going now." with that the 3 managers left the dorm.

"I'm going to cook for dinner." Woohyun said as he went to the kitchen. "I'll go with you." Sunggyu followed. "Me too." Hoya also followed.

"I'm going to move my stuffs to my new room." Dongwoo said as he went to their L's room to get his stuffs. "I'll go too." L said as he followed.

Sungyeol walks to you, "Don't mind them. By the way, I'm Lee Sungyeol." he pulled out his hand. You shook it, "Nice to meet you." you said. He smiled at you smiled back.

"Annyeong! I'm Lee Sungjong." Sungjong suddenly appeared. You look at him, "Annyeong!" you greeted back. "I and hyung will going to help you to put your stuffs on your new room." he said as Sungyeol nodded. You smiled and nodded.

As Dongwoo and L already moved to their new room, you, Sungyeol and Sungjong went to your room together with you stuffs.

After that, the 3 of you went out to eat dinner. The 8 of you eat

the dinner silently, no talking.

As all of you finished the dinner, Sunggyu, Woohyun and Dongwoo quickly went to their room as Hoya and L also went to their room. Sungyeol and Sungjong said 'goodnight' to you first before they completely went to their room.

You returned them a 'goodnight' and also went to your room. You sat first at your blanket, *This will going to be hard for me I guess.* you then touch your bracelet on your wrist, the only thing that your mom left for you. *Omma where are you? How I wish you're here with me so that I'm not suffering like this.*

You then laid and soon, fall asleep.

CHAPTER 6

As you were silently sleeping on your room, the boys were still awake.

Sunggyu, Dongwoo and Woohyun were lying on their room. Dongwoo was a bit far from the two. "Yah! Why are you two so far from me?" Dongwoo said.

"Don't ask us. You already know why." Sunggyu said as Woohyun nodded.

Dongwoo pouted, "Aish! I don't want to sleep here though." he said. "Go back to your room then." Woohyun said.

"You know I can't." Dongwoo snapped. Sunggyu let out a heavy sigh, "I wonder what hyungs see to her to let her

joined Infinite." he whispered.

Woohyun nodded, "Yeah. I'm also wondering." "Maybe she's really that great." Dongwoo hissed.

"I hope she won't ruin our name." Sunggyu said.

Hoya was already lying on the lower bed on the left double deck as Sungjong on the upper. L on the other hand was lying on the lower bed on the right double deck as Sungyeol on the upper.

"Do you think hyungs made a right decision?" Hoya suddenly asked. "We all didn't know but she seems nice." Sungyeol replied.

"We didn't need her attitude but her talent." Hoya hissed. "But our hyungs already said she has a talent." Sungjong said. "Yes, they said that but we need a proof." Hoya hissed.

"Let's just see tomorrow on the practice." L suddenly said. "L is right. Let's wait for tomorrow." Sungyeol said.

Morning came, you woke up early. You went out from your room no one is there. *Maybe they're still sleeping. But what should I do now? I'm so bored.*

But then you brightened, *I'll go make breakfast!* you went to the kitchen and look for the ingredients.

As you already saw it, you quickly started to cook. After 30 minutes, you already finished. You then set the foods on the dining area.

Suddenly, Sunggyu groaned as

Dongwoo accidentally hit his face while sleeping. "Aish! You made me sick Dongwoo-ah!" he yelled as he sat up holding his face.

"Yah! What's that noise?" Woohyun asked as his eyes slowly opened. "Dongwoo hit my face." Sunggyu said as he pointed at Dongwoo.

Then suddenly, Dongwoo woke up because of the smell of the food. "Eh? Woohyun already cooking?" his vision still blurred. "Yah! I'm still here!" Woohyun snapped.

"Wait! I smell a food." Sunggyu whispered. "If Woohyun is here, who will that one who was cooking then?" Dongwoo asked.

"Hoya? No. L? Not also. Sungyeol? Never. Sungjong? Also no." Woohyun said. "Let's just go out and see." Sunggyu suggested as the two nodded.

As the 3 went out, they saw you setting the food in the dining area. You then noticed them, "Good morning!" you greeted them and smiled widely.

The 3 look to each other, confused. "Breakfast is ready. Come on eat!" you called. They just slowly nodded and sat to the dining area.

The other 4 boys also awake. "Woah! Hyung already cook breakfastso early?" Sungyeol said to Woohyun.

Woohyun shook his head, "Not me." he said. "Then who?" L asked. Woohyun nodded to you as he giving a signal.

"You cook for breakfast?" Sungjong asked you. You smiled and nodded. "Let me taste it." Sungyeol quickly sat and grabbed a plate.

You smiled at him as you sat next to him. "Let's go start the breakfast." you said to the boys. Sungjong sat on your other side. L and Hoya also sat.

Hoya take a look at you, *Maybe we can give her a chance.* he thought as he started to eat.

"Omo! This is good than Woohyun hyung's cook." Sungyeol beamed. Woohyun give him a glared.

"He's right." Sunggyu agreed. "Yah!" Woohyun yelled at him. You giggled, "I don't think I'm that good." you said.

"No. You were great." Woohyun said. You look at him surprised but then smiled.

As all of you finished the breakfast, Sunggyu suddenly open up. "Um.. Hyemi right?" he asked you as you nodded.

"I just want to say sorry for being stubborn last night. It's just that I was really shocked." he apologized. You shook your head, "No. It's okay. I know this will ne hard to all of you." you said.

"I'm also sorry." Woohyun said. "Me too. I didn't want to be mean to you." Dongwoo said. Hoya cleared his throat, "I'm sorry too." he said.

L was the only person who didn't say sorry to you since Sungyeol and Sungjong were good to you on the first place.

The boys look at L, waiting to say sorry. Sunggyu nodded to him to give him a signal. "Uh-oh.. Sorry for last night." L finally said.

You smiled even wide, "You all guys don't need to say sorry. I'm happy that all of you

starting to talk to me now." you said.

"Um.. We still didn't introduce ourselves properly to you. I'm Kim Sunggyu. I'm the eldest." he said. "Nam Woohyun aka Namstar." Woohyun said as he smiled.

"I'm Jang Dongwoo." he introduced himself. "Kim Myungsoo aka L." L said. "Lee Howon aka Hoya." he also introduced himself.

"Well, nice to meet you all. I'm Hyemi" you introduced yourself again.

Suddenly, the door bell rang. "That must be hyungs." Sunggyu said as he open the door. He was right, their managers came.

"Ready for the practice?" Jungryul asked. The boys nodded.

Geonam look at you, "Did they take a good care of you?" he asked. You smiled and nodded, "They actually good to me." you smiled at them as they smiled back.

"Good then. Let's go to your practice room now." Hyoan said as all of you nodded.

CHAPTER 7

As all of you arrived at the practice room, the boys set themselves at the center as you and the 3 managers sat to the front.

Sunggyu set the music as the others went to their positions. When the music finally started,

the boys started to dance.

You were amazed at their moves as your jaw dropped. *Woah! Their moves were so perfect! They're like one. No wonder why they become an idols but why their popularity going down?* you wondered.

As the song ended, the boys sat on the floor. "What can you say?" Jungryul asked you. "Perfect!" you whispered.

Geonam nodded, "Yes but something is missing." he commented.

"Yeah. The visual is missing." Hyoan added. "What? But L is here." Sunggyu blurted.

Jungryul shook his head, "Not him..." he then look at you, "...but her." he added. You frowned, "M-Me?" you asked in confusion.

"Hyung, L is our visual. We all know that but what are you talking about?" Dongwoo asked. "Yes. L was the visual of Infinite before but now Infinite has a female member. Isn't she's the right one to be the visual?" Geonam asked the boys.

"But—" Woohyun want to protest but L cut him off, "That's okay with me." he snapped. Woohyun look at him as L just shook his head.

You look guilty at L. He just look away. You bit your bottom lip, "I think Myungsoo is more appropriate on that position." you said.

L look at you surprised. "Um... I think both you and L are fit to be the visual." Jungryul said. Hyoan nodded, "I agreed with that."

"So.. From now on, L and Hyemi will be the Infinite's visual."

Geonam announced.

"Is that okay with you L?" Jungryul asked him. You take a glance on L, waiting for his answer. He look at you and smiled, "That's better." he replied.

You let out a relief sigh. *Thank God.* you thought.

Jungryul stood up, "Okay then. It's already settled. We'll go ahead now. You guys continue practicing and take a good care of her. We just need to do something." he said as the other 2 managers stood up also.

"Sunggyu, you're the eldest so we'll going to leave this practicing to you." Geonam said.

Sunggyu nodded, "Okay hyung." he replied.

With that, the managers left.

As the managers completely disappeared, the atmosphere became silent. Unti Sungyeol broke the silence, "What are we going to do now?" he asked. "Practice of course." Sunggyu replied.

"So, Hyemi will only watch us?" Sungjong asked. "Right question. You still didn't show your talent to us. Why don't you show it to us?" Woohyun asked you.

You were surprised on what he just said. But then, Dongwoo said, "Hoya, why don't you show your dance moves to her?"

"He's right. Hoya go and show her your moves." Woohyun said. "Yes. Just show to her." Sungjong said.

Hoya want to protest but all of his co-member wants him to go and show to you his dance

moves. "Okay. I'll do it." Hoya stood up and started to dance.

Omo! He was a great dancer. I can't deny. you were really amazed at him that you couldn't take off your eyes on him.

As Hoya finished, the boys started to cheer for him. "Woah! Hoya was really great as ever!" Sunggyu beamed. "That's why he's part of Infinite!" Woohyun added.

"So.. What can you say about it?" Hoya asked you. "You were really great. Your dance moves were originally yours." you said.

"If then. Go and do what I did." Hoya said. "W-What?" you gasped. "Our managers said that you were great. If that so, then do what I just did earlier." he smirked.

"He's right. Go and show to us that you are really that great." Dongwoo said. You bit your bottom lip and slowly stood up. Sungyeol and Sungjong started to cheer for you. "Go Hyemi-ah!" "You can do it!"

You just nodded and started to copy Hoya's moves. The boys jaws suddenly dropped as you started to dance. You were perfectly copied his moves.

As you already finished, Sungyeol and Sungjong clapped for you. "You were great!" Sungyeol beamed as Sungjong give you a thumbs up sign.

"No wonder why hyungs choose you to be a part of Infinite." Sunggyu said. Woohyun nodded, "Yeah. You were so perfect!" he gasped.

"I totally amazed.!" L said. "How did you copied Hoya's moves so perfectly?" Dongwoo asked.

"I actually love dancing that's

why it's easy for me to get it even if I saw it for once." you explained as Dongwoo nodded in understanding.

Hoya was still in shocked. Sunggyu lightly shook him, "Hoya, are you okay?" he asked. Hoya slowly nodded, "Yeah." he whispered.

"What can you say about her moves?" Woohyun asked him. You look at him, waiting for his answered.

"I admit, she's really a good dancer." Hoya commented. You smiled by his replied.

"Can you show us your original dance moves?" Sungjong asked you. You nodded and show it to them.

Again, they were now really amazed at you. You were the perfect dancer that they ever saw.

"You were really perfect to be a part of Infinite!" Sunggyu said. "Now, you were officially a member of Infinite!" he added.

