By koreangirl26

"KYAAAAAAAAA!!!" you heard the squeals of the girls as you were unlocking your locker with your bestfriend, Jooyeon.

You look up to see the school kingkas (Infinite) walking at the school hall. *Uh-oh.. I'm going to see him again..* you thought.

Suddenly, you saw your crush. Dongwoo was the hottest among the other kingkas at your school.

As he was walking, you met his eyes. He just stared at you for a while until Hoya tapped him, "Let's go!"

Dongwoo look at him and nodded. With that, Infinite disappeared.

You let out a sigh and spun around to face your locker again.

"Why don't you go to him and confess? It's been a long time since you started to have a feelings for him right?" Jooyeon suddenly whispered. You look at her and shook your head, "I don't think he will accept me." you replied as you get your book from your locker.

"What if he accept?" she said. You closed your locker then turn

to face your bestfriend, "That's impossible!" you said as you started to walk.

"Who knows.." she whispered as she walk passed by you. You stopped by that and watch your bestfriend's back.

What if she's right? you thought. You then shook your head, *No! That's impossible! Minhee-ah, stop dreaming. That won't gonna happen..* you mentally shook your head then followed your bestfriend to your classroom.

After the class, you and Jooyeon went out from your classroom. Suddenly, CAP went to you. CAP has a crush on you.

"Minhee-ah!" CAP called. You look at him, "Eh?"

"I just want to ask you if you want to go out with me?" he asked. You look at him surprised then to your bestfriend. Jooyeon shook her head to give you a signal to not go.

You think for a while. Suddenly you saw Dongwoo walking at the corridor. *Maybe this is the best way to forget my feelings for him..* you turn to look at CAP, "Okay.. I'll go with you.." you said. CAP smiled wide.

Jooyeon's eyes grew wider because of your replied. She want to protest but then Dongwoo went to you and grabbed your hand. "She's not going out with you!" Dongwoo said to CAP.

CAP's eyebrows frowned, "Mwo?"

"I said she's not going with you. She's going with me." with that, Dongwoo dragged you away.

You were really shocked on what was happening. You look at him then to your back. Your bestfriend smiled at you, 'Goodluck!' she mouthed.

You look at Dongwoo again but his face was still serious as he continued dragging you.

Suddenly, you and Dongwoo stop at the park as he release your hand. You take a look at him. You were about to ask him but then...

"Yah! Why did you accept his offer? Wae? Do you like him huh? Why him and not me? Wae Minhee-ah?" he started to ask you.

You were shocked by his action. *Wait.. Did I heard right? He want me to like him but why? And another.. He knows my name? How?* you asked yourself.

Dongwoo look away. He spun around and was about to leave when you suddenly caught his arm, "Wait!"

He stopped and turns to look at you. "How did you know my name? And.. Why do you want me to like you?" you asked.

"Isn't it obvious? Because I like you." he said. Your heart started to beat faster. You want to jump because of happiness but you can't. "Y-You like me?" you asked.

He nodded, "Yeah." he replied. "But.. Why me? I'm just an ordinary girl student and you are a kingka." you asked.

"Yes, I know. But you're actually my crush for so long. When the time that I'm not a kingka yet, I already has a crush on you. This is so embarassing to admit but I'm secretly watching you from afar. The way you laugh, read,

listening to music and talking. I already saw all of that. My heart was beating so fast when I saw you. You're the only girl who made my heart crazy." he said.

After you hear all his words, a smile went up to your face. You then hug him tightly. He was totally shocked by the sudden hug.

"Babo! You are my crush for so long too.." you whispered to him. After hearing your words, he smiled as he hug you back.

He then broke the hug. He look straightly on your eyes, "You didn't know how happy I was now.." he said.

You smiled shyly, "I'm happy too." you said as you look away, embarrassed.

Dongwoo cupped your chin to make you face him again, "No need to be shy." he said as he slowly lean in to you.

Suddenly, his lips met yours. Your eyes grew wide when you felt his soft lips on yours. But then, your eyes started to close.

Jooyeon was right! Nobody knows that the impossible thing will going to happen..

With that, you started kiss him back as the kiss become passionate.