You bowed, "Gomawo."

"Do you want to join in our practice?" Hoya shyly asked. You smiled at him and nodded.

With that, you and Infinite started to practice.

CHAPTER 8

Dongwoo laid on the floor, "Ahhh~ so tired~~" he whined as all of you came back from the practice. Hoya laid next to him aa he closed his eyes. Sungyeol also joined them.

Woohyun and Sunggyu sat down on the floor as they rested their back on the wall. L and Sungjong sat back to back.

You stared at their tirely face for a while. You then let out a heavy sigh, "I'll go cook for dinner." you volunteered. You didn't hear any response from them so you just went to the kitchen.

*They're must be really tired." you sighed again and started to prepared all the ingredients.

While you were preparing, a sudden voice said, "You are also tired. I'm going to continue what you were doing. You just go and rest."

You spun around to see Woohyun. You shook your head, "No. I'm not that tired. You're the one who need to rest so don't worry about me. I still have energy to cook for dinner." you said.

"But you're the one who cooked the breakfast. Isn't I'm the one who do this?" he asked. You smiled, "Not because I'm the one who cooked the breakfast, I can't cook for dinner right? And I also love cooking so just let me cook for dinner." you replied.

"I think I can't stop you about this so just let me help you." he said as he started cutting the vegetables.

You were shocked by his action and just stared at him.

"Can you just continue staring at my handsome face later? We need to finsh it first." he suddenly said not looking at you, still focusing on what he was doing.

You stopped your gaze on him

and shook your head. "Oh yeah." you then help him preparing the food.

You take a glance at him once again. "Am I that handsome for you to stared at me like that?" this time, he faced you and smiled. You look away, "Let's just continue." you whispered.

He grinned at you then did what you just said. A smile form on your face but you quickly fade it, don't want Woohyun to notice.

"Guys come here! Dinner was ready." Woohyun called as the boys stretch their arms and stood up.

They went to the dining area as you and Woohyun already sat. Again, Sungyeol and Sungjong sat on your both sides.

"Who cook all of this? You, Hyemi?" Dongwoo asked as he sat. "Not only me..." you then look at Woohyun, "...he also help me." you added.

"Woah! We're now have two chef here." Sunggyu beamed as Hoya nodded.

"Let's start. I'm already hungry." L whispered.

You nodded, "Yeah. All of you must be hungry so let's just start." Woohyun nodded as all of you started to eat.

"I'll go wash the dishes." you said as all of you finished the dinner.

"What? You're the one who cook so no need to wash the dishes." Sunggyu protested. You smiled, "It's okay. I know all of you were already tired. Just leave it

to me and go to rest."

You then started to picked all the plates. When you already get it, you spun around planning to went to the kitchen to wash it when you accidentally lost your balance. You were about to fall but luckily, Sungjong caught you at the right time but the plates already fall and broke.

"Be careful. You just go and rest. I'll take care of this." Sungjong whispered to you as he help you to stood back.

"But—" "No buts, just go." he seriously ordered. You just nodded. "Don't worry, I'm going to wash the dishes." he said.

You nodded again, "Gomawo oppa.." you said to him.

"OPPA?!" all the boys including Sungjong gasped.

CHAPTER 9

You look to Sungjong then to others. "Wae? Can't I call him oppa? He's elder than me right?" you raised an eyebrow.

"But you're the only one who call me oppa." Sungjong said. The others just nodded. You look at him again, "Then let me call you oppa." you smiled.

He smiled back and quickly hug you. You were surprised by his action. "I'm happy that someone call me oppa now. Thank you Hyemi-ah.." he whispered as he broke the hug.

You smiled awkwardly, "I'll go to bed now." you said. "Okay. I'll go wash the dishes." Sungjong happily beamed as he

bent down to get the broke plates then went to the kitchen.

You bowed to others, "Goodnight." you said. You was about to walk to your room when Sungyeol suddenly blocked your way.

You look up, "Wae?" you asked. "Call me oppa too." he said using his aegyo. *Omo! So cute. Aish! I can't resist him.* you sighed then nodded, "Okay Sungyeol oppa. Can I go to bed now?" you asked.

"No!" Sunggyu blurted. You look at him raising an eyebrow. "It's not fair! Only Sungjong and Sungyeol you called oppa. You need to call us oppa too." he explained.

You look to others and they just nodded. "Okay. Sunggyu oppa, Woohyun oppa, Dongwoo oppa, Hoya oppa and Myungsoo oppa goodnight. Can I sleep now?" you asked.

They smiled and nodded. You sighed, *I can't believe idols are also childish.* you then went to your room.

Morning came, you felt someone lightly shook you. You slowly open your eyes. Your vision was still blurted so you just close your eyes again.

Again, you felt someone shook you again. "Hyemi-ah, wake up now. Breakfast is ready." a familiar voice said.

Eh? That voice is so familiar. you then fully open your eyes just to see Dongwoo. "Good morning." he greeted.

You remembred what happened last night then you said, "Good morning Dongwoo oppa." you greeted back with a smile as

you sat up. He smiled when he heard you calling him 'oppa'.
"Come on, let's have a breakfast. The others are waiting for us." he said as he stood up.

You nodded and stood up. The two of you went out from your room and joined the others at the dining area.

"Good morning oppas!" you greeted them. You sat in between Sungyeol and Sungjong as always. They smiled and greeted you back.

The door bell suddenly rang as all of you finished the breakfast. "I'll go get it." L said as he approach the door.

"Uh.. Hyungs.." he whispered as he widely open the door. The 3 managers went in. L then closed the door.

"Uh, hyungs! What's bring you 3 here?" Sunggyu suddenly asked. "We just need show all of you the headline news." Jungryul simply replied.

"News? What kind of news?" Woohyun asked. "Here.." Geonam handed them the news paper.

Sunggyu the one who took it. The others went close to him to see what was the headline.

Sunggyu raise an eyebrow to his hyungs, "What is the meaning of this?" he asked.

"What do you think?" Hyoan asked back. "What exactly you 3 are planning?" Dongwoo asked their managers.

"Wae? Is there a problem with that?" Jungryul asked. "Yes. Why you 3 already told the world about our new member?"

Hoya asked.

"Wae? Netizens need to know about the new member of Infinite right?" Geonam said. "Yes. We all know that but why so sudden?" Woohyun asked.

"Yes. What will be the reaction of Inspirits?" Sunggyu worriedly asked. "Why don't you watch the news?" Hyoan suggested.

"Yeah right." L quickly turn on the TV. Exactly, the news is about the new female member of Infinite.

The news caster asked the netizens about their reaction. "I'm not actually happy. I'm so jealous at the girl to be with the 7 handsome boys." a girl commented.

"I don't think this will be good to have Infinite a female member." another girl said. "I'm actually excited to see the new female member. How I wish she's beautiful and have a perfect talent." a boy said.

"I actually don't agreed with it." a girl said. "I'm very jealous. That's all." the other girl said. "How I wish I'm that girl." a girl said with a laugh.

With that, the news ended.

You bit your bottom lip after the news. *Eoteokhae? Netizens didn't want me to be a part of Infinite.* you worriedly thought.

But then you felt a light tapped on your both shoulders. It was Sungyeol and Sungjong trying to comfort you. You just forced a smile and look in front just to met L's eyes. He quickly look away when he saw you looking at him. You then lowered your head.

"Omo! Netizens didn't agreed

with it. Infinite will straightly going down." Sunggyu worriedly said.

"They still didn't saw the new member so don't panic." Geonam said. "We actually expected those reaction. At first, yes! They won't agree but soon they will accept her for sure." Jungryul said. "And they also didn't see her yet." Hyoan added.

Woohyun nodded and tapped Sunggyu's shoulder, "Maybe hyungs were right. Just wait what will going happen." he said as Sunggyu nodded.

CHAPTER 10

Next day, the 3 managers to Infinite's dorm. You and the boys were still sleeping when they come in.

"Geonam, go to Hoya's, Sungjong's, Sungyeol's and L's room and wake them up. Hyoan, you go to Hyemi's room and wake her up and me to Sunggyu's, Dongwoo's and Woohyun's room to wake them up." Jungryul ordered as the 2 managers nodded and went to their way.

"Sunggyu-ah, wake up. Dongwoo-ah, Woohyun-ah.. Wake up!" Jungryul said as he lightly shook their body.

Sunggyu slowly open his eyes only to see their manager. "Wae? It's still early." he said while rubbing his eyes.

"Yes, I know but you still need to wake up. Go get up and wake

these two." Jungryul pointed to Dongwoo and Woohyun.

Sunggyu did what his manager said as Jungryul left the room.

"Hoya, L wake up now!" Geonam shook them. He then stood up to wake Sungjong and Sungyeol from upper beds. "Sungjong-ah, Sungyeol-ah wake up!" he also shook them.

Sungyeol was the first one who woke up then Sungjong then Hoya and lastly L.

"Guys get up and follow me outside." Geonam ordered as he left the room. The boys rubbed their eyes then followed Geonam.

"Hyemi-ah, wake up.." Hyoan gently shook you. You slowly open your eyes. "Eh? Why so early?" you asked while rubbing your eyes.

"We need to say something to all of you. Get up now and follow me outside." Hyoan said as you nodded.

Hyoan went out from your room. You stood up and followed him.

"What is it all about hyungs?" Sunggyu asked their managers as all of you sat on the floor.

"Next month will be the Infinite's comeback right?" Jungryul asked as they nodded.

"So.. We're here to remind all of you. All of you need to practice but before that, all of you need to go recording first since Hyemi is still not part of your comeback song. We already

divided the parts of the songs and Hyemi has also a part on it." Jungryul explained.

"We're going to recording now?" Woohyun asked. The managers nodded. "Go prepared yourselves and follow us to the car araseo?" Geonam said. "Araseo.." all of you replied.

"So.. This will be the song. All your lines has marks so you don't need to ask us." Hyoan gave all of you a copy of the song.

As all of you were ready, the recording started. You didn't have any problems on your lines since you love singing also but not that much as dancing.

The recording was finished in the afternoon. The recording was successfully ended. All of you were very tired that all of you fall asleep when the time you guys went back home.

CHAPTER 11

You and Infinite just do practicing in the whole month before the comeback.

Yes, it's tiring but you keep yourself focus on practicing so that they won't disappointed at you. You give your best on practicing and promised that you will also give your best of the best on the comeback.

The day of Infinite's comeback finally came. All the boys woke up early for them to prepared themselves.

You were still sleeping because of the everyday practice. Suddenly, you felt someone shook you. "Hyemi-ah, wake up." you heard a voice said.

You slowly open your eyes to see Sungjong's face in front of you. "Uh-oh.. Oppa.." you whispered.

"Go and wash now. We need you be ready. Today is our comeback and your debut remember?" Sungjong reminded you.

You nodded, "Okay oppa." you then sat up. "We'll wait for you outside araseo?" he said as you nodded. "Araseo." you replied as he went out.

You went out from the dorm as you already finished. All the boys and the managers are already inside the car so you also went in.

After an hour, the car reach the place. Infinite's comeback will be on Mnet M! Countdown.

All of you went out from the car and straightly went to inside and to the dressing room. The managers covered your face for not no one can see your face. They want you to be a surprise.

As all of you were ready, the boys went to your dressing room.

"Hyemi-ah!" Sungyeol called you. You spun around to face them. You smiled to see their outfits, "Oppas!" you squealed.

Their jaws suddenly dropped when face them. They were amazed at your beauty. They were now speechless.

You walks to them and waved

your hand in front of their face, "Oppas? What happen? Did you all see a ghost?" you worriedly asked.

They shook their head. "No but I saw an angel." Woohyun said. You raised an eyebrow in confusion, "Eh?"

"You looks like an angel Hyemi-ah.." Woohyun said. You laugh, "Aish! Woohyun oppa, stop joking around!" you said.

Sunggyu shook his head, "No. He's not kidding. You are beautiful as angel." he commented.

"Yeah. I agreed with them." Dongwoo said as Hoya nodded.

"You are the most beautiful girl I've ever met." Sungyeol said. "I'm happy to have a beautiful dongsaeng." Sungjong said.

You smiled and bowed, "Gomawo oppas.." you said. "Come on! We're going to perform next after Teen Top." Sunggyu said. You nodded as all of you went out, going ready for the performance.

As Teen Top already finished their performance, Sunggyu said, "Be ready!"

Omo! I'm so nervous! What if the fans won't accept me? What if I made a mistake? I don't want to disappoint oppas. you were lightly shaking as your hand was cold because of the nervous that you were felt.

But then, you felt a warm hand on your hand. You followed the hand to see L. He smiles at you, "Don't worry. We're all here around you. Just do what you did on our practice." he whispered, trying to calm you.

"What if the fans won't accept me?" you whispered back. He

then place his both hands on your shoulder, "Don't mind all the fans. Just give all your best and perform happily. You are beautiful inside and out. If the fans didn't accept you now, maybe soon. But now, just perform like our practice and don't mind what people says. Just enjoy the performance." he said.

You felt yourself calm with his words. Your nervous suddenly faded after you heard what he said.

You smiled and nodded, "Okay. I will do Myungsoo oppa." you said. He smiled back, "Come on! Stage is waiting." he said as you nodded again. The two of you went up to stage.

As Infinite's performance started, they are so many fans squealed but they are some also didn't because of you. They really envious you. Not only girls are squealing, also boys and that's because of you.

Some girls that envious you were really jealous when the time of you and Hoya's part came. You and Hoya have a special part since you and Hoya were good in dancing.

Before the song ended, all of you went down from stage and explore the audience place. You did really enjoyed what you were doing that you didn't notice someone stole your precious bracelet.

Before the last part of the song, all of you went back to stage. As the song already ended, all of you went to the backstage happily.

"That was great!" the 3 managers beamed. "Yeah!" Sunggyu high five Woohyun.

They all smiled happily as you

also smiled. But then, you felt something is missing. You study your body just to see your free wrist. Your bracelet was already gone.

"Omo!" you suddenly gasped.

CHAPTER 12

All the attention turns to you when they heard your gasped.

Sungjong runs to you, "Wae? Is there something wrong?" he worriedly asked. You shook your head, "My bracelet.." you whispered.

"What?" he asked. But then Sungyeol walks to you, "What's happening?" he asked. Sungjong shook his head, confused.

Then Sunggyu went to you, "What happen Hyemi-ah?" he asked, worried. "My bracelet is gone. That bracelet is very important to me." you replied.

The others also went to you. "Hyung, what's the problem?" Dongwoo asked. "Her bracelet was gone." Sunggyu replied.

"What's your bracelet looks like?" Woohyun suddenly asked. You explained to them what the bracelet looks like.

"Maybe you just left it at the dorm." Hoya said. "I left?" you whispered to yourself.

"No! That's impossible! I saw it on her wrist before our performance got started." L blurted. You look at him as he nodded at you.

"Maybe she lost it when we

explore the audience." L suggested.

"Okay, let's all find it then." Sunggyu said as all of you nodded.

All of you went to the audience place to find your precious bracelet. Suddenly you saw a girl at the corner holding your bracelet with her friends, laughing evilly.

"That my bracelet.." you whispered. "Eh?" Dongwoo look at you but you didn't reply and just continue looking at the direction of your bracelet.

Dongwoo followed your gaze only to see a girl holding a bracelet. "Is that your bracelet?" he asked. The other members heard his question and turned to you.

You nodded.

The next thing you didn't expect, the girl throw your bracelet on the floor and step her one foot on it and twist it to broke your bracelet. Your eyes widen on what the girl did. Infinite also saw it.

"She deserve to be a member of Infinite. I really hate her!" the girl said as she continued twisting your bracelet on the floor. She laugh as her friends laugh along.

They worriedly look at you. "My bracelet.." you whispered as you slowly walks to them. Their eyebrows frowned then followed you to the direction of the girls.

"Infinite oppa!" the girl's friend squealed as her other friends too but Infinite remained serious.

"Are you 5 our fans?" Woohyun asked. They eagerly nodded, "Yes! We're certified Inspirits!"

they replied.

"Inspirit my ass!" Dongwoo laugh a little. "How can you say that you're Inspirits if you can't accept our new member?" Sunngyu asked them.

"Excuse me?" the girl who broke your bracelet asked. "You can't deny. We already saw what you did." Hoya said.

"What? I don't understand?" she said. "You stole Hyemi's bracelet right?" L asked. She shook her head, "No. Why should I do that?" she denied.

"We already saw you." Sungjong said. "And the bracelet is on your foot.." Sungyeol pointed, "Do you still want to deny huh?" he raised an eyebrow.

The girl look down and step backward, "Ow! I didn't know that there's a bracelet here." she pretended that she didn't know. "Can you please stop fooling around?! We already saw the whole scene!" Sunggyu shouted that made her jump a little.

Luckily, there are no people around.

You then slowly stooped down and get your broke bracelet. Your tears started to fall. *My bracelet..*

Infinite look worried at you. Woohyun glared at the girls, "Look what you just did! If you 5 don't want to accept our new member then you better go and stop being our fans. We didn't want fans who just want to hurt our member especially her!" he shouted.

The girls cried then runaway.

Sungjong look down at you and stooped down beside you.

"Hyemi-ah.." he whispered. You look up at him as your tears keeps falling. "Oppa.." you whispered as you hug him.

He gently rubbed your back, don't know what to say.

"Hyemi-ah, let's go home." Dongwoo tapped you. You look up and wiped your tears. You slowly nodded as Sungjong help you to stood up.

CHAPTER 13

You and Infinite together with the managers leaved the place and went to the van.

As the van already drive off, you were remained silent and just stared at your broken bracelet. A tear falls from your eyes again.

The boys look at you, worried. "Hyemi-ah.." Sungjong, who's the one next to you whispered.

You look at the window to hide your tears. "Gwenchana?" Woohyun asked who's on your back. You quickly wipes your tears and sighed, "I'm just tired.." you replied still looking at the window.

Jungryul look at the boys and shook his head to give them a signal to stop asking you.

With that, the boys let out a sigh and just remained silent.

"We're going now." Jungryul said as Infinite nodded.

"Take care of her. Don't force her to talk about what just

happened earlier." Geonam said as he look at you.

Infinite nodded once again.

"Go and take a rest." Hyoan said as they left the dorm.

"Dinner is ready. Come on let's eat." Woohyun called.

The others excitedly went to the dining area. "Woah! All looks delicious hyung!" Sungyeol beamed.

"Yeah!" Sungjong agreed.

"Of course! I'm the one cook all of this. What would you expect? Always good right?" Woohyun proudly said as Infinite laugh.

You was about to walk to your room when Sunggyu suddenly noticed you. "Hyemi-ah! Let's eat." he called.

You look at them and shook your head. "I'm not hungry. I just want to sleep now." you said then went to your room.

Infinite look to each other and nodded like planning something.

You lied on your blanket holding your broken bracelet, *Mianhe omma.. The only thing you gave to me is now broke..* you sadly said on your mind.

Suddenly, your door burst open. You look up only to see Infinite holding their own pillow and blanket. You sat up and raised an eyebrow at them.

"Hyemi-ah!" Sungyeol whined as they went in and place their blanket on the floor. "Eh? What is this?" you asked them.

"We're going to sleep here."

Dongwoo said as Hoya smiled at you.

"What? But I'm a girl!" you protested. "Aish! We won't do anything to you. We're just want to sleep with you. We're now your oppas right?" Sunggyu asked. "Uh-oh.." you nodded.

Sunyeol laid next to you as Sungjong laid to your other side. L at the corner then Hoya. To the other corner is Dongwoo then Sunngyu then Woohyun. You 3 at the middle.

"Oppas?" you suddenly whispered. "Hmm?" they replied. "Gomawo.." you said.

"Thank you for always on my side. I really appreciate what you all did at the comeback earlier. I never thought that idols like Infinite will going to ditch their fans just to protect their co-member/s." you said.

They look at you and smiled. "No problem." Sunggyu said. "We're glad that we do that." Woohyun said.

"And also thank you for sleeping with me tonight. I was actually happy. I've never experience to sleep with any of my family. I'm glad that I have 7 oppas now." you said as they all softened.

"That bracelet.." you then said. They all look at you who are looking at the ceiling.

"..my omma gave it to me. That's the only thing that she left to me. Ever since I was a little, only care takers and some other kids are with me. I'm actually an orphan. One of the care taker gave that bracelet to me and also told me, that bracelet was already with me when she saw me in front of the door of the Orphanage. That's the only thing that can help me to find my omma that's why

that it's really important to me." you continued.

They look sad at you. "Mianhe.." they said. You smiled and shook your head, "No need to say sorry." you said.

"But our fans did broke your bracelet." Dongwoo said.

"Yes, I know but I did also know that all of you don't want to happen what just happened earlier. Honestly, I'm happy because I now have a proof that there are some people want to protect me. I'm lucky to have all if you on my side." you confessed.

Once again, they softened with your words.

You look at them, "Jalja oppas.." you said as you closed your eyes. They smiled at you and also closed their eyes.

In the middle of the night, you were having a nightmare about your omma. "Omma.. Please don't leave me.. Omma.. Omma.." you whidpered under your breath.

L suddenly awake because of the sounds. He slowly open his eyes and look around.

He saw you whispering at your sleep. He then stood up and went to you. He pushed Sungyeol aside and laid beside you instead.

He hug you to make you calm, "Hyemi-ah.." he whispered to you. You frowned and slowly open your eyes only to see L hugging you.

"Myungsoo oppa.." you scaredly whispered. "Having a nightmare?" he asked as you slowly nodded.

"I thought it was real. Omma hate me because my bracelet broke. She want to leave me forever." you whispered as your eyes were teary.

"Shhh.. Don't think anything. Just think all the happy moments. Don't worry, I won't leave you, we won't leave you. Go and back to sleep. I'm just here next to you." he said.

You softened by his words then closed your eyes again. He hug you for you to be more calm.
Thank you Myungsoo oppa..

When he felt the you were already asleep, he look down and saw a tear fall from your left eye. He gently wiped it, "I won't leave you, we won't leave you. Promise.." he whispered as he also closed his eyes.

CHAPTER 14

As the sun suddenly rises, your eyes slowly open. The first one you saw was the handsome face of L.

You blushed when you noticed that you were hugging each other. You gently removed his arms from you then slowly stood up.

You leaved the room silently. You decided to prepare a breakfast for them as a sign of 'thank you' for the last night.

I'm done! you smiled as you finished preparing the breakfast.

Suddenly, Infinite already awake and went to you.

"Eh? You already prepared the breakfast?" Woohyun asked you. You smiled and nodded, "Yes oppa."

"Woah! So many foods! But I'm the one who need to do that." he said. You shook your head, "No. I'm the one who really need to do this. Actually, It's a 'thank you' gift to all of you." you explained.

"Thank you gift?" Sunggyu asked. You nodded again, "About last night.. Thanks for comforting me. Maybe my bracelet is fated to be broken.." you said.

They look sad at you and they just remained silent. You smiled wide at thrm to hide your sadness, "I'm really okay now oppas. Don't worry."

"Okay then. Let's just eat." Sunggyu said as all of you nodded.

Sunggyu's phone suddenly rang as all of you finished the breakfast. "Yeoboseyo?" he answered.

"It's Jungryul. I just want to share a good news." the other line said. "Good news?" Sunggyu repeated that made the others to look at him.

"Yes. A good news. Infinite is the no. 1 in M! Countdown last night!" Jungryul beamed. "Really?" Sunggyu couldn't believe it.

"Yes, you heard right." Jungryul said. Sunggyu then look to all of you, "We're no. 1 in M! Countdown last night!" he whispered. Infinite and you smiled wide because of the good news.

"So.. Hyung.. Can we go out to celebrate?" Sunggyu asked on the phone. "Since all of you got the no. 1 place. Okay, I will allow you all to celebrate." he replied. "Thanks hyung."

With that, the phone call ended.

"We're going to celebrate?" Sungyeol excitedly asked Sunggyu. "Yes, we're going to celebrate." Sunggyu replied as he smiled.

"Woah! So excited!!" Sungjong squealed. "And we got the 1st place because of Hyemi.." Sunggyu said. You look at him surprised, "M-Me?"

They nodded, "If you're not become a part of Infinite, maybe we didn't get the first place. Thanks to you Hyemi-ah.." Dongwoo said. The others nodded, "Thank you Hyemi-ah.." they echoed.

You shook your head, "Not only me, all of you also did a great job last night." you replied. They look to each other and just smiled at you. "Let's go to Lotte World now!" Woohyun beamed.

All of you nodded.

"Woah!" you whispered as all of you reach the Lotte World.

"First time here?" L suddenly appeared at your side. You look up to him. *I just noticed, he's kind of mysterious.* You just smiled and nodded. He smiled back, "You're gonna enjoy this place for sure." he said.

"Um.. Myungsoo oppa.." you whispered. "Hmm?" he replied. "About last night, mianhe. I was just scared that time." you said.

He look at you, "No need to say sorry. To be honest, I'm glad

that I comforted you last night." he smiled at you.

You couldn't help but to just smiled back.

"Okay! All the rides here are pairing. So.. Since we're 8, let's pairing." Sunggyu suddenly announced. You and L turns the attention on him.

"Eh? Who's going to be Hyemi's partner?" Sungjong asked. They all look at you.

"Why don't we ask her?" Dongwoo suggested. "Okay then. Hyemi-ah, who do you want to be your partner from all of us?" Sunggyu asked you.

You look at them one by one as they also look at you, waiting for your answer on who will you going to pick.

CHAPTER 15

Again, you look at them one by one. "Um.." you started. Infinite smiled at you, waiting for you to continue.

"..I choose Hoya oppa." you continued as you pointed at him. Infinite's eyes grew wide because of your decision.

"Hoya? Wae?" Dongwoo asked you. "Yeah! Just choose me~" Sungyeol whined. "You can choose me too." Sungjong said.

"Hey! Don't listen to them. I'm just wondering why did you choose Hoya.. But you can still change your decision. You can still choose me.." Woohyun winked. Sunggyu gave him a look.

You giggled at them until you shift your attention to L. He was just lowering his head. *I thought she's going to me..* L thought.

"I.." you started again. They look straightly at you. ".. I actually choose Hoya oppa because he's the only one who didn't much talk to me so now, I want to have a time with him." you explained.

Infinite nodded. "Okay, We will respect your decision then." Sunggyu said. "Hoya go to her. Sungyeol and L will be paired up. Sungjong and Dongwoo then me and Woohyun." Sunggyu added.

Woohyun pouted. "Yah! You don't have any choice but to paired up with me! Come on! Let's ride the roller coaster first!" Sunggyu dragged Woohyun away.

"Sungjong-ah, let's also go!" Dongwoo also dragged him away. Sungyeol sighed, "I think we need to go too." he said. L nodded as they followed the 4.

You smiled at them. Hoya look at you, "Thanks for choosing me.." he whispered.

You look up at him and smiled, "Like I said, I want to have some time to know you well because you didn't much talk to me." you replied.

"You're right, I'm not talkative but I will do talk to you now." he smiled as you smiled back.

"Let's go!" Hoya said to you. You nodded as both of you followed the others.

"Ready? Not scared?" Hoya worriedly ask you as all of you sat on your seats. You force a

smile and nodded. *I'm totally scared. I hate heights!* you deeply thought.

Suddenly, the roller coaster started to move. Your hand suddenly grabbed Hoya's arm. Hoya turns to look down at you.

Your eyes were firmly close. He smiled at you as he remove your hand from his arm. Instead, he hold your hand.

Your eyes suddenly open and look at him. He smiled at you, "Just hold tight on my hand if you're scared. All your fears will be faded for sure." he whispered as you nodded.

The whole ride in the roller coaster was successful. *Hoya oppa was right! All my fears go away. Thanks to him..*

"Enjoy right?" he asked. You smiled and nodded, "Yeah! Thanks to you oppa.." you replied.

He smiled back, "No problem." he replied. "Let's go!" he added as he help you to get out from your seat.

You and Hoya meet the others, still holding each others hand. L was the first one who saw the scene. He just look away.

"So.. How was it?" Sunggyu asked you. "At first, I'm scared but thanks to Hoya oppa. He tried to calm me." you replied.

Woohyun then saw you and Hoya holding each others hand. He went between the two of you that made the holding hands thing broke. "Let's go and ride the others." Woohyun said as he wrapped his arm to you.

"Yah! We're still partners! Go away from her!" Sunggyu scolded him as he dragged Woohyun away from you. You

just laugh at them.

With that, all of you ride the other rides at the Lotte World with the respective partners.

Hoya started to talk and talk to you in the whole time. You were happy that he's now talking to you.

CHAPTER 16

"Ahhh~ so tired!" you whined as you and Infinite went back to the dorm.

"Aww~ our princess is already tired. Don't worry. I'll go cook for dinner so that you can go to sleep and rest." Woohyun said.

You smiled at him and nodded, "Gomawo Woohyun oppa.." you whispered. He smiled back as he went to the kitchen.

"Dinner is ready~" Woohyun called as he finished preparing the dinner. You and Infinite went to the dining area after hearing what Woohyun's call.

You were really tired that time so that you just eat silently. Infinite see the tiredness on your face so they didn't bothered to ask. Instead they just eat silently too.

"I'm going to bed now.." you tiredly whispered as you finished your food. "Okay.. Good night Hyemi-ah.." Sunggyu said. "Jalja.." the others echoed.

"Jalja oppas.." you replied as you went to your room.

After 30 minutes, Infinite were still awake. They're just waiting for you to fall asleep completely.

As they are now sure that you're already asleep, they nodded to each other.

"Sungyeol-ah, go and get it.." Sunggyu ordered, whispering. "Mwo? Why me?" Sungyeol whispered back.

"Because you're good when it comes to this.." Dongwoo replied. "Yeah! He's right.." Woohyun said as Hoya gave him a nod.

"But.. I can't do it. What if I woke her up?" Sungyeol worriedly asked. "Aish! You're good at this hyung so don't worry." Sungjong said.

"But—" "No buts! Just go!" L blurted as he pushed him to the door. Sungyeol pouted, "Aish!"

As you were peacefully sleeping, Sungyeol on the other hand silently enter your room.

He look at you first as he stooped down to take a look at your face. *You are still beautiful even you were sleeping. I'm happy that we have you.* Sungyeol thought.

He then stood up and look around until his eyes caught your broken bracelet at the drawer. He silently walk there and get your bracelet. *Here you go..*

With that, he look at you once again before he completely went out from your room.

"Why is he taking so long? What

if Hyemi really did awake?" Dongwoo worriedly said. "Aish! Don't panic. He's already out." Woohyun nodded at the door where Sungyeol is standing, closing the door.

"Did you get it?" L asked. Sungyeol nodded as he pulled out the bracelet.

"Great! How's Hyemi-ah?" Sunggyu asked. "Sleeping beauty.." Sungyeol replied as he sat on the floor next to L.

"Good job hyung! I told you, you can do it!" Sungjong said. Sungyeol rolled his eyes on his dongsaeung.

"Aish! Stop!" Hoya said, almost whispering. "Yeah! Let's just fix the bracelet." Sunggyu ordered as the others nodded.

They started fixing the bracelet until, "Ahh~ why this is so hard?" Sungyeol whispered. "Yeah! I don't think we can turn it back to normal." Sungyeol added.

"No! We need to continue and fix it." L said as he tried fixing the bracelet again. "Yeah! L is right! Just for Hyemi.." Woohyun agreed.

"Okay, let's do it again.." Hoya said as he help L and Woohyun.

The others let out a sigh and nodded. They tried and tried until they finally fixed it.

That was already 3:00 in the morning when they finally finished fixing the bracelet.

"Woah! We're finally finish!" Sungyeol said as Hoya nodded. "It's looks like a new bracelet now." Sungjong commented.

"I know right! Sungyeol-ah, go back to her room and put back the bracelet." Sunggyu ordered.

"Me again?" Sungyeol protested.
"Of course! You're the only one
Yeolli~" Dongwoo said.

"But—" he stopped when he saw
L raising an eyebrow at him.
Sungyeol pouted, "Araseo.. I'll
do it." he then went back to
your room with your bracelet.

"Come on! Let's take some
sleep.." Sunggyu said as
Sungyeol went out from your
room.

Infinite tiredly nodded as they
went to their respective rooms
and soon, fall asleep.

CHAPTER 17

Morning came, you slowly open
your eyes. You carefully rubbed
it using the back of your hand
until you felt a familiar thing on
your wrist.

You decided to fully open your
eyes. You saw your bracelet and
it's not broken anymore. It's
back to normal.

*Eh? Isn't it broken? What
exactly happening?* you asked
yourself as you look around.

Suddenly, you saw a piece of
paper next to you. You reach it
to read what's written on it.

to our princess Hyemi,

*Good Morning! Did you see your
bracelet? We think you already
saw it at this right time right?
Well, we all fix it for you. We're
hoping that you're going to be
happy now. We don't want to
see you sad so please always*

smile for us ^^

from your Oppas <3

What? They all fix it for me?

you then quickly stood up and
went out from your room.

The first scene you saw was all
the Infinite are preparing for
breakfast. As you went out from
your room, Infinite already saw
you.

"Good morning Hyemi-ah!" they
echoed as they smiled at you.

Even they are all handsome,
you can still see the tiredness
on their face but they still
prepare the breakfast and give
you a warm smile.

Your tears starting to fall, tears
of joy actually. You couldn't hold
your tears anymore so it
continues to fall and fall from
your eyes.

They all run to you. "Hyemi-ah,
why are you crying?" Sunggyu
worriedly asked. "Did you get a
nightmare again?" L asked,
worried also. You shook your
head.

"Is there something wrong with
your stomach?" Woohyun
asked, worried. You shook your
head again.

"Why are you crying then?"
Dongwoo asked. "I-I w-was..
just happy.." you whispered
between your cry.

"Happy?" Sungjong raised an
eyebrow in confusion.

You nodded, "I'm just happy
that I have oppas like you all.
You fix my broken bracelet just
to make me happy. I can see
that all of you are already tired
but you all still prepared the
breakfast. Thank you oppas.." you
whispered as your tears
keeps on falling.

"Aish! Of course we are your
oppas so we will do everything
just to make our princess
happy." Sungyeol said as he
squeeze your shoulder.

Your tears didn't stop on falling
until L walks to you and gently
wiped it for you. "We want to
see you happy not crying.." he
whispered as Hoya smiled at
you.

You smiled at them, "Really
thanks to all of you oppas. This
was the best birthday gift that
I've ever receive in my whole
life.." you whispered.

"Today is your birthday?"
Infinite gasped at the same time
when they heard what you just
said.

CHAPTER 18

You smiled at them again and
nodded. "The care takers said to
me that my birthday is the date
today. This is also the day when
they saw me in front of the
Orphanage door." you
explained.

"Care takers? Orphanage?"
Woohyun asked in confusion.

You nodded again, "Yeah.. I'm
actually an orphan.. I didn't
know what my real birthday is
that's why I'm using this date
when I first stayed at the
orphanage.." you sadly
whispered.

They just nodded in
understanding and lowered their
head with sadness. They feel
sorry for you. The atmosphere
filled by silence at that moment.

You can see that they're feel sorry for you so you started to walk to them and hug them one by one.

They were shock at first but after the hug, you smiled wide at them to hide your sadness. "No need to be worry. I'm okay. And I don't want also to be sad on my birthday." you said.

With that, they sweetly smiled at you.

"Let's celebrate your birthday then!" Sungyeol beamed. "Yeahhh!!" Sungjong excitedly squealed.

You smiled at their being childish and nodded. "Okay! Let's celebrate!" Sunggyu announced.

"Let's all sing!" Dongwoo suggest as all of you enter the karaoke room.

All of you agreed with him. Sunggyu was the first person who starts the song. Followed by Woohyun. Then you an the others sing along with the two.

You and Hoya on the other hand, starting to dance for the song. All of you were just partying there.

This is really my happiest birthday ever! Thank you oppas for being with me all the time. you were happy with your birthday with your 7 oppas.

"Where do you want to go next?" Hoya asked you as all of you went out from the karaoke room and started to walk around. You look up at him, "Anywhere!" you replied.

Luckily, there's only a few

people are in there.

"Eh? Don't you want to go to some special place? A place that you really want to spend on your birthday?" L asked. The others shift the attention to you.

You sweetly smiled at them, "I don't need a special place to spend my birthday. As long as all of you are with me, I'm happy." you honestly replied.

Infinite softened by that. "Aww~ our princess is so sweet." Dongwoo said as he gently stroked your hair. You smiled at him.

"Aww~ We're sorry. We didn't hace any gift for you." Sunggyu said. You quickly shook your head, "No! Like I said, I don't need to go to a special place or received anything. I'm already happy now that I spend my birthday to all of you." you replied.

They smiled at you once again, softened.

"We're so lucky to have you Hyemi-ah.." Woohyun gently tapped your shoulder, "Happy birthday.." he whispered. You look up at him and smiled, "Gomawo oppa.."

All of your continue to walk. Suddenly, Infinite make a circle around you so you're now at the center. As you were about to ask them, you heard them sing.

"Saengil chukhahamnida~
Saengil
chukhahamnida~.....
happy birthdy to you~" Infinite sing as one.

"Saengil Chukhahae Hyemi-ah.." Infinite greeted you as the song ended.

Your eyes become teary because of the sudden

surprised. You were speechless now that you didn't know what to say.

"Aish! Don't cry. It's your birthday you know that.." Sungyeol squeezed your hand. "Yeah.. Just smile." Sungjong smiled at you as he wiped the tiny tear on the side of your eye.

"Our princess is now 18!!!" Dongwoo beamed. They just laugh at him as you also laugh along with them.

Thank you oppas for making my birthday so special.

CHAPTER 19

A week had passed, you and Infinite were getting close to each other now. They're just like your real oppas.

As all of you were eating the breakfast, the managers suddenly came.

"Uh, hyungs!" Sunggyu called. "Are you guys ready for the comeback?" Jungryul asked.

"We're having a comeback again?" Dongwoo asked. Geonam nodded, "Yes. That will be next month." he explained.

"So now, go and change. We need to go to recordings." Hyoan ordered.

All of you nodded and did what you managers said.

"Um.. Hyemi-ah, did you know how to rap?" Jungryul asked you as all of you arrived at the

recordings.

"A little bit.." you replied. "Do you mind to show some sample?" Hyoan asked.

You nodded and started to rap. Infinite's jaws were all dropped as they heard your rapping.

They clapped as you finished. "Woah! You're great!" Dongwoo gasped as the others nodded and gave you a thumbs up sign. You sweetly smiled at them.

"Hyung, why don't you give me and Hyemi a duet rap?" Dongwoo suggested. "Well.. That's exactly my plan that's why I ask her if she know how to rap." Jungryul said.

"Really? Woah! I'm going to rap with Hyemi!!" Dongwoo happily beamed. You couldn't help but to laugh at him.

"Okay, let's start then!" Geonam ordered. With that, all of you started to recording.

Before the comeback, you and Infinite were just busy to practice and practice especially the rapping part of Dongwoo with you.

It's really hard since it's your first time to perform a rap but you always give your best of the best on the practice.

Finally, you do it perfectly after so many practices. "Good job Hyemi-ah." Dongwoo give you a thumbs up. You smiled at him and bowed a little, "Gomawo oppa.."

"Okay! Since we did it well, let's go back to the dorm and take some rest." Sunggyu announced.

With that, all of you leaved the

practice room and went back to the dorm.

CHAPTER 20

The comeback date finally come. You and Infinite were very busy preparing yourselves for the comeback stage.

"Are all of you guys ready now?" Geonam asked. All of you nodded.

With that, you and Infinite together with the managers went to the van.

"We're already here.." Jungryul said as he parked the van at the parking lot.

You breath in and out. You were very nervous that time.

Suddenly you felt a hand on the top of your hand. You followed the hand to see L look worried at you. "Are you okay?" he asked.

You shook your head, "No. I'm nervous." you replied. He squeezed your hand, "There's no need to be worried about." he whispered. "What if the fans still not accept me?" you whispered back.

"Is that the only thing that you are worried about?" he asked. You lowered your head and nodded. He reach your chin and make you to look at him, "Don't listen on what the fans will give comments to you. Just perform with a heart like you did last time." he smiled at you.

You couldn't help but to smiled

back and finally you nodded. "Let's go!" he said. You nodded again, "Ne.."

You followed him as the others already went out from the van. *Thanks Myungsoo oppa for always making me calm..*

"Infinite will be the next to perform after Kara." Hyoan said.

All of you prepared yoursrlves for the performance. "Ready?" L asked you. You smiled and nodded.

As Kara finished their performance, you saw one of the member greeted L. You saw L smiled at her.

You don't know why but you didn't want to see L smiling to that girl. *Who is she to Myungsoo oppa?* you wondered.

"Hyemi-ah! Let's go!" Sungjong called. You snapped out your wondering and nodded to Sungjong.

"Yes. Coming!" you shouted back as you run to them to the stage.

As the song started, you and Infinite started to sing on your respective part of the song.

When the time of rapping part came, you give your all the best and perform with a heart like L said to you.

Suddenly, you heard a loud squealed coming from the fans. They're all going crazy when they hear you rapping.

You smiled by that and continue to rap with Dingwoo who is happily rapping along with you.

As the song finished, the fans squealed more louder than the time when all of you are performing. You can hear them chanting your name. You smiled at the fans and bowed. Infinite also bowed as all of you went out from the stage.

"You did so great!" Dongwoo said. "You're now have so many fans!" Woohyun commented.

You smiled, "Thanks!"

"Our princess is now popular I think.." Sunggyu said. "Yeah.. That's going to be true." Hoya added.

"That's impossible!" you replied.

"I'm now jealous at you. You're going to stole our fans.." Sungyeol said. "Aish! You know Sungyeol oppa, I'm going to share all my fans to you." you said. He smiled at you, "Really?" he asked.

"Aish! So childish!" Sungjong said. Sungyeol pouted.

You laugh at him as the others laugh along.

You look around to search L to say thank you but you didn't saw any sight of him. "Eh? Where's Myungsoo oppa?" you asked Woohyun who is next to you.

Woohyun look around and spotted L. "He's there!" he pointed. You followed his point only to see L talking to the girl who greeted him earlier. You can see that the two were happy together.

"Who is she?" you asked. "Uh.. Her? She is Park Gyuri, member of Kara." Woohyun replied.

"Are they really that close?" you asked once more. "Yes they're a

bit close and I heard she has a crush on L." he said.

"How about Myungsoo oppa?" you asked. "L is a mysterious type of person so I don't know." Woohyun said.

You just nodded in understanding. You didn't ask any question again since you don't want hear the answers anymore.

You want to look away but your eyes don't want to take off at them. Suddenly, L saw you so you quickly look away.

L excused himself to Gyuri and walks to you. "Hey! I still didn't say to you tgat you're great tonight!" he said. You gave him a forced smile and just say thank you.

"Is there something wrong?" he worriedly asked. "I'm just tired.." you replied.

"You already tired?" Sunggyu asked as you nodded. "Aww~ our princess is already tired. Let's go back to the dorm then.." he said.

As all of you arrived the dorm, you went straightly to you room.

Infinite were confused by your action but they just think that maybe you were really tired.

With that, they also went to their respective rooms to take a rest.

L take a glance to your room's door fist before he completely went to their room.

You laid and put your hand on your chest. *What's happening

to me?* you thought.

Suddenly, you fall asleep together with your thought.

CHAPTER 21

Your eyes slowly open as the sun rises. You slowly stood up and went out from your room.

The only person that you see was L. He smiled at you, "Good morning~" he greeted.

You fake a smile and forcely greeted back. "Um... Hyemi-ah, can you cook for breakfast? I'll tried to cook but always failed." he said.

"Uh-oh.. Okay." you replied as you walk to the kitchen to prepared the breakfast.

L followed you.

As you started to cut the ingredients, L sat in front of you. He place his both hands to his cheeks and rested his elbow on thr table. He just watch you preparing the food there.

You started to felt uncomfortable with that. "Um.. Can you please stop staring at me? Can you just wait me to finish this in the living room?" you asked.

"But I want to watch you cooking.." he said. "Please?" you pleaded.

He pouted, "Araseo.." with that, he left you and went to the living room.

You let out a long sigh, *Thank

god! I can't almost breathe because of his stares.* you said on your mind as you continue preparing the breakfast.

When the time that you already finish preparing, the others already awake. You greeted them as they greeted you back.

They all sat on the chairs to start the breakfast. You were about to sit on your seat when Dongwoo sat there first.

"Uh.. Hyemi-ah, mianhe but can we exchange seats? I just don't want to sit next to Hoya today." Dongwoo explained.

"Yah! Your seat is next to me! Just come and sit here!" Hoya said. Dongwoo look back at you, "Please Hyemi-ah?" he pouted.

"Aish! Araseo oppa.." you smiled. Dongwoo jump with joy. You chuckled at him.

You then shift your gaze to the seat next to Hoya. You were about to walk there when you noticed that the other person next to the seat is L. You stopped by that.

"Wae Hyemi-ah?" Sunggyu asked you. You look at him and shook your head, "Nothing." you then went to Dongwoo's original seat.

You hand accidentally touch L's hand that made a vibration between the two of you. "Mianhe.." you quickly apologized.

L shook his head, "It's nothing.."

You started to eat for you to not see his face. *Omo! I need to finish my food so quick or else my body will going to filled by my sweats.*

Just after a minute, you already finished your food.

Infinite's jaw dropped because of your sudden action.

"What happen?" Woohyun asked. "Eh? Er.. I was.. just hungry.." you lied. "Do you want eat mine too?" Woohyun asked again.

You quickly shook your head, "No. Um.. Please excuse me. I'm going to used the comfort room." you excused yourself as you run to the CR.

Infinite look at each other, confused.

As you reach the CR, you place your right hand into your chest. *What's happening to my heart? Why do I felt weird feelings when Myungsoo oppa is around? It's not happening to me when I first stayed here. Wae?* you thought.

You wash your face then face the mirror. You place your hand again to your chest. "Why my heart is like this? Am I in love with Myungsoo oppa?" you whispered to yourself.

Right then, you heard a sudden knock coming from the door. Hyemi-ah, are you okay?" you heard L's voice behind the door.

You close your eyes and replied, "Yes, I'm going out now.." you then walks to the door and open it.

L is standing there, waiting for you. "Is there something wrong?" he worriedly asked. You shook your head and walk passed by him, not looking at him.

L's eyebrows frowned at your

action. *What's happen to her? Is she ignoring me? Did I've done something wrong to her?*" he asked himself.

He shook his head, *No! She's not ignoring you Kim Myungsoo..* he snapped all his questions on his mind and followed you.

"Uh.. Hyemi-ah, you're finally here. We decided to go out since we don't have work today. So go change now so we can go around the town." Sunggyu said.

"Um.. Oppas.." you whispered. Their attention shift to you. "..Can I just stay here?" you asked.

"Eh? Wae?" Sungyeol asked. "Yes, wae? Just come with us!" Sungjong added.

"I just feel like not going. I just want to stay here at the dorm." you explained. Sunggyu let out a sigh, "Okay. Since that's your decision, we will respect that."

"Thank you oppa." you smiled. "Are you sure you really want yo stay here alone?" Hoya asked. You eagerly nodded, "I'm okay with that. Don't worry about me.." you replied.

"Okay then." he said. "Uh.. L let's go!" Dongwoo saw L behind you.

"You guys go. I'm going to stay here with Hyemi." L said. You frozed on your spot after hearing L's words.

"You will going to stay too? Ahh~ Hyemi-ah is not going and you also?" Sungyeol pouted. "Aish! You need to separate with me sometimes, you know that!" L said to him.

Sungyeol pouted again. "Then.. That's good I think. Besides, Hyemi-ah will not bored here if L not come with us right?" Sunggyu said.

You are hoping for someone to protest but they just all nodded. Your shoulders fell when you saw them agreed with Sunggyu.

"So.. We're going now. Take a good care of her L, araseo?" Sunggyu said. L nodded, "I will.."

With that, Infinite excluding L left the dorm.

This will going to be so hard to me.. you thought.

CHAPTER 22

The atmosphere became silent when the others left the dorm.

L cleared his throat that broke the silence. You jump a little after you heard him.

"Did I scared you?" L worriedly asked. You shook your head, "No."

Awkward silence filled the dorm again. "Um.. Why don't go with them instead of staying here?" this time, you're the one who broke the silence.

He look straightly at you. You stared back but quickly look away. "I just want to spend my time with you.." he said.

You look at him surprised, "Eh?" you gasped. He sweetly smiled at you, "I said I want to spend my time with you. Only you.." he repeated.

You frozed on your spot as L continue staring at you. You just look at him, still frozed.

"Um.. I'm still sleepy. I'm going to take a nap first." you quickly stood up planning to go to your room but L suddenly grabbed your hand.

You closed your eyes, *Omo! Please just let me go..* you slowly spun around to face him again. "Wae?" you asked.

"Are you going to ignore me now?" he asked. You raised an eyebrow, "Why did I do that?" you asked back.

L then stood up and held both of your shoulders. "Hyemi-ah.. I know you were going to be shock to this but I think I like you.." he said.

Wait? Did I heard right? He likes me? you couldn't believed on what you just heard from his mouth. You just stared at him, speechless.

"Hyemi-ah?" he gently shook you. You went back to your world now. "I-I r-really.. n-need to take a n-nap now.." with that, you quickly run to your room and closed the door.

L's shoulders fell. *Did I made her really shocked in my confession?* he rubbed the back of his neck and let out a long sigh.

As you already closed the door, you placed your hand on your chest. Your can feel your heart beating so fast after the confession.

Omo! My heart.. you slowly walk to your bed and laid. "He likes me?.." you whispered.

You shook your head, "No. He

said he thinks he likes me but not sure." you sadly whispered.

You tried to sleep but couldn't. You stayed in your room in an hour but as you trying to sleep, you always remembered what L just said to you.

'I think I like you..' L's voice keeps repeating on your head.

Since you can't sleep, you slowly went to the door and lean in to it. You want yo make sure if L is around. You lightly open the door and look around. No sight of L.

You carefully went out and slowly walk. You still didn't saw any sight of L. *Where did he go now?* you asked yourself. But then you heard a voice said, "Looking for me?"

You jump a little by the sudden voice. You knew who's voice is that and that is L.

You spun around to protest but you felt a soft thing touching your lips. Your eyes widen when you realized that soft thing is L's lips. You're now kissing L.

You quickly step back and runs back to your room. L wants to run after you but you quickly closed the door.

You touch your lips, still in shocked. "We.. We did.. kiss?.." you whispered.

CHAPTER 23

A week had passed. You didn't talk to L after that 'kiss'. You also take a distance from him.

You are still confused about your feelings. So that you think this is the best way to have some time to think about your true feelings for him.

It's really for you but you need to do it just for the both of you.

One day, Sunggyu received a call from Jungryul.
"Yeoboseyo?" he answered.

"Uh.. Sunggyu-ah.. I just want to remind you that you guys need to practice for Infinite's another comeback for your new album." the other line said.

Sunggyu nodded, "Yes, I didn't forget about that. We're going to do what you said." he replied.

"Good! And another, you're the one who decide on what kind of performance you guys need to do. We're going to be busy this week so please take care to the performance Sunggyu.."

"Okay hyung. I'll be take care for this." Sunggyu replied. With that, the phone call ended.

"Guys listen!" Sunggyu caught all your attentions. "Okay.. So, I think you all knoe about our comeback right?" Sunggyu asked.

All of you automatically nodded.

"Since you all know about that, I want to say that we're going to have practice for our performance today.." he added.

All of you nodded once again.

"Another one, I'll be the one who will decide for the concept of our performance because our managers we're going to be busy." he explained.

"No problem with me.."
Woohyun said. All of you agreed

with him.

"Okay then.. Go prepare yourselves so we can go now to the practice room." Sunggyu ordered.

All of you do what he said.

"Um.. Our theme is about love right?" Sunggyu asked as all of you arrived at the practice room.

"Yeah.." Dongwoo answered. "And also the valentines will going to come so our comeback will going to be perfect!" Woohyun added.

Sunggyu smiled, "Exactly!"

"So what will be our performance look a like?" Sungyeol asked. "Yes, what are your plans?" Hoya asked.

"Since it's about love, I think we need a pair for some part in our song." Sunggyu said. "Uh yeah! I like that! But who will be the pairing?" Sungjong asked.

"Um.. Since we have a female member which is Hyemi, I decided to give her that part." Sunggyu explained.

"M-Me?" you gasped. Sunggyu nodded, "Yes. You and L will do that part." Sunggyu explained.

You were so shocked when you heard what he just said. You and L look to each other but you quickly look away.

"I decided to give that part to our visuals. The fans will go crazy when they saw the two good looking faces together right?" Sunggyu explained.

Woohyun nodded, "Well, I agreed with that. We need to give a special part for our

visuals." he said.

The others nodded in agreement.

"Since no one disagree, let's start the practice." Sunggyu said to and L ehat you two need to do on your part. The two of you need to do a sweet dance.

Need an eye contact.

Need to touch each other.

Need to act like a couple.

You want to protest that you didn't want to do that but you don't have any explanation to say to them. So you just do what Sunggyu had said.

All of you started to practice. Suddenly, you and L's part came. You heart started to beat so fast like crazy.

"Eye contact!" Sunggyu ordered. You tried but it's really hard for you to have an eye contact to the person whi stole your first kiss.

"I said eye contact!" Sunggyu ordered again. You still trying but you couldn't.

"Stayed close to each other." Sunggyu oredered. You didn't do what Sunggyu had said but L pulled you closed that made you shocked.

You can't focus now on what you were doing because of what you were close to him. "Focus!" Sunggyu said.

"Again!" Sunggyu wanted you two to repeat your part.

"Aish! This will going to be hard for me." Sunggyu said. "You two stayed here until the both of you mastered your part." he added.

Your eyes widen, "But oppa!" you protested.

"No buts. Just do what I had said." Sunggyu said as he and the others left the practice room.

CHAPTER 24

Awkward silence filled the practice room as the others completely disappeared.

"Um.. I think we should start practicing now.." L started. You look at him and slowly nodded, "Yeah.." you whispered.

L walk close to you. He hold your hands and place it to his both shoulders. His hands were holding your waist. He then look straightly to you.

You on the other hand, trying to make an eye contact with him but you still couldn't so you look away.

"We can't do it if you couldn't cooperate with me." L suddenly said. You slowly look back at him. He stared back at you. Both of your eyes met with him. His gaze was melting you on your spot.

You and L started to move together with a music. L kept staring at you as you also did. But after only a minute, you look away again.

"If the kiss yesterday the one that bothering to you—" he said.

"No! That's only an accident! And I just want to go home now." you blurted.

L just nodded in understanding,

feel disappoointed. "Okay then. If you want to go home now, you should cooperate with so that we can both go home now.." he said to you.

You close your eyes and let out a long sigh. You bit your lower lip and look back at him. "Okay, let's do it again." you said.

You and L started to dance again. Suddenly, the lifting part came. L need to lift you and you need to wrap your legs to his waist. L was holding you waist as you wrapped your legs to his waist and placed your both hands to his shoulder.

L kept staring at you as you also did since you really want to finish the practice. That stared become serious as both of you couldn't take off the eyes to each other.

Both you was focusing on staring to each other that both of couldn't hear any sounds even the sound of music. Like the world stop on moving to the both of you.

Suddenly, L started to lean in towards you. You didn't move but continue staring at him.

After a while, you felt his lips met yours. His eyes were closed as yours were widely open in shocked.

L suddenly broke the kiss and whispered, "That kiss is no longer an accident. That kiss is real and I meant it. Hyemi-ah, saranghae~" he then lean in back to you and kiss you again.

With that, your eyes automatically closed and kiss him back without a doubt.

Nado Saranghae Myungsoo oppa..

CHAPTER 25

After that practice, you and L became a couple now but you want keep it a secret to others.

You pleaded L to not tell to others about your relationship with him. At first, L didn't agreed but you tried to convince him and finally agreed with you.

Valentines day came. You and L have a date plan for that. You wear a jeans with a simple shirt on top so that the others will not give suspected to the two of you.

L also wear a simple outfit.

You and L were about to leave when Sunggyu suddenly caught you two. "Hey! Where you two are going?" he asked.

"Yeah.. It's valentines so why are you teo leaving?" Woohyun asked.

Both you and L stopped. You worriedly look at L and gave him a 'what are we going to do?' look.

L spun around and look at them. "Where going to have a practice for our special part. Our comeback is tonight remember?" L lied.

You look to others, waiting for their reaction.

"But today is valentines. We just need to go out all." Sungjong said. "Yeah.. I want go out~" Sungyeol whined.

"You guys can go out but me and Hyemi couldn't. We still

need to master our special part. Do you want the both of us to make a mess in our comeback?" L asked.

Sungyeol and Sungjong shook their heads. "We don't." they replied.

"I think they really need to practice since our comeback is tonight." Dongwoo suggested. Hoya nodded in agreement, "I agreed with him."

"Okay then. But you two need to come back here before our comeback starts araseo?" Sunggyu said.

You and L eagerly nodded.

With that, both you and L left the dorm.

"Wear this." L handed you a mask as the car stopped in front of the Lotte World.

"What for?" you asked. "For our protections. We're popular remember?" L reminded you.

You nodded, "Uh-oh yeah.." you took it from him and wear it. He also wear his mask.

Both of you went out from the car and enter the Lotte World.

L hold your hand that made you jump a little. He look down at you and smiled, "You need to used to it because I'm starting to do it in usual." he said. You shyly smiled at him blushing and slowly nodded.

Luckily, you have your mask so he didn't saw your pink face.

"Let's ride the roller coaster. I really want to ride it with you but you choose Hoya hyung to be your partner when the first time we go here." you can see

that he's pouting.

You smiled, "Mianhe.. But I'll promise to ride all the rides here with you, only you.." you said.

A smile went up to his lips. "Let's start to ride one by one then." he said as he dragged you to the first ride, the roller coaster.

After the roller coaster, both of you explore the Lotte World and rides all the rides there.

"Woah! That was so awesome~" you beamed. L smiled at you, "I know right!"

"Let's eat!" L said. You smiled and nodded.

"Let's sit there.." you pointed at the corner area so no one will noticed the both of you.

"Okay. Let's sit there." L agreed as both of you walks there and sit.

A waiter went to your table and take your orders. After just 10 minutes, your orders already arrived.

As the waiter left you two, L removed his mask from his face.

"What are you doing?" you whispered to him. "Wae? No one will going to see us here. We're here at the corner plus there's only few customers here." he explained.

You look around and L is right, only few customers are eating in the restaurant.

With that, you also removed your mask from your face and

started to eat.

As you were eating, a spoon with a food on it face your face. You followed the spoon and saw L trying to fed you.

"Myungsoo oppa.." you shyly whispered. "Do you know how long I've waited to this to you? Please take it hmm?" L pleaded.

You nodded and shyly took his offer. You swallowed the food and eat it.

As you didn't know, L want something different. "Go and feed me too." he whispered to you. You look at him surprised, "Eh?" you gasped.

"I said, feed me too~" he whined. You nodded and shyly fed him.

"Woah! so delicious especially when you feed me.." L said. You rolled your eyes but smiled, "You're so funny Myungsoo oppa.." you said.

"That's why you're in love with me.." he teased. You blush on it, "Stop teasing me!" you said.

"Aww~ my girlfriend is so cute~" L lightly pinched your cheek. You lightly sbapped his hand, "Let's just eat okay?" you said.

He smiled, "Araseo.." he cutely said as he continue to eat. You smiled by his cuteness. *I'm very lucky to have you Myungsoo oppa..*

With that, you also continue your food.

At night, you and Infinite prepare yourselves for the comeback.

As all of you finish preparing, all of you left the dorm and went M! Net without your managers since they are still busy with something.

Since you and L are couple now, both of you perform your special part very well. Both of you just act normally.

As usual, the performance was daebak!

"Great job koreangirl26-ah and L." Sunggyu praised the two of you. "Gomawo oppa." you smiled at him.

"You know what?.." Woohyun started. All of you look at him, waiting him to continue. "..I thought you two are couple. Both of you just act normally on your part." Woohyun continued.

You and L look at each other. You then laugh nervously, "What are you talking about Woohyun oppa.. We're not a couple okay.. Right Myungsoo oppa?" you look at L.

L quickly nodded, "Uh-oh, yeah. We're not a couple. Maybe we performed our part normally because we practice very hard just to make our performance perfectly." L explained.

The others just nodded in understanding.

Next morning, Sunggyu awake early. He saw a newspaper at the door of the dorm and grabbed it.

His eyes widen when he saw the

headline news.

Infinite L and Infinite Hyemi are dating?

That was the title of the article. There are also some pictures there that L is feeding you and vice versa. A picture when L pinched your cheek was also there.

Suddenly, the others also awake except you and L.

"Uh hyung! What is the headline news today? Our successful comeback?" Dongwoo asked. "Maybe. And that's a good news right?" Hoya said.

But Sunggyu shook his head, "Not good but bad. Very bad." he whispered.

"Eh?" Woohyun grabbed the newspaper from his hyung to take a look at on it. His eyes widen, "What is this?!" he gasp.

The others got curious and went close to him to see the headline. "Eh? Isn't it their clothes that they are wearing yesterday?" Sungjong said.

"Yeah it is." Sungyeol agreed.

Suddenly, you and L also awake at the same time. L smiled and greeted you. You also greeted him back.

The others gave both of you a look.

"Good morning oppas!" you smiled and greeted them. But their expression remained serious.

"What happen hyung?" L asked. "Are you two not really a couple? Sunggyu asked both of you. "Yes, we're not." L quickly answered.

"Then what is this?" Sunggyu

raised the newspaper for the both of you to see what the headline is.

Your body froze on your spot when you saw your sweet pictures together with L. L was speechless after he saw the headline.

"Shock huh?" Woohyun said. Both you and L just remained silent.

"So.. Go and tell us the truth now.." Dongwoo ordered.

You bit your lower lip and lowered your head. L walks to you and hold your hand. The others raised an eyebrow on your both hands.

"Okay.. The news was right. I and Hyemi are couple now." L said. You look up to him, worried.

"What?! It's true? How?" Sungyeol asked. "It's a long story but we're actually a couple now." L said.

"Is it true Hyemi-ah?" Hoya asked. You paused by that but then L squeezed your hand. You look up at him and nodded, "Yes. We're a couple now." you replied.

Their shoulders fell when they hear what you just said.

"So.. How could you two handle this mess hmm?" Sunggyu asked both of you. "Don't worry hyung, I'll take care of it." L said.

"Okay. I'll leave it to you araseo?" Sunggyu said. L nodded, "Araseo hyung."

CHAPTER 27

At night, the managers suddenly visit the dorm.

You look at L in panic, "Myungsoo oppa, eottokhae?" you whispered to him. He reach your hand and hold it tightly, "Don't worry. You still have me." he whispered back.

You smiled at him and nodded.

The managers look straightly at you and L. "I think all of you already know we are here right?" Jungryul asked all of you.

All of you automatically nodded. "So.. Was the headline is true?" Geonam asked. All of you nodded again.

"What?! Both of you are really dating?" Hyoan gasped. "Yes, they are." Sungyeol said.

Sungjong elbowed him. Sungyeol look at his dongsaeng, 'Wae?' he mouthed. 'Shut up!' Sungjong mouthed back. Sungyeol pouted.

"Stop that!" Geonam said. Sungyeol and Sungjong stop arguing and sat straight.

"So.. What are you two going to do with this mess?" Geonam asked you and L. "I'll take care of it." L said.

"By how?" Jungryul raised an eyebrow. "I want to have a press conference." L replied.

"Then what will you do next? Tell them the truth?" Hyoan said. L nodded, "Yes, that's my plan." he replied.

"Did you know what are you saying huh? Your fans will all disappeared if you do that." Jungryul said. "I know but I

don't care. All I care is my girlfriend." he replied.

You hold his arm, "Myungsoo oppa.." you whispered as you shook your head. He removed your hand from his arm and hold it instead. "They need to know the truth. Just trust me okay?" L whispered to you.

You just nodded.

"Hyung, call the press and I want a press conference tonight." L said to the managers. Jungryul let out a long sigh, "Are you really sure with your decision?" he asked.

L nodded, "Yes, I'm very sure." he replied.

"I think we can't stop you so I will call the press now. Excuse me.." with that, he went out and called the press.

"Are you ready?" L asked you before both you could go to stage. You shook your head, "I'm nervous." you replied.

L hold your hand, "You don't need to be nervous. I'm always here for you. All you just need to do is to say the truth." he said. You let out a sigh then nodded.

"What's the real issue between the two of you?" the press asked both of you as you and L sat on the chair at the center stage.

"Are you really dating?" the press asked also.

L reach the microphone and place it in front of his mouth. "Yes, we're dating." he simply answered.

The press starts whispering to each other. But then they asked, "Is it true Ms. Kwon Hyemi?"

You look up at L. He just nodded at you. You then reach the microphone and place it in front of your face. "Yes. It's true." you replied.

"Next question, this is actually for Mr. L. What about Ms. Park Gyuri? Isn't it she has a crush on you?" the press asked.

You look at L, waiting for his answer. "Me and Gyuri-ssi were very good friends and yes, she has a crush on me but.." he look at you, "..Hyemi is the only girl that I love." he sweetly smiled at you.

You couldn't help but to smiled back.

The press were touched on what L had just said. The netizens also feel the same way.

"Wow~ that was so sweet of you. Last question, we heard that Ms. Hyemi is an orphan. Is it really true?" the press asked.

You paused for a moment by the sudden question.

CHAPTER 28

You breath in and out first before you slowly grabbed the microphone and placed it in front of your mouth. "Y-Yes. I'm an orphan." you replied.

The press starting to give negative comments to you after they hear what you just said.

L got pissed and quickly

grabbed the microphone. "Yes she's an orphan but she's a person too like us." L said.

The press paused by that and look to the two of you.

"I don't know where did you get that issue and I admit, that is true. Even though she is,.. " L look into your eyes, "I still love her no matter what." he gave you a sweet smiled.

You couldn't help but to smiled back. *Thank you Myungsoo oppa. You always makes my heart softened. You makes me fall for you more and more..*

Again, the press touched with L's words. Until one of them said, "Um.. Can you show us a sweet scene from the two of you? Like kiss?"

You were shocked on what you heard. You shook your head. You open your mouth to protest but you heard L said, "Okay, not a problem."

You look at him in disbelief but all you can see was a smirk coming from his face. Without any word, he lean in to you and touch your lips with his.

Your eyes were wide open while L completely closed. You could feel that the press starting to take pictures of the kiss.

Suddenly, you felt a hand on your waist. It's L. With that, your eyes starting to close and kiss him back.

"Woah~ When did L become so sweet huh?" Woohyun teased as you and L went back to the dorm after the Press Conference.

"Seems like L is matured now hmm?" Sunggyu added. "Yeah.

I guess." Dongwoo agreed.

"Maybe I became like this because I'm in love?" L gave you a inspiring smile. You shyly smiled back.

"Aish! Now Hyemi stole L from me. There will be no MyungYeol moments anymore.." Sungyeol pouted.

All of you burst into laughter because of the choding of the group.

Suddenly, L's phone rang. "Excuse me.." L excused himself.

L stood up and went not so far from you so you can still hear some of their conversation. But the only thing you heard was, "Araseo omma." with that, L end up the phone call and went back to you and the others.

"Omma?" you asked him. He nodded, "She said she want to see me and you." he said.

"M-Me?" you asked. He nodded once again, "Yes, you. She want me to introduce my girlfriend properly to her. She want us to go to our house tomorrow." he explained.

You just nodded in understanding. *How I wish they will accept me..*

CHAPTER 29

Morning came, you get ready to go to L's house to meet his family.

As you and L are ready, both of you left the dorm and went to L's house.

"Are you okay?" L asked as both of you reach their house. You shook your head, "I'm very nervous. What if they didn't like me?" you worriedly asked.

L smiled and hold your hand, "They will like you because I like you. You're a type of person that everybody will likes." he bent a little and kissed your forehead, "My family will surely accept you. Promise~" he whispered.

A smiled went up to your face. "Okay.." you said as you nodded.

With that, both of you enter the house. The first person you saw is a guy a little bit younger than L you think.

"Moonsoo-ah!" L called the guy. The guy look up, "Uh hyung!" he runs to the two of you. *He really looks like Myungsoo oppa..* you thought.

"Where's omma?" he asked. "At the kitchen." Moonsoo replied. He then shifted his gaze to you, "By any chance, are you Hyemi?" he asked.

You nodded.

"Woah~ You are so pretty in person." he commented. You chuckled by him. "Yah! She's already my girlfriend!" L reminded.

Moonsoo pouted.

"Moonsoo, Is your hyung already arrive?" a bit old lady appeared from nowhere.

"Omma!" L called. "Uh.. Myungsoo you already here." she walks near to the to of you.

She then look at you and look at

L. "Uh yeah.. Omma, this is Hyemi, my girlfriend. Hyemi-ah, this is my omma." he introduced.

You bowed at her, "Annyeong haseyo eomonim.. Hyemi-umnida." you said. She smiled at you, "She's pretty and well-mannered." she commented.

"How about me? Introduce me to her too." Moonsoo snapped. L rolled his eyes.

Moonsoo pouted again. "Aish! If you don't want to introduce me, I'll introduce myself to her then." he said.

He look at you, "Annyeong! Kim Moonsoo-umnida. Myungsoo hyung's younger brother. I'm more handsome than hyung right?" he said. You couldn't help but to laugh a little.

"Don't mind him." L said to you. Moonsoo pouted again. L rolled his eyes at his dongsaeng and look to her omma. "Omma, what did you prepared for us?" L asked.

"Uh yeah~ I prepared your favorite of course. Let's go and eat what I prepared for the two of you." L's omma said.

"How was my food?" L's mother asked you as all of you started the food. You smiled at her, "Really good." you honestly replied.

"Woah~ I'm glad that you like it." she said. "She's also good in cooking omma. She's like you." L said.

"Really?" she asked you. You shyly smiled, "I'm not that good as you." you replied. "Aish! You're good as my omma okay.." L protested.

You lightly hit his arm, "I said I'm not." you whispered. L's omma smiled with the two of you.

"Um.. I heard you're an orphan?" she suddenly asked. You paused for a while but suddenly nodded.

You felt nervous because of what she ask but then you saw her smiled at you, "You don't need to be worried. If my son was happy with you, I will support him and be happy for him." she said.

You softened by her words. A smile went up to your face after you hear what she just said. In the middle of the dinner, you whispered to L, "Where's your appa?"

"He already passed away years ago." L whispered back.

"Mianhe.." you felt guilty at him. He look at you and smiled, "No need to say sorry." he said.

I really am sorry Myungsoo oppa..

After the dinner, you excused yourself to use the restroom.

You wash your hand as you removed your bracelet from your hand. After that, you went out. L's omma was waiting for you at the door.

You just bowed at her. She smiled and nodded. With that, she went in at the restroom as you went back to L.

But then, you felt your bracelet was not at your wrist anymore. You then went back to the restroom again.

"Eh? Bracelet?" L's omma whispered to herself. She walk close to the direction of the bracelet to take a close look.

Her eyes widen. She took the bracelet as tears starting to fall from her eyes.

Suddenly, you appeared from nowhere. "Um.. That's my bracelet." you said.

L's omma spun to face you. Tears kept on falling from her eyes. "Um.. What's wrong eomonim?" you asked as you walks near to her.

She didn't gave you any response but a sudden hug. Then you heard her said, "My daughter.."

CHAPTER 30

"Um.. Eomonim, I'm sorry but I'm not your daughter." you managed to say. She slowly released you from the hug.

You could see her tears didn't stop falling. "You are my daughter and this.." she raised the bracelet, "...this is the proof." she said between her tears.

You were confused at that moment that you didn't say a word. "You said that you're an orphan right?" she asked. You slowly nodded.

"By any chance, are you came from Seoul Orphanage?" she asked. You nodded again.

After she saw you nodded, her tears starting to fall more. She hug you once again, "You are really my daughter." she whispered.

You were still speechless, didn't know what to say. "I'm sorry if I left you there." with that she released you from the hug. "This bracelet.." she raised once again, "..I left it to you so that I can still find you and now you're here. In front of me. You didn't know how happy I am now." she said with a smile.

*What? She's my mother? you then quickly grabbed your bracelet from her hand, "Mianhe.." you whispered as you runaway.

As you passed by at the living room, L saw you.

"Hyemi-ah!" he called you but you didn't look at him and just continue running until you completely disappeared from his sight.

L suddenly saw her omma trying to run after you, "Hyemi-ah!" she called.

L walks to her, "What's happening omma? Why are you crying?" he asked in confusion.

"She's my daughter.." she whispered. L froze, "Y-Your daughter?" he gasped.

She nodded. "She's my long lost daughter." she managed to say.

Hyemi is my omma's daughter?..

You keep on running, didn't know where to go. Until you reach the Bus Stop and quickly ride the first bus that stopped.

Your tears starting to fall. *Why did she appeared just now? And out of the women here in Korea, why her? Why Myungsoo oppa's omma? That means.. He's my brother?..* you sadly thought

as your tears keeps on falling.

As the bus suddenly stopped, you stood up and went out. The first place that crossed on your mind is the Orphanage.

Without any hesitation, you went there with so many thoughts on your mind.

CHAPTER 31

"Uh.. Hyemi-ah.. What brings you here?" the care taker asked you when she spotted you at the gate.

"Ahjumma, can I stay here for tonight?" you asked. She study first your face before she asked, "Is there something bad happened?" she asked when she noticed your eyes were teary.

You just sadly lowered your head. "Okay. Come in first and tell me what happened." she said as she led the way. You followed her inside.

"You met your omma?" the care taker asked after you told her what happened. You nodded.

"Isn't you must be happy? Then why did you runaway and goes here?" she asked. "Yes I know. I must be happy now but I feel different." you said.

"But wae?" she asked again. "Beacuse.. She's also my boyfriend's omma.." you replied as a tear fall from your eye.

The care taker feel sorry to you and didn't say any word. She just hug you to give you a comfort.

You hug her back as your tears starting to fall and fall again. "Why life is so difficult to me? Wae?.." you whispered between your sobs.

The care taker gently stroke your hair, "This will going to be alright soon. Now, you take a rest and don't think so much." she led you to the room as she help you to laid on the bed.

With that, you closed your eyes and fall asleep. A tear fall from your eye once again as your eyes still closed.

The care taker gently wipes it, "I know you're having a hard time now but it will going to be okay soon." she whispered as she left you from the room.

"What? Why? How?" L asked her mom. "She's my long lost daughter. I admit left her at the Orphanage and I'm truly regret what I just did to her." L's omma replied.

"How did you sure that she's your long lost daughter?" L asked. "Because of her bracelet.."

"Bracelet? The bracelet that she always wearing?" L asked again. "Yes. I think so. When the time that I left her at the Orphanage, I also left that bracelet with her. And that's the only bracelet that has a original design so I'm very sure that she's my daughter. Another, she came from Seoul Orphanage that also the Orphanage that I left my daughter." she said.

L lowered his head, "That means.. She's my sister.." he sadly whispered.

L's omma reach his hand, "I think this is the right time for

you to know the truth." she said.

L look up at her, "Truth?" he gasped. She nodded, "The truth is.. You and Hyemi are didn't have any blood connection."

"What? You said Hyemi is your daughter then you are saying that we didn't have any blood connection? I'm confused." he said.

"Yes. Hyemi is my daughter but you're not actually my son." she replied. "What?" he asked.

"The truth is, I met your father after I left Hyemi at the Orphanage. He's already has 2 sons that time. That 2 are you and Moonsoo. I actually didn't want to accept your father but he won't gave up and suddenly I accept him. That's why I'm here now together with you and Moonsoo." she explained.

L brightened after he heard what her mom or stepmom said. "Um.. I think I should go now. I still need to talk to Hyemi. Maybe she misunderstood all of it." he said.

L's omma nodded, "Okay and please say to her I'm sorry and I miss her." she said. L nodded and kiss her forehead, "I will. You just go and rest. Bye." with that, L left.

"Hyemi-ah?" L called as he arrived at the dorm. Sungyeol suddenly appeared from nowhere, "Uh.. L you're already here."

L just nodded, "Where's Hyemi?" he asked. Sungyeol raised an eyebrow, "Why are asking me? Isn't she's with you?" Sungyeol asked.

*She's not here? Then where is

she now?*" with that, L quickly left the dorm to search for you.

"L wait—" Sungyeol want to catch you but you already disappeared from his sight.

"Aish! That boy!!" Sungyeol whispered.

"Hyemi-ah, where are you?" L search for you around the town but he didn't saw any sight of you.

Hyemi-ah.. I'm very worried about you. Where are you now?
